NOBLE HARRY E. ALGER [Imperial Chaplain]: Nobles and ladies and gentlemen, will you turn your hearts and minds to God in prayer for a moment or two.

Our Heavenly Father, on this opening day of the One Hundred Fifteenth Imperial Council Session, we ask for Your guidance in the responsibility we have undertaken and Your help in fulfilling our duties.

We offer our sincere thanks for the safe arrival in Toronto of over several thousand Shriners and their families who will participate with us all this week.

We thank You, too, for the graciousness of this great city and the splendor of its historic waters.

As we contemplate all Your great bounties let all of the Nobility pause and rededicate themselves as the wise stewards of the charge at hand that we may further our help and goodness to thousands of crippled and burned children throughout this great North American continent.

Lord, we give You thanks for the privilege of being in a position to serve wholeheartedly our fellow man.

We thank You for the guidance of our Imperial Potentate, Edward G. McMullan, and we ask that you give our Potentate-Elect, George Washington Powell, great wisdom and sound direction that he may lead us to yet another constructive and beneficial year.

May we always deliberate with equity, ponder with second sober thoughts and decide according to our truths.

Our Father, in Your Holy Name, we ask this special prayer. Amen.

DIRECTOR GENERAL RHODES: The Color Guard will now retire and the audience may please be seated.

... Whereupon, the Color Guard retired and the audience was seated ...

DIRECTOR GENERAL RHODES: It is my distinct honor to declare the One Hundred Fifteenth Imperial Session now open.

Would you please recognize with me the entertainment provided for us prior to the opening and the assistance given us during introductions by the Rameses Temple Band, directed by Noble George Barton. (Applause)

Imperial Sir, Imperial Sirs, Distinguished Guests, Most Worshipful and Right Worshipful Grand Masters, Illustrious Sirs, Honourable Shirley Martin, Honourable Gerry Phillips, His Worship Mayor Arthur Eggleton, Chairman Alan Tonks, James Arnold, Nobles, Ladies, Gentlemen and Guests: We owe a debt of gratitude to the officials of this province and Metropolitan Toronto, the Convention and Visitors Association and, likewise, to the Toronto Police for their assistance in making this Convention the success it will be.

I would like to thank all of my committees for a job well done thus far. However, please do not let up, we still have a week to go.

Will my committees please stand. Let us express our appreciation. (Applause)

I would also like to thank Keith Kapanka from the Oldsmobile Division of General Motors and also General Motors Canada for their continued assistance and dedication to the Shrine. We are most grateful. Keith, are you present? (Applause)

Today we have a special guest of Rameses Temple who has supported the Shrine for many, many years—Her Worship, Mayor Hazel McCallion and her husband, Sam. Are you here, Hazel? Well, I guess she is not. However, I would like to acknowledge her.

Imperial Sir Edward McMullan is a frequent visitor to Toronto and has many friends here. Imperial Sir McMullan started right here in Toronto in 1975 his long climb to the distinguished Office of Imperial Potentate and it is certainly fitting for him to return to Toronto as the One Hundredth Imperial Potentate of the Shrine of North America.

Now, let me tell you some highlights of this Convention:

Today, we have Shriners Night in the Skydome. It just opened about four weeks ago. We will have the Toronto Blue Jays versus the Boston Red Sox. This is the first Convention in the Skydome, commencing with an on field presentation at six-thirty p.m. This will be led by 140 pipers on field.

Tomorrow we will have a sunrise service dedicated to the Shriners Monument erected in 1930 to international peace. Nineteen-thirty, I might add, was a banner year for the Shrine. It was the Imperial Session at which the International Peace Monument was created and given by some 600,000 Shriners across North America to the City of Toronto.

The day parade is also tomorrow. One hundred eight Temple marching units will be on parade.

On Wednesday, at eleven o'clock we will have a fly pass over Toronto, this being a Shrine air show, this being the first Shrine air show ever produced, followed by the Shrine sail pass. The Shrine will take a salute at twelve-ten p.m. at pier 4.

At the same time, a Harbour Fest will take place at the harbour front. There will also be competitions throughout that day throughout the city. The Grand Finale will be on Wednesday evening at Ontario Place with the Symphony of Fire dedicated to International Peace.

We have about 700 Shrine pipers in town and they will be having a tartan ball at Moss Park Armory that evening, and many more events.

On Thursday, July 6th, the Shrine Western Barbecue will give away 100,000 hot dogs at our City Hall Square which we call the Nathan Phillips Square. There will be western bands and the Rameses Pipers will also be on site.

Thursday night we will have our Shrine night parade, which will again be marching down University Avenue.

Now, we are privileged to have with us today some very distinguished leaders of government, the Masons and the Shrine.

It is with great pleasure that I introduce to you first, James Arnold, the Chairman of the Metropolitan Toronto Convention and Visitors Association, whom we are so happy to have with us. (Applause)

MR. JAMES ARNOLD: You know, first let me say that I am always amazed at the orchestrations of such an event as this and, simply put, let me say, in behalf of the Metropolitan Toronto Convention and Visitors Association, that we are excited having all

of you here over the next week. This, I understand, is the largest Convention that Toronto has ever hosted and so we are going to be doing our best to be the best host you have ever seen.

Now, we have really worked hard with you not only to make Toronto your choice but, being a second to none city in the world. We are proud that you have come here and joined us over the next week. We are going to promise you, I might add, that the Blue Jays will take two out of the three games. (Laughter) We have promised people this before but I think this week we are going to do it.

Simply put, thank you very much for choosing Toronto. We are going to prove ourselves the next week to establish the fact that you did make the right decision and, again, we look forward to being the best host that you have ever seen.

Thank you very much. (Applause)

DIRECTOR GENERAL RHODES: Thank you, Mr. Arnold, for being with us today. We certainly appreciate the cooperation of the Association over the past three years.

I next have the privilege to present the Mayor of Toronto, His Worship, Arthur Eggleton. (Applause)

HIS WORSHIP ARTHUR EGGLETON [Mayor, Toronto]: Thank you very much.

Ladies and gentlemen, it is my pleasure, on behalf of all the people of Toronto, to welcome you here to our city and to thank you, Imperial Sir, for having chosen Toronto as the site for your One Hundred Fifteenth Imperial Council Session.

This is the fifth time in history that this has taken place, the first going back as far as 1888, when the Imperial Council Session was held here and then again in 1930, the year of the Peace Monument, which has been mentioned. Then again in 1962, then in 1975 and again now in 1989, you, the Shriners, have honored our city with your Imperial Council Session.

It has never been more carefully planned, eagerly awaited or more enthusiastically welcome than the one that we are opening here this afternoon.

An unprecedented number, and I have heard as many as 90,000 Shriners on a five-day, if you will forgive me, "festival." (Laughter)

Now, you know, many of you will have an opportunity to enjoy a fabulous Toronto holiday weekend. I hope you will get an opportunity to avail yourselves of all the wonderful sights and attractions our city has to offer and I hope that in the days to come you will continue to do so. Also, by the way, let me add that all of the shops are open today.

Coming on a holiday weekend, as you can appreciate, on our national day, Saturday, they were closed but now they will be open for the balance of the week and our merchants have asked me to tell you to please go and shop, shop, shop. (Laughter)

I hope you will also get an opportunity to enjoy the unique bird's eye perspective of the city from the CN Tower, our culturally vibrant harbour front area, the beaches, etc. This is a water sight town within a city. We also have many museums and parks and rich cultural world attractions—also a world of concerts and theatres and, also, I hope you do get an opportunity to take in a ball game at our fabulous new Skydome.

Also, perhaps you may take the opportunity of strolling through some of our neighborhoods. Each one is so distinctive and yet unmistakably Toronto. We hope you will take the opportunity to experience the marvelous mosaic of cultures and languages in our city which, in turn, makes our city an exciting place in which to live and visit.

There is a little mix here, as you may know, of every nation of this world. People from all parts of this globe have come here and settled in Toronto. They live together here in peace and harmony and, in the final analysis, it all adds up to a distinct special way of life.

It is a diverse, interesting city, filled with the energy of youth and with deep roots and traditions.

Ladies and gentlemen, for the next few days, we are delighted that our home is your home and to make it all official, I am pleased to proclaim this week to be Shrine Week in Toronto. (Applause)

I know, of course, that you have a lot of work to do in the sessions that are to be held but in between those good works and the parades and the barbecue out in front of City Hall, when I will have the pleasure of seeing you again and also in relation to your business at hand during your Imperial Council Session, I hope that you will take time to enjoy our city

and the very warm welcome I know that our people want to extend to you and I hope that in the future we will have this opportunity to get together again.

Thank you very much. (Applause)

DIRECTOR GENERAL RHODES: Thank you, Mr. Eggleton.

And now I have the pleasure of presenting Chairman Alan Tonks, Chairman of the Metropolitan Toronto Council.

MR. ALAN TONKS: Imperial Potentate, Imperial Sirs, Imperial Chaplain, Past Potentates, Members of the Imperial Line, Nobles of the Shrine, Families of the Shriners and Friends All: I am very pleased to be here with you.

You know, this morning, my six-year-old son said to me, "Dad, where are you going?" I said, "Well, I am going down to visit with the Shriners and their families." He said, "Dad, what is that all about?" I replied, "Well, what is what all about?" He said, "Well, why are they here and why are they wearing those funny hats." (Laughter) I replied, "Well, son, the Shrine is over 100 years old that I know of and it is built on the concept of community service." I then said, "You know, in our large city, we need many, many people who will serve." He then replied, "Well, is that why you are going down there to serve?" I replied, "Well, son, in a way I am but I am not going to be serving any of those 100,000 hot dogs, I can assure you of that." (Laughter)

I do not know whether you reflect very often as to how important you are. If I may, and I hope I am not too presumptuous, I hope I can reflect just for a moment as to how I see the importance of your visit here in Metropolitan Toronto, not only in Metropolitan Toronto but in every urban community across North America.

Today we are facing the challenge of an urbanized community, an urbanized society that has so many, many needs and as a person who is a representative of government, along with my distinguished colleagues at other level of government, we in government know all too well that we cannot even come close to touching the nerve of the issue of the needs of our community. That can only be done if we each in our hearts realize what we can do with positive initiative and energy and come together as individuals of good faith and good will in collective groups such as the Shrine and the Shriners—willing and ready to serve our communities.

And you being here in Metropolitan Toronto, you hundreds of thousands of individuals, if you will send out a clear signal to the rest of this metropolitan area, not the least of which is my six-year-old, who will be asking, "What is the significance of the Shriners?" Now, the answer will reverberate just as clearly as the pealing of that bell, that was instituted some thirty or forty years ago, that bell of peace that you previously dedicated and also will rededicate tomorrow. It will reverberate out through the urban community of Metro, through this province, through this country and right across this continent, throughout North America and hopefully the world, that we are ready to serve, that we together can serve the needs of our fellows with our belief in God, our respect for our flag and our love of country.

However, it begins with ourselves in our communities.

Shriners all, you and your families, I welcome you, along with Mayor Eggleton, to Metropolitan Toronto but we welcome more than just you as individuals, we welcome you for what you represent in a city and urban community where there is often hopelessness to one that, through collective efforts, will be one of hope.

Thank you for being with us and thank you for sharing that message and we wish you well in your convention here in Metropolitan Toronto. Thank you very much. (Applause)

DIRECTOR GENERAL RHODES: Thank you very much, Chairman Alan Tonks and also Mayor Eggleton. I would like to thank both of you for supporting us in our efforts that we are pursuing here and without your cooperation, as I have said before, we certainly could not have done it.

Thank you again.

At this time I am pleased to introduce the Minister of Citizenship in the Province of Ontario, the Honourable Gerry Phillips. (Applause)

THE HONOURABLE GERRY PHILLIPS: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles, Ladies and My Colleagues in Government: I am here representing the Premier but I would like to say personally that we have been looking forward to this event here in Ontario, well,

actually, for a year and now it has finally happened and I want to say how delighted I am and the people of Ontario are that you are here.

We all hope that you will have just a fabulous and very productive conference. Welcome to Ontario.

Also, on a personal note, I would like to echo a lot of what Alan Tonks said and that is that you are an organization whose reputation is absolutely first-class, an organization that holds together very talented individuals and in this room and in your Shrine organization you have tremendous talent—talent that is put to work in doing really important things for the communities of North America and so, on a personal note, I want to thank you and wish all of you the best of luck in the years ahead as you continue to serve your communities.

The Premier did ask me if I would pass on his message. He is, as you may or may not know, in Europe at this time and regrets that he could not be here personally to help open this convention.

However, he says the following:

"In behalf of the people and the government of Ontario, it is my pleasure to extend through my colleague, the Honourable Gerry Phillips, the Minister of Citizenship, my best wishes to all of those who have gathered in Toronto for your One Hundred Fifteenth Imperial Council Session of the Shrine of North America.

"Over the years, the Shriners have exemplified the true meaning of charity through their ongoing support of Shriners Hospitals.

"With a special focus on assisting those suffering from spinal cord injury and severe burns, the hospitals provide much needed services free of charge. Thousands of people and, especially as you know, children, have benefitted from this kindness and generosity.

"I am pleased to recognize your fine record of service and salute all the Shriners in attendance for dedication to such a worthwhile humanitarian cause.

"I am pleased to convey warm greetings to Imperial Sir Edward G. McMullan, Imperial Potentate and to offer a word of welcome to our many visitors from outside of our province and outside of our national boundaries.

"I trust that your stay in Ontario will be most memorable and enjoyable. Every good wish to all of those for the outstanding success of your One Hundred Fifteenth Imperial Council Session."

That is signed by the Premier of Ontario, David Peterson.

Now, I would just like to close by providing a little memento to your Imperial Potentate and so, at this time, I would like to ask your Imperial Potentate, Imperial Sir McMullan, to please join me at the podium.

For your information, in Ontario, we are fairly staid people and it took a little courage to actually name our official bird, which we did this year because actually the most popular bird in Ontario is the loon. You can just imagine having an official bird called a "loon." Well, it took a little bit of courage but we finally did it this year.

Also, by the way, I am sure some of you have seen those \$1 coins. We call them here in Canada "loonies" because the loon is on them and you will get used to that.

I would like to present this to Imperial Sir McMullan, a token of our esteem in Ontario, from the people of Ontario, which is a hand carved loon which I hope will be a pleasant memory of a very, very successful conference.

Again, to all of you, and particularly Imperial Sir McMullan, the very best of luck on a most productive conference.

Thank you all. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much. I certainly do appreciate this loon. I know, in relation to the production of these new coins, they are doing away, in the process, with the dollar bill and so, as we accumulate these, we may have to get bigger pockets and bigger linings.

However, certainly, this is going to have a place of prominence in my home and, further, it means so much to me to have the Convention here in Toronto, Ontario, Canada, and to have you render to us such wonderful hospitality.

Thank you very much. (Applause)

DIRECTOR GENERAL RHODES: And now it gives me great pleasure to introduce to you the Minister of State for Transport, Government of Canada, the Honourable Shirley Martin.

THE HONOURABLE SHIRLEY MARTIN: Thank you very much.

Platform Guests, Ladies and Gentlemen, Shriners and Friends All: It is a pleasure to be here today, to bring you greetings and welcome you in behalf of the Prime Minister and the Government of Canada to your wonderful Convention in Toronto.

From the pageantry of the pipers to the pride of the parade; from the excitement of the sail pass and the air show that follow, the presence of the Shrine organization will be remembered by this wonderful City of Toronto and, indeed, Canada.

The contribution and the well being of children provided by your twenty-two hospitals is greatly appreciated by the Canadians across this country.

The recently refurbished hospital in Montreal and your generous contribution to the Toronto Hospital for Sick Children are examples of the high standards that you maintain in hospital care throughout North America—care without cost.

Holding your Convention during the celebration of our Canada Day and the United States Independence Day is indeed very timely for the theme of your Convention this year—International Peace.

Americans and Canadians speak proudly of the unique and enduring relationship that we have between our two nations. It is a relationship that displays many common values and friendships that stand as an example to other nations.

We hold many democratic ideals in common. Sometimes we approach them from the differing perspectives that our individual histories have given us but our goals are the same—to secure a healthy, energetic, socially and democratically fair society for our people.

We share the challenges of the late Twentieth Century, ensuring economic stability, promoting a clean environment and setting an example of peaceful prosperity for the rest of the world.

We share the same economic goals and a desire to cooperate to meet those goals together.

However, most importantly, as we strive for these goals, we need not look over our shoulders at each other out of fear or distrust but, instead, we count on cooperation, good will and international good neighborliness.

Our undefended border is the longest in the world and serves as an example of nations living together in peace but our border is defended not by guns but by our friendship and our commitment to each other.

Shriners everywhere also serve as an example of commitment and dedication—commitment to making life better for others. Shriners play hard but they work even harder.

I thank you all for what you have contributed in the past and I wish you every success in the future.

And as the fireworks light the skies over Toronto on Wednesday night, may they serve as a symbol of the light that you bring to many darkened lives through your good deeds throughout Mexico, the United States and Canada.

Please enjoy your stay in our great country and my thanks to Peter Rhodes for letting me be a part of your ceremonies here.

Before I leave, I would like to, if I may be permitted to do so, make a presentation to the Imperial Potentate of the Shrine of North America, Imperial Sir McMullan.

This is "Canada, A Celebration" and I hope that as you read it when you get home you will remember good times that you had here in Toronto at this Convention.

IMPERIAL POTENTATE McMULLAN: Thank you very much. I am looking forward to finding time to read it when I get home. We appreciate this very much and please say hello to my colleagues and neighbors from Calgary and certainly my best wishes to Brian Mulroney.

Thank you very much. (Applause)

DIRECTOR GENERAL RHODES: May I now present the Potentate of our host Temple, Illustrious Sir Robert B. Hall, Rameses Temple, Toronto, Canada.

ILLUSTRIOUS SIR ROBERT HALL: Thank you very much.

IMPERIAL POTENTATE McMULLAN: And now, with great pleasure and the highest privilege, I introduce to you the Grand Master, Grand Lodge of Canada in the Province of Ontario and a member of Mocha Shrine Temple, Most Worshipful William R. Pellow. (Applause)

MOST WORSHIPFUL BROTHER PELLOW: Thank you, Imperial Sir.

Imperial Potentate, Grand Masters of North America, Nobles, Sirs and Ladies and Gentlemen: I would like to thank the Imperial Potentate at this time for the opportunity to bring you greetings in behalf of the forty-six Grand Masters of Northern America. They represent 2.5 million Masons.

Also, it is a particular pleasure, as the Grand Master of Ontario, to welcome you to this great province and fair City of Toronto.

In my office, I represent 93,000 Masons in Ontario, some 8,652 Lodges and there are 136 Lodges in the metropolitan area of Toronto, a great town.

Now, right now I have to pinch adrenal glands. Now, those are the little glands that sit on top of your kidneys and what they do is give you a little effervescence and a little bubbling and I need it about now because some of you are getting very sleepy and content and you are sitting down on your haunches in your chair. (Laughter) Now, when I get the bubbling and the effervescence up there I feel at least that I would not be so monotonous that you would fall asleep on me. (Laughter)

Every person sitting out there wearing a Fez, at one time or another, is, was and shall be a Mason and I think there are many people in the audience who may be aware of that particular fact—that every Shriner is a Mason and I am proud to be one of them. (Applause)

This is a very exciting session. Amidst the whirr of bagpipes, Shrine bands and Shrine orchestras, etc., it is a kaleidoscope of color—dashing, vibrant and brilliant colors as you

look around. It is fun. It is fraternal friendship. It is an atmosphere of absolute party and fun. However, there is also a deeper and more serious side to this whole organization.

Of course, the tassels fall into your food and then they are washed off in your beverage cups. (Laughter) You know, I have a terrible time. (Laughter)

However, they are always worn with pride and dignity and always proudly displayed by almost every state and almost every province in this whole North America.

It is going to be quite a processional, and it is. Shrinedom is, of course, among the world's greatest philanthropic organizations, without a doubt. It has a deep understanding for many of us. Moral instruction and social intercourse is just a part of it. It is brotherhood exemplified.

And we do it through cooperation and participation and I would like to give you an example.

I know, for example, when the Imperial Potentate goes back to his home, he is going to be exhausted and, further, when I have my Session here in a couple of weeks, I am going to be exhausted. So I will go to my cottage in Northern Ontario and last year, I might add, I did that in order to unwind.

It was a windy day in my cottage and I noticed that the lake was quite rough and there was a little beaver pulling along a piece of poplar tree and he was trying to take it to his house.

Well, I looked at him for a long time and then I said, "I am going to help that beaver." So I got into my boat and I tied a little piece of rope around the tree and I brought it to his house.

I returned back and after I and my wife had supper and she was doing the dishes, she said, "Come to the window and have a look." There was the beaver in my boat trying to start the motor. (Laughter and applause)

Am I proud to be a Mason? Yes. Am I proud to be a Shriner? Yes. So are we effervescent? Well, let me give you an example.

However, before I was a dentist, I operated a hunting business.

Now, one year I took two Americans in my camp to hunt moose. So I put them, with a pilot, into a plane and the pilot took them to where they were going to be for the next five days.

When the pilot landed there at their hunting site, he said, "Gentlemen, there is just one thing I have to tell you—I can only fly one moose out of here with you two fellows. I will be back to pick you up in five days."

Well, after the fifth day, the plane came in and they had two moose at the landing ready to load into the plane. He said, "I told you, I cannot fly two moose and two men out, it is impossible." Well, they argued with him at some length and they said, "Well, the fellow last year did it" and finally one fellow convinced him and so they loaded up the two moose and the two men and they got into the plane, went down to the far end of the shore where the weeds are, revved up the motor, he got on the step and he took off. However, they did not get very far to the other end of the lake before they stalled and crashed.

Well, amidst the crash, this man was coming out with a very hazy feeling and he had just been knocked unconscious. Well, he looks through the haze and he could see his friend smoking a cigarette beside the tree.

He asked, "How far did we get?" He replied, "Fifty yards further than last year." (Laughter and applause)

That is the kind of progress we make in Masonry and we do the same in the Shrine. We are always innovating something.

When we enter the Twenty-First Century and face the socioeconomic problems that are surely going to confront us, I am highly optimistic and so I would like to leave every Noble here with this little motto—if it is to be, it is up to me and, further, we may not have it altogether but together we have it all.

Thank you very much.

. . . Rising applause ensued . . .

IMPERIAL POTENTATE McMULLAN: Thank you very much, Most Worshipful Fellow. You certainly can wake them up. (Laughter) As a matter of fact, that is a way to get an audience, wake them up. (Laughter)

Now we have something very, very special for you—very, very unusual and that is we have in our midst today a man distinguished by his age, his life long service to Free Masonry and his superb achievements as a Shriner.

Potentate of his Temple, Ballut Abyad of Albuquerque, New Mexico in 1924 at the age of thirty-four, Charles Henry Lembke, at 100 years young, is the oldest living Shriner and Past Potentate known to the Imperial Council.

Charles Lembke, if you are present and if you can stand up and I am sure your daughter can help you, please do so so that we all can salute you properly.

... Rising applause ensued ...

IMPERIAL POTENTATE McMULLAN: Let me say, Charlie, that I have a presentation to make to you and I would first like to read this:

“Presented on this sixth day of July at the Imperial Council Session, Toronto, Canada, by the Imperial Potentate of the Shrine of North America.” (Applause)

Charlie Lembke, it is an honor for me to be here with you to make this presentation to you at this time.

... Presentation of plaque and applause ensued ...

IMPERIAL POTENTATE McMULLAN: You know, we knew that Bill Pellow was going to be exciting and so we had to have something a little more exciting than Bill Pellow. (Laughter) Of course, that was not easy to do.

Now, Director General, I would like to return the gavel to you at this time.

DIRECTOR GENERAL RHODES: Imperial Sir, Imperial Sirs, Illustrious Sirs, Nobles, Distinguished Guests, Ladies and Gentlemen: I have had the pleasure of working with Imperial Sir Ed McMullan for many years. His business achievements are outstanding and equal to his Shrine achievements.

Imperial Sir McMullan was recently referred to in our local newspaper as an Ambassador of Peace for the Shrine of North America.

As some here know, the year of an Imperial Potentate is very demanding on your personal life, business life and your social life and this is equally true for the many, many years of dedication that precede elevation to this most important office.

I can only simply say that our Imperial Potentate is an exceptional person with outstanding qualities that have carried him through his term of office like a true statesman and the gentleman that he is.

His dedication to the Shrine of North America and his service on the many committees that he has created has made an everlasting mark on all of our lives and through the Shrine of North America.

But more so, however, the dedication of leadership throughout our philanthropy and our sole purpose of existence, the nineteen orthopaedic hospitals and three burns institutes.

Please join with me in greeting the Imperial Potentate of the Shrine of North America, Edward G. McMullan, C.D.

. . . Rising applause ensued as Imperial Potentate McMullan approached the podium . . .

IMPERIAL POTENTATE McMULLAN: Thank you all so very, very much.

Now, you see, I have had all of these people speak ahead of me and they have all said some very nice things, they have done exceptionally fine jobs, they told you all about our great philanthropy, told you all about the Peace Monument and International Peace.

However, I have an honor here today that I have not had the privilege of doing before and that is a presentation to our distinguished guests.

Let me say, first of all, that this shopping bag is not indicative of what is in the parcels.

First of all, I would like to call on Mr. James Arnold, Metropolitan Toronto Convention and Visitors Bureau.

Mr. Arnold, it is a great pleasure to make to you this presentation on behalf of the Shrine of North America and the One Hundred Fifteenth Imperial Council Session and when you open it up, you will find that this gift denotes International Peace.

. . . Presentation of gift and applause ensued . . .

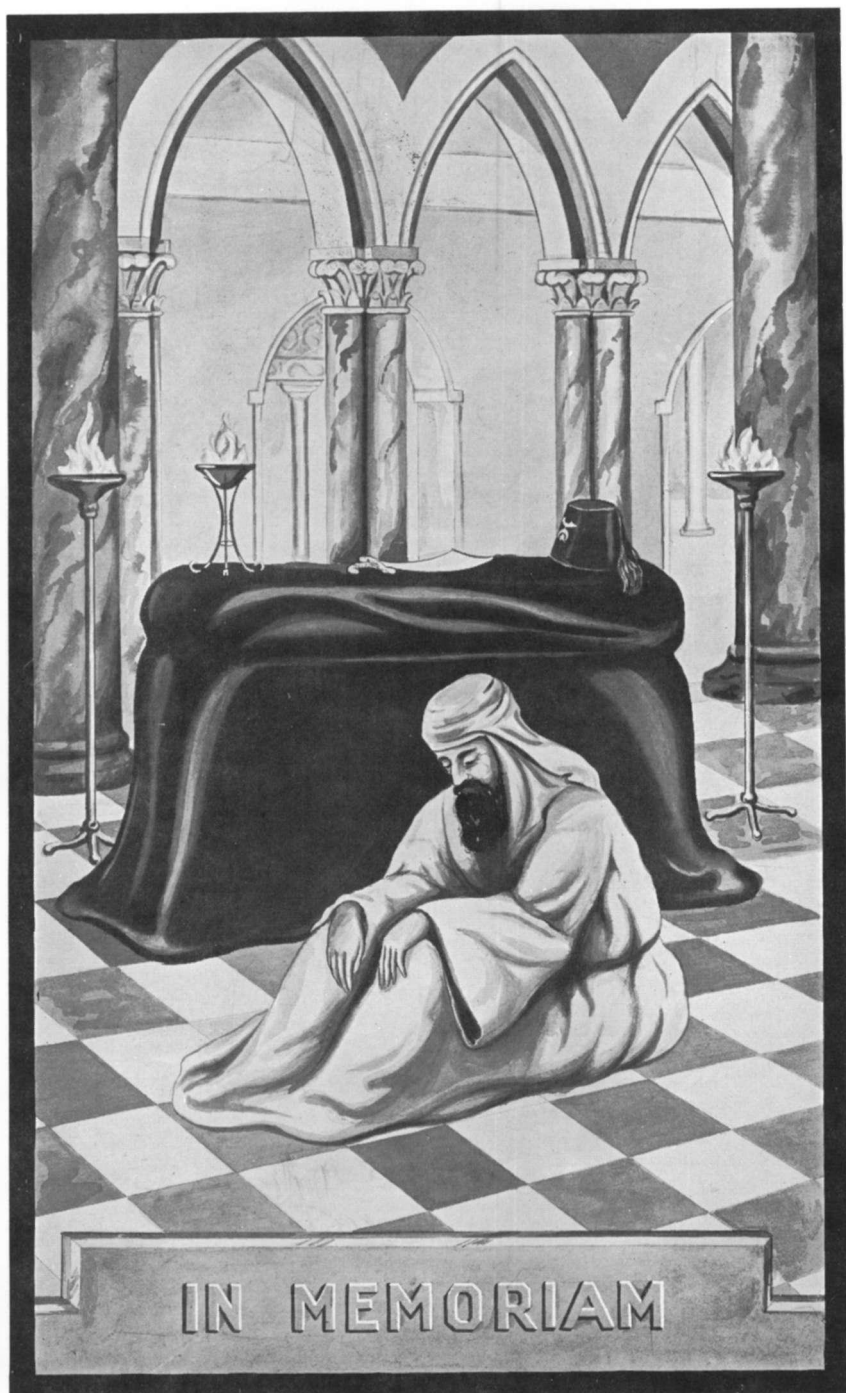

IMPERIAL POTENTATE McMULLAN: Next I would like to call on Mr. Alan Tonks, Chairman of Metropolitan Toronto.

Please accept this gift as a token of our support for your dedication and help. We appreciate that and we would like to have you have this as a token of our appreciation.

. . . Presentation of gift and applause ensued . . .

IMPERIAL POTENTATE McMULLAN: I would next like to recognize His Worship, Arthur Eggleton, Mayor of Toronto. I have gotten to know him quite well because we both appeared on television together. However, he gets paid for it and I do not. (Laughter)

As you know, he is the Mayor of Toronto and certainly a wonderful person. You know,

IN MEMORIAM

we were going to have fun with our old buddy when he went out of office in Calgary. They got rid of him and so we cannot do anything about that.

However, I just want you to know how pleased we are to be in your wonderful city and to offer you this token of our appreciation. It is a wonderful and great city and, of course, you do a great job. You are a wonderful host, thank you very much.

... Presentation of gift and applause ensued ...

IMPERIAL POTENTATE McMULLAN: I would next like to recognize the Honourable Gerry Phillips, Minister of Citizenship, Province of Ontario, at this time.

Thank you very much for all of your help. We are very pleased to be here and certainly will bring in enough funds so you can lower taxes in Ontario. We do not like paying that 8.5 percent.

... Presentation of gift and applause then ensued ...

IMPERIAL POTENTATE McMULLAN: Next I have the Honourable Shirley Martin, Minister of State for Transport.

Certainly, I know that you will be able to use this gift because you are going to be signing a lot of checks and, again, this is a token of our appreciation and also International Peace throughout North America and in Panama, at which place we also have Shriners. Thank you very much.

... Presentation of gift and applause ensued ...

IMPERIAL POTENTATE McMULLAN: Well, we now come to the point where it says "remarks" and I think we have already had enough remarks so I think we can get back to work.

However, I would like to say, Nobles and ladies, that since our last Convention the Black Camel has visited many Nobles and taking them to be with Him, the Supreme Architect of the Universe.

I would now like to call upon Imperial Sir Dr. Daniel Bowers, for the Necrology Report and Ceremony.

DR. DANIEL BOWERS [Past Imperial Potentate]: Nobles, shall we uncover, please.

Imperial Potentate, Imperial Sirs, Past Imperial Potentates, Grand Masters, Ladies, Nobles and Guests: There always comes a solemn moment after each Session that we have to think of those who have passed away during the past year.

In the beginning God, all things were made by Him and without Him nothing was made that was made, and the word was with God and the word was God. The word was made flesh and dwelt amongst men.

This is the day that the Lord hath made, let us rejoice and be glad in it, and what does the Lord require of us but to do justice and love, mercy and to walk humbly with our Lord; to love the Lord our God with all our hearts, our minds, our strength and one's neighbors as ourselves.

With these thoughts in mind, it is fitting that we once again, at this Public Opening Ceremony of the Shrine and at this Imperial Session, pay tribute to the memory of those illustrious Nobles who departed from us during the past year. These Nobles, dead, once conducted the business affairs of this great fraternal organization as we are now.

: In the Psalms we find these words:

"The earth is the Lord's and all it contains. The world and those who dwell in it—for every beast of the forest is mine, the cattle of 1,000 hills. I know every bird of the mountains and all that moves in the field is mine."

We then are responsible to God for what we do with our lives, with what we do with that which has been given to us, our gifts and abilities, our finances, for everything comes from Him.

I will ask, at this point, the Medinah Chanters if they will now sing for us. They are under the direction of Noble Nathan Turner.

... Whereupon, the Medinah Chanters sang the hymns "Just A Closer Walk With Thee" and "Amazing Grace" ... (Applause)

DR. BOWERS: Let me say that I am sure that many of you were unable to attend church yesterday and so I would like to speak this afternoon for just a few moments on the subject of life itself. I would like to compare life to a painting.

To me, life is like a painting in which the artist puts down a spontaneous impression in a

type of ink that cannot be erased. Life delineates itself on the canvas called "time," and time never repeats—once gone, forever gone.

Life is like a painting that must be executed once for all time without hesitations and without interjections. No corrections or alterations are permitted.

Life is not like a painting that can be rubbed out and done over and over again until the artist is satisfied. In some painting, any brush stroke painted over a second time results in a smudge. All corrections show when the paint dries. So in life, what one has passed through the consciousness cannot be erased. One cannot exactly repeat what once we have committed to deed, reality must be seized upon while it is going on, not before or after. It is an action of one instant.

Life is a continually doing something. It is action, whether it be by a walk we may take in the evening, the work we do in the office, plant, home to our daily tasks.

The first line we can sketch on the diagram of life is its dynamism. To live is to operate with the both and spirit or ideally both.

Hidden beneath our momentary cares, beneath the turbulent course of our daily lives, is an underground stream of preoccupation and hope that is really our true life.

In the Bible it states that man's life is a continual strife and struggle. I will soon tell you why. To live is to be concerned—concerned for the lives of others, for certainly no one goes this way alone. All that we send into the lives of others, comes back into our own.

It was good to hear President Bush state in his inaugural address that the greatness and success of a nation is not dependent upon its material wealth and scientific accomplishments but, rather, upon the spiritual and moral values of its people. That means you and me.

The Master said, "Seek ye first the kingdom of God and his righteousness and all these things shall be added unto you." This is really the purpose of our lives for each of us was born to become the children of God. So it shall be.

In God's creation of man and woman, he told them specifically that they were not to eat of the tree of good and evil. Man, however, chose to do otherwise in this Garden of Eden.

They heard the Lord God walking in the cool of the evening and they ran and hid in the forest. God called to the woman, "I shall greatly multiply your sorrows and your conception. In pain you shall bring forth children. Your desire shall be for your husband and he shall rule over you."

There it is the great male-female power struggle of family and child rearing problems.

To the man, Adam, he said, "Cursed is the ground for your sake. In toil you shall eat of it all the days of your life. Thistles and thorns shall bring it forth for you and you shall eat the herbs of the field. In the sweat of your face you shall eat bread until you return to the ground, for out of it you were taken. Dust you are and to dust you shall return."

So it was that Adam and all human descendants were condemned to a life of stress and problems.

So it is, these Nobles that have passed away during this past year are waiting the return of the Master because he said, "I go to prepare a place for you and if I go to prepare a place for you, I will come again and receive you unto myself that where I am, there you may be also."

I will tell you also that death is not so difficult, having been a physician for fifty some years, in fact, more than that, during which time I have seen death come and go.

When one passes away you enter the chamber of life twice and there you shall remain until the Master comes.

So here we are at another Session. It has been good. Now, I can continue on but I think it is important to note that in spite of all the advancements today in modern technology, science and achievements, the Temple of today's life is forging dangerously ahead. People today are constantly rushing through life with no time to enjoy the beauty of the moment.

During the last year, we had 22,775 Nobles pass from this earthly realm. That is a large figure, is it not? It is a reality in each of us in due time will arrive at that place. It is one of reality of life but to me life is just a reflection of the realities of the world in which we live and, of course, each of you know that. We cannot kid ourselves.

Now, it is written, "Man shall not live by bread alone but on every word that proceeds out of the mouth of God. We should strive to live as the Master lived. As we go down the valley of life and the road gets narrow and we come to the end of the way, each of us will

want to hear the Master say, "Well done, thou good and faithful servant, enter thou into the joy of the Lord."

This is the purpose of life—the Lord giveth and the Lord taketh away, blessed be the Name of the Lord.

You know, the only purpose we have in life is the salvation of our own souls. No one accounts for you but you yourself.

So we have lost these 22,000 men and I would mention in particular these during the year. Leonard Glitten and Lloyd O'Rourke of Antioch Temple who just died this past month.

For you men who are fishermen, Gerald "Red" Smith, Mizpah Temple, founder of the Great Lakes Shrine Association Fishing Derby, about eighty-three years old. He died this year. They contributed so much to the Shrine.

And one we loved so well this past year and he sat a year ago at this time with us and that was Dewey Kuhns, Past Royal Director of the Jesters and its Treasurer for many years.

And then another great Jester, Harry Leggett of Scimitar Temple.

And then one you also know, an individual who ran for Outer Guard, Tom Roberts from Chicago, who was Chairman of the Chicago Hospital for many, many years. Really, we miss Tom. Alice is still here.

So we have so many widows. May the blessing of God be with all the widows in our group.

So as we walk down the valley of life, wavering in the dominion of the Lord, each of us, when we get to the end of the road and the valley gets narrow, will want to hear the Master say, "Well done, thou good and faithful servant, enter thou now into the joy of the Lord."

I would say that these 22,775 men are now at that stage.

In due time, as I mentioned before, we will become a memory also and you, I am sure, would like for us, your friends, to remember you with that same respect.

Now, at this time, we will have the dues card burning ceremony in memory of these 22,000 members who left us during this past year and I will now have Tom Yannis read or give an appropriate little message.

NOBLE YANNIS: I hear a voice in heaven saying, "Blessed are the dead who die in the Lord."

Nobles, life is a story in volumes three,

The past, the present and the yet to be.

The past is finished and laid away,

The present we are living day by day;

The third and last of volumes three

Is locked out of sight and only God has the key.

The Heavenly gates were opened;

A gentle voice said "come";

And with farewells unspoken,

He peacefully entered Home.

Not dead, but only promoted

Into that Grand Lodge above;

And there, with the smiles of his Master,

To continue his labors of love.

... At this point, the singing of "The Lord's Prayer" ensued by Potentate Harry Moore of Nur Temple, accompanied by Noble Robert Rakosmik, Medinah Temple ...

DR. DANIEL BOWERS: Thank you, gentlemen.

We will now have our Imperial Chaplain give us a parting word.

NOBLE HARRY ALGER [Imperial Chaplain]: Ladies and gentlemen, may we continue in prayer for just a moment.

Heavenly Father, we bow before you this day while we pause to appreciate and remember our dearly departed brethren who have left us since we met at this time last year. They were a lot of fun, they were great family men, they were good workers for our philanthropy and we shall miss them.

But life goes on and we pledge to our departed brethren a greater dedication to our cause for the rest of our days.

You, Dear Lord, have presented life to us in an assortment of good days and bad, mixed

with joy and, of course, some tears. Through it all, however, we know that you are with us in every segment of our life.

Heavenly Father, may I remind my brethren and all of those present that the clock of life is wound but once and no man has the power to tell just when the hands will stop at late or early hour.

Now is the only time you have—live, love, toil with a will, place no faith in tomorrow for the clock may then be still.

May God bless you and keep you, cause His face to shine upon you and give you peace. In His Holy Name we ask it. Amen.

. . . At this point, "Taps" was sounded by Past Potentate Bill Trubeck of Medinah Temple

IMPERIAL POTENTATE McMULLAN: Thank you very much, Dr. Bowers.

With that, I will now declare this Opening Session of our One Hundred Fifteenth Imperial Session held here in Toronto to be closed and thank you all for attending.

... Whereupon, at five-five o'clock p.m., the Public Opening Ceremony was adjourned
 ...

AFTERNOON SESSION TUESDAY, JULY 4, 1989 THREE O'CLOCK P.M.

The One Hundred Fifteenth Annual Session of the Imperial Council was convened at the Royal York Hotel, Toronto, Ontario, Canada, on Tuesday afternoon, July 4, 1989, at three o'clock p.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE McMULLAN: Will you please be seated so that we can get started. Are you all in place? Will you please, those of you who are standing, be seated. You know, we may have a roll call if you do not look out. (Laughter)
I will now call on the Imperial Chaplain, Harry Alger, for the Invocation.
Will you please rise.

NOBLE HARRY ALGER [Imperial Chaplain]: If you will join with me in a moment of prayer.

Our Father, who art in Heaven, on this happy American birthday, we confidently ask for your strength and your encouragement in our service to others.

We humbly ask for your gift of wisdom to guide us in making good decisions for the present and future of Shrinedom in North America.

Grant us, we pray, the serenity to accept the things we cannot change and to encourage and change what we can and the wisdom to know the difference.

Help us to grow together in fraternal faith, to live together in eternal hope and to pray together with every confidence that you, the Great Architect of the Universe, will continue to be our guiding light.

In Thy Holy Name we pray. Amen.

IMPERIAL POTENTATE McMULLAN: Thank you, Harry, and, of course, we know it is a happy, happy birthday for all of our American citizens here today.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE McMULLAN: Now, I would like to call on the man who has done all the work to put this great Convention together. I hope you are enjoying yourselves here in Toronto, Ontario, because we certainly are enjoying having you here with us.

I will now call on our Director General, Peter Rhodes.

DIRECTOR GENERAL RHODES: Thank you very much, Imperial Sir.

Imperial Sir, Nobles All: I hope you are having a great time here in Toronto. We had a great parade this morning and it was just great to see all those pipers march down the road.

We had, give or take a few, some 600 of them on parade this morning and we also dedicated the Peace Monument. That took place at about six-forty-five this morning. I hope that if you have not seen it that you will do so before you leave.

Also, please remember that we are almost halfway through the Convention now and I hope you have all had a great time and enjoyed yourselves thus far. However, please remember that it is warm out there. Up to this time we have lost three Nobles and we do not want to lose any more. Therefore, please take it easy when you are outside.

In the meantime, once again, have a good time and if there are any questions that you have, please bring them to our office and we will get them all squared away. Again, we are looking forward to offering you a great Convention.

Thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you, Peter, for the wonderful job you and your group are doing. We are certainly proud of the manner in which all of your committees are performing their work in such splendid fashion and I am pleased and I am sure that all of the Nobility are likewise pleased to be here in your great city. (Applause)

Now, waiving all forms and ceremonies, I hereby declare the One Hundred Fifteenth Annual Session of the Imperial Council and the 1989 Annual Meeting of Shriners Hospitals for Crippled Children open for business.

I would now like to call on Roger Murdock, Chairman of the Credentials Committee, for a report at this time.

NOBLE ROGER MURDOCK: Thank you, Imperial Sir.

IMPERIAL SIR, MEMBERS OF THE IMPERIAL DIVAN AND REPRESENTATIVES OF THIS SESSION OF THE 1989 IMPERIAL COUNCIL:

I will not read all of the names but I will give you the total figures and the names will be placed on file with the Imperial Recorder.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I hereby recognize the Imperial Recorder for the purpose of announcements.

IMPERIAL RECORDER JACK JONES: Imperial Sir, would all of the New York Potentates meet with the General Counsel on the stage left at the conclusion of today's Session. Again, that is all the Potentates of the New York Temples.

That, Imperial Sir, completes my announcements.

IMPERIAL POTENTATE McMULLAN: Thank you, Jack.

I hereby announce that the 1989 Annual Session of the Imperial Council and the 1989 Annual Meeting of Shriners Hospital for Crippled Children and all their appended and affiliated corporations will remain open for business until this Session and Meeting are adjourned.

Also, I would like to call the attention of the Representatives to my annual report, which I am sure you have all received by now.

How do you like it? (Applause)

I think that the work that the Public Relations Department went to in changing the background of this particular picture on the front page and other areas was excellent. However, if you want to discuss the annual report at a later date, we will be happy to do so. I just wanted you to recognize this and thank the Public Relations Department for all of their efforts concerning it. Also, for those of you who did not receive copies, they are certainly available. I am very pleased with it and I hope you are.

I would now like to call on Imperial Sir Daniel E. Bowers, Past Imperial Potentate, for the report of the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE BOWERS: Imperial Sir, if I may be permitted to do so, I would like to defer that at this point because it is not quite completed.

IMPERIAL POTENTATE McMULLAN: He is not prepared at this time.

I will now call on the Chairman of the Jurisprudence and Laws Committee, Walter Pettit, for an explanation as to the procedures concerning our legislation.

Will you do that at this time, Walt?

NOBLE WALTER PETTIT: Thank you, Imperial Sir.

Imperial Sir, Imperial Sirs, Representatives All: We do have a lot to do in relation to the activities of the Jurisprudence and Laws Committee.

I would like to take this opportunity to explain, in behalf of the Jurisprudence and Laws Committee, especially to those of you who are present here for the first time, what the Jurisprudence and Laws Committee does and the procedures which will be undertaken by this Convention for the next four days.

As in past Annual Sessions and Meetings, we report to you on the form of each proposed amendment to the Bylaws and upon such proposal's consistency with other provisions of the Bylaws and Articles of the Corporation, either the Iowa Corporation and/or the Colorado Corporation, as the case may be.

Likewise, we will report on resolutions and requests which are before the Imperial Council Session.

I would remind you that we are meeting jointly as Representatives of the Iowa and members of the Colorado Corporations and we of the Jurisprudence and Laws Committee will do our best to keep you advised with regard to which hat you are wearing as we proceed along with our proceedings.

The reports of the Jurisprudence and Laws Committee are not to indicate to you that the committee as such is either in favor of any proposal or against it. In his capacity as a Representative, each of the members of the committee may have strong feelings as to the merits of a particular proposal and any of us, just as you, may wish to participate in the debate concerning one or more of the proposed amendments. If we wish to do so, we will retire to the floor for this purpose.

If any members of this committee speaks on a proposal, either for or against, please remember he speaks as an individual representative and not for the Jurisprudence and Laws Committee.

Again this year, when the committee makes its report, it will, at the commencement of the report, refer you to the appropriate page of the Call where the proposal appears so that you can quickly identify the matter. I would remind you that your Call is essential for your presence here.

Also, we are confident that you have already studied most of the proposals and are prepared to consider them. If you have not done so, then you have your work cut out for you this evening.

As can be noted from your Call, there are several matters to be separately considered

which are of similar nature in both the Iowa and Colorado Corporations. We will try to group those for you and, in the interest of time, you will also notice that there is some legislation that can reasonably be consolidated, unless some of you, of course, prefer to take it under advisement separately.

So we will, where we feel it is practical, submit to you the possibilities of consolidating a number of items together. If you object to it then, of course, we will handle it separately for you.

In most instances, pending proposals, resolutions and requests will be considered in this order: First, the report of the Committee on Jurisprudence and Laws. Secondly, the report of any other committee to which the matter has been referred. Thirdly, recognition of the sponsor for his motion to adopt and any explanation that he believes necessary for the proposal, if any, for your consideration, debate and action.

The Jurisprudence and Laws Committee will continue the procedure instituted in the past and coordinate its efforts with those reporting committees so that you do not have a repetition of the whole matter in any two or more of these reports.

Jurisprudence and Laws will not ask you to receive our reports in that the very fact you have listened to them will be enough for this. We will, however, answer any inquiries that you may have concerning the reports.

Once again, we solicit the courtesy that you have shown historically to your fellow Nobles. When it is your turn to speak on a matter under consideration, please obtain recognition from the Chair and move to the nearest microphone. You will not be recognized unless you are at a microphone, where you can be heard.

Let me also add that there are a number of matters of legislation which may require considerable debate and as those matters arise, the Chair will first ask the proponent to present his case following an appropriate motion and second. Thereafter, he will call for a response from an opponent, if there be any and then next a proponent and so on until all are heard and debate is closed.

Because of the extensive amount of legislative issues before you here, we may have some extra lengthy sessions. I ask for your patience and I know that the Chair does also and that you give to him all the courtesies that the Chair is entitled to.

When those matters arise which require debate, the Chair will first ask the proponent to go to a microphone on your right—over here to the right. If there are opponents, we would ask the opponents to approach the microphone on your left. In that way, the Chair will have an opportunity to view the proponents and opponents and call on them in alternate fashion.

I would encourage you Nobles, if you wish to speak on a matter, to please do it as briefly as possible and try your best not to cover the same ground that someone else has traveled.

I would remind you further, when there is controversial legislation—sometimes in the past, if there are several items that have the same type of response to be made, let us try not to go over it again and again in the interest of time.

Finally, we hope that you understand that the Jurisprudence and Laws Committee is here to serve you, the Representatives of the Imperial Council.

The committee is prepared to answer any questions concerning the legal effect of any proposal and to answer any other appropriate questions in their area of expertise.

Now, we are not always able to do that but we do our best and if we do not have the answer, we will certainly secure it for you.

Now, let me stop and ask, are there any questions with respect to procedure?

If not, I would again add that as each item of legislation is called for by the Imperial Potentate for presentation, that the proposers of the amendment work their way to the closest microphone or to the stage, so that they may be able to move adoption of the proposal and make any other statements that they deem necessary.

Finally, Nobles, for the record with regard to legislation, the Imperial Recorder has reported that those Nobles requesting dispensation for a new Temple in Yakima, Washington, Item 27 in the Call, have failed to meet the requirements of Section 329.3 of the Imperial Bylaws and, further, that the request that Item 25 be placed in the Call was premature. Therefore, these matters will not be considered.

I might also remind you that I have presently the requests from those proposers to

withdraw Items 16 and 17 from the Call and we will later in the Session request your unanimous consent for that.

Those are the items about which we know at this point in time.

With that, Imperial Sir, I return the microphone back to you.

IMPERIAL POTENTATE McMULLAN: Thank you very much, Walt.

I would then like to refer the following matters to be considered by the One Hundred Fifteenth Annual Session to the following committees:

1. TO THE JURISPRUDENCE AND LAWS COMMITTEE:
 - (a) All proposed amendments, resolutions and requests.
2. TO THE GRIEVANCES AND APPEALS COMMITTEE:

PROPOSALS TO AMEND THE BYLAWS: ITEMS 7 AND 22 OF THE CALL.
8. TO THE MILEAGE AND PER DIEM COMMITTEE:

ALL MATTERS CONCERNING THE MILEAGE AND PER DIEM EXPENSES TO BE PAID AT THIS SESSION.

At this time, I would like to call on Dr. Daniel Bowers for the report of the Committee on Transactions of Imperial Officers.

PAST IMPERIAL POTENTATE BOWERS: To the Representatives of the Imperial Council: Your Committee on Transactions of Imperial Officers, as required by Section 208.7(b) of the Bylaws of the Iowa Corporation, has considered the reports of the Imperial Officers.

We call to your attention that certain reports of the Imperial Potentate, Imperial Treasurer, and Imperial Recorder have been prepared in advance. These reports were either mailed to you or were included in the registration envelopes given to all Representatives at the time they registered for this Annual Session. We find them to be comprehensive, well-prepared, and in fulfillment of their responsibilities. It is our recommendation that these reports, and all other reports of the Imperial Officers which require action by the Imperial Council, be referred to the Jurisprudence and Laws Committee, and any other committee designated by the Imperial Potentate, for consideration and further report to you.

It is a pleasure for this committee to express gratitude and appreciation to our Imperial Potentate, Edward G. McMullan, C.D., for his dedicated efforts expended throughout the year past in the work of our great Fraternity and the world's greatest philanthropy, Shriners Hospitals for Crippled Children. He has never hesitated a moment in giving of his utmost in his visitations to our Shrine Temples, Hospitals and other Masonic organizations. He deserves the sincere thanks and appreciation of all Nobles for his dedication to Shrine work and ideals. He has endeared himself to the hearts of all with whom he has come in contact. His year of service will long be remembered as one in which the image of our Order grew in not only the minds of all of our Nobles but also the public as well.

We, the members of your committee, are pleased to have had the opportunity to serve under such a fine Imperial Potentate and are delighted to make this report to the Representatives of this, the One Hundred Fifteenth Session of the Imperial Council, and move for its adoption.

IMPERIAL POTENTATE McMULLAN: You have heard the report as presented and the motion for its adoption. Is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: All in favor of the adoption of this report indicate by saying aye; opposed. It is unanimously carried.

Thank you, Dr. Bowers.

I would now like to call on the Chairman of the Election Tellers Committee, James Hathaway, to explain to you the procedures concerning our balloting during this Session.

NOBLE JAMES HATHAWAY: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: The most important little item you will carry with you throughout this convention is your ballot book. Without it you cannot cast a ballot and so be sure to bring your ballot book with you to each of our sessions.

There is also another thing that I would like to remind you of and that is when we indicate to you a certain color or a certain number in the book, please use that number or color because if you do not, it will be treated as a spoiled ballot and, in the process, you will lose your vote.

When the Imperial Potentate calls for a ballot, he will select the ballot number for your use and then I will explain that to you. We will then subsequently return with the results of your ballot as soon as possible.

I would like to say also, for anything occurring along this line this afternoon, that those Representatives behind those cords in the back of the room there, please hold up your ballot book so the Tellers can come back there and pick them up when we perform that duty.

Thank you, Imperial Sir.

IMPERIAL POTENTATE McMULLAN: Thank you, Noble Hathaway.

I would now like to call on the Chairman of the Public Relations Committee, Everett Evans.

IMPERIAL SIR EVERETT EVANS: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, My Fellow Representatives and Nobles All: How are you doing this afternoon? (Applause)

We certainly had a good parade, did we not?

One serious note before I start and that is Noble Mel Blanc, who did so much work for us in relation to our recent film, is in serious condition in the hospital in Los Angeles.

Imperial Sir, I would like permission from you to send him a telegram wishing him well and hoping he can get back and do more work for us. I hope you approve that.

IMPERIAL POTENTATE McMULLAN: Certainly, I see no objection to doing that and so we will just instruct the proper people to do that. Thank you very much for that thought.

IMPERIAL SIR EVANS: Also, Nobles, let me say that we are kind of limited here today in relation to the area concerning what we have to present and I hope that you will have no difficulty in viewing some of the presentations that will subsequently be shown you.

We think we have some good information to give you.

Let me say that Mike Andrews is in the back there and he is going to be running our various projectors for us. Also, we invite you to come by our Public Relations Committee booth down on the floor. However, let us give Mike a nice hand for all that he has done for us during the past few years and is continuing to do. (Applause) As a matter of fact, I do not know what I would do without him. He has certainly been of great benefit to the Shrine.

In the essence of time, let me first say that this has been one of our most active years ever in terms of Public Relations and rather than stand up here and list the over fifty projects your Imperial Public Relations Committee and the Imperial Public Relations Department have been involved in, I would like to show you the fruits of our labor in a couple of areas.

One of the most successful vehicles from our Shrine Hospital patient recruitment efforts over the last ten years has always been the public service announcements that we have undertaken, utilizing everybody from Burt Reynolds to Fred Flintstone. However, this year we have come up with two spokesmen who are truly unique, since they represent more than merely celebrities who are serving as what is known as "host presenters" in public relations circles.

Also, the unique thing concerning both of these individuals is that they were both actually former patients at Shriners Hospitals.

Pat Morita, who plays Mr. Myagi, the wise mentor in the Karate Kid films, and who played the lead in the network television program O'Hara, was a patient in our San Francisco Unit in the early 1940s and Rick Rhoden, the Houston Astros pitcher, was a former patient at our Greenville Shriners Hospital. These individuals donate their time to us because they believe in what we do and, certainly, these two individuals have great reason to believe.

Now, before I present to you these two new public service announcements, I have a short message from each of these individuals that I would like for you to listen to.

... Whereupon, an audiovisual slide of Pat Morita with Imperial Sir Evans and likewise an audiovisual slide of Rick Rhoden taping a PSA were then shown . . . (Applause)

IMPERIAL SIR EVANS: Let me say that both of those individuals are certainly a great credit to the Shrine.

Now, when you look at these new PSAs, you are going to see the finished product but I was there when Pat Morita taped the spots you will see, and I can tell you, he did not get it right the first time or the second or even the third, for that matter. However, I thought you Nobles might enjoy seeing some of the outtakes or bloopers from both the Pat Morita and Rick Rhoden tapings.

... Whereupon, video bloopers from the Morita and Rhoden tapings were shown . . . (Laughter and applause)

IMPERIAL SIR EVANS: And now here is the finished product.

... Whereupon, four public service announcements completely finished involving both Pat Morita and Rick Rhoden were shown . . . (Applause)

IMPERIAL SIR EVANS: Nobles, we hope you like your new Shriners Hospitals' public service campaign. I might add it was sent to nearly every radio and television station in the United States and Canada last week and your Temple Task Force Chairmen will be receiving additional copies this week so that they can follow up and call on the stations in your area personally.

You know, it seems as though there has not been a day go by this past year that somebody has not said to me, "Everett, when are we going to have a new hospital film?" Now, this portion of this public relations report is dedicated to you fellows because we have spent the last six months working with an independent film maker—Barry Braverman, the same gentleman who directed "A Special Place," and we feel we have come up with a new film

that all of you will be proud of—an effective communications vehicle for informing both non-Shriners and Shriners alike about our unique Shrine Hospitals system.

So, without further delay, I present to you “Shriners Hospitals: New Day, New Hope.”

... Showing of this film then ensued ...

(Applause)

IMPERIAL SIR EVANS: Also, let me indicate to you that because of the customs problems you encounter when you bring films across the Canadian border, we did not bring a print of this new film for each of you to take home with you. Next week when you return home, however, a sixteen millimeter complimentary print will be mailed to your Recorder at the Temple so that you, in turn, will begin to be able to use this new film almost immediately.

You know, when I became a Noble back many years ago and started sponsoring kids to our hospitals, I began to see things a little differently. I began to realize, for example, that as Shriners we are actually in the business of providing new opportunities to kids who come to our hospitals seeking help for their physical problems and, of course, their stories are as unique as the kids themselves, whether their name is Jamie Fort and they are the victim of a severe burn or Luz Helena, and they face the possibility of losing a leg from a shark attack. We as Shriners always hope that through our great philanthropy we can provide renewed hope and help for those kids entrusted to us to lead better, more fuller lives.

However, every once in awhile, a patient comes to our attention who epitomizes everything we could hope for concerning those who pass through the doors of Shriners Hospitals—a patient who, through our help, the support and love of their family and friends and their own determination and persistence is able to overcome seemingly insurmountable odds.

One such patient was brought into the national spotlight late last year on the network television program “Incredible Sunday”—on a special segment called “Incredible Kids.” Many of you probably saw it when it was first aired and some may have caught it on our winter Good News video program. However, for those of you who may not have seen the segment, I would like to show you the remarkable story of young Richard Belanger.

... Whereupon, an approximately seven-minute video presentation ensued showing the difficulties encountered and overcome by this young man ... (Applause)

IMPERIAL SIR EVANS: And now, I would like to have you meet this wonderful man and his mother and father.

... Whereupon, amid rising applause, Richard Belanger and his mother and dad were escorted to the podium ...

IMPERIAL SIR EVANS: And now, Dick, perhaps I can ask you and also your mom and dad, if they so desire, to say a few words at this time.

MR. RICHARD BELANGER: Well, ladies and gentlemen, let me say that it has been a long road for me but I am here to tell you today how appreciative I am for everything that the Shrine has done for me.

You know, in my experience with all of these other Shrine children, I really got to know and feel as to what Shriners Hospitals were really all about and how they really felt about kids. Further, in one of the games that I have played in under my present medical condition, I went in there with the feeling that I was playing for a good cause and not only for myself. This has really been a glorious moment in my life, getting to play again because, again, I cannot help but feel how all of you feel about these Shrine children and how you have helped me along with my life.

It has truly been an experience to be associated with you people. It is one of the greatest experiences in the world and something I am sure that I shall never, never forget.

Further, I will never be able to repay you for what you have done for me, never. But I am very, very grateful. Thank you for the hope and inspiration you have thrown out to me in order that I can, with these legs you have now provided for me, play football and engage in other sports, especially during my young lifetime. Thank you very much. (Applause)

IMPERIAL SIR EVANS: Thank you, Dick.

As you can all see, Fellow Nobles, again, that is what the Shrine is all about. (Applause)

Now, I would like to ask Dick’s mother, Violet, if she would like to say a few words.

MRS. BELANGER: I, too, wish to thank the Shrine for this miracle that has happened to Richard.

However, let me give to you this brief experience.

One day, when my husband and I were at a loss as to where to turn next concerning Dick's adversity, a Shriner came up to us and said, "You know, Richard's medical needs are going to be very expensive but I believe, as a Shrine Noble, that the Shrine can help you." He then went on to explain about Shriners Orthopaedic Hospital at Springfield, Massachusetts—that, for example, they could offer our son all of the physical therapy and medical treatment necessary and also provide the prosthetic devices he would need in the future, and also indicating that he would very much like to become my son's sponsor. We accepted his help and, as we did, the Shrine became the most important support group in our lives.

You, the Shriners, have given me hope of fulfilling my son's goals and dreams—you have given me courage when I thought I had none, friends to help me as time went on and compassion when I needed a shoulder to cry on.

You have also seen to it that Dick has the most advanced form of prosthesis available. Further, his prostheses are replaced on a yearly basis. Also, when he plays football, you make sure that there are some extra feet on the field in case one of his prosthesis breaks. All of this, of course, is done at no cost to us.

Again, I just cannot tell you how much all of your help and comfort has meant to us. Without all of you and your help, we would not have been able to offer our son all the things to make him become a normal teenager and even play football. This in spite of the fact that many told us that he would never play any form of sport again.

To both my husband and myself, Shriners are a Godsend. You are loving, sharing people who never look at someone in need with other than love in your heart and you are always only a phone call away.

From the bottom of our hearts, we both thank you.

Thank you for being who you are and for the wonderful care and love you have given our son and thank you for being a Shriner.

... Rising applause ensued ...

IMPERIAL SIR EVANS: To Richard and his mother and dad, let me just say, you can have all the feet you want. (Laughter) Thank you so very, very much for being with us here this afternoon and we appreciate what you said and, of course, we know that you are a great family.

With that, Imperial Sir, I would move for the acceptance of my report.

... Whereupon, rising cheers and applause ensued ...

IMPERIAL POTENTATE McMULLAN: I believe, Everett, that what you have just witnessed here indicates that there is no objection to the acceptance of your wonderful report. (Applause)

Again, thank you very, very much for such a marvelous report and for bringing Richard and his family here to us this afternoon. Personally, I do not think there is a dry eye in the place. As a matter of fact, please look at those handkerchiefs coming out right now. You fellows are very sentimental and, certainly, I think you will all agree that this is living evidence of what the Shrine and Shriners Hospitals for Crippled and Burned Children can do.

Again, I would like to thank our Chairman, Everett Evans, and also Mike Andrews, if he will step forward and, of course, the Chairman of the Board of Trustees, Gene Bracewell, for the wonderful work that we, the Shriners, do and you have just seen the result of the type of work we do.

Again, thank you very, very much.

... Further sustained applause then ensued ...

IMPERIAL POTENTATE McMULLAN: You know, I just would like to have Mike Andrews come out here at least for a moment because he is always behind the scenes.

You will notice that Everett Evans was, well, not the "Editor" but the "Executive Producer."

Come on over here, Everett, do not be so modest. Of course, the Texans are never modest. (Laughter)

You know, I never knew a thing about this—they just pulled this on me. I asked Everett, "Well, what can I do to beat last year?" He replied, "Well, Imperial Sir, we do not try to

beat it, we just try to do it better." I just think, however, that these two gentlemen and their staff really deserve another hand.

... Further applause ensued ...

IMPERIAL POTENTATE McMULLAN: Now, with that, I think we can settle down just a little bit. I think I would like to continue with our business. Of course, that family that just went out of the door are, in reality, our business. That is the business we are in and that, as a matter of fact, sets the whole trend of this One Hundred Fifteenth Imperial Council Session and I hope this type of trend will continue throughout the rest of the week. In the final analysis, we are Brothers, we are Masons and we are Shriners. (Applause)

Now, with that, I believe we are prepared to continue with some legislation and I will next call on Judge Cooper who will give the legislation pertaining to Unauthorized Acts. This is Item 20 in the Call.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 20 on the Call of the Annual Session of 1989, located on page 28 of the Call. Heavenly Father, we thank You with great sincerity for this energetic and exciting day; for the rededication of the Peace Monument and the Shrine Parade today.

This has been an important and very interesting meeting.

We likewise ask for Your guidance and support as we continue our deliberations tomorrow. Also, we ask that in relation to those who left this earth today, that they be in your temple on high. We also ask that you give comfort and hope to those nearest and dearest to our departed Nobles, for the exemplification of Shrine work that was shown today by Everett Evans, for which we owe a special thanks to You and which proves once again that through You, Dear Lord, great things can be accomplished.

We ask your blessing upon all of us as we leave here at this time and be with us during the night and as we reconvene tomorrow.

All of this we ask in Thy Name. Amen.

... The One Hundred Fifteenth Annual Session of the Imperial Council. A.A.O.N.M.S., recessed at five-ten o'clock p.m., to reconvene following the conclusion of the Pageant for the incoming Imperial Potentate on the following morning ...

NOBLE PLASKET: Thank you, Governor Kane.

It is now my honor to present to you the Imperial Potentate-Elect, Imperial Sir George Washington Powell and his Lady, Mildred. They will be escorted by an Honor Guard of

REVEREND JOHN B. PETERSON [Imperial Chaplain Designate]: Quietly and reverently, our Father, would we approach Thy presence and pray Thou wilt make us very sensitive of Thy nearness and the importance of this hour and bring us to a point of rededication.

We come with great joy as we launch a new leader of the Imperial Ship No. 1, its captain, its leader, its commander and we pray that Thou wilt grant unto him the wisdom of Solomon. Give unto him, our Father, strength of assignment. We pray that Thy blessing may rest upon his lady. Grant, our Father, that Thou will give her the patience of Job and this year may they guide us into new waters, into deeper depths and higher heights, for we ask it in the Master's Name of our wonderful God, creator, architect of our universe. Amen.

NOBLE PLASKET: Thank you, Chaplain Peterson.

At this time, at the suggestion of our Imperial Sir, all Nobles may remove their Fezes and place them under the seats so that all may see better. (Applause) I think they liked that, Imperial Sir.

It is now my pleasure to present Commander Norman Timberman of the Crescent Legion of Honor.

... At this point, a parade of historical American Flags marching to the tune of Sousa's "Stars and Stripes Forever," the parade terminating in front of the podium ... (Applause)

NOBLE TIMBERMAN: Imperial Sir, Illustrious Sirs, Nobles, Ladies and Guests: Our ceremony will have little meaning and less worth if it proceeds not from our hearts as well as from our lips. As the red, the white and the blue are displayed in these beautiful confines, let all present be reminded that we meet in liberty, practice our rites in safety and worship according to the dictates of our consciences because of that flag.

It means America—and America means all of its citizens. It means liberty—and liberty is our greatest possession. It means justice—and justice is not only one of our cardinal virtues but the foundation stone on which free men erect their lives. It means opportunity—and without opportunity men are slaves.

Greatest of all, it means freedom to be, to do, to think, to dare, to live, to love and to worship God. Without the flag we are not a nation. With the flag we are the owners of man's most precious heritage—the right to call ourselves Americans.

Our flag has kindled and kept burning in the hearts of men the fires of liberty, unity, justice and brotherhood. Men have lived and toiled and died to keep alive the things it symbolizes.

It expresses our aspirations and achievements as Americans, our struggles and sacrifices, our devotion to the ideals expressed in the Declaration of Independence.

Each of its colors is very symbolic. The blood spilled in all the great battles for freedom, from Valley Forge to Viet Nam, is in its red stripes.

A shining light of eternal hope that penetrates the nation's darkest hours is in the white stripes.

The thirteen red and white stripes recall to us the history of that eight-year struggle in

which the colonies stood side by side and fought for freedom, exemplifying the principle "In union there is strength."

Each star in the flag is an emblem that records a great event in the history of our country. Each tells the story of a great sovereign state which entered the Union.

The American Flag means aspirations and achievements as Americans, loyalty, courage, patriotism and, yes, much, much more. To every man his chance; to every man, regardless of his birth, his golden opportunity; to every man the right to live, to work, to be himself and to become whatever his vision can combine to make him. This is the American Flag.

Our first official flag is the Betsy Ross Flag. It had thirteen white stars in a field of blue and thirteen stripes, alternate red and white. These represented the original thirteen states. Though never adopted as an official flag, the Bennington or "Spirit of '76" Flag, symbolizes the ideals of our founding fathers who fought and won against seemingly hopeless odds at Bennington, Vermont.

The second official flag of our country was the Fifteen-Star Flag. It was the flag that Francis Scott Key saw flying over Fort McHenry and which inspired him to write the words of our National Anthem.

Our Twenty-Star Flag was adopted on July 4th, 1818. Congress had decided that henceforth only a star would be added as a territory entered the Union and became a state and that the thirteen stripes would be retained as a symbol of the thirteen original states.

The next official flag of our nation is the Twenty-Nine Star Flag. It was adopted in 1846, with the admission of nine additional states.

Our next flag, the Thirty-Six Star Flag. This flag was adopted during the last year of the Civil War, 1865.

On the 4th of January, 1896, our country had a new Forty-Five Star Flag. This is the flag that Teddy Roosevelt and his Rough Riders carried on San Juan Hill during the Spanish American War.

We adopted the Forty-Eight Star Flag in 1912. Under this flag our country was solidly united from the Atlantic to the Pacific Oceans and from Canada to Mexico. Our Doughboys fought under this flag in 1917 and twenty-four years later, our GIs fought in the Pacific as well as in Europe and five short years later in Korea.

On the 3rd of January, 1959, with Alaska being admitted into the Union, we had a new Forty-Nine Star Flag which was short lived. With the admission of Hawaii to the Union on the 21st of August, 1959, our Fifty-Star Flag became our national ensign.

... At this point, a pause ensued as the Legion of Honor retired these ten flags from the stage ...

NOBLE PLASKET: It is now a pleasure for me to introduce to you a very impressive voice that you will be listening to over the next several minutes.

Ladies and Nobles, Illustrious Sir Jack B. Gounder, Past Potentate of Rajah Temple, Reading, Pennsylvania and Past President of the Mid-Atlantic Shrine Association.

His purpose here is as a narrator and creator of the film you are about to view.

Illustrious Sir Jack.

ILLUSTRIOUS SIR JACK GOUNDER: Thank you, Noble Plasket.

Imperial Sir, Imperial Sirs, Nobles, Ladies and Guests: It was the spring meeting of the Mid-Atlantic Shrine Association, last year, 1988, he said to me, "Can I hire you to do the film portion of my Pageant in 1989?" I replied, "Well, no, sir, you cannot hire me but I will do it."

Now, it was a few hours later when I panicked because I had never written or produced a film before but the project began in the home of Imperial Sir George on November 13th, 1988. It was finished some seven months and thirteen days later.

It was a privilege to work with the star of the film. I hope that you will enjoy this light-hearted look at the man who will head the Shrine of North America for this year 1989, 1990.

... Whereupon, the film presentation entitled "This Is The Year—by GEORGE" then ensued ... (Applause)

NOBLE PLASKET: Illustrious Sir Jack, wherever you are in the room, let me say that I am certain that the audience reaction to this film should offer a great deal of satisfaction for the fine job you did for our Imperial Sir.

At this time, I would request that all of the Crescent Nobles, with the exception of the Divan and Past Potentates, please retire to the outer lobby to prepare for the grand entry.

NOBLE PLASKET: Now, Nobles and Ladies, what most certainly must be a highlight of the Pageant for our Imperial Sir is the introduction of his family and so it is my honor to introduce to you and to present to Imperial Sir George and Lady Mildred their family.

... Whereupon, the various family members of Imperial Sir George and Lady Mildred were presented before them ... (Applause)

NOBLE PLASKET: Now, I would like to ask those individuals who will be making presentations to Imperial Sir George, if they will come from their seats to the stage level over on the left.

The first presentation will be the Imperial Potentate's Five-Star Fez, which will be presented by a long time friend from Crescent, John Beihl, Jr.

NOBLE JOHN BEIHL, JR.: Imperial Sir, it is a distinct pleasure on my part to present you with your Imperial Potentate's Five-Star Fez.

I recall some years ago in the Bennington Hotel in Philadelphia when you announced to me and Mary and Mildred while riding down the elevator that you were going to run for Imperial Office.

I was at the Imperial Session when you were elected by 436 votes and it was a great honor then and it is a great honor today being able to present to you the Fez as the Imperial

Potentate of the Shrine of North America on behalf of Mildred, Crescent Temple, the Nobles of the Mystic Shrine of North America, Mary and myself:

... Presentation of Five-Star Fez to Imperial Sir Powell ensued ... (Applause)

IMPERIAL SIR POWELL: I said what I did that night to Johnny coming down in the elevator that I was going to run for this position and that was because I thought it was a paying job, but— (Laughter)

NOBLE PLASKET: The next presentation will be the Imperial Sir's Five-Star Pin, which will be presented by Illustrious Sir John G. Kristian, Potentate of Crescent Temple.

ILLUSTRIOUS SIR KRISTIAN: Imperial Sir George, it is a great honor and pleasure for me to present to you your Five-Star Pin from the Divan and Nobility of Crescent Temple. Also, I certainly am glad that I am here to present this to you today because you did not make it yesterday—almost. (Laughter)

At any rate, we wanted to make sure that your Pageant was going to be a good one and I hope you have enjoyed it thus far.

IMPERIAL SIR POWELL: Well, why not, because our good friend, Art Armitage came to your rescue and nominated me for this job. (Laughter)

However, thank you so very, very much. (Applause)

NOBLE PLASKET: The next presentation will be the Imperial Potentate's Flag, which will be presented by Imperial Sir Jack Jones, our Imperial Recorder.

IMPERIAL RECORDER JONES: Imperial Sir, Imperial Sirs, Distinguished Masons, Representatives, Nobles, Ladies and Guests: This morning I have the distinct honor of presenting this beautifully embroidered, personalized flag to the incoming Imperial Potentate, Imperial Sir George Powell.

Imperial Sir George, it gives me great pleasure to present to you, on behalf of the Imperial Council of the Shrine of North America, your Imperial Potentate's flag bearing the Shrine's official seal as well as your name and title.

As you lead this great fraternal organization, let this flag stand with our three national flags and serve as a symbol of your authority and the importance of your high office.

Let it also serve as a reminder of our devotion to the principles of Freemasonry and our commitment to serve mankind through the world's greatest philanthropy, Shriners Hospitals for Crippled Children.

Imperial Sir George, representing all Shriners everywhere, I present this fraternal flag to you with love, respect and best wishes for an enjoyable and productive year. Thank you very much.

... Presentation of Imperial Potentate's flag and applause ensued ...

IMPERIAL SIR POWELL: Thank you very, very much, Jack.

You know, they have probably gotten three quotes...

... Laughter and applause ensued ...

NOBLE PLASKET: Our next presentation will be that of the 1990 Imperial Session Flag by Illustrious Sir Earl Brown of Medinah Temple.

ILLUSTRIOUS SIR BROWN: Imperial Sir, Illustrious Sirs, Ladies and Gentlemen: The great City of Chicago loves George and Mildred; Medinah Temple and its members love George and we have designed a special 1990 Imperial Council Session Flag and to tell you about that, I would like to have you recognize Gerald Sanderson.

NOBLE GERALD SANDERSON: Let me first say that the previous speaker will be your Director General for next year.

Now, in relation to this flag, we began with the flag of the City of Chicago, which contains five alternating bands of white and blue.

The bands of white denote the Chicago River and its north and south branches. The blue is the ever-present life sustaining beautiful waters of Lake Michigan.

On the Chicago flag there are four stars. These depict historic moments in our city, some good, some not so good.

The first star symbolizes the Fort Dearborn Massacre; the second one is the Chicago fire of 1871; the third and fourth stars are the Columbian Exposition of 1892 and the Century of Progress, 1933.

We have added to this the scimitar, the crescent and the star, the emblem of the Shrine,

to produce the fifth star, symbolic of the Imperial Potentate and the 1990 Imperial Council Session.

The streamers are those of George Washington Powell, the Imperial Potentate from Crescent Temple and the Director General, Earl Brown, from Medinah.

Now, Imperial Sir, we like this flag so much that we are going to keep it but the Director General will present to you a miniature.

... Presentation of miniature flag and laughter and applause ensued ...

IMPERIAL SIR POWELL: Thank you so very, very much.

NOBLE PLASKET: At this time we will have the presentation of the Canadian Temples' gift, led by our Past Imperial Potentate, Jack Streight and he will be assisted by the Potentates from the Temples of the Dominion of Canada.

Well, just a moment, I think I should have first recognized our Imperial Potentate, Ed McMullan. (Laughter)

IMPERIAL POTENTATE McMULLAN: You know, I did not mean to frighten you but inasmuch as I started this thing, I thought I had better keep it going.

Let me say that we started this presentation in 1980, the year that I was Imperial Marshal and we certainly have been keeping it up ever since.

We were a little embarrassed by Aloha Temple in Hawaii and Anezeh Temple in Mexico City giving away gifts and here we are sitting back and somebody said, "Well, what about you Canadians—do not you ever give anything away?" (Laughter) Well, we do not give it away free. (Laughter)

At this time, I would like to introduce to you Jack M. Streight, Q.C., Past Imperial Potentate, 1975, who will participate in this presentation as he did last year.

Jack, just for a little nod.

Also, George, how are you?

IMPERIAL SIR POWELL: God bless you.

IMPERIAL POTENTATE McMULLAN: Well, you are going to need it with me around. (Laughter)

Now, I am going to introduce you to some of our Representatives, some of who are not the Potentates of their Temples because they are out watching the fellows do their little things on their motorbikes.

However, starting from the West Coast, that beautiful City of British Columbia, Gizeh Temple, Illustrious Sir Dick Barr. (Applause)

From Edmonton, Alberta, Al Shamal Temple, represented by Stan Roszell, the "former" home of the Stanley Cup champions. (Laughter and applause)

From Al Azhar Temple, Calgary, Alberta, that congenial Scotsman, Donald McDiarmid, now the home of the Stanley Cup champions. (Laughter and applause)

From the Queen City of Regina, Saskatchewan, Wa Wa Temple, Illustrious Sir "Al" Munroe. (Applause)

And from Khartum Temple, Winnipeg, Manitoba, Illustrious Sir Ken Kristjanson. (Applause)

And also from London, Ontario, Mocha Temple, Illustrious Sir Bob Henry. (Applause)

And from our host Temple, Rameses Temple, Toronto, Ontario, you must know Bob Hall, the Potentate, who is a very busy man right at this time and he has designated Dr. Ronald Groshaw, Past Grand Master and Assistant Rabban, to represent Rameses Temple at this point. (Applause)

Also, from Ottawa, Ontario, Tunis Temple, Illustrious Sir Stewart Robertson, Potentate. (Applause)

And from Montreal, the home of the Montreal Unit, Shriners Hospitals for Crippled Children, Karnak Temple, Stanford Riddell. (Applause)

And then, from St. John, New Brunswick, Luxor Temple, Murray Couston. (Applause)

And from Halifax, Nova Scotia, Philae Temple, Chief Rabban Ronald MacDonald. (Applause)

Well, okay, how do you like that—and he has his own home. (Laughter)

And from St. John's Newfoundland, Mazol Temple, Bob Woolfrey. (Applause)

I will now call next on Imperial Sir Jack Streight for the presentation of the Canadian Flag.

PAST IMPERIAL POTENTATE STREIGHT: Good morning, ladies and gentlemen.

... Cries of "good morning" ...

PAST IMPERIAL POTENTATE STREIGHT: Let me first say to you, George, we welcome you here today.

You know, I looked up there on the wall and it says, "George Washington Powell." Well, let me tell you my first experience with George Washington.

I was a student at the University of British Columbia and I was invited to the University of Washington to pay a visit. They took me around that beautiful campus at Seattle.

Now, at the entrance of that university, there is a big, huge statue of a man on a horse.

My friend from Seattle said, "Jack, that is George Washington on the horse, the Father of our Country." He further said, "You know, if they had motorcycles in those days, he would have been the Father of your Country, too." (Laughter)

However, George, it is indeed a pleasure to present to you the Canadian Flag, the flag of my country.

... At this point, the unveiling of the Canadian Flag ensued ... (Applause)

PAST IMPERIAL POTENTATE STREIGHT: George, let me say that while I am giving this flag to you, I am a little bit disappointed this morning that here is a man in industry who is in the tool business and he cannot repair the Liberty Bell. (Laughter)

IMPERIAL SIR POWELL: I can explain why. They asked for three quotes and all of the prices were too high. (Laughter)

PAST IMPERIAL POTENTATE STREIGHT: Well, you had better come to Canada because they give you twenty percent off. (Laughter)

You know, however, this is the flag of my country, the flag of all Canadians. It flies over the second largest land mass in the world today and, George, you will not be able to use a canoe to cover Canada, you at least have to get an outboard motor. (Laughter)

I am proud to present this flag to you, George, and they have asked me to say what I said last year. I really do not remember it (laughter) and I am not going to tell you my age, either, but, George, you know that at Almas Temple, which is in Washington, D.C., they always present the Imperial Potentate with the flag of the great Country of the United States of America and they say to you, George, "This flag flew over our White House." However, George, let me tell you that this is a brand new flag. (Laughter)

Now, I have one more presentation to make and no one on this stage or no one else knows about it.

Frank, will you please bring Mildred forward.

The Cabinet of the Government of Canada met in Special Session last week and they asked me to make this presentation to Mildred. They asked me to give the Seal of Canada to Mildred and I will do so at this time.

... Whereupon, the presentation of a kiss to Mildred ensued ... (Laughter and applause)

IMPERIAL POTENTATE McMULLAN: And now, George, we have another presentation for you.

Now, let me first say, George, you will not be able to use this on a canoe, you will be able to use it aboard ship—well, I was going to say "booze" it aboard ship but I know that you do not drink. (Laughter)

However, this is a beautiful, beautiful tray and it is really gorgeous. (Applause) It not only has on it the maple leaf and the Shrine Fez but it depicts and shows every Temple in Canada throughout—Presented to Imperial Sir George Washington Powell, Imperial Potentate, 1989–1990 from the Canadian Temples."

It gives me a great deal of pleasure in behalf of the Canadian Temples, George, to present this to you and Mildred because I know she is going to have to keep it polished.

... Presentation of tray and laughter and applause ensued ...

IMPERIAL SIR POWELL: Thank you so very, very much.

You know, I guess I, too, am like Imperial Sir Jack Streight, I sort of forgot what I said last year but, Imperial Sir Jack, I learned not to worry about it because everybody else forgot what you said as well. (Laughter)

NOBLE PLASKET: You can see how fast a Director can move when the Imperial Potentate starts up.

The next presentation will be from Anezeh Temple, Mexico City and it will be made by Illustrious Sir Jaime D. Berebichez, Potentate.

ILLUSTRIOUS SIR BEREICHEZ: I would like to make this presentation to you, Imperial Sir.

This is a small Mexican coin, containing 99.9 percent silver. On the other side is the name of the Imperial Potentate, George Powell.

This is only a small piece of our hearts—that is, pure silver from our hearts to you from Mexico, given by all of our Shriners and especially by our Illustrious Potentate. Thank you.

... Presentation and applause ensued ...

IMPERIAL SIR POWELL: Thank you very, very much.

Now, I want to tell them something nice about you. (Laughter)

This makes it possible for Mildred and I always to know that no matter what happens there is some financial security in our home which Mildred will hide. (Laughter)

ILLUSTRIOUS SIR BEREICHEZ: You know, all these Canadians, they always give their flag—wherever they go, they always give their flag. So I am giving you the Flag of Mexico, also. It is a little pin and we ask that you wear it. This is made by the Boy Scouts in Mexico.

... Presentation of pin and applause ensued ...

IMPERIAL SIR POWELL: You know, I do not know why you are always so anxious to get away.

Now, at our home we have a yardarm and on this yardarm we have three flags, American, Canadian and Mexican. So anytime you sail by our home and any one of the flags needs replacing, we will let the Canadian Government know that, we will let the Mexican Government know that and I have to buy my own. (Laughter)

NOBLE PLASKET: We will next have a presentation by the Potentate of Aloha Temple, Illustrious Sir Paul N. Strauss.

ILLUSTRIOUS SIR STRAUSS: Imperial Sir, George and Mildred, it is my distinct pleasure, on behalf of all of the Nobility at Aloha Temple, to bring our fondest "aloha" to you. We wish you well. We give our support to your Shrine year.

Also, as we do in our Hawaiian culture, we would like to present you with this maile lei. This lei, in Hawaii, is a symbol of royalty and as our symbol for the year 1989–1990, we would like to present these leis to both of you.

... Presentation of maile leis to both Imperial George and Mildred ensued ... (Applause)

NOBLE PLASKET: And now, ladies and Nobles, we have a very unusual presentation, I think, insofar as the Imperial Session is concerned, although I have seen this before being a Past Shrine Commodore. However, I think you will see really how touching this is.

We will now have a presentation by the Rajah Temple Yacht Club, by the Illustrious Ronald F. Rapp, Past Potentate and Theodore L. Clarkson, Past Commodore. I will let them explain it to you.

ILLUSTRIOUS SIR RAPP: Imperial Sir, before we make our presentation, I would like to take a moment to explain a little about our tricycle.

In 1978, the Yacht Club of Rajah Temple felt that children with inflicted legs should also have the opportunity and joys of healthy children who can ride a tricycle.

In 1978, we went about the task of designing and building a tricycle similar to the one you see here and presented our first tricycle in that year to the Philadelphia Unit of Shriners Hospitals. Since that time, fourteen such tricycles have been presented to Shriners Hospitals across the nation and here today we would like to present one to you, Imperial Sir George.

NOBLE CLARKSON: Imperial Sir, in behalf of the Rajah Temple Yacht Club it is my pleasure to present to you this tricycle for you to, in turn, send it to the Shriners Hospital of your choice.

... Presentation and applause ensued ...

IMPERIAL SIR POWELL: As you will notice, the tricycle is propelled by the child's two arms.

Now being able to utilize their feet in an effective manner, they conceived the idea of, well, gosh, they have two good arms and two good hands and so let us give them the advantage that other children have.

Now, with your permission, I would like to leave this in Canada for the Montreal Unit.
(Applause)

NOBLE PLASKET: We now have a presentation by the Al Malaikah Temple Patrol, by Rudy Rivera, Captain, and H. O. Josephson, President.

NOBLE RUDY RIVERA: Imperial Sir George, it has been a tradition going on for some forty years now, for Al Malaikah Temple to present the Imperial Sir with a swagger stick. On it are bands that relate to your Masonic history. We hope that you will carry it with honor as we do.

... Presentation of swagger stick and applause ensued ...

IMPERIAL SIR POWELL: You know, the history of all of my Masonic life is listed here. Thank God that I never missed my dues for one period. (Laughter)

It will also give Mildred one more tool to rule with. (Laughter)

NOBLE PLASKET: And now we have a presentation from another long time friend of both George and Mildred.

Marty Serposs of Crescent Temple.

NOBLE MARTY SERPOSS: Well, Illustrious Sir—

IMPERIAL SIR POWELL: It is "Imperial Sir" now. (Laughter)

NOBLE SERPOSS: Well, Imperial Sir, I practiced all night and I still cannot say it. (Laughter)

IMPERIAL SIR POWELL: You were practicing the wrong thing. (Laughter)

NOBLE SERPOSS: I have known him for over fifty years and is not that enough to call him "George"? I know a couple of more stories I can tell you but I will not.

At any rate, George, I have, from the family, a check for the Childrens Hospital. You put it where you think it goes best, do what you want with it.

... Presentation of check and applause ensued ...

IMPERIAL SIR POWELL: You know, with Marty and his family, this has never been just a one-shot deal. This has been going on for quite a few years and we are so grateful and we do appreciate it, Marty, and I do want to thank you and, in turn, ask that you thank all of your family. For whatever caused them to open their hearts and make it twice as much as it used to be, I am grateful for it.

... Laughter and applause ensued ...

NOBLE PLASKET: Now we have a presentation by another member of Crescent Temple, Luther Arnold, a Trustee of Crescent Temple and an active member of the Board of Governors of the Philadelphia Unit.

NOBLE LUTHER ARNOLD: Imperial Sir George, it is my pleasure to present what I have here to you.

Now, let me first say that I was supposed to beat Marty at this because I wanted to make the first presentation to the hospital. (Laughter)

However, I would like to present to you a check in the amount of \$12,000, the amount of which was donated from friends listed on the sheet attached here and it also includes six donations for the Gold Book and there is supposed to be a matching check for \$100 for each donor.

Now, we did not quite make the 100 but then there is another check in the amount of \$10,000.01 and these I would like to present to you at this time.

... Presentation and applause ensued ...

IMPERIAL SIR POWELL: May I tell you a little bit about Luther Arnold and Doris?

First of all, he is a pain in the neck—he is bullheaded and he is stubborn. (Laughter) Also, he is always a problem. (Laughter) However, Luther is someone that you can charge with a responsibility and he makes it happen.

We can just about single-handedly thank Luther for the results of our paper sale. We can also thank Luther for that which he does for the Hundred Million Dollar Club and also that which he recently did in making a substantial contribution to our hospitals in relation to which he now has a little plaque concerning the system that was thought up by Imperial Sir Jack Dean.

However, the fact is that in spite of the fact of his many faults, and he has many more than I named (laughter), he came to me many months ago and said, "Do you have any

objection if I try to get 100 people to purchase a Hundred Million Dollar Club certificate and, George, I will match it?" I replied, "I will be tickled to death."

Now, Luther, the only thing that I can say to you this morning is that if you fell a little short of that goal, you nevertheless still have fifty-two more weeks to get it done. (Laughter and applause)

NOBLE ARNOLD: However, Imperial Sir, with that check now, I cannot afford to buy that \$8,000 car that I said I could two weeks ago. (Laughter)

IMPERIAL SIR POWELL: You know, he mentioned the \$8,000 car. You know, you wonder what makes people tick and you wonder what causes the people to do the things they do. However, let me say that I personally know that this gentleman, Luther Arnold, has never, never purchased a new automobile. (Laughter) You know, I said to him more than one time, "Luther, why do not you buy a new car?" He said, "Well, George, do you realize the amount of money I save by buying a used car that I can give to charity?"

That is what he does. (Applause)

NOBLE PLASKET: Are there any other presentations other than Crescent Temple?

If not, I will recognize Illustrious Sir John G. Kristian for a presentation.

ILLUSTRIOUS SIR KRISTIAN: Imperial Sir George, I would like to say that the Nobility and Divan of Crescent Temple have really enjoyed this opportunity to present this Pageant for you today. I sincerely hope that you and Mildred have enjoyed it.

As you know, we have given you a Five-Star Pin; we have given you our pledged support for you during the following year and now we would like to give you a gift for you to use as you see fit during your year as Imperial Potentate of the Shrine of North America.

George, congratulations.

. . . Presentation of envelope to Imperial Sir Powell ensued . . .

IMPERIAL SIR POWELL: You know, if I purchase a new automobile and paint on the side "Contributed by Crescent Temple" (laughter), do you think my dues would be reduced a little if I do that? (Laughter)

ILLUSTRIOUS SIR KRISTIAN: If you sold the car to Luther. (Laughter)

IMPERIAL SIR POWELL: Thank you so very much and I do appreciate it.

NOBLE PLASKET: And now, Imperial Sir George, I guess turn-about is fair play. Now is the time for you to make the presentations that you have requested.

First we will have the presentation of the Fezes for the 1990 Imperial Session and I will ask Director General Earl Brown, Past Potentate; Housing Chairman Richard Putnam and Assistant Housing Chairman Gerald Sanderson to please come to the stage.

IMPERIAL SIR POWELL: You know, to the Temples may I say that you would be surprised at how much cheaper these Fezes are when you purchase them in quantity. (Laughter) However, today we have quality.

. . . Whereupon, their respective Fezes for the 1990 Imperial Council were presented to Nobles Brown, Putnam and Sanderson . . . (Applause)

NOBLE PLASKET: And now we will present the Fezes to the Imperial Chaplains—representing Canada, Harry E. Alger, Past Potentate; representing the United States, John B. Peterson and representing Mexico, William V. King, Past Potentate.

IMPERIAL SIR POWELL: You have heard the words "Canada, Mexico and the United States for Imperial Chaplain."

We believe in our hearts that their presence as Imperial Chaplain should be whenever a Shrine function is taking place and it is for this reason that I wanted to make sure that there was an Imperial Chaplain on our visitations in each of these countries.

We have William King, who is going to represent us in Mexico. Then we have our present Chaplain, Harry Alger, who is going to continue representing us in Canada and then, of course, we have our good friend John Peterson who will be the United States Imperial Chaplain.

I ask you to accept these appointments as the Imperial Chaplain designated for your particular area.

. . . Presentation of Imperial Chaplain Fezes ensued at this point . . .

IMPERIAL SIR POWELL: I also promised the three of them that when my year was through with, I would pray for them. (Laughter)

NOBLE PLASKET: Now we have the presentation of Imperial Aides Fezes to Johnson

Pepper, Past Potentate, Crescent Temple; Luther Arnold, Crescent Temple; Marty Serposs, Crescent Temple; Jopseh Goodman, Past Potentate, Mecca Temple; Fred J. Gamiel, Past Potentate, Nur Temple; Samuel Barmach, Past Potentate, Almas Temple and Bernard Peters, Medinah Temple.

... Whereupon, at this point, the presentation of Imperial Aides Fezes by Imperial Sir Powell ensued ...

IMPERIAL SIR POWELL: You know, I have no idea whether they serve any useful purpose (laughter) but I will tell you that these individuals all love the Shrine and I love them, too. Thank you very much. (Applause)

NOBLE PLASKET: And now, Imperial Sir, the formalities are over and the microphone is all yours.

IMPERIAL SIR POWELL: Well, good morning, everybody.

... Cries of "good morning" ...

IMPERIAL SIR POWELL: Thank you for coming.

You know, we, each day, have so many things to be thankful for and, firstly, I sure want to thank Mildred for these many years of tolerating me and I also want to thank my family for bearing with me when I have had to be away from home as much as I have.

Also, I want to thank all of you for having opened your arms and hearts and brought us into your lives as we have traveled throughout this country.

Also, I want to thank all of the ladies for letting all of the Shriners be Shriners.

Also, I wish to thank all of the ladies of the Daughters of the Nile who, through the years, have been making a great contribution to our hospitals. As a matter of fact, I am reminded today of a million dollars that they have contributed last year to our great effort.

Also, I saw one of the ladies from the Ladies of the Oriental Shrine and they, too, perform a great service. There are also other organizations, ladies organizations and they all do these many, many good things for Shriners Hospitals for Crippled Children.

So, please, you girls, do not even stop and, to you Nobles, thank them a little bit more often.

Also I believe that I saw a demonstration here today of what makes our Temples great and that is our Uniformed Units and members of our Shrine Clubs and the members themselves who become active and participate.

However, there is one thing that disturbs me, and it always has and it is a difficult thing to correct but we have to try to correct it and that is that there are many other members in our organization but there are still many who should be members of our organization but who somehow do not have the feeling in their hearts that you folks do that are present here today.

I believe that within the next fifty-two weeks, with your help and we do need your help, we do need your advice and we do need your comments, because there must be many out there who can be members of our organization but, in reality, we do not know where they are.

However, we need to, in these next fifty-two weeks, see what we can do to make it possible that all of you can share with others that which you have and that which you are enjoying.

It is not going to be easy and I know it is not going to be easy but I know that it can be done.

I had one of the Past Presidents of the Cabiri, Ken Bumgarner, come to me and who said, "George, will you let me help?" I replied, "Ken, we need all the help in the world that we can get. What is the sort of help you want to give?"

He replied, "I believe," and I believe that is where it all must start—with the faith that "I believe"—"I believe that we can do something about suspensions and demits and new membership." I listened to his story and I accepted his story.

As a matter of fact, I told what he told me to Imperial Sir Bob Bailey and to Imperial Sir Jack Jones. I said, "What do you think, we have had somebody who has made an offer to help?" Well, they have picked up on it and we are going to try. However, had he not approached me and asked, "May I help," there would have been absolutely no way that I would have thought of the idea.

Therefore, if it is successful, well, it will have actually nothing to do with me but has something to do with his concerns.

Now, I find it very hard to believe that in this room, with all the talent that we have, that you are without an idea about something—be it your Temple, be it your Uniformed Units, be it the Imperial, whatever it may be. Somehow and in some way there is something that can be done to make this great organization greater. However, as of the moment, it appears to be suppressed. It is suppressed because, by nature, that which we have absorbed goes into our subconscious mind and that little trap door seldom ever opens to let these things out that are absorbed. However, I know that this trap door can be opened and I know that these thoughts that you have can change the Shrine toward the better and I know that we all are willing to try and to help.

You have all heard the story, and I have told it before, that the concept of the hospitals came from the fact that a musician was playing "I'm Forever Blowing Bubbles," and from that we have our hospital system today. I heard that and I accepted that as a fact.

Now, on the other hand, I know that we were selected because we believed, because of our basic principles and our foundation, that it was we who could best take care of these children. We accepted and all of us can be so very, very proud of what we have accomplished in these many, many years.

Now, we just cannot afford to do anything that would permit anyone to ever say that we have not used good judgment in the operation of our hospitals, in relation to our fiscal responsibilities.

Also, we must continue to advance with our Uniformed Units and our Shrine Clubs, which are the backbone of our Temples because if anything ever happens to our Uniformed Units and to our Shrine Clubs, then you might as well lock the front door.

I want you to all remember that we have in our hospitals now and we will have in the future children who put their heads on their pillow and close their eyes at night dreaming that tomorrow will be a better day and they always, in their hearts and in their minds, thank God for the Shrine and so please do not let anything happen to it.

Thank you all so very, very much.

... Rising applause ensued ...

NOBLE PLASKET: And now, I will ask our Imperial Chaplain Designate, Reverend John B. Peterson, to give the Benediction.

REVEREND PETERSON: Let us pray.

About two hours ago, our Father, we asked that you would be in our midst and our prayers have been answered for we have felt Thy presence, we have seen the result of Thy handiwork and we pray now that as we go our various ways that Thy presence will continue to be with us throughout this day and all of the tomorrows of our life. Amen.

NOBLE PLASKET: Before we are adjourned, let me express my thanks to Imperial Sir George for giving me this opportunity to act as the Master of Ceremonies here today and I also would like to thank the audience for being such a fine audience.

... At this point, following the retirement of the National Colors and escorting of Imperial Sir George W. Powell and Lady Mildred by the Crescent String Band from the meeting hall, the Pageant Ceremony was, at eleven-fifteen o'clock a.m., adjourned ...

MORNING SESSION WEDNESDAY, JULY 5, 1989 ELEVEN-THIRTY O'CLOCK A.M.

The One Hundred Fifteenth Session of the Imperial Council reconvened at the Toronto Convention Center, Toronto, Ontario, Canada, at eleven-thirty o'clock a.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE MCMULLAN: I would like to call the One Hundred Fifteenth Imperial Council Session to order and would now call on our Imperial Chaplain, Harry Alger, for the Invocation.

NOBLE HARRY ALGER [Imperial Chaplain]: Thank you, Imperial Sir and Nobles all.

May we be in order for prayer.

Our Father, we thank You for this memorable morning. Color and pageantry adds so much to our philanthropy and we ask Thy blessing as we continue this fabulous week.

Bless us now as we proceed on our course and make us aware of the misfortunes of others as we continue in the creation of new hospitals for crippled and burned children as well as for the maintenance of our twenty-two edifices that presently serve You and Your children.

Help our families and friends to grow together in strength, live together in hope and pray together in love.

Bless all of those in attendance here and instill in them the desire to make Thy will their till. Amen.

IMPERIAL POTENTATE McMULLAN: Thank you, Imperial Chaplain.

Now, I believe that our Imperial Recorder, Jack Jones, has a couple of announcements.

... Whereupon, Imperial Recorder Jack Jones announced the finding of a pair of glasses and the forthcoming Executive Session of the Grievance and Appeals Committee to be held later in the day . . .

IMPERIAL POTENTATE McMULLAN: Thank you, Jack.

Now we will continue with the balance of our elections.

Nominations are now in order for the Office of Imperial Outer Guard and I would ask that the two candidates, Robert N. Turnipseed of Calam Temple and Ralph Semb of Melha Temple please come to the podium, to the stage here and I will also ask their nominators to approach the stage with them.

I will now recognize Past Potentate Allen G. Zippin of Melha Temple to present himself before the microphone for the nomination of Ralph Semb.

ILLUSTRIOUS SIR ALLEN ZIPPIN: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters, Distinguished Guests, My Fellow Representatives and Nobles and Brethren All: I am here today with what I consider to be a most wonderful opportunity to place in nomination for your consideration the name of Illustrious Ralph Semb for the Office of Imperial Outer Guard of the Shrine of North America.

The title in and of itself is awesome to me as I also think where that role leads in the future. With that, I am here to talk to you about a man today, a man of the future—a man who I believe has done everything imaginable and everything that could possibly be asked of him to impress you with his enthusiasm, with his vigor, with his love of the Shrine and with his positive outlook concerning the future of our organization and the need to continue our efforts to maintain this as the great philanthropy in the world.

Now, I know you all have read about his background, you know of his commitment to the whole Fraternity. I am not going to recite all of these accomplishments for you but suffice it to say that in areas that I will mention, I think you can see that here is a man whose titles and honors have come to him because of the kind of effort you have seen over these last two years on the campaign trail, because of the dedication you have seen and, most importantly, because of the kind of results that he has produced over these many years of his activities in our great Fraternity.

He served, for example, three times as the Master of his Lodge, held various offices in the Scottish Rite and has been honored by the Scottish Rite with a Thirty-Third Degree and by the York Rite with the Red Cross of Constantine.

He has served on numerous committees at Melha Temple and was, as you know, its Potentate.

During his year, many, many new programs were created and innovations instituted which we had hoped for many, many years would come to fruition, all of this because of his energy, his zeal and the love of his Fraternity.

And you know that about him. You have seen the airplanes that he has handed out, you have seen all the literature regarding and with regard to the airplanes, I would say to you that you have here the opportunity to elect Ralph Semb and you, too, can fly with excellence with him.

He is an outstanding candidate in many respects—dedicated to the growth of the Fraternity, the future of our hospitals, to strong areas of work in membership; endowments, wills and gifts and his feelings concerning membership are widely known and accepted.

He has answered your questions—he has not stayed away from any issue. He has brought

you specific answers, programs, hope for the future and in doing that, he has maintained that level of enthusiasm and that level of energy that indicates that he is a sincere, committed individual whose heart is fully dedicated to a positive future and to the great destiny of this Fraternity.

I cannot say enough to you about Ralph Semb to inspire you because he has already done that. He has done that through his personal contacts, through his travels throughout the country and certainly through the literature you have received—the letters that you have received over these past two years, each one of them containing a particular message, each one of them individually geared to let you know he has been thinking about you.

I cannot help but think of a great number of men who were impressed as they visited with him here—impressed with the details that he remembers about so many people, asking about their families and other areas with which they were concerned—remembering celebrations and various dates that were important to you. He is committed to you and you need to be committed to him.

I would like to say something else here and that is something I saw yesterday and which I know all of you also saw, the Public Relations presentation made by Everett Evans and our new film, "A New Day."

As I thought about that, I thought about Ralph Semb and his future—a new day, a new hope.

It is your opportunity, my Fellow Representatives, for me to ask you to do what Ralph has promoted all along. This is your opportunity to vote for Ralph Semb.

So vote for the future of the Shrine and the future growth of membership so that we can continue our great hospital work.

We mean to look to the future and we need you to put Ralph Semb to assist us getting there in the strongest possible manner.

Thank you. (Applause)

IMPERIAL POTENTATE McMULLAN: I would now like to call on Illustrious Sir John Doran of El Maida for the nomination of Robert N. Turnipseed.

ILLUSTRIOUS SIR JOHN W. DORAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Representatives and Nobles: About thirty years ago, a company came out with an advertising campaign based on the slogan, "With a name like Smucker, it has to be good." Well, that slogan was so effective that almost everyone still knows it today and today I would like to give you this thought—"With a name like Turnipseed, he has to be good."

In the next few minutes, I want to tell you more about the man than about his name.

I am sure that when most of you first heard it, you said, "Bob who?" You said it with a chuckle and laughed. Well, I would like to tell you who Bob Turnipseed is.

Robert Turnipseed is a winner, a man who has been successful in every facet of his life.

Bob grew up in Montgomery, Alabama and decided on a career in the United States Navy, where he was a success and a winner for some twenty-one years, eventually retiring in 1968.

Bob Turnipseed has likewise been a winner in his personal life. He married Clara thirty-four years ago this month and together have passed the name of Turnipseed on to a son, Robert, and a daughter, Jeanette, and presently have three grandchildren.

As with most military men, Bob has a tremendous love for his country and the same dedication to duty that he showed while in the military has been carried on into his civic life in Coeur D'Alene, Idaho, where Bob and Clara settled in 1968.

Bob has been active in community affairs, serving on numerous Boards of the city and county, the Chamber of Commerce and the North Idaho Economic Development Council. When he moved to Coeur D'Alene, Bob entered into the land development and custom home building business, as well as a real estate brokerage.

Bob has been a success not only in his personal business but among his peers, where he is also well respected.

Bob was named "Realtor of the Year" in 1975. He is a Past President of the North Idaho Building Contractors Association. He was a national representative for the National Home Builders Association for five years and was named "Builder of the Year" in North Idaho in 1984.

Bob Turnipseed has been a success and a winner in his Masonic life as well. He was

raised a Master Mason in Oak Park Lodge No. 864 in Montgomery, Alabama, in 1954. That was thirty-five years ago. He is a Life Member of the Coeur D'Alene Valley of the Scottish Rite, a member of the Royal Order of Scotland, a member of the High Twelve Club, Past President of the Coeur D'Alene Shrine Club, a Past Associate Guardian of Bethel No. 42 of Job's Daughters, a member of the Board of Trustees of Calam Temple, a member of the York Rite Bodies, Past President of the Calam Copper Unit, a member of the Royal Order of Jesters, Court No. 62. He likewise served with distinction as Potentate of Calam Temple in 1988 which, as we all know, was the greatest year in the history of the Shrine and Calam Temple and, if you do not believe me, ask Bob. He is also a Life Member of the Cabiri.

Now, all of these things put together paint the picture of a winner but in addition, Bob Turnipseed has spent a lot of time visiting association meetings this year and I am sure that if you took the time to talk to Bob you found out the same thing I did when I first met him—Robert Turnipseed is a man's man, sincere and honest in everything he does, a man you can look up to.

He is concerned for what the Shrine can do to make this a better world through our great philanthropy. He looks to the future with a positive view, with ideas and actions to improve our organization and to ensure its continued success as a Fraternity committed to improve the lives of unfortunate little children.

When Bob Turnipseed makes a commitment, you know and you can be sure that he will keep it—that whatever job he sets out to do, that job will be done. Bob Turnipseed is a man in whom you can have confidence. Bob Turnipseed has made a commitment to you, to me and to himself to work for the Shrine of North America. Let us take advantage of that commitment and give him the job.

I ask for your support and vote for Robert Turnipseed and, Imperial Sir and Nobles All, at this time I would like to place in nomination the name of Robert N. Turnipseed for the Office of Imperial Outer Guard of the Shrine of North America. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you.

Are there any other nominations? Are there any other nominations? Are there any other nominations? If not, I will declare the nominations closed and I would now like to call on Jim Hathaway to explain to you the election procedures and the balloting.

NOBLE JAMES HATHAWAY: Thank you, Imperial Sir.

Now, Nobles, I believe you all have your ballot books with you.

Let me say that we will pick up your ballots as you exit the hall at the doors over here to my left. That is where you will deposit them in the ballot boxes and then we will give you the results during the first part of our business session this afternoon.

Now, we will use ballot No. 1 in your books. Again, that will be ballot No. 1 and if you use anything else, it will not be counted.

Does everybody understand?

... Cries of "yes" ensued ...

IMPERIAL POTENTATE McMULLAN: Again, to repeat, you will use ballot No. 1 for this election. Further, you may use either the first or last name of the candidate—both will be acceptable.

Now, I will now recess this portion of the One Hundred Fifteenth Imperial Council Session and you will reconvene at one-thirty o'clock p.m., at the Royal York Hotel in the same room you were in yesterday.

... The One Hundred Fifteenth Annual Session of the A.A.O.N.M.S. recessed at eleven-thirty o'clock a.m., to reconvene at one-thirty o'clock p.m. ...

AFTERNOON SESSION
WEDNESDAY, JULY 5, 1989
ONE-THIRTY O'CLOCK P.M.

The One Hundred Fifteenth Annual Session of the Imperial Council reconvened at the Royal York Hotel, Toronto, Ontario, Canada, at one-thirty o'clock p.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE McMULLAN: I would now like to reconvene this Session. Will you please come to order.

Gentlemen, unfortunately we have had two Nobles pass away and whose passing I would like to call to your attention at this time.

The first of these is Gene Lock, Past Potentate of Affi Temple and a member of the Finance and Accounts Committee, passed away this morning.

Also, Abraham Flacks, President Emeritus of the International Shrine Clowns Association, a Noble of Pyramid Temple, passed away peacefully in his sleep early on July 4 in his room at the Holiday Inn, Yorkdale, Toronto. He was eighty-two years of age.

With that, I would like to have you all rise for a moment of silence in memory of these two gentlemen.

. . . A moment of standing silence in memory of these two Nobles then ensued . . .

IMPERIAL POTENTATE McMULLAN: Thank you, gentlemen.

Now, I know you are all waiting for the next very anxious moment.

I would now like to call on Jim Hathaway for the report of the Tellers concerning the election for Imperial Outer Guard.

NOBLE JAMES HATHAWAY: Imperial Sir, Imperial Sirs, Illustrious Sirs, Worshipful Grand Masters and Fellow Representatives: It is a pleasure to give you the result of ballot No. 1 for the position of Imperial Outer Guard.

There were a possible 850 votes; 802 actually voted. There were no spoiled ballots. Necessary for choice was 402.

The results were as follows—Robert Turnipseed, 81 and Ralph Semb 721.

. . . Cheers and applause ensued . . .

IMPERIAL POTENTATE McMULLAN: I now declare Ralph Semb elected and I would ask him to come forward and, as he is doing that, I will first recognize Bob Turnipseed.

NOBLE TURNIPSEED: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I would like to make a motion that there be a unanimous ballot cast for the election of Ralph Semb to the Office of Imperial Outer Guard. I would so move.

Also, my congratulations to you, Ralph. (Applause)

IMPERIAL POTENTATE McMULLAN: You have before you a motion that a unanimous ballot be cast for the election of Ralph Semb.

Is there a second?

. . . The motion was variously seconded . . .

IMPERIAL POTENTATE McMULLAN: All in favor of the motion indicate by saying aye; opposed. It is unanimous.

NOBLE TURNIPSEED: Let me also say, Nobles, that I would like to thank you for your courtesies shown me during the first six months of this campaign and I will assure you that I will be back the rest of this year and I will also be at Chicago in 1990. Thank you. (Applause)

IMPERIAL POTENTATE McMULLAN: I just have one question, Ralph.

I congratulate you wholeheartedly. I know you are shaking like a leaf and, of course, I can understand what you have gone through and done. It took me years also.

And now, my question to you—do you accept? (Laughter)

ILLUSTRIOUS SIR RALPH SEMB: Imperial Sir, Imperial Sirs, My Fellow Representatives and all my friends: Let me ask you, does this mean that I do not have to carry my picture along with me any more, I can take off this badge? (Laughter)

You know, I want to thank a few people. First of all I want to thank Illustrious Sir Allen Zippin for the marvelous nomination speech he gave in my behalf. Did he not do a great job of that? (Applause)

Also, I want to thank my committee headed by Allen Zippin and all the people that helped me.

I also want to thank Bob Turnipseed for the fine job that he did in relation to his campaign this year.

If you want to know whether or not I accept, you bet I do and there is no question about it. (Applause)

IMPERIAL POTENTATE McMULLAN: Welcome aboard, Ralph.

Now, before I go any further, I went out to the sail pass and let me say to you that it was a most exciting thing. There were some eighty boats involved and one of the most exciting

things was to see the Fife Band of Zem Zem Temple with the Pipers draped over the bow of the boat piping backwards and upside down. That was the whole Pipe Band.

Also, there was George Washington Powell's boat there—there was "Crescent Temple" on it; also, Lu Lu Temple of Philadelphia had several boats for it.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I believe we are now back again to legislation.

NOBLE I. SEWELL LAMDIN: Imperial Sir, if I may, a point of personal privilege.

Imperial Sir, Imperial Sirs; Most Worshipful Grand Masters and Representatives: Your Grievance and Appeal Committee went into Executive Session at one-ten this afternoon. The reason for the Executive Session was that we had received a request from the Grand Master of the State of Arkansas to appear before the committee. Now, the hearings were held on Sunday. Due notice had been given back in early May.

Now, the committee voted unanimously to grant the request of the Grand Master of Arkansas and so we will hold that particular committee meeting to grant the request of the Grand Master of Arkansas immediately after we adjourn here this afternoon.

I would like to have the Potentate and Divan of Sahara Temple and anyone else interested to please take notice. The meeting will be held on the next floor below here. The conference rooms are all in a line down that long hall. We will be in Conference Room No. 5. There is a big sign on the door if you do not see the numeral 5.

Again, the Grievance and Appeal Committee will meet immediately after adjournment this afternoon. Thank you.

... Business was conducted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: Let me ask you, Imperial Sir Brantley, are you prepared to give the Insurance Report?

IMPERIAL SIR BRANTLEY: Yes, Imperial Sir.

Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Illustrious Sirs and Members and Representatives and Visiting Nobles: Yesterday we held an insurance seminar that lasted approximately one and a third hours. I think that most of those that were interested in the question were, in fact, present in the room.

Our report will take approximately ten minutes to do and it is our intended purpose today, unless I hear a great request from the audience to suspend that report and simply call on the Jurisprudence and Laws Committee to move the appropriate regulation which would, in turn, have the effect of implementing the report.

Those of you that were here yesterday know full well that the people who are on the committee—Imperial Sir Burt Ravellette is Chairman or was Chairman the last two years before I became Chairman. However, on that committee, other than the Chairman are some very knowledgeable people in the field of insurance.

We have Leonard E. Kindred of Akdar Temple; Theodore Corsones from Cairo Temple, our General Counsel; we have William Blick from Kismet Temple. Both he and Kindred are at opposite ends—one in purchasing and one in sales and they have been involved in the insurance business for more than some fifty-odd years.

We had as advisors Lew Molnar and Paul Ibach.

Those people, and the hired professionals that were used along the way, at your request, we recommend to you wholeheartedly that we approve the adoption of the Bylaws necessary for the establishment of a captive insurance program for the protection of our Temples, its property and its people.

Imperial Sir, that having been said, I would like to ask for the report of the Jurisprudence and Laws Committee on Item 1 of the Call.

IMPERIAL POTENTATE McMULLAN: I will now call on Ted Corsones for the presentation of Item 1 in the Call.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 1 on Call of the Annual Session of 1989, located on page 19 of the Call. It is a proposal to amend Article 7 of the Bylaws of the Imperial Council, an Iowa Corporation, by adding a new Section 207.6 thereto and renumbering the present Sections 207.6, 207.7 and 207.8 as Sections 207.7, 207.8 and 207.9. The new Section 207.6 will read as follows:

ARTICLE 7
Board of Directors

Section 207.6 Insurance. The Board of Directors will form, or associate with, a captive or other insurance company. Upon the formation of, or association with, such an insurance company:

(a) All U.S. Temples shall, and other Temples may, purchase their insurance coverages from the company for the risks and limits offered.

(b) Each participating Temple shall pay the required capitalization fee, which fee shall be computed on a Temple's membership. This fee will be passed directly to the membership.

(c) The coverages shall be offered to the Temples at the most reasonable premium consistent with financial stability and integrity.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Imperial Sir Lew Brantley, as representative of the Insurance Committee, for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: I will recognize Imperial Sir Lew Brantley.

IMPERIAL SIR BRANTLEY: In behalf of the Imperial Insurance Committee, I would move for the adoption of Item I of the Call.

IMPERIAL POTENTATE McMULLAN: You have heard the motion, is there a second?

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: The motion has been seconded and it is now open for discussion.

I would like to announce that the proponents please line up here at the microphone on my right and the opponents at the microphone on my left. Therefore, anyone desiring to speak on this, would you line up in that fashion.

Well, I see nobody lining up. Are you all in favor?

. . . At this point, cries of "question" and "vote" were brought forward . . .

IMPERIAL POTENTATE McMULLAN: I have a speaker over here (indicating).

NOBLE KELLY HOGAN [Ainad Temple]: Imperial Sir, my name is Kelly Hogan, High Priest and Prophet and elected Representative from Ainad Temple, St. Louis.

I have four short questions that I would like to ask all under one part.

I understand that the \$3 up-front fee per member for the cost of the enrollment is eighty percent of their constituent cost now.

Now, my question is—the \$3 per member will have to be paid up front—at what time will the eighty percent of the cost of our insurance premiums have to be paid? Is it on day one of the opening of the policy?

Secondly, it was discussed yesterday and I am not quite sure or clear in my mind that I heard the correct answer but what would the administrative cost, when added to the eighty percent, what time would that have to be paid? As I understand it, the \$3 is a one-time capitalization of the captive insurance company.

IMPERIAL SIR BRANTLEY: May I respond to that, Imperial Sir?

IMPERIAL POTENTATE McMULLAN: Yes.

IMPERIAL SIR BRANTLEY: With regard to the \$3 per capita, that is a one time capitalization of the captive insurance company.

The remaining part of the eighty percent would be due at the renewal date of your policy and the committee anticipates the mechanism to be in place to begin this company, if adopted, on January 1, 1990. Therefore, that would be the due date of your capitalization; that would be the due date of your insurance premium.

The committee anticipates that if your Temple's policy goes beyond January 1, it would simply allow that policy to run out and your due date would be whatever the expiration date is.

Does that answer your question?

NOBLE HOGAN: Some of the Temples now are being allowed to, by their insurance carrier, to make the payment in quarterly payments. That was my concern. I had a concern as to whether or not we were going to have to pay both the \$3 up-front membership cost and the eighty percent of the premium on the same date?

IMPERIAL SIR BRANTLEY: Let me further indicate that in the resolution that we are asking for your adoption, it does allow passing on of this per capita to your membership.

In other words, when you figure in the dues, if you are desirous of doing it, you may add that \$3 as a part of the dues and, as a matter of fact, collect it.

Some Temples that we have talked to feel that they want to capitalize a portion and go and pay on it on January 1 of 1990. We, however, do not include that in our vote.

With that, I think that Ted wants to speak.

NOBLE HOGAN: And there is one other point, sir, on the administrative cost, if any, and can you give us an approximate percentage of the cost?

IMPERIAL SIR BRANTLEY: There will be no added administrative cost at all in that the eighty percent of the premium contemplates including the administration cost.

NOBLE HOGAN: Thank you.

IMPERIAL POTENTATE MCMULLAN: I have Ted Corsones next.

NOBLE CORSONES: Nobles, I believe you did ask a question concerning the payment of a premium. I do want to respond a little bit more in relation to it.

Now, my Chairman has responded concerning the initial capitalization fee and also the fact that there would be given latitude to those Temples that have insurance in force for the same risks that will be offered by the captive should it be adopted.

You then went on to say that some Temples, and I am aware of what you are saying, pay their premium for the risks that they have purchased in installments other than annual installments. It is contemplated that the Board of Directors would be sensitive to this in the event it is a financial hardship. I see no legal reason why we could not continue to operate some incremental payments other than an up-front annual payment. I do not think that door is closed at all.

IMPERIAL POTENTATE MCMULLAN: I believe, Ed, you are next.

NOBLE EDWARD TRUSEL [Al Malaikah Temple]: Imperial Sir, I am Edward Trusel, Chief Rabban of Al Malaikah Temple.

Now, as near as we can determine with our committee members, which compose a number of Nobles with over a hundred years experience in the insurance field in all states, the pure premium for liability, excess liability, property coverages with regard to our Temple would run \$30,000 a year more, using the figures that you have given us in the past as the rates stand.

If your premium in addition to that is a \$60,000 subscriber fee, this gives us a total additional expense over our current expenses of \$90,000 in the first year.

To continue this on out over the years with a captive company, with all like risks because we are all in the parade business and the circus business and other businesses which are so-called "like" risks to deal with, the historical indicator is that if the premium rate has been increased year by year.

I will have to face my Nobles a couple of years from now and say that I put this on this trolley ride, which, I believe, would be a financial disaster in relation to our Temple. Therefore, we strongly recommend a "no" vote. (Applause)

IMPERIAL POTENTATE MCMULLAN: I will now recognize Ed Maag.

NOBLE EDWARD MAAG [Ainad Temple]: Good afternoon.

Imperial Sir, Imperial Sirs and Representatives: I do not speak either in opposition or in favor of this proposal but I would like some additional knowledge.

I would like your permission to address a question to Webber C. Harrington, Chairman of the Iowa Budget Committee. I would also like to address the same question to the Chairman of the Finance and Accounts Committee and to the Imperial Auditor.

Nobles, will the adoption of this amendment cause the Iowa budget to be increased, decreased or changed in relation to any parameters?

IMPERIAL POTENTATE McMULLAN: Thank you, Ed.

Now, Webb, would you like to comment?

IMPERIAL SIR HARRINGTON: Imperial Sir and Imperial Sirs and Nobles and Representatives: That is a matter that has not been reviewed by the Iowa Budget Committee but I have been informed by the Chairman of the Insurance Committee that it will change our budget.

NOBLE MAAG: Imperial Sir, I would like a point of order.

It appears to me that this would be a matter within the province of the Audit Committee to determine.

NOBLE HARRINGTON: I would be happy to yield to either the Chairman of the Finance and Accounts Committee or the Audit Committee or the Imperial Auditor for further answers to that question.

NOBLE ROBERTSON: Imperial Sir, Imperial Sirs and Representatives: The question was directed to the Finance and Accounts Committee.

Let me say that particular item on the Call was not referred to our committee but it is my understanding that this would be a separate insurance corporation which would act on its own and it would be my opinion at that point in time that it would not affect the budget of the Iowa Corporation.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

Do you have any further questions, Ed?

NOBLE MAAG: None whatsoever.

IMPERIAL POTENTATE McMULLAN: I believe Imperial Sir Brantley has a comment?

IMPERIAL SIR BRANTLEY: Imperial Sir, let me say, as Chairman of the Insurance Company, in consultation with Legal Counsel and others who are much smarter than the Chairman of this particular committee, let me assure you it has no effect on our budget.

Also, in relation to the points that were made having to do with Al Malaikah Temple, there was a considerable amount of discussion and study of Al Malaikah Temple by one of the members of our Insurance Committee because we did take that up as a specific and special item during the deliberation and the formation of this special recommendation to you.

Now, in order to respond to that and get the record as precisely straight as we possibly can, let me ask Leonard Kindred, who is now the Potentate of Akdar Temple and a member of the Insurance Committee, to speak to that in a brief sort of way.

NOBLE KINDRED: Would the Noble from Al Malaikah get back to the microphone?

Let me say that I called the Recorder out, at Al Malaikah Temple when the letter came in in relation to the differences in premium. Was that you I talked to?

NOBLE TRUSEL: No, that was somebody else.

NOBLE KINDRED: Well, okay.

Now, as I understand it, you wanted to know what we included in the \$126,860—whether, for example, it included Workmen's Compensation?

Well, what we are going to do is to do an eighty percent charge on the total and you realize, of course, that we cannot do that on Workmen's Compensation in a state and so in order for us to do that, we are going to have to do it on the CAL side and the property side.

Now, in the reinsurance cost factors that we have gotten from the company that we are working with, we are talking about a property rate which reduces the cost of the property as currently being paid across this nation from \$1.4 million to \$229,000. This is where we gave you the twenty percent across the board.

Also, another factor we have to think about is that we have to satisfy all of the Insurance Commissioners in every state that we do business with.

Well, you know, it is like the man yesterday was trying to talk about in relation to industry—the costs of industry—machines, everything running every day, sixty-some odd percent. Well, in our case, we do not run every day. I do not know of a Temple that absolutely runs every day.

IMPERIAL SIR BRANTLEY: Thank you very much, Illustrious Sir.

NOBLE TRUSEL [Al Malaikah Temple]: However, you just confused me some more and so I will stick by my bottom line, which is \$90,000 more per year and we do not want to pay it. (Applause)

... The question was severally called for ...

IMPERIAL SIR BRANTLEY: Also, let me add, that the recommendation before you is only for the Temples in the United States.

I would move the resolution, Mr. Chairman, by simply saying your Insurance Committee has brought the information to you as best we could glean and as best as we could gather from across this country. We have brought forward to you what we think will be an opportunity to stabilize your insurance, it will stabilize the ability of your insurance costs and the fact that you will own the company and, further, what profits there will be generated in the future would be passed on to you and the owners through reduced premiums on your insurance needs.

That is the best that we can offer to you. If it is a good program and you believe it is, we ask you to pass it. If you feel it is not a good program, then we tell you that we have done our job. However, you are the decision makers at this point.

With that, Imperial Sir, having been said, I would move for the adoption of the resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: Just a moment, that is just to close debate.

All those in favor of calling the question please say aye; opposed no. It is carried.

Now, I would like to read this to you in relation to capital company voting procedure.

All Representatives of the Imperial Council have a right to vote on any issue in the Iowa Corporation. That cannot be overemphasized. However, a reading of proposal 1 clearly states that the only Temples that will be under mandate to join the captive insurance company if this proposal is adopted are the United States Temples.

The members of the United States Temple, those in favor as well as those opposed, have unanimously expressed their plea that non-United States Temples refrain from voting on this proposal. They made this expression at the seminar which was held yesterday.

Further, it will require a two-thirds vote to adopt this proposal. It is likely to be close. Both sides wish to avoid a decision being made by Temples that will not be required to join the program.

Now, having indicated to you the foregoing—all Representatives have a right to vote. However, your United States Temples ask that the non-United States Temples extend them the courtesy of abstaining from voting on this proposal.

This is a very important proposal and will be made by the use of a paper ballot and I would now like to call on Jim Hathaway for balloting instructions.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Fellow Representatives: In your ballot book, you will use official ballot no. 7—no. 7.

Tellers, are you ready to go to your positions?

... Whereupon, balloting and collection of ballots ensued ...

IMPERIAL POTENTATE McMULLAN: Have all voted? Have all voted? I will declare the ballot closed.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I believe we are now ready for a report on the last ballot that was taken. I will recognize Jim Hathaway.

NOBLE HATHAWAY: Imperial Sir, Imperial Sirs and Representatives, it is a pleasure to give to you the results of ballot no. 7 concerning the insurance program.

There were a possible 854 votes; 781 actually voted. There was one spoiled ballot. Necessary for choice was 521.

The "yes" votes were 436, the "no" votes were 344.

... Cheers and applause ensued ...

IMPERIAL POTENTATE McMULLAN: The ballot did not provide the necessary two-thirds majority and therefore has been defeated.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I would like to call on Bob Lake for the presentation of Item 32 in the Call.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 32 on Call of the Annual Session of 1989, located on page 32 of the Call. It is a resolution approving the formation of a captive insurance company. Such resolution reads as follows:

RESOLUTION

WHEREAS, the Representatives of the Imperial Council Session of 1988 adopted a resolution proposed by the Insurance Committee of the Imperial Council, authorizing and directing the formation of a captive insurance company under terms and conditions acceptable to the Board of Directors to insure such risks as are encountered by the Imperial Council, A.A.O.N.M.S., U.S. Temples and their holding companies, affiliated and appendant corporations, including Shrine Holding Companies; and

WHEREAS, part of that resolution requested the Imperial Potentate to issue a general order which would direct, among other things, that "all U.S. Temples and their holding companies, affiliated and appendant corporations, including Shrine Club Holding Companies, place all their insurance requirements with such captive insurance company"; and

WHEREAS, it is considered in the best interest of the Order that each Shrine Temple be permitted to consider the advantages of such an insurance program and have the option, rather than the obligation, to purchase for itself, its holding companies, affiliated and appendant corporations all their insurance requirements from such captive insurance company.

NOW, THEREFORE, BE IT RESOLVED, that should the Imperial Council or any body created by or subordinate to it create, sponsor, or acquire a captive insurance company, no Temple, club, unit, or other appendant organization shall be required to purchase or accept coverage from such captive insurance company, but all coverages offered or written by such company shall be optional.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon one of the proposers for an appropriate motion.

IMPERIAL POTENTATE MCMULLAN: I would like to call on Ed Maag.

NOBLE EDWARD MAAG [Ainad Temple]: Imperial Sir, Imperial Sirs, Fellow Representatives: My name is Edward G. Maag and I am a Representative of Ainad Temple.

I speak not for myself when I address you today. I speak for each Representative of my Temple, elected and emeritus, and I speak for a resolution adopted unanimously by my Temple.

The Nobility of my Temple has allowed us to come here and say to you that it is our belief, has been our traditional belief—

IMPERIAL POTENTATE MCMULLAN: Just a moment, the gentleman is out of order. There is nothing on the floor.

Would you care to make a motion?

NOBLE EDWARD MAAG: Imperial Sir, I would move the adoption of Item 32 and also speak to this resolution.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: The motion has been made and seconded and you now can continue, Ed.

NOBLE EDWARD MAAG: I do not wish to read the whole resolution because the Jurisprudence and Laws Committee has already read it to you. However, the last paragraph thereof which appears on page 32, is the most important part.

It is the belief of the Nobility of my Temple and the Officers thereof and Representatives that this Imperial Council ought to say to next year's Insurance Committee and to the Officers, "If you are going to explore the possibility of organizing a captive insurance company, do not make it mandatory that every Temple in Shrinedom be a part of it." We also believe that somebody should be excluded if they wish to be excluded—that is, if they do not wish to be a part of it.

However, we also finally believe in local Temple sovereignty and we believe that this Imperial Council should provide that any coverages offered by a captive insurance company be optional with the local Temple involved.

I would respectfully suggest that by your vote on this proposition you will give guidance to the Insurance Committee for next year because the issue will not go away.

You know, we will always have the insurance problem with us. We have had an Insurance Committee long before today and I am sure we will have one for many, many years into the future. However, we believe that the people on the stage and the committee would appreciate the guidance of this body on the issue of whether or not it ought to be mandatory or be permissive.

I would move your adoption of the resolution, Imperial Sir.

IMPERIAL POTENTATE McMULLAN: Well, that has already been moved and seconded.

Is there any further discussion?

. . . The question on the motion was then severally called for . . .

IMPERIAL POTENTATE McMULLAN: We will now vote on the motion.

All in favor of the motion please indicate by saying aye; opposed no. Well, we will try again.

We will have a showing of hands.

All in favor raise your hands; now those opposed. It is carried and thank you.

I will now call on the Membership Committee Chairman, John VerMaas, for his report.

IMPERIAL SIR VERMAAS: Imperial Sir, Imperial Sirs and Fellow Representatives: This is not going to be the typical drag-out Membership Committee report because I do not intend to stand up here and give you all the bad news. What I will do, however, is to tell you what we have been doing to turn around the membership picture and what your Imperial Membership Committee and I have been doing and recommend we do for the upcoming Imperial Year.

Nobles, this is the first year in a decade that we have seen the picture you are looking at begin to reverse. Granted it is not a 180 degree turnaround and in fact since it represents the "bottoming out" of a downward trend it is not even truly reflected on this graph. But at least overall membership losses are no longer continuing their meteoric drop as in previous years.

One of the high points in terms of membership for us came this past year in November when over half of all Shrine Temples sent a Representative to a special Membership Seminar we held in St. Louis. Ninety-nine Temples sent at least one Noble at the Temple's expense to participate in an exchange of ideas and series of discussions about Shrine membership. The Nobles who attended felt the full day seminar was extremely informative and most beneficial. In fact, in a follow-up questionnaire, virtually every participant said they felt similar future meetings should be held. Hopefully this can be accomplished.

You know, as an Imperial Officer, I bet I receive at least two dozen Temple publications at home and from time to time almost every one of them contains a statement that all of us have seen and heard a thousand times. "Membership is our number one priority." I see and hear it a lot. "Membership is our number one priority." But you know what? How many of us really believe that? I think all too often we may say membership is our number one priority, but we tend to leave it up to somebody else.

The result has been ten straight years of membership decline in our organization. Not a pretty picture.

There are many reasons why we have not been able to get a handle on our membership woes, not the least of which has been the fact that we have not had the funds to mount an effective program that would do more than just award Nobles who bring in new candidates with bolo ties or baseball caps.

We have long needed a high profile campaign—similar to what we have for Shriners Hospitals, which has been so effective in turning up the volume on the visibility of our philanthropy and fraternity's association with our hospitals. But again, the Iowa Corporation just has not had the funds to effect a major membership campaign, the quality of which we all know we have needed and deserved. Up until this year, that is.

Thanks to the generosity of our Nobility, to many of you in this room who donated money through a program which became known as the "notecard program" to most of us, we now have the funding to begin a campaign which will allow us to focus on membership in similar fashion to our highly successful hospital promotion campaigns. So far approximately \$320,800 has been raised.

Your Membership Committee examined a number of different approaches this past year in an effort to select a direction to begin our increased image and awareness campaign.

We looked at the possibility of a print advertising campaign which would involve placing ads in major national and weekly publications, as well as providing Temples with pre-produced print ads for use in local newspapers.

We looked at the possibility of producing a new recruitment film, which could be used in approaching civic clubs and other organizations comprised of potential members.

We felt that any successful membership effort must include a highly sophisticated direct mail campaign, and we examined that avenue.

And we even looked closely at utilizing a "state of the art" approach we have used to promote our hospitals, which would involve something called a video news release targeted to television news operations, movie theatres and cable TV stations.

Targeting a short subject image video to TV stations in all cities in which we have a Shrine Temple or Shriners Hospitals was also studied.

Your Membership Committee felt that all of these ideas had validity and if used in combination as part of a multi-faceted membership campaign could not help but provide us with the necessary exposure we need to mount an effective membership effort.

But the one piece to the puzzle that we felt would provide us with perhaps the highest degree of visibility, and the element that would allow us to build the other facets of our campaign upon, was the element of the proposal which we are focusing on initially and which the committee would like to present to you today. Namely, a high profile Shrine "celebrity" public service campaign.

Perhaps the cornerstone of our patient recruitment efforts and our efforts aimed at improving the Shrine image of our association with Shriners Hospitals has been the numerous public service campaigns that the Public Relations Department has mounted over the past ten years.

With this in mind, your Imperial Membership Committee, working in concert with the Imperial Public Relations Department, looked closely at proposals from four different professional sources and we are pleased to report that we have selected Doug Wyles Productions from New York to assist us in developing a package of television and radio campaigns that will help us "sell" the Shrine Fraternity in a manner we have not previously attempted.

Doug Wyles Productions is the leading public service production house in the United States, perhaps in the world. His list of clients reads like a Who's Who of Public Service, including:

- The United Way
- UNICEF
- Care
- The Salvation Army
- Rotary International
- The Will Rogers Institute
- Save the Children
- Medic Alert Foundation

National Easter Seal Society
Goodwill Industries
and yes, even Shriners Hospitals.

It was Doug Wyles who, two years ago, helped us to develop one of the most successful public service campaigns in the history of Shriners Hospitals—featuring celebrity spokesmen Burt Reynolds and William Shatner.

Here is just a brief sample of some of Doug Wyles Productions' work.

... A video presentation then ensued indicating the work quality of this organization ...

Your Membership Committee is coming to you with this proposal, since such a campaign would not have even been thinkable without the funds we were able to generate due to the participation by the members of your Temples in the notecard program.

One option open to you would be if you believe you would rather use the funds generated from the notecard program at the local level—for Temple membership purposes rather than being used to develop an international public service membership campaign—we could return the monies to your Temples on a percentage basis, depending upon each Temple's participation in the notecard program. However, if you vote to allow us to use the money your Nobles have provided us with, what we plan to do now is to proceed this summer with the design and distribution of a series of television and radio public service announcements which will focus on the Shrine Fraternity, forming the cornerstone of our efforts to present ourselves to the public, via an approach we heretofore never had the luxury of pursuing.

We would hope to begin developing our approach and writing the scripts later this month and have a campaign ready for distribution in mid or late fall.

Again, this public service announcement approach would not be our only vehicle, but merely a cornerstone or foundation upon which we could build a major, multi-faceted campaign that would hopefully put us on the road toward solving our membership problems once and for all, and I come before you today seeking your approval for such a campaign. We will only move ahead with it with your approval.

We are fully aware that there may be some areas in which getting public service time for the airing of such a membership campaign is next to impossible. We know this based upon the lack of cooperation we have received in some areas in connection with our hospital PSA campaigns.

Hopefully, the Session proceedings will record that on this 5th day of July, 1989, the Shrine of North America took command of its own fate and truly made membership its number one priority.

Imperial Sir, I move that the Imperial Membership Committee be allowed to proceed with the development of a "high profile" celebrity membership public service campaign, using funds raised through the Membership Notecard Program.

... The motion was severally seconded and, there being no discussion, was voted upon and declared to be unanimously carried ...

IMPERIAL POTENTATE McMULLAN: Congratulations, John, to both you and the Membership Committee on the way you have handled things this year.

IMPERIAL SIR VERMAAS: Imperial Sir, I have some awards to present, can I do those now?

IMPERIAL POTENTATE McMULLAN: Well, we do have some time, do you have the awards? Let me ask you, how many awards do you have?

IMPERIAL SIR VERMAAS: Eight.

IMPERIAL POTENTATE McMULLAN: Well, do you have the awards? If not, do you want to wait? We can do them later. If you want to wait, that will be fine.

IMPERIAL SIR VERMAAS: Perhaps that would be better.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

I will now call upon Illustrious Sir Bob Bailey for the presentation of Item 7.

ILLUSTRIOUS SIR BAILEY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 7 on Call of the Annual Session of 1989, located on page 22 of the Call. It is a proposal to amend Section 211.5 of Article 11 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 11

Budget and Revenues

Section 211.5 Per Capita Tax.

(a) Amount. Each Temple shall pay an annual per capita tax to The Imperial Council of \$3.50 for each member of the Temple, computed on Temple membership as of the first day of January of each year. Fifty-cents (\$0.50) is earmarked for enhancement of the Shrine image and membership procurement.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr. Chairman
Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Robert H. Bailey
Gerald L. Davis
James M. "Buddy" Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Richard Magathan, Potentate and Representative of Arab Temple, for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: I will call on Illustrious Sir Richard Magathan.

ILLUSTRIOUS SIR MAGATHAN: Fellow Representatives, I would move that this proposal be adopted in order to allow the Membership Committee to accomplish their goals.

IMPERIAL POTENTATE McMULLAN: Is there a second?

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: Is there discussion? Is there any further discussion?

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Representatives: You just approved by your previous vote allowing the Membership Committee to expend the funds they have raised, utilizing the program that was outlined and developed by the Membership Committee, which did not put a burden on anybody but gave them the opportunity to address this problem.

The fact of the matter is that this program has already demonstrated that we can raise sufficient funds to address this program and, therefore, I, at this point, would be opposed to raising the per capita tax if the funds for the most part are designated and restricted to membership coverage.

For that reason, I would be opposed to raising the per capita tax in this fashion.

IMPERIAL POTENTATE McMULLAN: Thank you, Tony.

I have Allen Zippin next.

NOBLE ALLEN ZIPPIN: I would like to speak briefly in favor of this motion.

With due respect to Imperial Sir Tony Bukey, I do appreciate the fact that these cards brought in the amount of money that they did. However, I would not want to have our membership and its future building depend on a program that we cannot be sure of from year to year. I do have that concern about this card program.

I know, for example, in our area, the Grand Lodge has sent out cards, the Scottish Rite has sent out cards, the Shrine sent out cards and, as a matter of fact, everybody has gotten on the bandwagon and, therefore, I am not sure as to how long this will be successful enough to maintain our membership program.

I do want to say that I was privileged to attend the seminar in St. Louis and, I might add, it was one of the most positive meetings I ever attended in relation to membership.

I would hope, therefore, that the feeling here, after seeing statistics on membership and with the understanding of our need to grow, that that feeling would be enough to carry this motion to allow that fifty cents to be designated to do exactly what everyone in St. Louis seemed to want.

All of the Temples represented there were requesting the same thing.

Financially, those promotional materials, ideas for marketing strategies and all of those things we need, the local Temples simply cannot support their own to promote these programs.

With that in mind, I would hope that you will pass this motion so that your Representatives can attend future seminars without costing them, at that moment, individually and without depending on a program that we do not know the future of.

IMPERIAL POTENTATE McMULLAN: Is there further discussion from the floor?

... The question was severally called for ...

IMPERIAL POTENTATE McMULLAN: All in favor of the motion indicate by saying aye; those opposed. Well, we will have a showing of hands.

All in favor of the motion please raise your hands; those opposed. Well, it looks pretty close. You have to have a two-thirds vote and from what I see it looks fifty-fifty. Therefore, I would say that the motion has been defeated.

Now, I would call on Buddy Tingle for a presentation of item 8 on the Call.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 8 on Call of the Annual Session of 1989, located on page 22 of the Call. It is a proposal to amend subsection (a) of Section 332.1 of Article 32 of the Bylaws of the Iowa Corporation so that such subsection, as amended, will read as follows:

ARTICLE 32

Initiation Fee; Dues; Hospital Levy; Assessments

Section 332.1 Initiation fee.

(a) The initiation fee shall be not less than \$50.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon one of the proposers, for the appropriate motion.

ILLUSTRIOUS SIR ORVILLE E. HOMMERT [Potentate, Ainad Temple]: Imperial Sir, Imperial Sirs and Representatives: I would move the adoption of this motion.

I feel that this motion will bring in hand our membership program. We are trying to encourage younger members into this organization and so, at the time of life that they are coming along, if we can reduce the cost of getting them into our organization, we feel there should be a beneficial approach to getting more younger Shriners within our organization. Thank you.

ILLUSTRIOUS SIR LAMDIN: Imperial Sir, Imperial Sirs and Fellow Representatives: I have a question for the Jurisprudence and Laws Committee.

What, if any, effect is No. 8 going to have on Item 9 in the event that No. 8 passes?

Personally, I do not believe that you can purchase a Fez and have dues for \$50 and, Proposal No. 9 calls for the sum of \$100. This, however, call for \$50. I think the Jurisprudence and Laws Committee should clarify the situation.

IMPERIAL POTENTATE McMULLAN: Walt, do you wish to respond?

NOBLE PETTIT: Well, that is a good question.

The Committee on Jurisprudence and Laws has considered this possibility. The feeling is that if No. 8 passes, then No. 9 will not be considered immediately thereafter unless an appropriate motion or something from the proponents is undertaken with the committee later in the Session.

ILLUSTRIOUS SIR HOMMERT [Ainad Temple]: In regard to the remark just made, I was strictly referring to the initiation fee. This has nothing to do with the cost of a Fez.

IMPERIAL POTENTATE McMULLAN: That is understandable and thank you for clarifying that.

Is there any further discussion?

NOBLE CHARLES CLAYPOOL [Antioch Temple]: Imperial Sir, Imperial Sirs and Representatives: I am also one of the co-sponsors of this piece of legislation.

I would like to tell the Nobility and our Representatives that a year ago we ran a \$100 ceremonial at Antioch Temple and we took in 506 candidates.

So I would urge you to support us because money does make a difference in relation to these young individuals coming into our great Fraternity. Therefore, I would hope you would support us on this piece of legislation.

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

. . . The question was severally called for . . .

IMPERIAL POTENTATE McMULLAN: All in favor of the motion please indicate by saying aye; opposed.

All in favor please raise your hands; now those in opposition. It is carried.

REPRESENTATIVE: Imperial Sir, I realize that this has just passed but could I make one comment to this?

It is not mandatory that you change your fees the way it is written. However, you can, if you so desire, change them.

NOBLE PETTIT: Let me say that this is absolutely correct. This gives permission to the Temples to amend their Bylaws with respect to initiation fees—have initiation fees of not less than \$50.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE McMULLAN: I would now like to call on Illustrious Sir Sewell Lamdin for a report of the Grievances and Appeals Committee.

NOBLE I. SEWELL LAMDIN: Let me say that in the interest of time, the Imperial Sir has moved up the agenda and we will report on four items. However, there will be other reports coming to you tomorrow because, as I am sure you all heard, there will be a further meeting of the Grievances and Appeals Committee upon adjournment.

To the Representatives of the Imperial Council: Your Committee on Grievances and Appeals was instructed by the 1988 Imperial Council Session held in New Orleans, Louisiana, to conduct an investigation and hearing into the numerous allegations and complaints filed by Noble Burt B. Baustert of Sahib Temple against the Officers of Sahib Temple.

A hearing was scheduled for Friday, October 28, 1988, at the Mosque of Sahib Temple, Sarasota, Florida. Due notice of same was given all parties concerned by first-class mail, postage prepaid.

Immediately prior to the beginning of the hearing, a conference was held between Noble Baustert, David W. Wilcox, Attorney for Sahib Temple, and I. Sewell Lamdin, Chairman of the Grievances and Appeals Committee. All of Noble Baustert's complaints were addressed and through sincere negotiations, an agreement was reached by and between Noble Baustert and Sahib Temple Officers to amicably settle all differences. Said agreement was reduced to writing and signed by the entire Divan of the Sahib Temple, the Temple Attorney, Noble Baustert, and I. Sewell Lamdin, Chairman of the Grievances and Appeals Committee, and is attached hereto and made a part of this report. This agreement obviated the necessity of a full blown hearing which would have served no purpose other than to further divided the membership of Sahib Temple. The meeting was extremely well attended.

In view of the above, your Committee on Grievances and Appeals recommends that the agreement reached between all parties hereto on October 28, 1988, be ratified.

I will not read the agreement at this time but it will become a part of this record.

Respectfully submitted by the Committee on Grievances and Appeals.

... The agreement as mentioned in the above report is as follows ...

AGREEMENT

WHEREAS, numerous allegations of non-compliance with Imperial Council Bylaws and/or Sahib Temple Bylaws have been made; and

WHEREAS, said allegations have been formalized and charges have been filed against certain Nobles of Sahib Temple; and

WHEREAS, the Imperial Council, at its Annual Session in New Orleans, Louisiana, June 30, 1988, directed the Imperial Council Grievances and Appeals Committee to conduct a hearing and/or investigation into said charges at the site of Sahib Temple, Sarasota, Florida; and

WHEREAS, The Imperial Council Grievances and Appeals Committee scheduled said hearing for Friday, October 28, 1988 and due notice of same was furnished to all Nobles in any way concerned; and

WHEREAS, a conference between Noble Burt Baustert; David W. Wilcox, Temple Attorney and I. Sewell Lamdin, Chairman of the Imperial Council Grievances and Appeals Committee, was held prior to the Hearing; and

WHEREAS, in the best interest of the Shrine and Sahib Temple in particular, the following written agreement is entered into to amicably settle all pending disputes:

FIRST: The Divan of Sahib Temple agrees that there have been some unintentional infractions of both the Imperial Council and Sahib Temple Bylaws over the past years attributed to the youth and inexperience of both the Officers and Nobility of Sahib Temple, and the Officers have and will continue to do everything in their power to comply with said Bylaws.

SECOND: The Divan of Sahib Temple agrees that the fifth member of the Temple Finance Committee each and every year shall be selected from the general Nobility by the Executive Committee in compliance with Section 4.5 of Article 4 of Sahib Temple Bylaws.

THIRD: The Divan agrees that more emphasis will be placed on the manner and method used to report to the Nobility the financial picture of Sahib Temple on a monthly basis.

FOURTH: The Divan agrees that General Order No. 1 as it pertains to Tours and Cruises will be complied with to the letter.

FIFTH: All parties to this agreement neither admit or deny any willful wrong doing and enter into this agreement freely and voluntarily solely for the purpose of a harmonious solution to the existing problems and unrest in Sahib Temple.

IN WITNESS WHEREOF the parties hereto have affixed their signatures.

FOR THE TEMPLE

Wallace Tervin, Potentate
Walter E. Lander, Chief Rabban
Lee Stewart, Assistant Rabban
William Magill, High Priest & Prophet
Albert W. McKenzie, Oriental Guide
William H. Johnson, Treasurer
Win C. Naselroad, Recorder
David W. Wilcox, Temple Attorney
Noble Burt Baustert, Complainant
I. Sewell Lamdin, Chairman, Grievances and Appeals Committee

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was re-referred to your Committee on Grievances and Appeals the matter of Judd B. Farr, a former Noble of Hejaz Temple who was expelled from his Blue Lodge, Mt. Vernon Lodge No. 22, located in Athens, Georgia, for further consideration in light of the legislation concerning retention of membership which was adopted retroactive to 1980.

Prior to your committee convening to consider these new developments, information was received that the Grand Masters of Georgia and South Carolina were confident that they could resolve the matter. In view of this, the Imperial Council then postponed disposition of the matter until the 1989 Session of the Imperial Council to be held in Toronto, Canada.

After much discussion between all parties concerned, Judd B. Farr has petitioned Mt. Vernon Lodge No. 22 for restoration of membership. Therefore, your committee recommends that the jurisdiction over this appeal remain with your Committee on Grievances and Appeals until the 1990 Session of the Imperial Council to be held in Chicago, Illinois.

Respectfully submitted by the Committee on Grievances and Appeals.

I. Sewell Lamdin, Boumi Temple, Chairman
Charles Iverson, Almas Temple

J. B. Hopkins, Hadji Temple
Leslie R. Peterson, Gizeh Temple

Imperial Sir, I would move for the adoption of this report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: You have the motion and the second which is the adoption of this report.

Is there any discussion?

If not, all in favor of adoption please say aye; opposed. It is carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, an appeal filed by Noble David J. Thomas, from a finding of no probable cause returned by the Temple Grievance Committee on charges filed by Noble Thomas against the Divan and other Nobles of Tadmor Temple, alleging conduct unbecoming a Noble.

The appeal was timely filed, and the matter was scheduled for hearing in accordance with Article 8, Section 208.9(a)(5) of the Imperial Council Bylaws for Sunday, July 2, 1989, in Conference Room No. 5, Mezzanine Floor, Royal York Hotel, Toronto, Canada. Due notice thereof was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and Noble David J. Thomas appeared and was heard. Illustrious Boyd King, Potentate of Tadmor Temple as well as several Divan members and a Past Potentate appeared on behalf of the Temple and were heard.

Briefly, the facts revealed that for several years Noble Thomas, while on the Divan of Tadmor Temple, had been cautioned about his conduct and use of bad language in public. The Divan voted to request Noble Thomas to resign after numerous attempts to change his ways failed. Noble Thomas refused to do so, and the accused Nobles filed a complaint against Noble Thomas in his Blue Lodge. Noble Thomas thereafter brought this charge against the several Nobles and the Temple Grievance Committee found no probable cause existed.

After hearing all the arguments and reviewing the facts, your Committee on Grievances and Appeals is of the unanimous opinion that the action of the Temple Grievance Committee should be sustained.

In view of the above your Committee on Grievances and Appeals recommends that the Temple Grievances and Appeals Committee be sustained and that the appeal of Noble David J. Thomas be denied.

Respectfully submitted by the Committee on Grievances and Appeals.

Imperial Sir, I would move for the adoption of this report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: You have before you the motion and the second.
Is there discussion?

If not, all in favor say aye; opposed. It is carried.

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, an appeal filed by Noble Virgil Martin from loss of membership in Al Menah Temple caused by his loss of membership in the prerequisite bodies.

The appeal was timely filed and the matter was scheduled for hearing in accordance with Article 8, Section 208,9(a)(5) for Sunday, July 2, 1989, in Conference Room No. 5, Mezzanine Floor, Royal York Hotel, 100 Front Street, Toronto, Canada. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid. A stay of suspension was granted to Noble Virgil Martin under Article 8, Section (6) pending exhaustion of all his rights of appeal.

Subsequent thereto, by letter dated May 31, 1989, Noble Virgil Martin's Attorney, Gale Robinson, informed your Committee on Grievances and Appeals that he, Noble Virgil Martin, did not wish to pursue his appeal.

In view of the above, your committee recommends that Noble Virgil Martin be permitted to withdraw his appeal and further recommends that your Committee on Grievances and Appeals be discharged from any further consideration of the said appeal.

Respectfully submitted by the Committee on Grievances and Appeals.

Imperial Sir, I would move for the adoption of this report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: You have before you the motion to adopt this report.
Is there any discussion?

If not, all in favor of its adoption indicate by saying aye; opposed. It is carried.

NOBLE LAMDIN: Imperial Sir, that is all we have for today.

IMPERIAL POTENTATE McMULLAN: Thank you, Sewell.

I will now recognize Walter Pettit.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: You have my personal thanks to you and each of you for the manner in which you have conducted yourselves on this very, very busy day in relation to our Fraternity business.

For myself and for the members of the Jurisprudence and Laws Committee, I am very, very grateful.

We have another hard day of work tomorrow but as you can see the matters concerning this Fraternity are placed up front for your consideration and the same will be done tomorrow morning referring to Fraternity matters.

With that in mind, it is my pleasure to present to you four items of withdrawal for your consideration, the first of which concerns Item 23 of the Call.

To the Representatives of the Imperial Council: I have before me a written request to

withdraw Item 23 which appears on page 29 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 23 on the Call for the Annual Session of 1989."

It is signed by William C. Weiss, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

/S/ Walter S. Pettit, Chairman
Jurisprudence and Laws Committee

Imperial Sir, before the vote is taken on this motion, the proponent wishes to make a withdrawal statement.

IMPERIAL POTENTATE McMULLAN: I will recognize the proponent, Noble William C. Weiss.

NOBLE WILLIAM C. WEISS: Imperial Sir, Illustrious Sirs and My Fellow Representatives: I am William C. Weiss, Potentate and Representative from Tigress Temple, the proposer of Item No. 23.

I brought this legislation to you seeking relief from what I and Tigress Temple feel to be an intolerable situation regarding jurisdictional lines.

At the meeting with the Jurisdictional Lines Committee and the other New York Temples, it was learned that the entire matter of jurisdictional lines in New York State is in a shambles.

After a request from the Jurisdictional Lines Committee, a good faith effort is now underway among all Temples in New York State to restructure and redefine jurisdictional lines in the state. It is the hope of Tigress Temple that this effort will result in the correction of the problems it faces. If not, I can assure you that we will return to you next year for your consideration.

For now, Imperial Sir, I would move for the unanimous consent of the Representatives for the withdrawal of Item 23.

. . . The motion was seconded . . .

IMPERIAL POTENTATE McMULLAN: Is there discussion?

If not, all in favor of the withdrawal of Item 23 indicate by saying aye; are there any in opposition? It is unanimously carried.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw Item 9 which appears on page 22 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 9 on the Call for the Annual Session of 1989."

It is signed by Illustrious Sir Donald W. Grable, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

/S/ Walter S. Pettit, Chairman
Jurisprudence and Laws Committee

IMPERIAL POTENTATE McMULLAN: You have heard the motion regarding the withdrawal of Item No. 9. Is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: Is there discussion?

If not, all in favor of withdrawal indicate by saying aye; opposed. It is unanimously carried.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw Item 16 which appears on page 26 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 16 on the Call for the Annual Session of 1989."

It is signed by George D. Townsend, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

/S/ Walter S. Pettit, Chairman
Jurisprudence and Laws Committee

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: You have before you a request for the withdrawal of Item 16 as presented by the Jurisprudence and Laws Committee.

Is there any discussion?

If not, all in favor please say aye; opposed. It is unanimously carried.

NOBLE PETTIT: To the Representatives of the Imperial Council: I have before me a written request to withdraw Item 17 which appears on page 26 of the Call for the Annual Session. It reads as follows:

"I hereby request the permission of this Imperial Council Session to withdraw Item 17 on the Call for the Annual Session of 1989."

It is signed by John C. Moore, the proponent of the proposal.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

/S/ Walter S. Pettit, Chairman
Jurisprudence and Laws Committee

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: You have a request for the withdrawal of Item No. 17.

All in favor say aye; opposed. The request is unanimously withdrawn.

Now, I believe, Imperial Sir VerMaas, you have some presentations to make at this time?

IMPERIAL SIR VERMAAS: Imperial Sir, Imperial Sirs and Fellow Representatives: As previously stated, your committee has worked hard on membership this past year and many, many Temples also worked very, very hard.

I do have some awards I would like to present and I also hope that everybody will listen closely to what is said here because all of these Temples have worked very hard to achieve the results that they did.

The Temple in first place concerning 1988 Imperial membership gain was Zenobia Temple, Toledo, Ohio, with John A. Gumpf being the 1989 Potentate and Robert W. McDonald being the 1988 Potentate. They had a net gain of 474 members making for a percentage gain of 8.8 percent.

The next Temple was Anezeh Temple of Mexico City. Their 1989 Potentate is Jamie D. Berebichez and their 1988 Potentate was Horacio Clark. They had a gain of thirty-five members, resulting in a 7.2 percent gain.

Next we have Akdar Temple of Tulsa, Oklahoma. Leonard E. Kindred was the 1989 Potentate and Clarence H. Jones was the 1988 Potentate. They had a net gain of seventy members, resulting in a percentage gain of 2.4 percent.

Shaddai Temple, Panama City, Florida, was the Temple in fourth place. Their 1989

Potentate was William L. James and their 1988 Potentate was Ralph W. Rich. They had a net gain of twenty-five members, with a 2.1 percentage gain.

Beni Kedem Temple, Charleston, West Virginia, was number five. Their 1989 Potentate was Harry K. Perkins and their 1988 Potentate was Glenn A. Summers. They had a net gain in membership of eighty-three, resulting in a percentage of 1.3 percent.

The sixth Temple was Ararat Temple of Kansas City, Missouri. Their 1989 Potentate was Richard O. Weber and their 1988 Potentate was William L. Comstock. They had a net gain of ninety-one members, resulting in a 1.1 percentage gain.

The next Temple was Aladdin Temple, Columbus, Ohio. Their 1989 Potentate was John W. Rohal and their 1988 Potentate was M. H. Reissig. They had a net gain of 138 members, resulting in 1.0 percentage gain.

The last Temple was Sesostri Temple of Lincoln, Nebraska. Their 1989 Potentate was Dale LeBaron and their 1988 Potentate was William Keller. They had a net gain of twenty-seven members, with a 1.0 percent gain.

Gentlemen, let us give all these Temples a great big hand.

... Applause ensued as the various Temple Representatives were presented with their plaque awards ...

IMPERIAL SIR VERMAAS: We also had a Temple having the lowest percent of suspension program and that Temple was Hella Temple of Dallas, Texas. Their 1989 Potentate was Zola B. Blicher and their 1988 Potentate was Lawrence A. Winkle. They, during the year, suspended only eight members, with a percentage figure of .08 percent.

I certainly want to thank you for all of your help and say that I certainly have appreciated it. Also, I want to compliment you on the meeting that we recently had at St. Louis. I have enjoyed working with all of you over the last year and thank you all so very, very much.

IMPERIAL POTENTATE McMULLAN: I, too, wish to extend my thanks for the support of all of you Representatives here today. It has been wonderful.

You will now be in recess until tomorrow morning at nine o'clock.

... The One Hundred Fifteenth Annual Session of the Imperial Council A.A.O.N.M.S., recessed at four-twenty o'clock p.m. to reconvene the following morning at nine o'clock a.m. ...

MORNING SESSION THURSDAY, JULY 6, 1989 NINE O'CLOCK A.M.

The One Hundred Fifteenth Annual Session of the Imperial Council was convened at the Royal York Hotel, Toronto, Ontario, Canada, on Thursday morning, July 6, 1989, at nine o'clock a.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE McMULLAN: Will you please take your seats so that we can get our Session started.

I will now call on our Imperial Chaplain, Harry Alger, for the Invocation.

NOBLE HARRY ALGER [Imperial Chaplain]: Good morning, Nobles.

Will you please be in order for prayer.

Our Father, we confidently ask for Your thanks and encouragement in our service of You through our service to others.

We ask for Your gifted wisdom to guide us in making good laws and good decisions for the present and future welfare of Shrinedom in North America.

In Your Holy Name we pray. Amen.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

At this time, I would like to announce that Charlie Lembke is 100 years old today. Congratulations to you, Charlie.

... Rising cheers and applause ensued ...

IMPERIAL POTENTATE McMULLAN: If you will take your seats, I think we should sing "Happy Birthday" to Charlie.

... The singing of "Happy Birthday" ensued ...

IMPERIAL POTENTATE McMULLAN: I would next like to call on Noble R. S. "Stu" Lang to give us the report of the Committee on Nomination of Emeriti Members.

NOBLE LANG: Imperial Sir, Imperial Sirs, Illustrious Sirs, Worshipful Grand Masters and Representatives: Let me first say that Peter Val Preda, the Chairman of the Committee on Nomination of Emeriti Members, is not in attendance at this Session because of personal matters which came up suddenly and so I have been asked to speak for Peter.

So, in his behalf, as Chairman, I ask that the members of this committee introduce those outstanding members of this Imperial Council who have been advised that they are eligible for Emeritus Membership.

Will those four Nobles please come forward.

As you will probably remember, our Bylaws, Section 203.4 concerning Emeriti Representatives, reads as follows:

“Upon the recommendation of the Committee on Emeriti Representatives and by a majority vote of the Representatives registered at any Session, the Imperial Council may elect as an Emeritus Representative, any Noble who is a Representative to that Session and who has been a Representative for at least fifteen years, including that Session.”

With that, will the committee members who are to present these Emeriti Membership Certificates please come forward, as well as the four individuals who have been informed that they are to receive these certificates.

NOBLE WILBUR BELL: Imperial Sir, Imperial Sirs and Representatives: I submit the name of Earl Brown for Emeriti Membership. He is known to many, many of us. If you do not know him, I would suggest that you get acquainted because he will be the Director General of our Convention to be held next year in Chicago.

Let me say, Imperial Sir, that Illustrious Sir Earl Brown has served in the necessary number of years to be elected to Emeriti Membership and therefore I would move the election of Illustrious Sir Earl Brown to Emeriti Membership.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: You have heard the motion and the second, that Earl P. Brown, Past Potentate of Medinah Temple, be elected to Emeriti Membership.

Is there any discussion?

If not, all in favor of this election please indicate by saying aye; those opposed. It is unanimous and congratulations to you, Earl, on your election and now you are one of us. (Applause)

I would now like to call on the Committee on Finance and Accounts concerning adoption of the budget.

NOBLE RODERICK ROBERTSON: To the Representatives of the Imperial Council: Your Committee on Finance and Accounts submits to you for approval the following reports with respect to income and expenditures for the Imperial Council (Iowa Corporation).

1. Report for the year 1988
2. Report for the adjusted budget for the year 1989
3. Proposed budget for the year 1990

The report for 1988 has been reported to you in the Book of Reports which you have already received. No inquiries have been received, your committee recommends ratification and approval of this report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of the report for the year 1988 as submitted.

... The motion was severally seconded, voted upon and declared to be unanimously carried ...

REPORT FOR THE ADJUSTED BUDGET 1989 AND PROPOSED BUDGET FOR THE YEAR 1990

Included within your registration package you have a breakdown of the operating expenditures showing amounts appropriated for the year 1989 including the adjustments made by the Joint Boards and the proposed figures for the year 1990.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the budget for the year 1990 so as to provide funds for the incoming Imperial Potentate. The proposed budget will be more accurately presented for your approval at a subsequent Imperial Council Session.

The budget for the year ending December 31, 1989 and 1990, as you received in your registration package, reflects an adjusted budget from that approved at New Orleans in that there was a \$2,000 change to \$2,772,000 of total revenues.

In the expense category, the adjustments made totaled \$42,839 for an adjusted budget total expenses of \$2,213,872 with Imperial Council Session expenses of \$1,586,000 for a total expenses of \$3,799,872.

It does show an excess of expense over revenue for a negative loss of \$1,027,872.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1989 and the proposed budget for the year 1990, with the proposed accounting change as noted, be approved as submitted.

IMPERIAL SIR BAILEY: Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Terry McGuire of the Dispensations and Charters Committee for its report.

IMPERIAL POTENTATE McMULLAN: I will now call upon Illustrious Sir Terry McGuire.

ILLUSTRIOUS SIR TERRY MCGUIRE: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters Items 28, 29, 30 and 31 on the Call of the Annual Session of 1989. They are located on page 31 of the Call. They are proposals to change the locations of Temples as recited in the report of the Committee on Jurisprudence and Laws which was just read to you.

A hearing was held before your committee on July 2, 1989, at which time the proponents were present. No persons appeared in opposition thereto.

Your committee finds that the Temples followed the proper procedure in adopting resolutions to change their locations; that more than two-thirds of the Temple members voting were in favor of the change; that the result was certified to the Imperial Recorder at least sixty days before this Session; and that the moves will be in the best interest of the Order.

Imperial Sir, if there are no questions concerning this report, I move that the proposals be granted and that the Charters of Joppa Temple, Khedive Temple, Pyramid Temple and Za-Ga-Zig Temple be amended changing the locations of these Temples as recited in the Call.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: You have before you the motion and the second, is there any discussion?

If not, all in favor of the motion indicate by saying aye; opposed. It is carried.

I will next call on Graves Trumbo, Chairman of the Committee on Dispensations and Charters.

NOBLE TRUMBO: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Item No. 26 on the Call of the Annual Session of 1989. It is located on page 30 of the Call. It is a proposal asking for a Charter for

Marzug Temple, U.D., which is located in Tallahassee, Florida. This Temple has been operating, under dispensation, since the 1988 Imperial Council Session.

Your committee met on July 2, 1989 and heard from the Provisional Potentate and other Provisional Officers of the Temple. Also in attendance were Past Imperial Potentate Randolph R. Thomas, Imperial Captain of the Guard Lewis B. Brantley and Illustrious John M. Hardy. We received information regarding Temple, unit and club activities, ceremonial paraphernalia, the place of meetings, membership growth and financial status.

This Temple, in one year, experienced a twenty-two percent increase in membership and bought and paid for a van to transport children to our hospitals. It is a vital and growing Temple.

Your committee found that said Temple has complied with, and exceeded all, necessary prerequisites provided by the Articles of Incorporation for the granting of a Charter by the Imperial Council.

Your committee is of the unanimous opinion that it will be in the best interest of Shrinedom to permanently continue the work of this group and to grant a Charter to Marzug Temple.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Joseph Gillespie, Potentate of Marzug Temple, for an appropriate motion.

IMPERIAL POTENTATE McMULLAN: The Chairman will recognize Illustrious Sir Joseph Gillespie.

ILLUSTRIOUS SIR JOSEPH GILLESPIE: Imperial Sir, Imperial Sirs, Grand Masters and

Members of the Imperial Council: I am not going to ask you to sing "Happy Birthday" to me because mine is tomorrow. I will be fifty-four years of age tomorrow.

However, today is probably the greatest day of my life, at least through the last four and a half years. That is how long we have been working on this.

We would appreciate your vote of support very much. We promise to do the best that we can to conduct ourselves as a Temple in the way you would have us to do this.

IMPERIAL POTENTATE McMULLAN: Thank you very much for your comments.

Now, the motion is that the letters "U.D." which presently follow the designation of Marzuq Temple be removed. Is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: Is there discussion?

There being no discussion, all in favor indicate by saying aye; opposed. It is unanimously carried.

Thank you very much and congratulations, fellows.

I will next recognize Noble Graves Trumbo of the Committee on Charters and Dispensations, to present the next item, which will be Item 27-B.

NOBLE TRUMBO: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters a petition from Nobles residing in the Flint, Michigan area requesting a dispensation for a new Temple to be located in Flint, Michigan and to be known as El Khadam. It is Item Number 27-B and appears on page 31 of the Call for the 1989 Annual Session.

A hearing was held thereon before your committee on July 2, 1989, at which time the proponents and all affected Temples were present. Statements were made and numerous exhibits were offered. The proponents offered facts and figures supporting their request for a dispensation. The primary Mother Temple, Elf Khurafeh, as well as Moslem Temple, offered facts and figures supporting their opposition to the request for dispensation.

The committee commends all Temples involved in the hearing. They were well prepared, made effective presentations and, at all times, acted with the dignity and respect that we have come to expect from Nobles of the Mystic Shrine. The matter was then left with your committee for consideration.

Our consideration began, in Executive Session, on the following day in order to attend to other matters assigned to us by the Imperial Potentate. Your committee readily found that the application for dispensation was signed by more than one-thousand eligible Nobles who were in good standing in the Order at the time the petition was filed with the Imperial Recorder; that they resided in the proposed territory of the new Temple; that the dispensation form, its execution and filing, were in compliance with our Bylaws; that the applicants gave satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new Temple; that the Imperial Recorder notified the Temples which might reasonably be affected at least thirty days prior to the Session, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to the Imperial Council. Your committee also obtained a commitment from the Nobles requesting a dispensation that they would make no claim to any property or assets of the Mother Temple in the territorial jurisdiction that they were seeking.

However, it was soon evident to us that some of the committee members are of the opinion that we should recommend in favor of the petition and others are of the opinion that we should recommend against the petition. As a consequence of the division within our committee, we began a laborious process of, once again, carefully analyzing and reviewing all exhibits and discussing all points and positions that had been raised by the proponents and opponents. After this painstaking procedure, we once again found ourselves without unanimity. Try as we may, review as we may, examine as we may, discuss as we may, and deliberate as we may, we were not able to arrive at a unified position on this petition. We concluded our deliberations by acknowledging that we had a split decision on this with the majority not in favor of granting a dispensation. We report all of the foregoing to you in order that you might be fully advised on the proceedings and the results of our hearing before you commence your discussions and make your decision on this important request.

As will be explained to you by the Imperial Potentate, if you declare, by majority vote,

that you are not in favor of granting a dispensation to the proposed Temple, then the request is defeated and there will be no further reports. However, if you declare, by majority vote, that you are in favor of granting a dispensation for this proposed Temple, then this committee and the Committee on Jurisdictional Lines will make reports to you concerning specific designation of the territorial jurisdiction of the new Temple. Further, the Jurisprudence and Laws Committee will report concerning the required amendment to the Bylaws. After receiving these reports, you will then determine by your vote, whether to grant the dispensation and amend the Bylaws of the Imperial Council by granting the specific territory recommended by the two committees, or such other territory as you deem appropriate.

Imperial Sir, if there are no questions concerning this report, I request that the proponents be allowed fifteen minutes for their presentation in favor of this request and that the opponents be allowed fifteen minutes for their presentation in opposition to the request and that each side then have five minutes for a rebuttal. Thereafter, that any Representative have a fair opportunity to speak on this request. I would so move.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: You have heard the motion and the second concerning a motion offered for the procedure to be used.

All in favor of the motion to follow the procedure as indicated please say aye; opposed. The motion is carried.

Now, before I proceed, let me indicate to you that Graves has informed you that the proponent will speak first and will be allowed fifteen minutes to speak at a maximum and then the opponent will have the next fifteen minutes and then each side subsequently has five minutes of rebuttal thereafter. Also, any Representative may have the opportunity to speak.

I will first recognize over here a proponent to speak in favor of this request.

NOBLE DAVID T. ROWE: Imperial Sir, Imperial Sirs and Members of the Imperial Council: My name is David T. Rowe and I am representing the proposed Temple of El Khadam in Michigan.

We, the 1,000 Nobles, who formed the nucleus of the proposed Temple of El Khadam in Michigan are in search of a home. We have wanted these many years the opportunity for the search to find a place in which to pitch our tent. The time is rushing by and our camels are thirsty. The time for action is now.

Nobles, when our Mother Temple in Saginaw received dispensation in 1906, Saginaw was a booming lumber town of 40,000 people. Flint was a town of 13,000 people.

It was easy to see why our Brothers from Saginaw were seeking a location for a new Temple.

After Elf Khurafeh received its dispensation in 1906, the population of Saginaw experienced only a modest growth while Flint, in turn, became the home of General Motors and its manufacturing operations and surged forward to the point that the population of Flint was almost double that of Saginaw in 1930—136,000 to 81,000. That growth continued until 1960 when both cities reached their peaks of 197,000 and 98,000 in Saginaw. The population of each city has declined but the population of Flint is almost double that of Saginaw.

Nobles, does it seem strange with Shriners in the Flint area that having a Temple in Saginaw is like having the tail wag the dog?

Nobles, we are asking for jurisdiction over three of the twenty-six counties now under the

jurisdiction of Elf Khurafeh. Those three counties account for thirty-four percent in their jurisdiction and we leave Elf Khurafeh with a population of 1.2 million people to draw from.

We are also asking for concurrent jurisdiction with Moslem Temple in Detroit—over two counties in their eleven-county jurisdiction.

What will be the effect of signing 1,000 members for our Temple? Well, the membership of Elf Khurafeh Temple will be reduced to 3,700 Nobles, still the largest Temple in the State of Michigan after Moslem Temple. Mighty Moslem will lose a total of six Nobles. Does that sound like a threat to their membership?

We have not made an attempt to recruit in that area but there is a massive growth of residential, commercial and industrial development in the area and moving ever northward to the Flint area.

In Flint, one of the oldest Flint factories, the site of the 1937 sit-down strike is being, at this moment, completely renovated throughout, and will be called the Great Lakes Technology Center.

The Center will employ thousands of professional people, including 1,600 engineers who will be transferred to the Center by General Motors.

We would like to be established so that we can serve those people as well as others who are moving to the area and will be seeking social contacts.

Development of the Great Lakes Technology Center is just one indication of the tremendous potential for an upsurge on Shrine activities if the Temple is well located with respect to population growth areas.

Within the Flint area, we have eleven automobile plants operated by General Motors. Those plants provide jobs for 47,000 people.

At one time, Masonic organizations, especially Blue Lodges, thrived at General Motors because of the nature of the organization.

Working in the automobile plants and being a Mason was a way of life.

Because of the lack of programs designed to address the need of auto plant employees, most Blue Lodge and Shrine activities have dropped off sharply.

This problem is exemplified by the fact that there has not been a Flint area General Motors employee, who has been a Potentate, since 1959, thirty years ago.

In addition to the current employees at General Motors, there are now large numbers of persons who have retired from General Motors at a relatively young age.

These retirees, many of whom are in the fifty-five to sixty-year-old bracket, have a great deal of time, energy and enthusiasm and a generous pension plan. Their widely varied talents could be harnessed for the benefit of society. The Shrine program was designed to do so.

I believe, for example, that Florida is experiencing a similar upsurge in younger retirees. Their reaction has been to add several Temples.

Nobles, we are asking you to add just one.

The economy in the area has rebounded since 1980, when the combination of imported Japanese automobiles and the oil embargo changed the way of thinking for all major automobile producers.

General Motors did suffer a loss of \$769 million in 1980, after producing a net profit of \$3.5 billion in 1978.

General Motors has completely restructured its operations in Flint and elsewhere. Some \$530 million in plant and office refurbishment were undertaken in the Flint area alone over a five-year period.

A recent study found that Buick LeSabre, which is produced in Flint, is the top quality rated automobile produced in North America. That is reflection of the effort that General Motors has put into restructuring their plant.

The net profit for 1988 was estimated at \$3.3 billion, making it the sixth consecutive year that General Motors has exceeded \$2.5 billion in net profits. Does that sound like a faltering economy?

We have published a Blue Book which was mailed to all of you earlier in June which contains a multitude of information regarding our situation and I hope that you have all had time to read it.

Nobles, we cry out for your support. Twice before we have appeared before this body.

On the first discussion, after vigorous discussion, both sides were told to go back and make corrections. We did. After the second appearance, we were again told to go back and make corrections—we did.

Now, Nobles, we come back before you as clean as the wind-driven snow. (Laughter)

Nobles, we have done everything possible. We have kept everything on a positive note. However, Nobles, we have been stonewalled at every turn by our Mother Temple. Every request of ours that was sent out and talked about such things as crippled children, the circus, the units and clubs has been flatly refused by Elf Khurafeh Temple.

We presented a solid proposal for addressing the needs of the Shriners, Masons and the public, we have heard nothing but objections from the Elf Khurafeh people.

The Mother Temple has not come up with a single positive proposal to improve the situation. Their program has consisted entirely of criticizing our proposals.

Their transgressions are known to many of you and they cannot deny them.

Nobles, for at least eight years there had been a sustained effort by over 1,000 Shriners in the Flint area to have a Temple. We simply cannot live with our Mother Temple.

For more than ten years, we have been bound with the Temple at Saginaw. We ask you to carefully review the records and vote to allow the Shriners of Flint to sit among you as Representatives of El Khadam Temple.

Peace be with you.

... Applause ensued ...

IMPERIAL POTENTATE McMULLAN: Thank you very much.

I will now recognize the opponent, John Moore and you have fifteen minutes.

NOBLE JOHN MOORE: Imperial Sir, Imperial Sirs, Illustrious and Distinguished Representatives, Illustrious and Distinguished Guests and Nobles All: I am John Moore, High Priest and Prophet of Elf Khurafeh Temple, Saginaw, Michigan.

As a Representative and spokesman for Elf Khurafeh Temple, I am here to represent that we are strenuously opposed to granting a dispensation to this new Temple being proposed.

Nobles, as you have already heard, the majority of the members of the Imperial Council Standing Committee on Charters and Dispensations are also opposed to granting dispensation to this Temple, El Khadam, and, Nobles, we submit that the vast majority of you should also be opposed to granting this dispensation.

Gentlemen, in this present era of declining Shrine membership, Elf Khurafeh Temple is today in a situation which could occur in many of your very own Temples. With only a small number of dissident Nobles and a \$100 bill, an application for dispensation to form a new Shrine Temple might be obtained. Thus your Temple might be jeopardized and in much the same manner as Elf Khurafeh is today, find itself in a position of fighting to defend its present jurisdiction from the misinformed and disrupted activities of a small number of local, vocal members.

Nobles, this morning, for the second time, we have prepared for consideration the following list of twelve important reasons as to why dispensation should not be granted to El Khadam Temple (proposed).

1. It rips three counties from the heart of present Elf Khurafeh Temple jurisdiction. One of these counties, Genesee, is the most populated county in the present Elf Khurafeh jurisdiction.

2. It isolates Elf Khurafeh's second most populated county, Ionia and that is the county of the State Capital, by leaving it completely unattached to the present structure.

3. It will form in counties containing thirteen of Elf Khurafeh's Shrine Units and seven of Elf Khurafeh's most active Shrine Clubs. There is one additional Shrine Unit and one additional Shrine Club in the isolated county of Ingham and, Nobles, only one Parade Unit would be left for Elf Khurafeh Temple.

4. It will change almost fifty percent of Elf Khurafeh's resident Nobility into non-resident Nobility. It will isolate seven percent of this remaining resident Nobility in our county.

5. It will remove the source of almost fifty percent of Elf Khurafeh's paper sale money and well over fifty percent, somewhere up around sixty percent of Elf Khurafeh's circus revenues.

6. It is being formed in the face of a drastically declining membership within the Imperial Shrine Fraternity of Michigan and within the Michigan Masonic Fraternity itself.

7. It will form with no clear, strong mandate from the Nobles within its own jurisdiction. For example, only twenty-three percent of the eligible Nobles of only one of their proposed counties have signed a petition for dispensation. Moreover, after collecting virtually all of their petition signatures, only seventy-seven Nobles attended the organizational meeting of this proposed Temple.

8. It has never presented a current conventional financial statement.

9. It has not adequately demonstrated the ways and means for establishing its own crippled childrens program. To the contrary, they have already suggested in committee, that Elf Khurafeh Temple relinquish paper sale money collected this past month.

Nobles, there are 142 crippled children in their proposed jurisdiction or thirty percent of Elf Khurafeh's child care responsibility.

10. There is no Scottish Rite cathedral within its proposed jurisdiction and the formation of El Khadam is opposed by the Michigan Masonic Fraternity, including Knights Templar, Scottish Rite, Grand Lodge, all of the Michigan Shrine Temples, their Past Potentates and their present Officers.

11. It is being formed even though the majority of the elective Divan of Elf Khurafeh Temple reside in the proposed jurisdiction. I myself reside in a county which the proposed jurisdiction would isolate.

12. It is being formed within thirty-five miles of Elf Khurafeh Temple and within sixty miles of Moslem Temple. Moreover, Elf Khurafeh Temple supports a separate Temple life facility in one of the counties of the proposed jurisdiction. Also, one of the counties of the proposed jurisdiction, and that is Genesee County, is only about fifteen miles from the signatories of this current petition.

Gentlemen, we submit that any one of these reasons is enough to deny dispensation and as you might guess, all of these reasons and with the abundant supporting evidence we have presented to your Committee on Charters and Dispensations and, as you might guess, all of these reasons with abundant supporting evidence, were presented to your Committee on Charters and Dispensations this past Sunday.

On the other hand, what solid, believable bit of evidence is there to support the establishment of a new Shrine Temple in Flint, Michigan? We say there is not even a mandate for this Temple among its own signatories. There is only the unreasonable desire among a few of these campaigners to have a Shrine Temple in their own hometown, regardless of any other negative consequences to any other Noble or to any other Shrine Temple.

Noble Representatives, I regret to inform you, as has been mentioned, that this is the third time in less than ten years that Elf Khurafeh Temple had to resist what we view as a hostile takeover of our jurisdiction and a concerted effort to confuse and disrupt the Fraternal harmony of our Temple.

Both of these former campaigns were weighed in the balance and were found wanting and were subsequently denied by the Imperial Council.

This present campaign on the part of El Khadam Temple is very similar to those former campaign efforts and even the name of its organizers and participants are the same. Most of the reasons for denial are also the same.

Therefore, Elf Khurafeh Temple respectfully requests that this Imperial Council once again act consistently and prudently. We request that application for dispensation of El Khadam Temple proposed be denied.

... Cheers and applause ensued ...

IMPERIAL POTENTATE McMULLAN: Thank you, John Moore.

I will next recognize the Representative and Past Potentate of Moslem Temple.

ILLUSTRIOUS SIR WILLIAM PETROCY [Moslem Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Bill Petrocy and I am a Past Potentate and Representative from Moslem Temple.

My little Brother, John, here, has done a very fine job and I do not want to cover some of the things that he has already covered so I will make it brief.

However, in 1983, when the petition for a Shrine Temple was denied, the Dispensation and Charters Committee recommended that the Michigan Temples get together to determine the best possible development of Shrinedom in Michigan. That fighting was done in concert

with all Michigan Masonic bodies and the Imperial was notified that nobody would support the petition for a new Temple in Lansing, the State Capital.

However, it was indicated that all Temples would support a petition for a new Temple in Traverse City, where a new Scottish Rite Valley had been established.

All Temples and Masonic bodies opposed the establishment of a new Shrine Temple in Flint and this is evidenced in their Blue Book that Elf Khurafeh proposed and presented to each one and, as you will notice, there is not one single Masonic letter of recommendation in that book.

The recommendations, however, remain the same today as they did then.

However, let me say that we do support orderly, logical growth.

The application requesting current jurisdiction with Moslem in Oakland and Livingston Counties, involves the very heart of Moslem Temple. We have some 3,000 members in these two counties.

Further, we have seven active Shrine Clubs but, importantly, we have 175 Shrine children on our active patient load in these two counties.

I am sure that Moslem Temple's child care program is known to most of you but we have three buses running every day to two different hospitals and a burns center with over 1,000 active children.

Gentlemen, our active patient budget is \$550,000 a year.

The proposed Temple failed to initiate a single financial statement. This is unheard of here.

Also, there was the presentation of a budget that made no provision to handle even one of our 175 patients.

Our children must not become pawns in a political struggle.

Where do we draw the line on responsibility and who will handle these children?

Moslem Temple renders outstanding service to children in need every day. We ask you to support us in letting us continue our gift of love.

There is a lack of harmony just in support for a new Temple from many Michigan Masonic bodies. There is a lack of support among the major Shriners in Genesee, Shaiwassee and Lapeer Counties and they only received six votes out of our 3,000 members in two counties. This is clearly not a mandate.

Again, they have no financial statement and they have made no financial provisions for the care of children and burned children in this area.

Illustrious Sirs, these are but a few of the facts brought out in many hours of learning before your Joint Committees and on the basis of all the facts, your committee voted against issuing dispensation to the proposed Temple.

We obviously agree with the majority view and ask for your support in voting "no" on this matter of granting a dispensation.

Thank you. (Applause)

IMPERIAL POTENTATE MCMULLAN: Thank you very much.

And now, Dave, you have five minutes.

NOBLE DAVID T. ROWE: Thank you, Imperial Sir.

I would like to assure the dispossessed people from Bingham County we have no plans to close Interstate 75. They can still go to Elf Khurafeh if they so choose.

We had a program which was presented in detail at the Sunday meeting regarding children.

Now, we did have a donation of a van for the transportation of children to the hospital, if we receive dispensation. A copy of this letter was delivered to the committee on Sunday.

Also, I should comment that the study that was made several years ago by a group of Masonic organizations in the State of Michigan concluded that, yes, it would be nice to have a Temple in Lansing someday and also a Temple in Traverse City. However, Saladin Temple, who is not on the floor at the moment, would take exception to these suggestions, I am sure, because the majority of both of these jurisdictions comes out of Saladin's territory and will definitely bring their membership down below 3,000.

Nobles, we have not had the privilege of being true Shriners. As a matter of fact, when we visited other Temples, we began to see as to what was lacking in ours.

Our Temple simply has been going through the motions for years. One man follows the

path of the other in that ever descending road to mediocrity. There is no chance of change in sight.

For many, many years, Elf Khurafeh Temple has refused to confront reality and take action to divest themselves of a structure which has caused a heavy drain on their budget. Endless cash, for example, has been poured down the hole to pay taxes. As a matter of fact, this situation has gone on for more than ten years. Would you run your business like that?

The sad part of all of this is that those funds which have gone into taxes, heat and maintenance have taken away from the philanthropic programs. How do you explain that to the children?

We cannot live with this situation. We are determined to bring Shrinedom to the level that it demands.

We have tried to make improvements through channels but there always has been a closed door.

We have over 1,000 enthusiastic, energetic and dedicated Shriners who are ready, willing and able to care for crippled children, to conduct a service, sell newspapers and promote Shrinedom. We have the wherewithal to endure, sustain and persevere in the name of the Shrine.

Nobles, these are the people who get things done but we cannot operate under the present conditions. However, you Nobles here on the floor have control over that situation. Your affirmative vote will propel another active Shrine Temple into existence. Your negative vote will cancel the sustained efforts of over 1,000 Nobles.

Nobles, if you have ever had occasion to try to get 1,000 people to sign anything, you will have some idea as to just how much effort has gone into bringing this question of dispensation up to this point.

This petition is the result of the efforts of dozens of Nobles from all walks of life who have contributed their skills and talents to the cause.

Also, as was said, "We are family." The new Temple will harness those latent Masonic powers which are not currently being served. All of the Masonic bodies will benefit from the sharp increase in Shrine activity in all of the different companies encompassed by full and concurrent jurisdictions.

If it is the desire of the Imperial Shrine to establish new Temples to serve smaller jurisdictions, Nobles, we have the ideal proposal.

We are looking forward to taking our place among the great Temples of Shrinedom and to the time when five Temples are working in Michigan to serve mankind.

Thank you. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much.

Now, the opponents will have five minutes and with only one spokesman.

NOBLE JOHN C. MOORE [Elf Khurafeh Temple]: You have heard about the efforts for the establishment of El Khadam Temple. Many of these remarks speak of emotionalism.

We have kept a very current record of all activities in the Temple and there is no evidence, nor is there any evidence at any time when any Noble who is in good standing in Elf Khurafeh Temple has ever been shut down or even been denied proper redress and, believe me, Nobles, if there has been one that had a good idea, they have had the opportunity to express it.

We have always attempted, as a Divan of Nobles and gentlemen, to listen to these ideas.

Gentlemen, I submit to you that the present leadership of El Khadam Temple have not been to more than six or eight meetings over the past ten years in Elf Khurafeh Temple. If they had been there, they would know we had attempted in every way to save money.

We heard previously mentioned the fact that there was a theatre which was a serious liability that we met in. Well, gentlemen, that liability has been compounded by the fact that in an effort to appease the individuals in the Flint area, we have created a 107 acre circus park facility and we have kept it modernized and up to date so that the Nobles in that area might have a proper and comfortable place to exercise their Shrine activities and endeavors. That is what complicated the financial problem to which Brother Dave has alluded here.

Also, by way of further rebuttal on our part and, rebuttal, you know, is the point where

you are hitting a point that you see, I mean, serious weaknesses and, believe me, we find several weaknesses in relation to this, as you have heard.

For example, there is still, in our hearts and minds, very little evidence for the immediate provision of adequate shelter in El Khadam's proposed jurisdiction.

There is no evidence that the formation of a new Temple in the Flint area is anything less than an assault upon the integrity of Elf Khurafeh and Moslem Temple's jurisdictions.

There has always been an abundant opportunity for Masons and Shriners of the proposed jurisdiction to participate in all Elf Khurafeh Temple activities.

Finally, there is virtually no consistent information about financial status. We submit that the proposed budget comes nowhere near supporting a Shrine Temple and Shrine activities as we have come to know them and to administer them through the Mother Temple, Elf Khurafeh Temple.

So, fellow Representatives, as you have heard, there is virtually no practical reason to establish any Shrine Temple in the Flint, Michigan area.

Also, let me add that we believe that El Khadam Temple has already created too much confusion and controversy. It is impossible to measure the material and emotional resources already required by this campaign—and, I might add, resources which could have been better applied to obtain new members and funds for our beloved philanthropy.

Gentlemen and Nobles, it is urgently requested of you that dispensation for El Khadam Temple as proposed be denied.

Thank you very much. (Applause)

... The question was severally called for ...

NOBLE WILLIAM WOOD [Morocco Temple]: You know, living in Florida, I am an impartial observer to all of this. However, also living in Florida, I have seen growth work both ways.

I would ask if there has been any way attempted to simplify this thing by the Nobles of Elf Khurafeh moving their Temple to a more populous area in relation to Flint and thereby create harmony among all Shriners in the area?

ILLUSTRIOUS SIR JOHN MOTLEY [Saladin Temple]: Imperial Sir, Imperial Sirs and Representatives: My name is Jack Motley and I am the Potentate of Saladin Temple in Grand Rapids, Michigan.

In 1982, I was the President of the Battle Creek Shrine Club and at that point in time there was an initial attempt for dispensation concerning our Shrine Club and several other Southern Michigan counties.

Now, at that point in time, several of our members, along with myself, journeyed to Flint, Michigan to attend an organizational meeting and we very quickly determined at that point in time that this movement was not in the best interest of Shrinedom.

Saladin Temple and my Shrine Club, at this point in time, was, my fellow Representatives, essentially speaking, in the same circumstances as exists today in Flint, Michigan.

Therefore, in behalf of my Representatives and Past Potentates of Saladin Temple, I urge your defeat of this request for dispensation for Flint.

Thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much.

We will now vote on Item No. 27 in the Call, which is located on page 31 and I will ask you to vote yes or no—"yes" if you are in favor of this proposal and "no" if you are not.

Before you vote, I would like to recognize Ted Corsones.

NOBLE CORSONES: Imperial Sir, Imperial Sirs and Fellow Nobles: As you know, at this point in time, it is by majority of vote. If you want this matter to go forward, it is your consideration, to be determined by majority vote. In the event the "ayes" pass it, then it would go forward. However, this does not grant dispensation. It would then be referred to the Dispensation and Charters meeting jointly with the Jurisdictional Lines Committee and you would then vote as to whether or not you wish to grant dispensation based on the jurisdictions as contained in the joint report of these two committees.

Therefore, it is going to be done by majority vote and if you vote "no" it is dead. However, if you "yes," then it goes to these committees.

IMPERIAL POTENTATE McMULLAN: Are there any questions?

... The question was severally called for ...

NOBLE CORSONES: However, please keep in mind that if you vote for this, you will, in relation to the flip side, get a final report from the two committees involved. In other words, to again repeat, if you want this matter to be referred to the other committees as I previously stated, than you vote "yes." However, if you vote "no," it is dead. I again repeat that so that no one will be confused.

Let me ask, are there any questions in relation to that explanation?

IMPERIAL POTENTATE McMULLAN: Let us take a voice vote first.

Those in favor of the request as presented please say aye; those opposed please say nay. Well, that is certainly loud and clear—it is defeated. (Applause)

I believe that Imperial Sir Brantley wishes to make a brief statement.

IMPERIAL SIR BRANTLEY: Imperial Sir, Imperial Sirs and Representatives: Some of the Nobles have asked as to why the front seats up here in the front have been empty.

As you know, these are the seats reserved for our Grand Masters and basically, this morning, our Grand Masters, of their own volition, called themselves into a meeting for the purpose of discussing whatever Grand Masters discuss. I think it is probably very important material. However, I merely wish to say that they are in fact meeting presently and will subsequently be in here at their own volition when they complete their meeting.

IMPERIAL POTENTATE McMULLAN: Thank you for that information.

I would now like to call on Imperial Sir Bob Bailey for the report of the Mileage and Per Diem Committee.

IMPERIAL SIR BAILEY: To the Imperial Potentate, Officers and Members of the 1989 Imperial Council: As provided in Article No. 5, Sections 205.1 and 205.5 of the Bylaws and Code for The Imperial Council, your Committee on Mileage and Per Diem, in keeping with the law, recommends for those entitled to receive pay, mileage allowance of a round-trip comparable to, but not in excess of, the lowest unrestricted discount air fare or, if such is not available, the lowest coach or most economical air fare, from the departure airport to the destination airport for himself and his spouse, if she accompanied him. If a Representative lives outside the state in which his Temple is located and nearer the place of the Session, the departure airport shall be that airport nearest his place of residence. He shall also be paid per diem expenses of one hundred thirty and no/100 dollars American (\$130.00) room rate, plus twenty dollars (\$20) for meals, for each day he attends the Session.

All members of the Committee on Jurisprudence and Laws shall receive one hundred thirty and no/100 dollars American (\$130.00) plus twenty dollars (\$20) per day for four extra days. All members of the Committee on Finance and Accounts shall receive one hundred thirty and no/100 dollars American (\$130.00) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Dispensations and Charters shall receive one hundred thirty and no/100 dollars American (\$130.00) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Jurisdictional Lines shall receive one hundred thirty and no/100 dollars American (\$130.00) plus twenty dollars (\$20) per day for two extra days. All members of the Committee on Grievances and Appeals shall receive one hundred thirty and no/100 dollars American (\$130.00) plus twenty dollars (\$20) per day for two extra days.

Your committee recommends the adoption of this report, and I so move.

Webber C. Harrington Al Kader

John C. Nobles, El Maida

IMPERIAL POTENTATE McMULLAN: You have before you the motion and the second, which is to adopt the report as presented.

Is there any discussion?

If not, all in favor of the motion indicate by saying aye; opposed. It is carried.

RESOLUTION

WHEREAS, Khedive Temple, Norfolk, Virginia, has requested that its location be changed to 645 Woodlake Drive, Chesapeake, Virginia; and

WHEREAS, it appears that Khedive Temple has complied with §332.5 of the Imperial Bylaws; and

WHEREAS, it appears to The Imperial Council that the move would be in the best interests of the order;

NOW, THEREFORE, BE IT RESOLVED, That the proposal to move Khedive Temple from 243 West Freemason Street, Norfolk, Virginia, to 645 Woodlake Drive, Chesapeake, Virginia, be approved, and that the charter of Khedive Temple be accordingly amended.

RESOLUTION

WHEREAS, the Representatives of the Imperial Council Session of 1986 adopted a resolution authorizing the Board of Directors to investigate, analyze and review all appropriate and economically feasible methods of providing adequate protection for our property, and for our personnel while they are discharging their duties to the corporation, including, but not limited to, the formation of a captive insurance company;

WHEREAS, such resolution authorized the Board of Directors to take such action, including the formation of a captive insurance company, as they, in their discretion, determine to be in the best interest of the corporation and which will provide adequate and economically feasible protection;

WHEREAS, a comprehensive investigation, analysis and review was conducted of the insurance market, availability of coverage, and costs thereof, as well as the respective merits of traditional insurance companies, captive insurance companies, rent-a-captive insurance companies, trust accounts and risk retention groups;

WHEREAS, the Board of Directors, upon the completion of its investigation, analysis and review concluded that the traditional insurance companies were not providing coverage at reasonable prices and, for some risks not providing any coverage, and that a captive insurance company would most adequately address the insurance requirements of the Imperial Council and the Temples if all temples participated therein;

WHEREAS, the Board of Directors determined that their investigation, report, findings and recommendations should be presented at the Imperial Council Session of 1988 to the Representatives thereat assembled for such action as may be appropriate;

NOW, THEREFORE, BE IT RESOLVED, That:

1. The president and secretary of the corporation be authorized and directed to form a captive insurance company under terms and conditions acceptable to the Board of Directors, to insure such risks as are encountered by The Imperial Council, A.A.O.N.M.S. U.S. Temples and their holding companies, affiliated and appendant corporations, including shrine club holding companies;

2. The Imperial Potentate is requested to issue a General Order, pursuant to §206.5(a)(4) of the bylaws, implementing this resolution which would direct, among other things consistent with this resolution, that The Imperial Council, A.A.O.N.M.S. and all U.S. Temples and their holding companies affiliated and appendant corporations, including shrine club holding companies, place all their insurance requirements with such captive insurance company; and

3. The captive insurance company also accepts Canadian temples and their holding companies, affiliated and appendant corporations, including shrine club holding companies, should said temples all elect to place their insurance requirements with the company.

REPORT OF TIME AND PLACE COMMITTEE

July 3-7	1989	Toronto, Ont., Canada
July 2-6	1990	Chicago, Illinois
July 1-July 5	1991	San Francisco, California

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that **COPIES OF ALL CORRESPONDENCE SENT DIRECTLY TO HIM BY TEMPLES AND REPRESENTATIVES BE SENT TO THE EXECUTIVE DIRECTOR AT THE GENERAL OFFICES IN TAMPA, FLORIDA.**

This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or temple matters must be handled in accordance with Article 38 of The Imperial bylaws.

ENDOWMENTS—WILLS AND GIFTS

It appearing that the interests of all temples, the Nobility, and Shriners Hospitals for Crippled Children would be well served by the issuance and observance of the following in connection with Shrine Hospital benefits and gifts, it is ORDERED:

Potentates and Recorders of temples are directed to immediately notify and send full particulars to the General Counsel's Office in Tampa of all bequests and gifts of which they may obtain knowledge and which have been made to or for the benefit of Shriners Hospitals

for Crippled Children, or designate in some manner crippled children or similar charitable purpose.

Potentates of temples are further directed to inform all shrine clubs to follow this same procedure should the shrine club itself be designated in some manner as a conduit for the legacy or gift to Shriners Hospitals for Crippled Children. Such information is necessary in order that full and complete records may be maintained and so that the General Counsel may take proper steps to protect the interests of our philanthropy.

All temples and shrine clubs should be aware that the only persons with authority to act for Shriners Hospitals for Crippled Children are the officers of that corporation or its duly authorized representatives. Any acceptance of a distribution from an estate or trust in the form of cash or securities and the signing of a court receipt by a representative of the temple or shrine club (which is required in each instance) may prejudice the interests of our charitable organization, as such signing constitutes a written release to the executor or trustee. Such court receipts, where our charity is referred to in any manner, should only be executed by authorized officers of Shriners Hospitals for Crippled Children.

Potentates and Recorders of temples are further directed to see that their temple counsel reviews for accuracy the subject matter of all articles scheduled to appear in temple publications relating to ways of making charitable gifts to Shriners Hospitals for Crippled Children.

1989 IMPERIAL COUNCIL SESSION SPECIAL CONVENTION NOTICE

The 1989 Session of the Imperial Council and the annual meeting of the members of Shriners Hospitals for Crippled Children will be held in the city of Toronto, Ontario, Canada, the week of July 3rd, 1989. The Director General is Peter E. Rhodes, 3100 Keele Street, Downsview, Ontario M3M 2H4; telephone (416) 631-7455.

Pursuant to § 327.2 of the bylaws of the Imperial Council chief rabbans of temples have full authority to make plans for attending this Session with the units of their temples, and this includes the authority for making contracts for rooms in the Toronto area with the Housing Chairman as well as making contracts for transportation incident to this Pilgrimage, provided, however, that such plans shall have been approved by a vote of the membership of the temple in accordance with the temple's bylaws.

The Imperial Potentate desires to bring to the attention of all temple officers the following:

HOUSING—Imperial Council Session in *Toronto, Canada*, in accordance with past and present instructions, to enable the Housing Committee of future Imperial Council Sessions to properly negotiate with hotel authorities of the city in which an Imperial Council Session will be held, instructs all Potentates, Recorders, Shrine Associations, and Nobles, to refrain from making housing arrangements for their units through anyone except the Convention Housing Committee—**CONTACT WITH THE CONVENTION HOUSING COMMITTEE MUST NOT BE MADE THROUGH A TRAVEL AGENCY**—and then only after an official announcement by the Imperial Potentate naming the city in which the next Imperial Council Session will be held, with the further direction that any temple having made arrangements for housing its units in violation of this order is hereby directed to cancel same forthwith. The following order in compliance with the previous directive and expressly confirming the same, is now issued relating to the 1989 Session in *Toronto, Canada*.

Potentates, Recorders, and all other nobles, are reminded that an Imperial Session must house (1) Official Imperial representatives; (2) uniformed units; (3) the general nobility; and (4) the general public—in that order of precedence. The official representatives are annually paid mileage and per diem to transact the business of the Imperial Council Session; the uniformed units are present to assure the pageantry, music and color so characteristic of the Shrine. Their housing requirements are paramount. Without the representatives there would be no business transacted to justify the Imperial Session; without the uniformed units there would be no parade.

Hotel room assignments at Toronto are to be obtained through the Housing Chairman. The Chairman of the Housing Committee in Toronto is Russ Nelson, 3100 Keele Street, Downsview, Ontario, Canada M3M 2H4; telephone (416) 631-7455.

The Executive Director will handle the assignment of all public meeting space in the Headquarters Hotel, along with the sleeping room assignments for the representatives and other temple officers who are not representatives, the distinguished guests, and vendors.

The Director General is requested to report to the Imperial Potentate any violations of the above directive. It is hoped that no disciplinary action will be found necessary in the case of any Potentate, temple or any noble violating either the spirit or the letter of this Order.

RESPONSIBILITY OF POTENTATES

The potentate of each temple is reminded of his individual official responsibility for the operation of his temple in accordance with the law of the land, the articles of incorporation, bylaws and Orders of the Imperial Council and Imperial Potentate, and the temple bylaws.

IMPERIAL POTENTATE VISITATIONS

It will be the desire of your Imperial Potentate to make as many official visitations as are possible. It will also be his desire to fully co-operate with all temples requesting visitations. The temples will understand that it is physically impossible to make every official visitation on the requested date, but every effort will be made to accommodate.

The Imperial Potentate wants you to use his official visit for the best interests of your temple and Shrinedom. He would like to have a short meeting with the temple divan and representatives.

In preparing a program for the official visit of the Imperial Potentate, it is requested that a complete resumé of your temple program and what you desire the Imperial Potentate to do, be sent to him (copy to the Executive Director) as far in advance as possible. He should be informed at what function you want him to speak and the type of audience he will have: that is, whether shriners only, shriners and their ladies, shriners and masons and their ladies, or whether he is to talk to the public. This will acquaint him with your plans and also give him the opportunity to advise you on your program.

REQUESTS FOR DISPENSATIONS

IN REQUESTING DISPENSATION FOR CHANGE IN DATE OF STATED MEETINGS OR THE HOLDING OF A CEREMONIAL IN CONCURRENT JURISDICTION, YOUR LETTER SHOULD BE ADDRESSED TO THE IMPERIAL POTENTATE WITH COPY TO THE EXECUTIVE DIRECTOR AND BOTH LETTER AND COPY WITH ANY WAIVERS INVOLVED SHOULD BE SENT TO THE EXECUTIVE DIRECTOR.

PROPER DISPLAY OF 3 NATIONAL FLAGS

Each temple of the Order is instructed to provide and display at all shrine parades and shrine functions the three National flags under which shrine temples chartered by the Imperial Council operate (i.e., United States, Canada and Mexico).

These three National flags should also be properly displayed at all shrine meetings.

NATIONAL FLAGS SHOULD NEVER BE DIPPED AT ANY TIME.

Information concerning the proper display of these national flags may be obtained from the Office of the Executive Director.

COLOR SQUADS

It is noted that some Color Squads dip the Canadian and Mexican flags in salute at the reviewing stand. **THIS IS NOT PROPER.** No National flag is to be dipped at the reviewing stand. Please inform your flag bearers so this disrespect to National flags will be eliminated. All flags, other than National flags, may be dipped.

SHRINE PROTOCOL

All temples are urged to use the provisions of Shrine Protocol which are found in the forward pages of your Imperial Council directory. This is a guide which should be used at all times. It will bring order out of chaos in setting up any shrine activity, be it parade—meeting—banquet—seating arrangement, or program of any kind. It explains the rank and proper position of officers, organizations, dignitaries, visitors, etc. Please use it and eliminate confusion and embarrassment and hesitation. You can be positive if you study, understand and use this system of protocol adopted by the Imperial Council. If you have any questions, please contact the Executive Director at the General Offices. At shrine activities, masonic dignitaries are guests. Therefore, protocol requires that the highest ranking shrine officer speak last.

CHIEF RABBANS

In order to eliminate problems it is suggested that Chief Rabbans submit their plans and information on their proposed fund-raising and other activities, including tours or cruises for their administration, to the temple membership at a stated meeting and proceed in accordance with the vote of the membership.

CEREMONIAL SECOND SECTIONS

§ 335.1 of the bylaws of the Imperial Council states that shriners shall not “promote or take part in any engagement or enterprise prohibited by the law of the land.”

A number of states or provinces have laws commonly referred to as “anti-hazing” laws.

This matter has been considered by the Board of Directors. The Board unanimously acknowledged that the laws of the land must, at all times, be observed and obeyed.

Therefore, it is hereby ordered that all temples, officers, and nobles scrupulously abide by the laws of their respective jurisdictions. It is possible that these laws might require modification of the “Second Section” of your temple’s ceremonials, and if so, these modifications must be implemented forthwith.

Further, if any temple, officer, or noble has any concern or question concerning the applicability of this Order, that the potentate or temple attorney immediately communicate with the General Counsel of the Imperial Council, A.A.O.N.M.S.

TOURS AND CRUISES

1. The potentate of any temple which intends to sponsor a tour or cruise must:

(a) Give notice in writing to the Executive Director of such intent with the itinerary thereof and the proposed dates. This provision shall not apply to those pilgrimages which are limited to shrine association meetings and Imperial Council Sessions.

(b) Schedule the tour if its itinerary includes a point outside the continental United States, Canada or Mexico, for dates which will not conflict with either the Imperial Council Session or the Imperial Potentate’s tours and cruises.

2. All tours and cruises, as well as pilgrimages, when sponsored by a temple or otherwise identified with the Order, are “public appearances.” Such public appearances are not permitted in any place until notice of such appearance has been given to the potentate of the temple having jurisdiction of the territory where such public appearance is to be made. The notice hereby required shall be given at least ten days in advance of each public appearance. If the activity is to occur in the jurisdiction of another temple, prior written consent from the other temple must be obtained.

3. No tour or cruise may be sponsored by any temple unless the proposal therefor has first been approved by the members of the temple at a stated meeting after a full and fair disclosure of all terms of the proposal, including the nature and amount of any personal profit or gain to be realized or enjoyed by any member of the temple. The temple potentate is required to obtain a legal opinion from the temple attorney that the tour or cruise is in compliance with the law of the land. For the purposes of this paragraph, complimentary or reduced fares, hotel accommodations, or other benefits for himself or any member of his family shall be considered to be profit or gain. Further, inasmuch as complimentary or

reduced fares, hotel accommodations, or other such benefits may constitute taxable income to recipients thereof, such persons should consult their personal tax advisors thereon.

4. The potentate of any temple which intends to sponsor a tour or cruise has the personal responsibility:

(a) To see that the attorney for the temple is consulted as to the legality and sufficiency of all contracts and other documents required to be executed with respect to such tour or cruise.

(b) To ascertain the fiscal integrity of the tour agent handling the tour or cruise. He may satisfy this requirement by either (1) requiring a performance bond of the tour agent if such agent has exclusive control over withdrawals of the tour account or of tour receipts entrusted to his exclusive care, or (2) making provision for the deposit and withdrawal of tour receipts in an escrow account of which he himself has at least partial control.

(c) To see that a full and fair accounting of all receipts, disbursements, and profits or losses realized from such tour or cruise be made to his temple no later than his second stated meeting next following the conclusion of the tour or cruise. A copy of such accounting must be furnished at the same time to the Executive Director.

(d) To see that it is made in strict compliance with all public laws and governmental regulations, including the regulations of the Civil Aeronautics Board, if the itinerary includes any point outside the continental United States, Canada or Mexico.

(e) Be responsible for seeing that the promotional material clearly states the limits of liability of the carrier and/or its insurer for injury to and loss of life of each passenger, the total for each occurrence, and for damage to or loss of personal property, if the itinerary includes any point outside the continental United States. It is recommended that any disclaimers of liability by travel agent and/or carrier in the promotional material provided the public also include (in close proximity) name of the temple, shrine club or unit, if applicable.

5. Tours and cruises sponsored by shrine clubs, units, or other organizations affiliated with or appendant to any temple shall be considered as having been sponsored by such temple and shall be subject to all of the terms and provisions of this General Order.

6. Tours and cruises sponsored by associations of temples, national or international associations of units, and other organizations not affiliated with or appendant to any temple shall be subject to all of the terms and provisions of this General Order in the same manner as if they themselves were temples; and the president or other chief executive officer of any such group which intends to sponsor a tour or cruise shall have the same responsibility as those of the potentate of a temple which intends to sponsor a tour or cruise.

INSURANCE

In order to assure compliance with the bylaws of The Imperial Council, A.A.O.N.M.S., and in order to serve the best interests of the Order and nobility, IT IS HEREBY ORDERED:

1. Insurance Advisory Committee

In compliance with §334.2(b)(1) of the bylaws of The Imperial Council, A.A.O.N.M.S., the potentate of every temple shall appoint an Insurance Advisory Committee which shall consist of at least four members, three of whom shall be skilled and knowledgeable in property and casualty insurance matters, and the fourth member shall be the temple attorney. The Insurance Advisory Committee shall have the following duties and responsibilities.

(a) Review all temple, shrine club and unit operations and activities, including fund-raising events.

(b) Review, analyze and, when appropriate, appraise all property, real or personal, of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

(c) Review and analyze the current temple insurance program and all insurance policies of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, in order to determine the adequacy of the coverage and limits.

(d) Review and consider whether the temple, shrine clubs, units, holding companies and

appendant and affiliated companies engage in activities or own property for which there should be:

- (1) Liquor law liability and host liquor liability insurance covering potential liability related to the sale, consumption, use or dispensing of alcoholic beverages.
 - (2) Products liability and/or completed operations coverage.
 - (3) Blanket contractual liability for all written agreements and, if available, for oral agreements.
 - (4) Parade and/or spectators liability.
 - (5) Carnival, circus or athletic event liability.
 - (6) Owned and non-owned aircraft and watercraft liability insurance and physical damage on owned items.
 - (7) Property insurance.
 - (8) Boiler or machinery coverage for physical damage should be obtained if any exposure exists.
 - (9) Any other insurance coverages warranted by the operations and activities of the temple, shrine clubs, units, holding companies and appendant and affiliated companies, including, but not limited to, medical expense reimbursement insurance.
- (e) Annually prepare a written report to the potentate and official divan of the temple setting forth their findings with regard to the sufficiency of limits and adequacy of coverage. The report should also include recommendations in order to comply with this General Order to adequately protect the temple, shrine clubs, units, holding companies and appendant and affiliated companies, and include an estimate as to the cost thereof.
- (1) This annual report of the Insurance Advisory Committee shall be completed and submitted to the potentate and official divan of the temple in sufficient time for it to be used by the chief rabban in preparation of the proposed temple budget for the following year.
 - (2) Supplements to this report shall be made in writing during the year as events, activities and exposures change.

It shall be the responsibility of the potentate and recorder to send a copy of this annual Insurance Advisory Committee report and any supplements thereto to the *Executive Director* of The Imperial Council, A.A.O.N.M.S., by the first day of March of each year.

2. Mandatory Insurance

In compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S., and, if appropriate, state law, every temple must procure for itself, its shrine clubs, units, holding companies and appendant and affiliated companies:

- (a) Comprehensive general liability insurance. The minimum limits should be not less than \$1,000,000 per occurrence, and it should include at least minimum limits for voluntary medical payments for injury to members and guests as well as fire and explosion legal liability for any leased premises.
- (b) Comprehensive motor vehicle liability insurance. The minimum limits should be not less than \$1,000,000 per occurrence. It is recommended that where temple units and shrine clubs include member-owned vehicles used in temple activities, that certificates of the owners' current liability insurance coverage be permanently on file at the temple. The decision regarding the minimum amounts of insurance protection required for these member-owned vehicles rests with the potentate and temple. However, it is recommended that the highest feasible limits, up to the temple's non-owned insurance limit, be procured.
- (c) Fire and extended coverage or all risks insurance for real and personal property, whether owned or leased.
- (d) Workers compensation insurance. As required by state law, including coverage for both paid employees and "volunteer" workers.
- (e) Fidelity. Every temple, at its own expense, must procure a corporate fidelity bond indemnifying it against loss resulting from infidelity, defalcation or misappropriation by its officers, employees or nobles, of its funds or property.

3. Named Insureds

In further compliance with § 334.2 of the bylaws of The Imperial Council, A.A.O.N.M.S.:

(a) In all liability insurance policies written for the temple, its shrine clubs, units, holding companies and appendant and affiliated companies, the following shall be included as additional named insureds, with respect to the operations and activities covered under its policies: "The Imperial Council, A.A.O.N.M.S., an Iowa corporation, and Shriners Hospitals for Crippled Children, a Colorado corporation, and all its affiliated corporations."

(b) The potentate and recorder of each temple shall be responsible that appropriate certificates of insurance on all workers compensation and liability policies showing compliance with (a) above shall be filed with the *Executive Director* within 30 days of the renewal date of all such policies, or each time there is a cancellation or material change therein, unless such date is extended by the Imperial Potentate for good cause shown upon the written request of the temple.

(c) The certificate of insurance issued by the insurance company shall be "irrevocable" so that no coverage may be canceled or materially altered until notice is provided by the insurance company to the *Executive Director* at least 30 days prior to such action.

4. Miscellaneous

(a) A voluntary mass-marketed property and casualty insurance program is now available to each temple and association. The broad liability coverages (similar to umbrella coverages) are specifically designed for fraternities such as ours. The requirements of The Imperial Council, A.A.O.N.M.S., are automatically included and, in most cases, the premiums are lower because of the bulk discounts for liability and property insurance that are applied. Contact the *Executive Director* or the chairman of the Imperial Insurance Committee for further details.

(b) Liability limits in excess of the suggested minimum are recommended in most instances and, wherever feasible, consideration should be given to the purchase of "umbrella" or similar coverages for general and automobile liability coverage.

(c) Any temple sponsoring a fund-raising event for fraternal purposes, including, but not limited to, circuses, sporting events and other activities, should consider any potential exposure to the athletes, participants and public. Proper liability, including adequate medical and accident coverage for participants, should be purchased.

(d) Any fund-raising event which is for charitable purposes must have prior written permission therefore from the Imperial Potentate and the Chairman of the Board of Trustees. Except for good cause shown, the written permission will not be granted without adequate liability and other appropriate insurance coverage for the event.

(e) "Named peril" (fire, E.C.E., theft), or "all risk" property insurance should be purchased on either an "actual cash value" or a "replacement cost" basis to protect the physical assets (buildings, contents, uniforms, and the like) of the temple, shrine clubs, units, holding companies and appendant and affiliated companies.

FUND-RAISING ACTIVITIES

It is natural to associate the fez with Shriners Hospitals for Crippled Children. Because of this, meticulous attention must be given to all fund-raising activities, including circuses, to make certain that a contributor is not led to believe that his money will be used for the Hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Your specific attention is called to the following fraternal and charitable bylaws:

§ 335.3 USE OF NAME "SHRINERS HOSPITALS FOR CRIPPLED CHILDREN." The use of the name "Shriners Hospitals for Crippled Children" or reference to the Hospitals in connection with any fund-raising activity by a temple or noble without the written consent of the Imperial Potentate and the Chairman of the Board of Trustees of the Hospitals is prohibited.

§ 503.6 The use of the name "Shriners Hospitals for Crippled Children" or reference to the hospitals in connection with any commercial product or business enterprise is prohibited unless the written consent of the Board of Directors and Trustees has been first obtained.

Now, therefore, IT IS HEREBY ORDERED:

1. Fund-Raising for Fraternal Purposes:

(a) No noble (in his capacity as a shriner), club, unit, organization of nobles or affiliated or appendant corporations, shall engage in any fund-raising activity without the express written consent of the potentate of the temple having jurisdiction thereof.

(b) There can be no representation, express or implied, that the proceeds will be for the benefit of Shriners Hospitals for Crippled Children.

(c) The temple potentate shall carefully examine all phases of the advertising, promotion and solicitation to determine that it complies with § 335.3 and § 503.6 of the fraternal and charitable bylaws.

(d) The temple potentate must approve the terms and provisions of any contract for a fund-raising activity after receiving the advice of the temple attorney, and, additionally, as may be required by the temple bylaws.

(e) A copy of the temple potentate's written consent shall be mailed to the Imperial Recorder. Further, such written material pertaining to the fund-raising activity, as requested by the Imperial Recorder, shall be promptly mailed to him.

2. Fund-Raising for Charitable Purposes:

(a) No noble (in his capacity as a Shriner), club unit, organization of nobles or affiliates or appendant corporations shall engage in any *charitable* fund-raising activity other than for Shriners Hospitals for Crippled Children. Permission therefor must be first obtained in writing from the temple potentate. The temple potentate must then obtain written permission from the Imperial Potentate and the Chairman of the Board of Trustees.

(b) 100% of the net proceeds from charitable fund-raising must be given to Shriners Hospitals for Crippled Children except for such portion thereof as may be permitted to be retained for the Temple Shrine Hospital Patient Transportation fund pursuant to the special purpose funds provisions of any existing General Order.

(c) The temple shall report the result of each fund-raising activity within sixty (60) days of the activity to Shriners Hospitals for Crippled Children on forms provided to the temple.

(d) This section shall not apply to activities exempt under § 335.4(b) of the bylaws of the Imperial Council.

(e) Each independent corporation or entity that receives the permission of the Imperial Potentate and the Chairman of the Board of Trustees to raise money for Shriners Hospitals for Crippled Children, and which does not have its financial accounts audited pursuant to §§334.5 & 337.8 of the bylaws of the Imperial Council, shall have its financial accounts audited by a certified, chartered or licensed public accountant and shall submit such audit report to The Imperial Council within 120 days of the activity.

3. Statement of Purpose and Disclosure:

(a) Every fund-raising activity must contain factual information on its solicitation material, tickets, programs and documents regarding the use of the proceeds.

Examples: "Proceeds are for the benefit of (____ Temple) (____ shrine club) activities."
 "Proceeds are for the benefit of Shriners Hospitals for Crippled Children."

(b) Every fund-raising activity which is not entirely for the benefit of Shriners Hospitals for Crippled Children shall prominently state on the solicitation material, tickets and documents that "payments are not deductible as charitable contributions."

4. Compliance with Applicable Laws:

It is the responsibility of the temple potentate, after receiving the advice of the temple attorney, to determine that there is compliance with all applicable laws in its jurisdiction for the temple's fund-raising activities.

5. Financial Records:

(a) The temple shall maintain detailed financial records pertaining to all fund-raising activities involving nobles, clubs, units, organizations of nobles or affiliated or appendant corporations. Details of all revenues and disbursements shall be maintained in such financial records.

(b) The temple must retain such detailed financial records for a period of seven (7) years.

6. Notification to Nobility:

A copy of this section on "fund-raising activities" shall be printed in the temple publication at least once every calendar year. If there is no temple publication, then a copy

shall be mailed to each noble in the temple not later than the last day in March of each calendar year.

7. Discipline:

Any officer, noble or temple which violates a provision of this section is subject to discipline pursuant to the bylaws of the Imperial Council.

SPECIAL PURPOSE FUNDS

Inasmuch as Shriners Hospitals for Crippled Children are the primary charitable concern of the Order, it is necessary that The Imperial Council exert every effort to insure that Shriners Hospitals for Crippled Children are financially stable and have adequate funding for operational needs. The reports of the Special Purpose Funds Committee have indicated to the Imperial Potentate and the Board of Directors that some temples, either directly or through Special Purpose Funds, have accumulated charitable funds and assets which are in excess of amounts reasonably needed for transportation of patients and could be better utilized for our orthopaedic hospitals and burns institutes if they were administered together with other endowment funds and accounts of Shriners Hospitals for Crippled Children.

Now, therefore, by virtue of the authority in me vested by §206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. Neither the temples, their shrine clubs, their units, or their membership shall solicit charitable gifts or bequests for any purposes, organizations, or charities other than Shriners Hospitals for Crippled Children (except as may be allowed by §335.4(b) of the bylaws of The Imperial Council).
2. A temple may maintain a fund for transportation of patients, purchase of braces and prostheses, or like purposes, subject to the following provisions:
 - (a) All receipts, disbursements, funds and assets related to charitable activities shall be clearly designated and classified as such in the books of all temples, temple affiliated corporations, shrine clubs, uniformed units, committees, boards, or other entities subject to the supervision or control of any temple; and such books of accounts shall be audited annually in a manner consistent with the requirements of §334.5 of the bylaws of The Imperial Council.
 - (b) The custody and administration of all charitable funds and assets under the control of any temple, including those of temple affiliated corporations, shrine clubs, uniformed units, committees, boards, and other entities subject to the supervision or control of any temple, shall be the responsibility of the same temple officers, committees, or boards who are charged with the custody and administration of the general funds of the temple.
 - (c) Any temple may be required by the Imperial Potentate to show cause why any part of its charitable funds or assets not reasonably needed for purposes permitted under paragraph 1 hereof should not be transferred to Shriners Hospitals for Crippled Children; and the Board of Directors of the Iowa Corporation shall have the power to require the transfer to Shriners Hospitals for Crippled Children of any such charitable funds or assets not reasonably needed for the purposes permitted under this paragraph after the temple has been given a reasonable opportunity to be heard by the Board of Directors or by a committee thereof with respect to the matter.
 - (d) After a fund-raising event for the benefit of Shriners Hospitals has been held, and upon written request to, and written authorization by, the Imperial Potentate and the Chairman of the Board of Trustees of Shriners Hospitals for Crippled Children, up to one-half of the net profits of a designated fund-raising activity may be held by a temple to be used exclusively for transportation, food, lodging or other related expenses directly involving the transportation of a patient, parent or guardian to or from a Shriners Hospital for crippled or burned children sponsored by the temple or one of its members. Such retained funds, including interest earned on the funds, shall be maintained pursuant to the Uniform Chart of Accounts for Shrine Temples, in a separate account designated as the "Shrine Hospital Patient Transportation Fund." The balance in the fund shall not exceed twice the amount of the expenditures made from such fund during the preceding year. Any sums in excess of that shall be turned over to Shriners Hospitals for Crippled Children. If for any reason this fund should terminate, the entire balance in the fund shall revert to Shriners Hospitals for Crippled Children.

- (e) In the event a temple is experiencing an undue hardship in meeting the expenses enumerated in subparagraph (d), its written request should so specify. When such a request is received, the Imperial Potentate and the Chairman of the Board of Trustees may refer the request to the Special Purpose Funds Committee for review and appropriate action, if any. After review and examination of all the circumstances, this committee shall, when it makes a finding of undue hardship, refer the matter to the Board of Directors. The Board, if it deems it appropriate, may authorize the temple to retain a percentage in excess of 50% of the net profits of the designated fund-raising activity, solely for the uses enumerated in subparagraph (d). This authorization shall apply only to a specific fund-raising event or activity, and that event or activity can have a duration of no longer than one year.
 - (f) Prior to the granting of authorization to retain funds from fund-raising events, as outlined under subparagraphs (d) and (e) hereof, the temple must submit its request therefor in writing and must attach to the request:
 - (1) Audited statements of its transportation fund for the past three years, such statements to include a statement of receipts and disbursements and balance sheet as of the date of the last audit.
 - (2) A statement of all income and disbursements since the last audited statement and a current balance sheet.
 - (g) No permission will be given for any fund-raising event or the use of the name Shriners Hospitals for Crippled Children or for the retention of funds if any activity report for a previous fund-raising event authorized to be held by the temple or any of its shrine clubs or units is remaining outstanding for more than 120 days after the event was held at the time the request is made.
3. All fund-raising must comply with the Fund-Raising Activities provision of any existing General Order.

FINANCIAL REPORTING ON CHARITABLE FUNDS AND ACTIVITIES

Within thirty (30) days after the date of this General Order, if you have not already done so, a statement of the financial condition of every charitable fund, § 501(c)(3) corporation and charitable fund-raising activity sponsored by or related to each temple shall be furnished to the Imperial Recorder by the potentate.

The statement shall show all assets, liabilities, and the net worth or fund balance as of *December 31, 1987*, and shall be accompanied by a statement of operations showing all receipts and disbursements for the calendar year 1987.

The statement or statements of each temple shall be accompanied by a certificate of the potentate to the effect that: (1) each of the statements is true and correct; (2) the temple exercises control over each of such funds, corporations, and other activities; and (3) there are no charitable funds, corporations, or activities sponsored by or related to the temple other than those for which statements are submitted.

THE REVENUE ACT OF 1987

The Revenue Act of 1987 is now the law of the land in the U.S.A. One of its provisions becomes effective for fund-raising solicitations of any sort occurring after January 31, 1988. Another provision is effective as to I.R.S. information returns (Form 990) filed after December 31, 1987. This will call your attention to the Act. It is your obligation to comply with it and to obtain guidance thereon from your temple attorney and temple accountants.

1. LABELING OF NONDEDUCTIBLE FUND-RAISING SOLICITATIONS.

(a) On and after February 1, 1988 every fraternal organization, having annual gross receipts in excess of \$100,000 per year, must label each fund-raising solicitation that contributions to the fraternal organization are not deductible *as charitable contributions* for federal income tax purposes. A fund-raising solicitation by a fraternal organization will not be subject to the nondeductible labeling rule if the entire net proceeds of a particular solicitation are to be used exclusively for charitable purposes. If the entire net proceeds are

not to be used for exclusively charitable purposes, then the label must be applied to each format for each solicitation.

(b) The disclosure of nondeductibility or contributions applies to any solicitation of contributions that is made in written or printed form, by television or radio, or by telephone. It does not apply to oral solicitations for contributions. The nondeductibility disclosure label applies to a fund-raising solicitation whether the organization labels the requested support as contributions, donations, gifts, membership dues or fees, voluntary assessments, support or any other term and whether or not the solicitation is for cash, property or even for volunteer services. The disclosure requirement applies even if the solicitation for a contribution is directed to the organization's existing members.

(c) According to available reports, the label should read; "Contributions, gifts, membership dues, etc. paid to [Insert Name] are not deductible as charitable contributions."

(d) The nondeductibility label must be set forth in a conspicuous and easily recognized format. Thus, for example, it would have to be on the face of any tickets for a raffle or ball game, or in any newspaper ad, and in a form which cannot be obscured by placement, color, shading or other means. A nondeductibility statement cannot be "buried" in any part of the solicitation material where it would not ordinarily be read by the person being solicited.

9(e) The labeling rule applies to every fund-raising event so that fund-raising dinners, fund-raising rallies, fund-raising football games, fund-raising membership drives, etc. must all contain nondeductibility language, unless the entire net proceeds are going to be used for exclusively charitable purposes.

(f) This new disclosure requirement is enforced by a penalty provision which authorized the Internal Revenue Service to assert a \$1,000.00 a day penalty for each day on which a failure to disclose nondeductibility occurs. The maximum amount which can be imposed on an organization (but see below) is \$10,000. No penalty will apply with respect to any failure to label if the organization shows that the failure was due to reasonable cause. Ignorance of the law, according to Congress, is not reasonable cause for failure to label.

(g) The \$10,000 limitation does not apply if the organization intentionally disregarded the disclosure label. If there is an intentional disregard of the new law, then the failure to comply, for the solicitation day involved, is a penalty of the greater of \$1,000 or 50 percent of the aggregate cost of all fund-raising solicitations that occurred on that day and did not contain the required disclosure statement.

(h) The penalty is imposed only on the organization. There is no personal liability on the fraternal organization's managers or administrators.

2. DISCLOSURE OF EXEMPTION APPLICATION AND FORM 990

(a) Under existing law, the central unit and all subordinate units of a fraternal society must file IRS form 990 if gross receipts are in excess of \$25,000 annually. The failure to file a timely or complete return with the Internal Revenue Service makes the organization liable for a \$10 a day penalty for each day the failure continues with the maximum penalty being \$5,000 per year.

(b) Effective for returns to be filed for calendar 1987, or for fiscal years ending January 31, 1988 or later, all fraternal organizations required to file Form 990 (i.e., receipts over \$25,000) must make available for inspection, at their principal place of business, during regular business hours, a copy of each annual information return filed by the organization for the three year period beginning with the filing date for the 1987 (or fiscal 1988) return. This means that if a fraternal organization files its Form 990 on a calendar year basis (and assuming no extension is granted by I.R.S.) then as of May 16, 1988, it must have a copy of the entire 1987 return available for inspection by any individual who asks to see it.

(c) If the fraternal organization regularly maintains one or more district or regional offices which have three or more employees, a copy of the annual information return must be made available at each such district or regional office as well as the principal office.

(d) The fraternal society must make available a copy of any papers it submitted in connection with its original exemption application. This applies to any organization filing a new application (IRS Form 1024) after July 15, 1987 and to all organizations which in fact have copies of their original exemption application whenever they originally filed the papers.

Apparently there is no penalty for an organization which failed to retain (or which lost) its original exemption application. The law does not cover the question of the availability of exemption application where the fraternal unit is part of a group ruling of a central organization. In that case, one assumes that access is only required at the central unit.

(e) A fraternal organization which is under duty to comply with the requirements of the legislation on public inspection of its annual return, or of its exemption application which fails to comply with the rules, is liable for a \$10 a day penalty for each day in which the failure continues. The maximum penalty payable by the organization for failure to disclose its return or exemption application is \$5,000 per year.

(f) If the Internal Revenue Service makes a written demand on the fraternal unit that it has failed to make available to the public its Form 990 or exemption application, the individual manager or managers responsible for the failure (I.R.S. selects responsible person) is personally liable for a \$10 a day penalty for each day in which failure to disclose continues. The maximum penalty is \$5,000 per year under joint and several liability rules.

(g) No penalty is imposed with respect to a failure if it is shown that the failure is due to reasonable cause. Ignorance of the law is not reasonable cause.

(h) In addition, the Internal Revenue Service is authorized to assess a penalty of \$1,000 on any person who willfully fails to disclose the information return or the exemption application.

(i) A person who willfully refuses to disclose the return or exemption application (or discloses false information) may also be prosecuted for his or her failure under Section 7207 as a misdemeanor (dealing with the prosecution of individuals for furnishing fraudulent information to the Internal Revenue Service).

COMPLIANCE WITH INTERNAL REVENUE CODE

Inasmuch as U.S. temples are required annually to file 990 informational forms, one for the temple and its units, one which consolidates the financial activities of all its shrine clubs, and, if applicable, one for the temple holding corporation; inasmuch as some U.S. temples and shrine clubs may be required to file a form 990-T if they have unrelated business income; and inasmuch as penalties may be assessed by the government against the *person* or *persons* in the temple or shrine club who may be responsible for failure to file a return.

Now, therefore, by virtue of the authority in me vested by § 206.5(a)(4) of the bylaws of The Imperial Council, A.A.O.N.M.S., IT IS HEREBY ORDERED:

1. FORM 990. By reason of the Treasury Department letter ruling dated October 12, 1973, which modified a group letter ruling to The Imperial Council, A.A.O.N.M.S. dated April 29, 1971 (copies of which have been previously furnished to U.S. shrine temples), informational tax returns (990 forms) are required from each U.S. shrine temple.

(a) The first 990 form required to be filed by each U.S. shrine temple covers the financial transactions of the temple and all of its units. This 990 form, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) The second 990 form required to be filed by each U.S. shrine temple consolidates the financial transactions of the temple's shrine clubs (inasmuch as, for informational tax return purposes, each temple also constitutes a "central organization" for purposes of § 6033 of the Internal Revenue Code). Each U.S. temple is to file this second 990 form as described in Treasury Regulation § 1.6033-2(d), consolidating in columnar form the financial transactions of the temple's shrine clubs.

2. FORM 990-T

(a) By reason of the said Treasury Department group letter ruling dated April 29, 1971 to The Imperial Council, A.A.O.N.M.S., if any U.S. Shrine temple or any of its units has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, the temple must file a form 990-T. This return, however, shall exclude those shrine units which are separately incorporated and have their own separate federal tax-exempt status.

(b) Treasury Regulation § 1.6012-2(e) requires that each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, must file its own form 990-T. There is no provision under the U.S. tax laws which would permit a

shrine temple to file a "group" form 990-T for the "unrelated business income," if any, of its shrine clubs.

3. **ACCOUNTING RECORDS.** All temples, units, shrine clubs, temple holding corporations, shrine club holding corporations, and appendant and affiliated corporations, shall maintain adequate and timely accounting records of all financial transactions.

4. **TIMELY FILING.** All temples, temple holding corporations, shrine club holding corporations and all appendant and affiliated corporations, which are required by law to file tax or informational returns, are to do so in a timely manner and with the advice and assistance of the temple attorney and the independent auditor who prepares the temple's tax and informational returns.

5. **DEDUCTIBLE CONTRIBUTIONS.** Each U.S. shrine temple shall keep and maintain a separate set of financial records and a separate bank account in the name of the temple for the receipt and disbursement of all contributions to the temple which qualify as deductible contributions under § 170(c)(4), § 2055(a)(3) or § 2522(a)(3) of the Internal Revenue Code.

6. **SHRINE CLUB CHANGES.** Each U.S. shrine temple, as a "central organization," is required annually to report any changes of shrine clubs in its group to the Executive Director, International Shrine Headquarters, P.O. Box 31356, Tampa, Florida 33631-3356.

7. **COPIES TO EXECUTIVE DIRECTOR.** Copies of all returns referred to in paragraphs 1 and 2, and returns of all temple related organizations, shall be sent to the Executive Director at the same time that they are filed with the Internal Revenue Service.

8. **TEMPLE ACTION.** The potentate and recorder of each U.S. temple shall immediately:

(a) Furnish the independent temple auditor and the temple attorney with a copy of this Order.

(b) Inform each of its shrine clubs that Treasury Regulation § 1.6012-2(e) requires each shrine club, if it has the requisite amount of "unrelated business income" under § 511 of the Internal Revenue Code, to file its own form 990-T.

(c) Require each shrine unit which is separately incorporated or which has its own separate federal tax-exempt status to dissolve such corporation and discontinue its separate federal tax-exempt status. Pursuant to § 336.1 of the bylaws of The Imperial Council, A.A.O.N.M.S., a unit is a part of the working corps of the temple and it has no separate legal or tax existence.

9. **RESPONSIBILITIES.** The potentate and recorder of each U.S. temple are charged with the duty and responsibility of personally determining that there is compliance with this Order.

SUMMARY GENERAL ORDER NO. 1

This section contains a list of the newly elected Imperial Divan officers, committee appointments made to date, amendments to bylaws adopted at the Imperial Council Session, suggestions regarding the Imperial Potentate's visitations, an edict relating to fund-raising activities, miscellaneous instructions and other information of value to temple officers and nobles.

The complete details of all General Orders are to be kept on file in the Recorder's office and will be made available to any noble for review.

SUMMARY TO BE READ

It is directed that the Summary of this General Order No. 1 be read to the Nobility of each temple at the first Session following its receipt, and record of the entire General Order be made upon the minutes of the Session at which the Summary is read.

THE IMPERIAL COUNCIL

Given under our hands and the seal of the Imperial Council, A.A.O.N.M.S., this First day of September, 1988, and of the Order A.H. 1409.

"ES SELAMU ALEIKUM"

You and each of you are hereby notified that the One Hundred Fifteenth Annual Session of the Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America will be held in Toronto, Canada, over the dates of July 4, 5, 6 & 7, 1989. The PUBLIC OPENING Session and NECROLOGY SERVICE will be held in the CANADIAN ROOM of the ROYAL YORK HOTEL at 3:00 P.M. on Monday, July 3, 1989. The OFFICIAL OPENING Session will be held in the CANADIAN ROOM at the ROYAL YORK HOTEL at 3:00 P.M. on Tuesday, July 4, 1989. After opening day, the meeting schedule will be determined each day by the Imperial Potentate or Imperial Council. The Imperial Potentate is calling this session as a four-day session, and each Representative attending will receive per diem for four days (i.e. Tuesday, Wednesday, Thursday and Friday).

The Imperial Potentate advises there MAY be a roll call of Representatives at any time during the session of the Imperial Council.

\$205.2 of Shrine law states "Each Representative who attends a Session of the Imperial Council shall be paid per diem. . . ."

After you have completed your work with the SPECIAL REGISTRARS, you may proceed to the regular registration desk for your badge and registration packet. PLEASE NOTE—YOUR RECORDER CANNOT REGISTER FOR YOU. EACH REPRESENTATIVE MUST REGISTER IN PERSON IN ORDER TO RECEIVE MILEAGE AND PER DIEM.

NOTE: Each Representative will receive a ticket book including, among others, Exchange Coupons for the Imperial Potentate's Evening and the Representatives' Ladies' Luncheon. COMMITTEE REPORTS

There have been occasions when members of Committees of the Imperial Council have informed interested Nobles of the results or probable results of a committee's consideration of a particular meeting. Embarrassing situations have resulted.

I refer you to §208.8 of the Imperial Council bylaws which states "All Committee reports shall be made in writing to the Imperial Council or to the Imperial Potentate as may be appropriate under the circumstances. Probable committee action or recommendations with respect to pending matters may not be disclosed to or discussed with persons not members of the Committee, except with express permission of the committee."

The strict observance of this request will make for more efficient functioning by the Committees with respect to the matters referred to them in the carrying out of their important assignments.

IMPERIAL SESSION PARADES

Much time and thought goes into the preparation of the Official Parade Orders for the Imperial Council Parades at the Imperial Sessions. In order to insure the very best for all concerned, these orders must be strictly observed.

No Temple officers will be permitted in the parades without their Temple Uniformed Units. No floats will be permitted in the parades unless they are approved by Director General Peter Rhodes; c/o the Royal York Hotel, 19th Floor, 100 Front Street, Toronto, Ontario M5J 1E3, (416) 369-1055.

Temple Potentates are to review the following information and procedures with their Temple Marshal, Parade Marshal and Unit Heads.

I.

Time and Route of Imperial Session Parades

The DAY PARADE will start promptly at 9:00 A.M. on TUESDAY, July 4. The Route of the Parade will be:

STARTING AT COLLEGE STREET, MARCH SOUTH ON UNIVERSITY AVENUE, TURN WEST ON WELLINGTON AND CONTINUE TO CLARENCE SQUARE WHERE TEMPLES WILL BE DISPERSED. The Parade Reviewing Stand will be on University Avenue between Pearl and King Streets and eyes right will be required.

The Assembly Area will be Queens Park Crescent. Odd numbered divisions will assemble on the West Side of Queens Park. Even numbered divisions will assemble on the East Side of Queens Park.

The NIGHT PARADE will start promptly at 6:00 P.M. and will use the same route and assembly area.

II.

Procedures and Instructions for Imperial Session Parades

1. The purpose of Shrine Imperial Session "parades" is to offer an opportunity for all participating Temples to display in public much of the pageantry and glamour of the Shrine. To effectuate their full purpose, however, the parades should also afford pleasure for all marching units who make a great display possible.

Over the years, there have been very reasonable grounds for dissatisfied criticism by a number of Temples. Splendid marching units, and Temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which in themselves add much to the general picture but **which retard the forward movement** of the parade as a whole.

As a result, many of our newer Temples, located far back in the line of march, have unquestionably taken punishment: (1) The forward movement of the parading column has been repeatedly halted; (2) There have been exasperating delays; (3) Units have been required to stand in line as a result of the cumulative loss of time due to repeated feature specialties and street maneuvers by units "marching" near the head of the line; (4) Due to repeated delays in the line ahead, units marching numerically nearer the end of the parade, have found themselves weary and disgusted, marching down deserted streets.

The parades in Toronto will be parades throughout, and in no part a pageant. Only so-called "forward marching movement" will be permitted; such a movement may be defined as a marching movement which at no time during the parades causes a following unit, in either the same Temple or any other Temple, to mark time, halt, or cease forward progress. The order is to be complied with not only according to the letter, but also the spirit of the ruling; in other words, units of no Temple are directly or indirectly to violate the order through the subterfuge or expedient of having undue distances between units. Your Imperial Potentate believes that every Potentate, thus notified in advance, and with the order applicable to all, will graciously comply with the above directive. **Units not desiring to comply with this parade regulation are not to form in line for the parades.** The regulation will be rigidly enforced. Units of any Temple violating the parade regulations will be excluded from the parades; the Potentate of each Temple is responsible and accountable for the conduct of each unit of his Temple on parade, and the commander of each parading Temple unit is accountable for his unit. Your Imperial Potentate has every confidence that the loyal cooperation of the Nobility will permit no violation of any regulation which plainly assures fair play for all, and that no disciplinary action will be necessary.

Any question of whether a given street maneuver is a retarding marching movement should be submitted to the Imperial Marshal at least 30 days before the Imperial Session.

2. Motor Vehicles. There has been criticism relative to the unreasonable number of motor vehicles in recent Shrine parades. The use of large numbers of cars in smaller local communities for the obvious purpose of padding and bolstering a small parade is quite understandable: Not only do Imperial Session parades require no padding, but the constant interruption of spectacular marching features by the unreasonable use of motor vehicles for visiting officers and Divans, adds unnecessary confusion and danger in the initial parade formation and spoils the pageantry from the spectator's viewpoint. In Toronto only **ONE CAR for the officers of each Temple with uniformed units in the parades of 50 or more will be permitted.** Regulations issued through the office of the Director General will be enforced.

In no event is any Temple to have more than ONE CAR in the parades—the same to be occupied by the Potentate and Divan of the Temples. No more than five Nobles, including the driver, will be permitted in a car.

3. Marching cadence will be 110 steps to the minute.

4. Intervals of not over 80 feet between Temples, and 40 feet between units, are to be constantly maintained.

5. At the Reviewing Stand, Temple Divans will give hand salute, but not stop to salaam. Temple Potentates will remain with their Units and not mount the Reviewing Stand.

6. Appropriate markers, easily distinguishable, will be provided before reaching the Reviewing Stand, to designate points for hand salute.

7. Special attention is called to the fact that the Imperial Marshal and his Deputies are merely enforcing the directive of the Imperial Potentate; courteous and prompt cooperation is expected of the Nobility.

8. Only Shriners are permitted to participate in the parades.

9. The Potentate of each participating Temple shall designate an officer of his Temple to meet with the Parade Marshal prior to the day parade, plus one person from each motorized unit that they may have participating in the parade.

10. An appropriate number of experienced deputy parade marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route; and they shall have the authority to remove from the parade any unit which is in violation of Shrine parade regulations or which causes a delay of the parade by failing to maintain its proper interval.

11. Except with express permission of the Imperial Potentate, no Temple shall be permitted to participate in a parade unless it has at least 50 Nobles in its parade display.

12. No Temple shall be furnished an official automobile for use of its Potentate in the parade unless it has at least 50 Nobles in its parade display.

13. No Temple shall have more than one official automobile in the parade; and no empty buses, trucks or trailers shall participate in the parade.

14. No late model automobiles other than the official automobile will be allowed in the parade. This does not apply to recognized antique automobiles or to parade units composed entirely of late model automobiles.

15. Drivers shall not wave, shake hands or call to people along the parade route; and passengers should not call out to friends along the route, but simply wave to spectators.

III.

Procedures and Instructions for All Shrine Parades

16. The parade reviewing stand shall be at the right of the parade movement.

17. No national flag shall be lowered or dipped when passing the reviewing stand or elsewhere.

18. Neither candy nor other objects shall be thrown or handed to spectators along the parade route.

19. No motorized vehicles shall be equipped with any sirens, flashing lights or colored lights, except for turn indicators and items authorized by law.

20. Motorcycles, scooters and other motorized vehicles shall obey local laws regarding use of hard helmets instead of the fezzes.

21. No outhouses, stills, bathtubs or other items that may be considered in poor taste are permitted.

22. Members of participating units shall not drink any intoxicating beverages before any parade, and should be circumspect in the use of soft drinks in public places so as not to give the impression that they are drinking intoxicants.

23. Parade marshals shall enforce all Shrine parade regulations, and shall report any violator to the Potentate of his Temple. Failure on the part of the Potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.

24. Each potentate is personally responsible and accountable for knowingly permitting any violation of this Order.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Offices in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on

Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

WHEREAS, the Representatives of the Imperial Council Session of 1988 adopted a resolution proposed by the Insurance Committee of the Imperial Council, authorizing and directing the formation of a captive insurance company under terms and conditions acceptable to the Board of Directors to insure such risks as are encountered by the Imperial Council, A.A.O.N.M.S., U.S. Temples and their holding companies, affiliated and appendant corporations, including Shrine Holding Companies; and

WHEREAS, part of that resolution requested the Imperial Potentate to issue a general order which would direct, among other things, that "all U.S. Temples and their holding companies, affiliated and appendant corporations, including Shrine Club Holding Companies, place all their insurance requirements with such captive insurance company"; and

WHEREAS, it is considered in the best interest of the Order that each Shrine Temple be permitted to consider the advantages of such an insurance program and have the option, rather than the obligation, to purchase for itself, its holding companies, affiliated and appendant corporations all their insurance requirements from such captive insurance company;

NOW, THEREFORE, BE IT RESOLVED, That:

Should the Imperial Council or any body created by or subordinate to it create, sponsor, or acquire a captive insurance company, no temple, club, unit, or other appendant organization shall be required to purchase or accept coverage from such captive insurance company, but all coverages offered or written by such company shall be optional.

RESOLUTION

Roger R. Mosser, Assistant Rabban and Representative of Murat Temple, proposes the following resolution:

WHEREAS, The INB National Bank, a National Banking Association ("INB") is willing to offer to members of The Ancient Arabic Order of the Nobles of the Mystic Shrine ("Shriners") and the Temples of which such Shriners are members ("Temples") a deposit account on which the rate of interest will be calculated as a function of the rate paid on 91-day U.S. Treasury Bills from time to time ("Account"); and

WHEREAS, it has been determined by the Representatives of the Imperial Council Session of 1989 that the Temples may be able to help provide a valuable service to their members and improve the Temple fund raising activities by adoption of such an Account, and, therefore, that approval of the Temples to enter into agreements to offer such Account to their members is likely to be in the best interests of the various Temples and their members;

NOW, THEREFORE, BE IT RESOLVED, That:

1. The Imperial Potentate, on behalf of The Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, is authorized and requested to enter into a Consent Agreement with INB containing the following essential terms:

(a) The Account will be offered through various Temples of The Ancient Arabic Order of the Nobles of the Mystic Shrine ("Temples") pursuant to separate individual contracts which will be offered by INB to such Temples. Each such Account shall be insured to the maximum amount permitted by the Federal Deposit Insurance Corporation ("FDIC").

(b) Each individual Account will qualify as a "Money Market Deposit Account" under Regulation D of the Federal Reserve Board; therefore, under current regulations, no more than three (3) checks per month will be permitted. A Ten Dollar (\$10.00) maintenance fee will be charged to each Account with respect to any month in which the balance in such Account shall fall below One Thousand Dollars (\$1,000.00).

(c) INB will accept deposits to each Account opened by a Shriner, or by a Temple using its own Temple Funds, and pay interest thereon on a daily basis, compounded and payable monthly. The interest rate will change effective as of the first day of each calendar month and will be based on the average of the four most recent week's 91-day Treasury Bill average auction discount, except that for all amounts on deposit in an account exceeding Ten Thousand Dollars (\$10,000.00) the interest rate will be increased by an amount up to twenty-five (25) basis points (0.25%), as determined by INB from month to month.

(d) Neither Imperial nor any Temple shall be obligated to provide marketing or advertising assistance or funds except for announcing or promoting the program through regular Temple publications using materials to be prepared by INB, all being subject to negotiation by the Temple with INB.

(e) INB shall pay to each contracting Temple a fee ("Fee") calculated at an annual rate of one quarter of one percent (0.0025) times the average monthly balance of each Account owned by such Temple or a member or widow of a member of such Temple and attributable to such Temple to the extent that such Account or Accounts shall each exceed Two Thousand Five Hundred Dollars (\$2,500.00), all without reducing the amount payable to the individual Account owner. Said Fee will be calculated and remitted to the affected Temples monthly. The formula for calculation of the Fee is: $(\text{number of days in month}) \times 0.0025 \times \text{total average monthly balance of those Accounts which have averaged a balance of not less than Two Thousand Five Hundred Dollars } (\$2,500.00) \text{ for the month. Accounts averaging less than Two Thousand Five Hundred Dollars } (\$2,500.00) \text{ in a particular month are excluded from the formula for such month.}$

(f) INB shall provide to each Account owner a monthly statement indicating all deposit, withdrawal, and interest activity during such period on such Account. INB shall utilize the mailing services of the affected Temples, who shall not be permitted to provide INB with any mailing lists. INB agrees that, to the extent INB shall be able to develop a mailing list of Temple members, all such mailing lists shall be the exclusive property of the affected Temples, subject only to the limited uses designated herein. INB shall use any mailing lists only for the purpose contemplated herein and will not duplicate or use such mailing lists, or permit any other party to use such mailing lists, for any other purpose. All advertising and promotional materials shall be subject to the prior written approval of Imperial, the affected Temple or Temples, and INB.

(g) The initial term of the proposed Consent Agreement between Imperial and INB shall extend for two (2) years from its date of execution and shall thereafter be automatically renewed for additional terms of one (1) year each, subject to written notice of termination at least ninety (90) days prior to the expiration of the term. Contracts between Temples and INB shall terminate not later than the termination of the Imperial and INB Consent Agreement. A Temple shall continue to receive, however, any royalty payable under the terms of its Contract with INB so long as deposits remain with INB under the sponsorship of the Shrine Money Market Account.

(h) The Imperial Potentate shall have the authority to impose any additional restrictions on INB, which shall be set forth in any executed Consent Agreement.

2. Following execution of such Consent Agreement, Imperial Council shall advise each Temple of the contents of the Consent Agreement and thereafter INB and the Temples shall be permitted to enter into Contracts conforming to the above terms and containing such other more restrictive terms as may be negotiated by the various Temples with INB.

3. In addition to INB, the Imperial Potentate shall have the right to enter into substantially identical agreements with any other financially sound federally-insured financial institution if such agreements shall contain at least the foregoing terms and restrictions and if such program shall have been approved by the Representatives of the Imperial Council.

RESOLUTION

Richard L. Irwin, Assistant Rabban and Representative of Al Koran Temple, proposes the following resolution:

WHEREAS, it is acknowledged to be essential that funds be generated for the administration of the annual Imperial Council Session; and

WHEREAS, the assessment of a non-refundable "Binder Fee" payable to the respective Convention Corporations has been established as a method through which such funds can be acquired; and

WHEREAS, the total amount of the "Binder Fee" paid by each Temple or subordinate or related body is determined by the number of lodging units to be reserved for the use of the particular body; and

WHEREAS, The "Binder Fee" has, in the past, been requested and/or solicited and accepted by Convention Corporations as much as two years or more prior to their specific Imperial Council Session; and

WHEREAS, Convention Corporations have accepted "Binder Fee" payments from Temples prior to announcement to all Temples of the details relating to the availability and reservation of lodgings; and

WHEREAS, under Shrine law, the authority to make contracts for lodging does not extend to Assistant Rabbans, thus potentially reducing or restricting that officer's ability and opportunity to arrange the best possible accommodations for the Nobility of his Temple; and

WHEREAS, payment of the "Binder Fee" inordinately in advance of the Imperial Council Session may be detrimental to the financial condition of a Temple or subordinate or other body; and

WHEREAS, acceptance of the "Binder Fee" and allocation of lodgings by the Housing Committee of a Convention Corporation prior to those lodgings being made available to all Temples and subordinate or other bodies is not in the best interest of all concerned; and

WHEREAS, collection of the "Binder Fee" and actions of Convention Corporations relating to allocation of lodgings has been controversial, and has caused confusion, financial hardship, hard feelings and ill will among the Temples and Nobility;

NOW, THEREFORE, BE IT RESOLVED:

That each Imperial Potentate, as applicable, direct the Director General and Housing Chairman of the 1992 Imperial Council Session, and those same officers of each subsequent Imperial Council Session, that they are responsible and accountable for observing and assuring that each and every Temple or subordinate or other body shall have an equal opportunity to make its lodging choice from among all lodging available to the Convention Corporation; and

That no "Binder Fee" monies are received, accepted or held more than eighteen months in advance of the opening day of the respective Imperial Council Session; and

That no lodging units are allocated, "reserved," or held in any manner or form, for any Temple or subordinate or other body, prior to one week after the mailing of the official announcement of lodging availability to all Temples and other bodies; and

That the total amount of the "Binder Fee" due be calculated by multiplying the number of lodging units requested by the Temple, or other body, times the "Binder Fee" for each individual unit; and

That the total amount of the "Binder Fee" accompanies the letter from the body requesting the lodging; and

That the Temple or other body have the privilege of cancelling up to thirty percent (30%) of the lodging units it has reserved if, by Registered Mail, the Temple or other body notifies the Housing Director of such cancellation not later than one hundred twenty (120) days prior to the opening day of the Imperial Council Session; and

That the "Binder Fee" for each lodging unit so cancelled shall be returned to the Temple or other body; and

That the "Binder Fee" for each lodging unit not cancelled in the prescribed manner will be retained by the Convention Corporation.

SPECIAL ORDER No. 1

SERIES OF 1988-89

SEPTEMBER 1, 1988

To: William J. Camarata, National Commander
National Association Legions of Honor

I am advised that a commercial fund-raising venture, purporting to be "Sponsored by National Association Legions of Honor" is being undertaken by an organization known as Medi-Mail, P.O. Box 98520, Las Vegas, Nevada 89193-8520, with "limited free enrollment in the Medi-Mail/NALOH program".

SPECIAL ORDER No. 2
SERIES OF 1988-1989

OCTOBER 25, 1988

To the Potentates and Officers of the Subordinate Temples, Es Selamu Aleikum:
As you are aware, the Imperial Insurance Committee is considering the feasibility of organizing a captive insurance company to provide coverage for all U. S. Temples.

In order to determine whether such a captive insurance company can provide adequate coverage to the temples at an acceptable premium, it is necessary to review the present insurance policies of all U.S. temples.

NOW, THEREFORE, by virtue of the authority vested in me by Section 206.5(a)(5) of the bylaws of the Imperial Council, A.A.O.N.M.S., I direct that you mail to the Executive Director at International Shrine Headquarters, no later than December 15, 1988, the original or photocopies of all temple insurance policies (including those of shrine clubs, units, and appendant or affiliated corporations), so that the Insurance Committee may review them with their insurance consultant and use them as the basis for obtaining competitive premium quotes from the insurance market for the contemplated captive insurance company.

In the event you mail your original policies to the Executive Director, he will make copies thereof and return them to you promptly.

SPECIAL ORDER No. 3
SERIES OF 1988-1989

OCTOBER 25, 1989

To The Potentate and Officers of Palestine Temple, A.A.O.N.M.S., Es Selamu Aleikum:
The Imperial Special Purpose Funds Committee has been instructed by the board of directors of The Imperial Council and by the joint boards of Shriners Hospitals for Crippled Children to present an acceptable agreement for the redistribution of the charitable funds of Palestine Temple and a restructuring of its existing corporations and accounts.

Palestine Temple has evidenced its willingness to cooperate with the Imperial Special Purpose Funds Committee in accomplishing the foregoing and has suggested December 2, 1988, as the date for the submission of financial data and a plan. I have no doubt that The Imperial Council will continue to receive the assistance of Palestine Temple. However, in order to accomplish an expeditious and judicial resolution, it was deemed appropriate to outline a schedule.

NOW, THEREFORE, by virtue of the authority vested in me by §206.5(a)(5) of the

bylaws of The Imperial Council, A.A.O.N.M.S., I direct that Palestine Temple submit all requested financial information, as well as its plan for resolution, to the chairman of the Imperial Special Purpose Funds Committee by December 2, 1988, and that such temple, in association with the Committee, develop an agreement for presentation to the boards no later than March 15, 1989.

Hearing no objection, to the Representatives of the Imperial Council: This will be, with your approval, a consolidated report, the full text of which will be published in the record.

The question involved the legality and propriety of the Shrine Temple entering into a joint venture with a separate commercial entity for the construction and operation of a residential complex. On advice of General Counsel and Chairman of Committee on Jurisprudence & Laws, any such engagement in commercial ventures bring into jeopardy the tax exempt status of the Imperial Council, should be and is, discouraged, as not in the best interest of the fraternity.	Al Kader

Question: Can a group of Nobles desiring to petition for charter for new temple, seek and obtain petitioners from a temple nearest to them in another jurisdiction where such latter temple has a membership of less than 3,000 where those latter temples have given their specific written consent therefor? The ruling is: With proper consent of affected temples, its Nobles may petition. The Committee on Dispensation and Charters will, thereafter, be charged with the responsibility of determining whether such scenario is in the "best interest of the Imperial Council."
- 13 August 9, 1988 Mahi
The complaint of a Noble of Mahi Temple requesting rescission of actions of the Illustrious Potentate removing certain officers and board members of the Gold Coast Shrine Club. - 19 September 9, 1988 Ali Ghan
Request for ruling re interpretation of §334.9, incorporation of Temple or affiliates. Ali Ghan Club, Inc., incorporated February 5, 1932, was permitted by §334.9 to continue its existence as a "grandfather corporation" so long as its charter or bylaws contain provisions that the corporation (1) "yields obedience to Shrine law" . . . and other provisions. Request for ruling, Sec. 325.1, 326.3. Rizpah Temple's elections are held in December. Question: May a Temple Potentate be a candidate in the Dec. election for the office of Recorder. Inasmuch as installation will not take place until January, candidacy and election, if successful, would not constitute holding two offices and is, therefore, permissible.

- 31 December 12, 1988 Hadji
Complaint of Noble alleging 5 violations of Shrine laws and temple bylaws. Significant items: (1) Amendment of temple budget by transfers from one account to another may only be made upon application for budget amendment and approval by temple membership at stated meeting (Sec. 334.4); (2) Bylaws of Hadji Temple providing for increase "at any stated meeting of temple by a majority vote of its members present and voting" is in violation of the spirit the letter of Shrine law. Changes in initiation fees and dues of temple were not intended to be, nor should they properly be, left to a matter of resolution to be exercised by a majority vote at any stated meeting without any provision for notice. Art. 11, Sec. 11.1(b) and 11.2(a) Hadji Temple are inconsistent with Shrine law and are stricken.

Ruling: Duties of temple recorder are fully set forth in Sec. 327.3(a)1-14 of the Imperial bylaws. Duties which may be assigned to others with appropriate temple bylaws are fully described in Sec. 327.3(b). No Temple through its bylaws nor its officers may encroach upon the duties or the responsibilities nor the manner of fulfillment thereof by an elected temple recorder. Should that officer fail to do his job, the Temple's remedy therefor is Art. 30. It is not by the circumvention of Sec. 327.3 of the Imperial bylaws.

Both temples encouraged to seek relief of Imperial Council via Sec. 337.5(d).
- 38 February 20, 1989 Al Sihah
Complaint of Noble alleging improper election procedure and rules of order. Nominating speech for Imperial Representative included statement regarding the Temple's past precedent. Nominations, however, remained open. Ruling: Based upon Sec. 23, Roberts Rules of Order, the objectors failed to protect their appeal by failure to raise

- any objection to the procedure at the time. Otherwise, the vote itself appeared clear. There appeared to be no confusion amongst the membership. Election stands.
- 39 February 21, 1989 Moslem/El Khurafeh
Request for ruling from Potentates of Moslem and El Khurafeh Temples interpreting Sec. 329.4(e) regarding withdrawal of signature from petition for new temple. It is alleged that some Nobles who have signed the petition for a new temple have now "changed their minds". Based upon that alone, may they remove their names from the application?
Ruling: Sec. 329.4(e) specifically provides the grounds upon which a signature may be withdrawn—that it was "obtained by false representations". The Imperial Sir may neither enlarge upon nor detract from the language of the Imperial bylaws. Traditionally, the Committee on Dispensations and Charters has ruled upon the application for withdrawal. All parties concerned will be best served by a continuation of that process.

... At this point, Imperial Potentate McMullan resumed the Chair ...

IMPERIAL POTENTATE McMULLAN: I would now like to call on Everett Evans, Chairman of Public Relations. Are you around?

IMPERIAL SIR EVANS: Yes, Imperial Sir.

Imperial Sir, Imperial Sirs and Representatives: I am here to present to you today the Dromedary Award winners.

As some of you may remember, last year the Public Relations Department started an award presentation among the various Temple Magazines to see what kind of work you were doing out there and try to give some winning awards to those who were doing great work.

Now, we have had several honorary awards but the Dromedary Award winners were as follows:

Beja Temple.....	Beja Bugler
Irem Temple	Irem News
Al Shamal Temple	Al Shamal News
Khartum Temple	Khartum Oasis
Kosair Temple	Kosair Kolums
Medinah Temple	Medinah News
Aloha Temple	Wa'Ha Aloha
Tripoli Temple	Tripoli Tattler
Morocco Temple.....	Moroccan

If a Representative of those particular Temples would come up to the front here, we would like to present to you your award.

... Award presentation and applause ensued ...

IMPERIAL SIR EVANS: Again, thanks for all of your good work. This was done, I might say, by outsiders, people who are newspaper and public relations people, and these are their decisions and not that of the Public Relations Department. We are proud of all of our magazines.

Thank you very much.

IMPERIAL POTENTATE McMULLAN: Thank you very much, Everett.

Let me say that I have been getting copies of all of the magazines for the last five years

and because some of the publications are so outstanding I suggested to the Public Relations Department that they go into this venture.

I remember that sometime ago we did have this type of competition and I think it is good for the Temples and good for the morale and I thank you fellows for your cooperation in that regard.

Also, I might add that those that were given honorable mention awards, they will be notified by mail.

I would now like to call on Bob Lake for Item No. 24 in the Call.

NOBLE ROBERT LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and laws, Item Number 24 on Call of the Annual Session of 1989, located on page 30 of the Call. It is a resolution approving a change of membership of Dixie Shrine Association by adding the State of Georgia to its jurisdiction. Such resolution reads as follows:

RESOLUTION

BE IT RESOLVED, that the Imperial Council, pursuant to Section 209.1(b) of the Bylaws of the Iowa Corporation, approve the proposal of the Dixie Shrine Association to change its membership by adding the State of Georgia to its jurisdiction and that the Charter of such association be amended accordingly.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr.,
Chairman

Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Robert H. Bailey
Gerald L. Davis
James M. "Buddy" Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir B. D. Clark of the Dispensations and Charters Committee for its report.

IMPERIAL POTENTATE McMULLAN: I will recognize Noble B. D. Clark of the Dispensations and Charters Committee.

NOBLE B. D. CLARK: To the Representatives of the Imperial Council: There has been referred to your Committee on Dispensations and Charters, Item No. 24 on the Call of the Annual Session of 1989. It is located on page 30 of the Call. It is a proposal asking for an amendment to the Charter of the Dixie Shrine Association by adding the State of Georgia thereto. This association of Shrine Temples was originally organized in 1960.

Your committee met on July 2, 1989 and heard from Illustrious Rudy A. Posey. He was authorized to speak in the absence of the proponent.

Your committee determined that it was not proper to amend the Charter to include the designation of a state as a member of this Association of Temples. Instead, it gave consideration to the petition of Hasan Temple. This Temple had adopted a resolution at a stated meeting of its Temple to join the association. It had then petitioned the association and had been accepted by the association, subject to the approval of the Imperial Council.

Your committee found that this association has abided by its Charter by limiting its activities to holding conventions for purely fraternal purposes; that Hasan Temple is a nearby Temple; that Hazan Temple would add to the vitality of this association; that Hazan Temple would abide by the purpose of this association; and that the proposal had complied with Section 209.1(b) of the Bylaws of the Imperial Council.

It is our unanimous opinion that this change in membership would be in the best interest of the Order and this Association of Temples.

Respectfully submitted,
COMMITTEE ON DISPENSATIONS AND
CHARTERS

Beni Kedem, Chairman
Frank B. Fiedler, Aloha
Terry McGuire, Alzafar
B. D. Clark, Cahaba

Jim Hayes, Sahara

Imperial Sir, if there are no questions concerning this report, I move that the proposal be granted and that the Charter of the Dixie Shrine Association be amended by adding Hasan Temple as a member thereof.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: The motion and the second is that the proposal be granted.

Is there any discussion as to the granting of this proposal?

If not, all in favor say aye; opposed no. It is carried and so ordered.

I will next recognize Imperial Sir Bob Bailey for the presentation of Item 14 in the Call.

IMPERIAL SIR BAILEY: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 14 on Call of the Annual Session of 1989, located on page 25 of the Call. It is a proposal to amend Section 324.4 of Article 24 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 24

Temple Meetings and Ceremonials

Section 324.4 Sunday Meetings Prohibited

A Temple may not hold a business meeting or ceremonial session on Sunday, except upon a Special Dispensation of the Imperial Potentate for good and sufficient cause.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, R. E. Barr, Potentate and Representative of Gizeh Temple, for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: I will recognize the proposer, R. E. Barr.

ILLUSTRIOUS R. E. BARR: Imperial Sir, Imperial Sirs and Representatives: I move the adoption of this proposal and if I have a seconder, I would like to speak on it.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: The motion has been seconded.

Please proceed.

ILLUSTRIOUS SIR BARR: Imperial Sir, Imperial Sirs and Representatives: In relation to our Temples with the large jurisdictions, we have some of our Shrine Clubs over 1,000 miles from the Temple itself and, therefore, it becomes very expensive for young people to come to our ceremonials and be initiated.

Now, as you know, we have talked about membership and how important membership is to our organization.

So we are proposing and we hope that this will likewise help Temples that have Shrine Clubs so far away from them, such as Aloha Temple, as well as we would hope you would support us because we have some Shrine Clubs, for example, in the Yukon and the Northwestern part of British Columbia where it is very difficult to get to them by land. You have to go by sea.

Therefore, we ask your support in allowing us, with the dispensation by the Imperial Potentate, to have ceremonials to initiate some of the young people or young Masons in our area.

Thank you very much. Thank you.

NOBLE ROBERT REEVES [Al Bahr Temple]: Imperial Sir, Imperial Sirs and Representatives: I am not for or against the motion but I would just like to comment that I believe this is in violation of the Blue Lodge. That is all I want to say.

IMPERIAL POTENTATE McMULLAN: However, I can tell you that it is not in violation of Shrine Laws. I can certainly tell you that. (Applause)

Also, I just want to tell you that Gizeh Temple has some forty-four Shrine Clubs with a Temple membership of approximately 3,800 and some of them, as indicated, are as much as 1,000 miles away. That is a long way.

Is there further discussion?

If not, I will put the question on the vote.

All in favor say aye; opposed. It is carried.

I will next recognize Noble Cooper to present Item No. 35 of the Call.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 35 on Call of the Annual Session of 1989, located on page 44 of the Call. It is a proposal to amend Section 504.2, by changing certain language, and to add a new Section 504.3 of Article 4 of the Bylaws of the Imperial Council, a Colorado Corporation, so that such Sections will read as follows:

ARTICLE 4 Membership

Section 504.2 Termination of Membership. Membership of any Noble in this corporation may be terminated for failure to attend the Annual Meetings, by majority vote of the members at the Annual Meeting of this corporation.

Section 504.3 Emeritus Members. Any Noble in this corporation who attends fifteen (15) Annual Meetings of this corporation as a registered member shall become an Emeritus member immediately upon his registration as a member for the sixteenth (16th) year. An Emeritus member enjoys all rights and privileges of membership, including the right to vote, to debate and the right to hold elective or appointive office in the corporation. The termination of membership provisions of Section 504.2 shall not apply to Emeritus members.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Illustrious Sir Arthur J. Prowal, Past Potentate and Representative of Gizeh Temple, for an appropriate motion.

IMPERIAL POTENTATE McMULLAN: The Chair will recognize Illustrious Sir Arthur J. Prowal.

ILLUSTRIOUS SIR PROWAL [Gizeh Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Fellow Nobles: I would move the adoption of this proposal.

IMPERIAL POTENTATE McMULLAN: You have heard the motion, is there a second?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: Is there any discussion?

Hearing none, all in favor indicate by saying yes, opposed no. The motion is carried.

I will next call on Bob Lake for a report. I believe this is on Item 18 in the Call.

NOBLE BOB LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 18 on Call of the Annual Session of 1989, LOCATED on page 27 of the Call. It is a proposal to amend Article 29 of the Bylaws of the Iowa Corporation, by adding new language to paragraph (2) of subsection (a) of Section 329.5 so that such paragraph (2) will read as follows:

ARTICLE 29

Dispensations and Charter for New Temple

329.5 Action by Imperial Council.

(a) Dispensation

(2) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new Temple must contain a specific recommendation as to the disposition of the assets and liability of the affected clubs and appendant and affiliated entities in the territorial jurisdiction of the new Temple. The report must also contain a specific designation of the territorial jurisdiction of the new Temple. This jurisdiction is determined on recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected Temples an opportunity to be heard on the matter at a joint meeting of the committees.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Graves Trumbo, Chairman of the Dispensations and Charters Committee, for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: I will recognize Illustrious Sir Graves Trumbo.

ILLUSTRIOUS SIR GRAVES TRUMBO: Imperial Sir, I would move for the adoption of this proposal.

. . . The motion was duly seconded . . .

ILLUSTRIOUS SIR TRUMBO: Also, let me add, Imperial Sir, that this is a housekeeping measure. We want it absolutely clear that when a new Temple is organized that the assets and property of the Mother Temple in the territory of the new Temple remain with the Mother Temple unless an agreement is reached between the two Temples.

This proposal requires us to report on this matter directly to you when we make a Dispensation and Charters report.

Imperial Sir, at this time, I would like to yield to our General Counsel, Ted Corsones.

NOBLE TED CORSONES: My Fellow Representatives: As Graves has articulated, when you create a new Temple, there is always the question as to what happens in relation to the paraphernalia, the property, assets going to the new Temple.

This, in essence, is the property of the Mother Temple and you cannot take them away from the Mother Temple.

However, what we are trying to do here is to make sure we avoid another Red Fez Corporation lawsuit and so, if anybody desires a new Temple, they have to come in and acknowledge they are not taking away the assets of the Mother Temple.

On the other hand, if the Mother Temple says "Well, yes, fine, we are going to work something out," then Dispensations and Charters will report back to you on this and we will continue on from there.

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

Hearing no further discussion, all in favor of the motion please indicate by saying aye; opposed. I will declare the motion to be carried.

I will now recognize Noble Tingle for a report concerning Item 22 in the Call of the Annual Session.

NOBLE TINGLE: To the Representatives of the Imperial Council:

There has been referred to your Committee on Jurisprudence and Laws, Item Number 22 on the Call of the Annual Session of 1989, located on page 29 of the Call. It is a proposal to amend Article 36 of the Bylaws of the Iowa Corporation by amending Section 336.2(1) by adding certain language and adding Section 336.3.

With the concurrence of the sponsor, the committee recommends, in order to avoid conflict with present Imperial Law, an amendment to the language of the proposal which would also amend Section 336.1 of said Article 36 by deleting the last seven words thereof which now read "and must be composed wholly of Nobles."

The proposal, with the amended language, will read as follows:

ARTICLE 36 Temple Units

Section 336.1 Control by Potentate.

The units are a part of the working corps of the Temple and are under the control of the Potentate.

Section 336.2 Public Exhibitions.

(a) In parades of Temples at Annual Session of The Imperial Council or in parades under the auspices of Temples or Shrine Associations, only Nobles shall participate except as hereinafter authorized.

Section 336.3 Non-Shriner Participation.

A non-Shriner may participate in the activities of a Temple Unit provided he applies to such unit and, upon secret ballot upon his application by the unit members, he receives less than three black balls.

(a) Limitations. Such Non-Shriner:

(1) Is prohibited from participating in any meetings or activities of the Temple other than

the official activities of the Temple Unit and from participating in Temple Unit activities involving competition with another Temple. However, he does not have the right to vote at meetings of the Temple Unit.

(2) May wear a Fez of the Temple, without a scimitar or jewel, and the uniform of the unit only while participating in official unit activities. The Fez and uniform are the property of the Temple. These shall be delivered to such non-Shriner prior to the unit activity by an officer of the unit and returned to such officer at the completion of the unit activity.

(b) Termination. The Non-Shriner:

(1) Must become a Noble within two years of his acceptance as a participant in unit activities, or further participation in any unit is prohibited until he is a Noble.

(2) May be summarily terminated from further participation in such unit at any time by the Temple Potentate.

The committee reports that the proposed amendment, as amended, is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, and with the consent of the sponsor, I move that the proposal be amended by deleting from Section 336.1 the words "and must be solely composed of Nobles."

. . . The amendment was severally seconded and, there being no discussion, was voted upon and declared to be lost . . .

Imperial Sir, I now recommend you call upon Lyle F. Maldoon, Past Potentate and Representative of Damascus Temple for an appropriate motion on the proposal.

IMPERIAL POTENTATE McMULLAN: I will now recognize Noble Lyle F. Maldoon.

ILLUSTRIOUS SIR LYLE F. MALDOON [Damascus Temple]: Imperial Sir, I would move for the adoption of this amendment.

Now may I speak on the amendment?

IMPERIAL POTENTATE McMULLAN: Just a moment, is there a second to the motion for adoption?

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: Now, Noble Maldoon, you may speak to your motion.

ILLUSTRIOUS SIR MALDOON: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Fellow Representatives: I have proposed Item 22 because I am very concerned about the matter of serious and grave consequences arising in our entire Fraternity and the future of our Fraternity—declining membership—which is the key problem.

This proposal has the support of my Temple and the Cabiri and most members of the New York/Ontario Association that I have communicated with.

In the past ten years, at various Imperial Sessions, resolutions have been brought to the floor for changing the prerequisites of membership into the Shrine to remove the necessity of being a York or Scottish Rite member and in one instance, removing the prerequisite of being a Mason. These were defeated.

The majority of Representatives still feel strongly our ties to Masonry and the York and Scottish Rites are essential. However, many Representatives are equally concerned about

the rapid decline in our membership. This poses a serious dilemma. What can we do to stem this membership decline without taking drastic steps?

Our membership decline in Shrinedom began in 1979. The decline in Blue Lodge membership began in 1959, twenty years earlier.

Statistics show the following:

That Masonry is declining approximately five percent per year in New York State.

That Shrine membership is also declining approximately five percent in New York State.

That Shrine membership is declining approximately three percent in North America.

You can see we, Masonry and all accordant bodies, have a real problem that I hope you all want to attempt to reverse.

We must reverse this trend if we are to leave a Masonic legacy to future generations. We must reverse this trend if we are to leave a Shrine legacy of help to hundreds of thousands of crippled and burned children. Without Masons, we have no Shriners and without Shriners, we have no hospitals. I hope that statement is as disheartening to you as it is to me.

Shrine Bylaws presently state that a club or unit is an organization of "Nobles meeting as such," etc. In other words, for a man to become a member of any Temple, unit or club, he must first be a Noble.

Now, my proposal is to change our Bylaws only insofar as membership into a club or unit is concerned. It would not alter any of our Masonic prerequisites. I repeat, it would not alter any Masonic prerequisites.

This is a much more gentle, compromising step to help our membership decline.

It is designed to help increase membership in Blue Lodge and all concordant bodies. It is based on the known facts that Shrinedom is the "playground and most public arm of Masonry." A Shrine Club or Unit is very evident in parades, social functions, competitions, local fund raising events, cruises, circuses and many other public displays. The public recognizes the Fez of a Shriner and association with good men and hospitals.

Why not capitalize on these facts?

Under this proposal, a non-Shriner could participate in the activities of a Temple Unit provided he is approved by a secret ballot of that unit and receives less than three black balls. He could participate in parades and Temple and unit activities but could not attend a regular closed Temple meeting or compete in a Shrine sponsored competition of his unit. He could not hold office in the unit.

He must become a Shriner within two years or further participation in any unit would be prohibited.

While he is a member of a unit, it is hoped that he would enjoy his association with us and more fully understand our philanthropy and fraternity.

Also, he would see the caliber of men that are Masons and Shriners, the fellowship and brotherhood we enjoy and, hopefully, be less reluctant or hesitant to join us by becoming a Mason, York or Scottish Rite member and Shriner. If we were successful in this recruitment, we would help membership in Masonry and all concordant bodies.

This proposal has been discussed with Imperial Officers responsible for membership and Masonic liaison. It has been discussed with Shrine General Counsel. It has been discussed with many Thirty-Third Degree Masons. The support from all of these men has been very enthusiastic.

To do nothing and stay in the "status quo" would admit we do not care about the future of our Fraternity. We would lose Masonry, Shrinedom and our hospitals. The downward numbers do not lie. We must do something now.

Francis G. Paul, Thirty-Third Degree, Sovereign Grand Commander of the Northern Jurisdiction, Past Potentate of Kalurah Temple, says, and I quote—"Safety is certain, at least for awhile, if we do nothing. Yet Masonry teaches us to be dissatisfied, discontent with the status quo."

He then goes on to say: "More talk will not solve the problem of our declining membership. More talk will not revitalize our Fraternity. The time for action has come if we are really dedicated to the future of Masonry."

This proposal allows Shriners to legally bring non-Masons and non-Shriners to participate with us—to try us before they buy us. At the same time, and I presume a majority will like

what they see and feel, we will be helping Masonry reverse the membership slide in all of the bodies.

Since no prerequisites are changed and all Masonic bodies stand to win with this proposal, all modern day Masonic leaders at all levels should be enthusiastic about this proposed Bylaw change.

You may ask, "Can this proposal really bring men to Masonry and the Shrine?"

Well, let me cite an example.

A nearby Temple, which will be nameless, has a very active Parade Unit which has been bringing "cadets" (non-Shriners) into the unit for three years. The unit has brought in eleven such new members—ten that were non-Masons and the eleventh, who was a Mason but not a Shriner. Now, all are Masons, some even in line in their Lodge, and proud Shriners. Masonry increased membership by ten and Shrinedom by eleven.

So this is not a fantasy—it works. If we really mean business to increase membership, you must vote "yes" to this proposal. Show your leadership in the positive and growing future of Masonry and Shrinedom by voting "yes" for Item No. 22.

Thank you.

. . . At this point, the question was severally called for . . .

IMPERIAL POTENTATE McMULLAN: Thank you very much.

NOBLE PETTIT: Nobles, because you have objected to an amendment to this proposal, the proposal, as it stands now, is in conflict with 336.1 and the Jurisprudence and Laws Committee would recommend its rejection.

IMPERIAL POTENTATE McMULLAN: I believe there is a motion on the floor for acceptance and it has been severally seconded. I think all we have to do is to put the motion.

All in favor of the motion indicate by saying aye; now those opposed. The motion is defeated. It is rejected.

. . . Cheers and applause ensued . . .

I will next call upon Noble Davis to present Item 15 in the Call for the Annual Session.

NOBLE DAVIS: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 15 on Call of the Annual Session of 1989, located on pages 25 and 26 of the Call. It is a proposal to amend Sections 327.1 and 327.4 of Article 27 of the Bylaws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 27 Duties of Temple Officers

Section 327.1 Potentate.

(a) He is the Chief Executive Officer of the Temple, and he shall exercise general supervision over the Temple.

Former (a)-(g) reletter as (b)-(h).

Section 327.4 Treasurer. It is the duty of the Treasurer to:

(a) Act as the chief financial officer of the Temple, under the general supervision of the potentate.

(b) Act as custodian of all funds.

(c) Sign or countersign all checks, for the withdrawal of funds unless provided otherwise in the Temple Bylaws.

(d) Examine as often as necessary the financial reports and books of account of the Temple.

(e) When requested at any meeting of the Temple, give a financial report of the income and expenditures of the Temple since the last report.

(f) Prepare from books and records of the Temple and submit at its Annual Meeting the following information:

(1) An annual statement of the financial condition:

(2) An annual operating statement; and

(3) Any other or supplementary report or statement necessary to disclose the true financial condition, the nature and current value of the assets, the operating results, the

income and sources thereof, of the Temple and any affiliated subsidiary or appendant corporation or fund.

(g) Present his books and papers to the auditor whenever required.

The Committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Roderick D. Robertson, Past Potentate and Representative of Philae Temple, for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: The Chair will recognize Roderick Robertson of Philae Temple for the appropriate motion.

NOBLE RODERICK ROBERTSON [Philae Temple]: Imperial Sir, Imperial Sirs and Representatives: I would like to move the adoption of Item 15 in the Call.

... The motion was duly seconded ...

NOBLE ROBERTSON: I would also like to say that in my duties on the Finance and Accounts Committee I have had a good opportunity to work with members of the Shrine Treasurers Association of North America, which is a great and growing organization, and which is dedicated to accept responsibility for Shrine Temples.

I think this legislation is also dedicated to fiscal responsibility and I heartily hope you would adopt it.

IMPERIAL POTENTATE McMULLAN: Thank you, Rod.

Is there any further discussion?

NOBLE E. A. CAPOBIANCO [Aleppo Temple]: On Item (d) in Item 327.4 in the Call, the one that had been changed from (c) to (d), it includes the words "since the last report" but it was not read, I believe, the way that it was in the Call, because the language in Item (d) just goes on and there is no period. In other words, the way it was read, the wording was not in the Call that way and if any of that language is to be deleted, it should have a line going through those words to indicate that they are to be deleted and if they are not to be deleted, they should be printed in there. That is a point of clarification in relation to the Call.

NOBLE DAVIS: Well, I do not have a copy of the Call with me but the wording in the report should be as in the Call. There may have been some kind of typo here but it should actually have been as it appeared in the Call. Regardless of the way this may be worded, you should consider only the wording as it appears in your Call.

NOBLE RONALD MACDONALD: [Philae Temple]: Imperial Sir, Imperial Sirs and Representatives: I believe this could be a detrimental legislative change. This, in my view, would not be in the best interest of my Temple.

Imperial Sir, as we ask for more funds and that funds be raised from our Nobles, it is my opinion that we demonstrate to those same Nobles our earnest desire to show positive financial housekeeping as a joint decision through a Finance Committee, should a Temple so wish and, therefore, I am not in favor of the motion.

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

NOBLE ROBERTSON [Philae Temple]: Well, there you see how much support I get from the members of my Temple. (Laughter)

IMPERIAL POTENTATE MCMULLAN: Well, you know, you are a CPA and that always takes care of that. (Laughter)

NOBLE ROBERT ROYLE [Philae Temple]: I am the Assistant Rabban of Philae Temple.

Now, let me say that we currently have an elected Treasurer—elected from the floor and who is not a certified accountant.

Therefore, our Bylaws state, under Chapter 8, that our Finance Committee is very important to that Temple, because our Treasurer does not have financial credibility. (Laughter)

IMPERIAL POTENTATE MCMULLAN: Well, I would say that is the fault of your Temple. (Laughter)

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs and My Fellow Representatives: I feel that it is necessary for me to speak regarding this matter because, really, what we are trying to do is improve the quality of what is being done in all of our Temples. We are trying to bring good business practices to those Temples and I say that the wording in this proposed resolution would do that.

It would simply mean that in our Temples we are attempting to do the same type of things we would do in running a good business and if we do have a situation in a Temple where the Treasurer is weak regarding these matters, I hope that would help us to evaluate the following person occupying that position.

I commend the Treasurers Association for what they have done thus far and I support the resolution.

. . . The question was severally called for . . .

NOBLE ROBERTSON [Philae Temple]: Imperial Sir, could I request that you call for a standing vote on this?

IMPERIAL POTENTATE MCMULLAN: Yes, we can do that.

NOBLE SAM ERICKSON [Osman Temple]: Imperial Sir, Imperial Sirs and Representatives: I am a member of the Finance and Accounts Committee.

One of the concerns that was brought up last year and again this year by Potentates and Divans is that they feel they lose control. However, please believe me when I say that is not the intent in relation to this motion.

If you will notice, when we take a look at this, and consider modern business, because, many of you people are in business and, therefore, in your particular corporation, do you not have a comptroller or a CEO? Is that true?

. . . Cries of "right" . . .

NOBLE ERICKSON: Well, that is all we are suggesting.

Therefore, if you will carefully look at 327.4(a) very carefully, it states as follows: "Act as the Chief Financial Officer of the Temple under the general supervision of the Potentate."

Therefore, you are not taking away from the Potentate. This person will be acting with the Potentate in dealing with finances. Thank you.

IMPERIAL POTENTATE MCMULLAN: Is there further discussion?

. . . The question on the motion was severally called for . . .

IMPERIAL POTENTATE MCMULLAN: The question has been called for and we will take a standing vote.

All in favor say aye; those opposed. It is carried.

Now, let me say that Gene Bracewell told me that he was going to be gone for three minutes and I believe, Jack, you have some announcements?

. . . Brief announcements by Imperial Recorder Jones then ensued . . .

IMPERIAL POTENTATE MCMULLAN: We will next have the Treasurer's report and then we are going to have the donations and then, following that, for the edification of the Grand Masters present, we will be into the Masonic business at one-thirty.

I would now like to recognize our Imperial Treasurer, Imperial Sir Webber Harrington.

IMPERIAL SIR HARRINGTON: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and My Fellow Representatives: I will try to be very brief.

First of all, I would like to give you the Treasurer's report with respect to the Iowa Corporation and I urge every one of you to please read these reports which are in your Green Books. There is a lot of valuable information within them and I hope that you will look at them at your leisure.

However, I would like to point out just a few highlights regarding these reports.

First of all, with respect to the Iowa Corporation, I want to read one paragraph from this report for you.

It says that I have been asked on numerous occasions by knowledgeable, concerned members of the Imperial Council why, for the last several years, we have budgeted sizable deficits which, except for the year 1988, have been overcome by savings, principally as a result of the fine cooperation of the Representatives in arranging for super air fares.

It has already been pointed out to you this morning that our preliminary review of the air fares for the Representatives to this Session have resulted in a savings of in excess of \$290,000, which will reduce the projected deficit for the current year, that is, in United States funds.

We are delighted and we appreciate what you have done and thank you very much for this fine cooperation.

Also, I want to go on and say that the reason that we have had to budget these deficits before we knew what these air fares would be, is that we have no way of predicting in July when a budget is adopted as to what the lowest, unrestricted discount air fares will be on the following day or how much the Representatives will save by the diligent efforts to attain lower fares.

Thus far, however, we have been fortunate and deeply grateful for your cooperation.

Further, the Deputy Imperial Potentate has indicated that he intends to appoint a committee to study the whole per capita situation and to report with recommendations with regard to this matter at the next Imperial Session.

With that, Imperial Sir, I would move for the adoption of the Treasurer's report for the Iowa Corporation.

... The motion was severally seconded ...

IMPERIAL POTENTATE McMULLAN: You have the motion and the second which is to adopt the report of the Treasurer concerning the Iowa Corporation.

Is there discussion?

If not, those in favor please say aye; opposed. It is unanimously carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I am going to let you go now and we will stand in recess until one-thirty o'clock p.m.

... The One Hundred Fifteenth Annual Session of the Imperial Council, A.A.O.N.M.S., recessed at eleven forty-five o'clock a.m., to reconvene at one-thirty o'clock p.m. ...

AFTERNOON SESSION THURSDAY, JULY 6, 1989 ONE-THIRTY O'CLOCK P.M.

The One Hundred Fifteenth Annual Session of the Imperial Council reconvened at the Royal York Hotel, Toronto, Ontario, Canada, at one-thirty o'clock p.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE McMULLAN: Gentlemen, we will now be reconvened.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I would now like to call on Sewell Lamdin, Chairman of the Committee on Grievances and Appeals, for a quick report and then we will follow that with the report of the Shrine-Masonic Liaison Committee.

NOBLE LAMDIN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Fellow Representatives: Before I give the report, I would like to explain briefly what the committee is charged with under the provisions of Section 323.8(e).

So that everybody will know and understand when we make a determination, our determination is very, very limited. This is the language: "The committee shall determine whether the loss of membership was for conduct in violation of Shrine Law." That is all we do.

In relation to any of the four we have thus far had this year, each of these was scrutinized under just this particular provision and our recommendations have come forth under that provision—the provision of Shrine Law only.

Now, before making these reports, I think you should know the members of your committee because these men have worked awfully hard and long.

We had them up early this morning again and yesterday afternoon and we were there until almost eight o'clock with the Grand Master of the State of Arkansas.

So we have on the committee, from Vancouver, Leslie Peterson, a member of the Bar there. We also have on the committee Warren Upton, an attorney from Charleston, West Virginia; Gerald Groat, a prosecuting attorney from Detroit, Michigan; J. B. Hopkins, an attorney from Pensacola, Florida; Charles Iverson, from Washington, D.C., Bob Hughes from Georgia and then we likewise have two other members, Jim Singley and Jack Streight, Q.C., a member of the Queen's Court.

Gentlemen, this is your committee and they had some tough cases to consider this year and I want you to give them a round of applause. (Applause)

IMPERIAL POTENTATE McMULLAN: In reality, they are the unsung heroes.

NOBLE LAMDIN: To the Representatives of the Imperial Council: There was referred to your Committee on Grievances and Appeals, an appeal filed by Noble James C. Dunbar, Jr., Past Potentate of Syria Temple, from a finding of not guilty by the Temple Trial Committee on Noble Dunbar's complaint against Past Potentate Eugene F. Connelly of Syria Temple.

This appeal was timely filed, and a hearing was scheduled for Sunday, July 2, 1989, in Conference Room No. 5, Royal York Hotel, Toronto, Canada. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled, with the appellant being present without counsel. Noble James M. Ecker, Attorney at Law, was present representing former Noble Eugene F. Connelly. Past Potentates Lloyd Kildoo and Woody McDaniel of Syria Temple were also present. All present were heard, and the matter was submitted for determination.

This matter was the result of an altercation that took place in the PAA at a Past Potentate's dinner meeting. Noble Dunbar alleged he was physically attacked by Connelly and filed criminal assault charges against Connelly. The charge was reduced to one of harassment. Connelly was found guilty and fined \$100. Dunbar then filed charges under Article 30 of the Imperial Council Bylaws, and a trial was held at Syria Temple; and Connelly was found not guilty. This appeal is from that finding.

After a full consideration of all the evidence, your committee is of the unanimous opinion that the verdict of the Temple Trial Committee should be sustained and the appeal be denied.

In view of the above, your Committee on Grievances and Appeals recommends that the Temple Trial Committee's verdict be sustained and that the appeal be denied.

Respectfully submitted by the Committee on Grievances and Appeals.

I. Sewell Lamdin, Boumi Temple,
Chairman
Charles Iverson, Almas Temple
Warren Upton, Beni Kedem Temple
Leslie R. Peterson, Gizah Temple
J. B. Hopkins, Hadji Temple
Robert Hughes, Hasan Temple
Gerald Groat, Moslem Temple

Imperial Sir, I would move for the adoption of the report.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: You have heard the motion and the second.

Is there any discussion?

If not, all in favor of the adoption of this report indicate by saying aye; opposed. It is carried.

TORONTO, CANADA
JULY , 1989

To the Representatives of The Imperial Council:

There was referred to your Committee on Grievances and Appeals an Appeal filed by former Noble Eugene F. Connelly under Section 323.8(e) of Article 23 of the Imperial Council By-Laws after being suspended from the pre-requisite bodies.

The Appeal was timely filed and a hearing was scheduled for Sunday, July 2, 1989, in Conference Room 5, Royal York Hotel, Toronto, Canada. Due notice of said hearing was given all parties concerned by first class mail, postage prepaid.

The hearing was held as scheduled with the Appellant being present and represented by Counsel. Past Potentates Dunbar, Kildoo and McDaniel of Syria Temple were also present.

All present were heard and the matter was submitted for determination.

This dispute arose out of an altercation between Noble Dunbar and former Noble Connelly at the PAA during a Past Potentates dinner. Noble Dunbar alleged he was attacked by Connelly and filed charges against Connelly in his Blue Lodge. A Trial was held and Connelly was found Guilty and expelled from his Blue Lodge. Connelly then Appealed to the Imperial Recorder under Section 323.8(e) of Article 23 of the Imperial Council By-Laws.

Upon request of former Noble Eugene F. Connelly, a STAY was granted until this Session of the Imperial Council being held in Toronto, Canada from July 3rd to 7th, 1989, under Section 208.9(a)(6) of Article 8 of the Imperial Council By-Laws.

After a full consideration of all the evidence submitted and arguments heard, your Committee on Grievances and Appeals is of the unanimous opinion that the Appeal should be denied.

In view of the above, your Committee on Grievances and Appeals recommends that the Appeal of former Noble Eugene F. Connelly be DENIED.

Respectfully submitted and signed by the members of the Committee on Grievances and Appeals.

Imperial Sir, I would move for the adoption of the Report.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: You have heard the motion and the second.

Is there any discussion?

If not, all in favor of the adoption of this report indicate by saying aye; opposed. It is carried.

NOBLE LAMDIN: May I request the Grand Master of the State of Arkansas to come up here, please.

Now, fellow Representatives, as you know, we have had a real sticky wicket and we have been wrestling with it since Sunday and the Grand Master of Arkansas, Joe Davis, was kind enough to submit himself to the committee. He was not summoned, he came to the committee. He spoke to us about an hour and a half last night. He then submitted to another grilling by yours truly at seven o'clock this morning. He has been on the telephone with the attorney for the Grand Lodge of Arkansas. Our committee has been on the telephone with the attorney of Noble Ward.

However, gentlemen, let me again say that I think that the Grand Master has gone the extra step and because of what he has done, I would like to submit the following report concerning this issue:

To the Representatives of the Imperial Council: There was referred to your Committee on

Grievances and Appeals an appeal filed by Noble James V. Ward of Sahara Temple pursuant to Section 323.8(e) of Article 23 of the Imperial Council Bylaws.

Said appeal was timely filed and a hearing was scheduled for Sunday, July 2, 1989, in the Royal York Hotel, Toronto, Canada. Due notice of said hearing was given all parties concerned by first-class mail, postage prepaid.

The hearing was held as scheduled and the appellant appeared without counsel. Nobles Burton Ravellette, Assistant Rabban and Richard Lawrence of Sahara Temple appeared and were heard.

Prior to reporting, your committee received a request from Noble H. P. "Joe" Davis, Grand Master of the Grand Lodge of Arkansas to appear before the committee. This request was granted.

After numerous conferences with the Grand Master and the committee, as well as phone conferences with the appellant and his attorney, it was the consensus of your committee that a possible solution was available.

In view of the above, your Committee on grievances and Appeals recommends that the matter be referred to the incoming Grievances and Appeals Committee to report at the next Session of the Imperial Council to be held in Chicago, Illinois, in 1990.

It is further recommended that the stay be granted under Section 208.9(a)(6) of Article 8 of the Imperial Council Bylaws until the next Session of the Imperial Council to be held in Chicago, Illinois, in 1990.

Respectfully submitted and signed by the members of the Grievances and Appeals Committee.

Imperial Sir, I would move for the adoption of this report.

... The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: You have before you a motion to adopt the verbal comments from Illustrious Sir Sewell Lamdin, together with the officially prepared report concerning this issue.

Is there any discussion?

If not, all in favor please say aye; opposed. It is unanimously carried.

Thank you very much. (Applause)

I would now like to call on Imperial Sir Brantley to present the Shrine-Masonic Liaison Committee report.

IMPERIAL SIR BRANTLEY: Imperial Sir, Imperial Sirs, Grand Masters, Illustrious Potentates, Members and Representatives of the Imperial Council: I must say, in beginning this report, that I was actually delighted to see reasonable men resolve or take steps toward reasonable solutions to complex problems in the report that Judge Lamdin just made and related to you at this Session.

I would like to have you also know the committee members on the Shrine-Masonic Liaison Committee before we start. We have worked in your behalf in accordance with the mandate of the resolution last year, have worked on this issue for the past twelve months.

The members of this committee are Imperial Sir Jack Jones, our Imperial Recorder and Illustrious Sir Ted Corsones, General Counsel for the Shrine of North America and myself.

Now, there is not a man in this room who fails to understand the gravity of the situation we face today in terms of our relationship with Masonry. The course of our future as Shriners could very well be decided by the decisions we reach here during the business we conduct at this One Hundred Fifteenth Imperial Council Session.

Before I begin my report, I urge all of you to weight heavily, as I have done this morning,

any ballot you may cast on the very important issues on the Call. We stand at the crossroads of our history. In no small measure we have the fate of Shrinedom, as future generations will know it, in our hands.

Imperial Sir, your Shrine-Masonic Liaison Committee believes it is vitally important for each man in this room to be knowledgeable about the events of the past several months that have led us to this point. No doubt, you have heard numerous versions of the facts which I am about to impart.

Over the course of the past twelve months, I myself have had difficulty at times separating facts from hearsay and rumor, and I am the Chairman of the committee, and so I imagine it has been likewise confusing to many of you.

I would like to begin by placing in chronological order the events that have transpired which have brought us to this situation whereby we face such a crucial point in our existence.

During the course of the past year, the committee wrote to the 190 Shrine Temples and asked that this committee be provided with information relative to relationships between their Shrine Temples and their Grand Lodges. I am proud to report today that while we did receive replies outlining situations which involve friction between a Temple or its Nobility and a Grand Lodge or Grand Master, ninety percent of our Temples reported no problems. They told us that they had a "satisfactory" working relationship with their Grand Masters and the Grand Lodges of their jurisdictions. This of course, was encouraging news to all of us on the Shrine-Masonic Liaison Committee. Please keep this fact in mind as we report to you about jurisdictions where our relationships are less than satisfactory.

By now, it will come to you as no surprise when I state that we have several situations existing that give us cause for concern—situations where smoldering embers seem on the verge of erupting into full scale fires. I am going to outline seven such situations for you very briefly but I will omit the names of any individuals or jurisdictions, since it is not my intention to embarrass anyone but rather to present you with the facts as they exist.

We have had, for example, situations where a Grand Master has told a Shrine Temple that they cannot hold a meeting in any place where alcoholic beverages are served or made available.

We have had situations where Grand Masters or the Grand Lodges have said that you cannot sell circus tickets or programs to anybody other than Shriners.

We have had situations where a Grand Master or a Grand Lodge has said that a Temple cannot rent its building for a public event if alcohol is made available.

We have had a situation where a Grand Lodge has stated that the members of a certain Temple must vote as the Grand Lodge says or be expelled, or take a demit from the Temple.

We have had a situation where a Potentate has been informed that he cannot have a cocktail reception in a separate private room before his Potentate's reception.

Likewise, we have had a situation where a Grand Master has told Representatives to the Imperial Council from his jurisdiction that they should not vote for the Deputy Imperial Potentate to be Imperial Potentate as he is not a good Mason. We have also had a situation where a Grand Master has told the Chief Rabban of a Shrine Temple that he should not appoint certain individuals as a Shrine Temple Officer since he is not a proper person to hold that office and charges will be brought against the Potentate if he does so.

And finally, we have had a situation where a Deputy Grand Master has said that his first official act after being installed as Grand Master of his jurisdiction will be to suspend the Deputy Imperial Potentate from Masonry. I am sure you all know who made that statement—New Jersey. However, that Grand Master has not, at least to date, carried through with that and I also am pleased to tell you that at a meeting this morning with a group of Grand Masters, one of them publicly stated, "We will not do that without a proper charge." (Applause) I believe that statement to be true.

Now, let me talk to you specifically about New Jersey.

The situations I have just outlined for you are most serious, yet they pale by comparison in terms of their intensity and the potential for negative impact on our great Fraternity when compared to the present situation we face in the State of New Jersey.

You have heard countless rumors and numerous reports concerning New Jersey and I will now present the facts to you. Please, Nobles, do not make the mistake of tuning this

portion of the report out because it deals with a Temple in New Jersey and your Temple is in Tampa or Tyler or Tucson, because if it can happen in New Jersey, it can happen anywhere.

Most of you, I am sure, remember the Imperial Council Session in New Orleans last June, when the New Jersey Grand Master issued his first edict. It was presented in the form of a letter to the then Imperial Potentate, Imperial Sir Voris King, as he stood on the reviewing stand reviewing the units that were parading before him during the day parade. It was dated June 28th and was read by Imperial Sir King just prior to the official opening of last year's Imperial Council Session.

The Most Worshipful Grand Master, Ray Bellini, by issuing that edict, in effect, placed all Masons who were members of Salaam Temple out of business. The edict directed and decreed that:

1. No Master Mason under and/or in the jurisdiction of the Grand Lodge of New Jersey, would be allowed to petition, solicit or otherwise attempt to become, or become, or encourage, assist or aid any other Master Mason to become, or attempt to become a member of Salaam Temple.

2. No Master Mason under and/or in the jurisdiction of the Grand Lodge of New Jersey, would be allowed to even attend or participate to any degree in any meeting, function or other activities held by Salaam Temple—individually or in concert with others, within or without the state of New Jersey without permission of the Grand Master of the State of New Jersey.

Furthermore, any Master Mason who violated the edict would be subject to suspension, Masonic charges and a Masonic penalty.

This edict was purposefully issued just moments before the official opening of the Imperial Council Session to have the most devastating impact upon it. All of you will recall, I am sure, the turmoil we struggled under for a full week.

Immediately following the rap of the gavel which closed our New Orleans Session, newly installed Imperial Potentate Edward G. McMullan established a three-member Shrine-Masonic Liaison Committee made up of Imperial Sir Jack Jones, Illustrious Sir Ted Corsones and myself—with instructions to immediately travel to New Jersey and meet with the Grand Master, his Grand Officers and the Officers of Salaam Temple in an attempt to resolve this situation. I telephoned the Grand Master within one hour of the creation of our committee. Just because of his heavy travel schedule, he could not receive us for one week.

The initial meeting occurred at Grand Lodge Headquarters in Burlington, New Jersey, one week following the Imperial Council Session. In attendance were the Grand Master, his Grand Lodge Officers and the three top Officers of Salaam Temple, who were placed in a separate room of the building because of the animosity that had built up between the two groups.

During this initial meeting, Most Worshipful Bellini indicated to your Shrine-Masonic Liaison Committee he felt that the Imperial Potentate or some entity within the Shrine, should have the authority or power to overturn a ballot taken at Salaam Temple in which an individual, a personal friend of his Deputy Grand Master, did not pass the ballot box. The Grand Master further stated that if this was not possible that he had the authority to take the gavel in Salaam Temple and declare the ballot favorable even though, in truth, it was not favorable.

Most Worshipful Bellini, and all of his Officers, were presented with copies of the Shrine Bylaws and told that the Imperial Potentate did not have that authority, nor did any individual or entity within or without the Shrine have the authority to overturn any ballot. They were told that only the Imperial Council could enact such power and only then through a change in the Shrine Bylaws.

However, as a gesture of conciliation, Salaam Temple did agree to ballot on candidates at their next stated meeting on September 19, 1988, more than thirteen weeks after the previous ceremonial, even though balloting did not normally occur at such meetings.

The edict issued by the Grand Master was not lifted, but he did lift that portion of the edict which allowed the Nobles of Salaam Temple to solicit new members for the September 19 balloting.

While the Grand Master was not pleased with the fact that he had been told the Shrine could not and would not overturn a ballot he had requested we overturn, he did accept the September 19 balloting as a concession. Despite his seeming acquiescence, in an apparent

effort to flex his authority, he immediately Masonically suspended the principal officers and therefore their participation as Shriners in an Annual Fourth of July Parade. This included the elected Divan, appointed Divan and several unit heads who took part in that parade. He suspended twenty-four people.

Only a new Bylaws passed on the second to the last day of the Session in New Orleans kept Salaam Temple functioning at that point, since a letter of certification from the Imperial Potentate had been issued allowing the Temple to continue normal operations—even though the Officers of the Temple were no longer Masons in good standing at that time.

On September 19, balloting was held at Salaam Temple with all members of the Shrine-Masonic Liaison Committee in attendance. The petitions being voted upon consisted of eight members of Alpha Lodge, a Blue Lodge located in Newark, New Jersey. All eight were balloted upon individually and all eight were turned down. I would say parenthetically that the Lord himself would have guarded that ballot box because of the animosity that existed.

A second edict was issued on October 20th by the Grand Master of New Jersey, which direct all 4,300 Salaam Temple members to “voluntarily” demit from Salaam Temple by December 31, 1988 or be suspended as Master Masons.

Shortly thereafter a lawsuit was filed by the members of Salaam Temple in the New Jersey Civil Court charging that the Grand Lodge of New Jersey, in notifying some 4,300 Shriners of Salaam Temple that they must demit from Salaam Temple by December 31, 1988 or be suspended as Masons, was in violation of the rights of the individuals involved and in violation of fundamental fairness. None of the 4,300 Masons had ever been charged or even received a Masonic trial. As a result of the edict 1,250 Nobles took demits.

On January 17, 1989 a court hearing was held at the request of Salaam Temple for the Grand Lodge of New Jersey to show cause why a preliminary restraining order should not be imposed while the case was pending and why the case should not be allowed to proceed as a class action suit.

The Judge’s ruling in the case let the Grand Master’s edict stand but would not allow the Grand Master to enforce it by suspending these Masons. The Judge did allow the case to proceed as a class action suit and gave the Temple seventy-five days to determine who wanted to be part of the suit. Only 179 Nobles indicated that they did not want to be a part of the class action which means that a large majority of those who demitted will also be a part of the suit.

Repeated meetings and attempts by your Shrine-Masonic Liaison Committee to bring the Grand Lodge of New Jersey and Salaam Temple together to resolve the situation failed.

A second hearing on the case was held in the Civil Court of New Jersey, on May 12, 1989, during which pretrial motions were heard. Alpha Lodge was not allowed to intervene in the case and the request of the Grand Lodge to move the trial to Newark, New Jersey, was denied. You should know that the civil litigation in New Jersey is still, at this point, in the procedural stages. The case is not scheduled for trial on its merits until late this year or during 1990. Though the edict of Grand Master Bellini expired with his term of office on April 14, 1989, the new Grand Master recently reissued the same edict and backdated it.

It is important for all of you to keep in mind that at no time have any members of Salaam Temple been formally charged and tried with breaking any Masonic Law. Furthermore, they have adhered strictly to Shrine Law. Nonetheless, as a result of the edicts of the Grand Master of New Jersey, the membership of Salaam Temple has been reduced from approximately 4,300 members to approximately 3,000 members. But will the hemorrhaging stop at 3,000? I regret to inform you that it may not. It has been reported to your committee that a New Jersey Grand Lodge Officer has stated that he will see to it that Salaam Temple is closed.

Nobles, an arbitrary decision by someone who is not in a position of authority within our organization cannot and must not be allowed to dictate how we function as an independent Fraternal Order. And he must not be allowed to decide who can and cannot join our ranks. (Applause) His request that we violate our Shrine Bylaws to satisfy his wishes is unacceptable.

We ask all of you to give serious consideration to the gravity of the situation in New

Jersey. We believe it is vital that all Shrine Temples unite behind our Brother Nobles of Salaam Temple, providing both moral and, if necessary, financial support.

As I stated earlier, Nobles, do not think that just because you live outside of New Jersey that you will never face a similar situation in your home jurisdiction.

If the Grand Lodge of New Jersey is allowed to, "in effect," close down a Shrine Temple, then none of us can feel we have control of our own destiny.

We cannot allow any Shrine Temple to be shut down by any force other than the Imperial Council.

The closing down of Salaam Temple or the limiting of its activities in any way sends a signal to a Grand Master of like mind that if he does not like the way the Shrine Temple in his jurisdiction is operated, he has the power to terminate its existence. Think about it, Nobles.

Now, I am going to bring you up to date about the situation in California.

In order for you to fully understand the situation, we feel it is important for all of you to know the facts relative to what has transpired between the Grand Master of California, Most Worshipful Stanley Channon, the Shrine Temples of California and your Shrine-Masonic Liaison Committee.

Shortly after the Shrine East-West Football Class was held in Palo Alto, California—an event which has become international in scope since it involves Temples, as well as athletes, from across the United States, Canada and Mexico—as well as network television exposure, the most Worshipful Stanley Channon, Grand Master of the Grand Lodge of Free and Accepted Masons of California, wrote a letter dated January 31, 1989 to the managing director of the East-West Classic, Knapp "Tom" Tomberlin, indicating to him that certain aspects of the East-West event did not conform with the California Masonic Code, and asking Tom to attend a meeting at the Grand Lodge Office on February 13, to discuss these "areas of conflict"—as he termed them—and possible resolutions.

A February 3rd letter from the Grand Master also invited all Potentates of the Shrine Temples in the State of California to attend a "workshop" at the end of February on the California Masonic Code, as it applied to fund raising events and building use.

As Chairman of your Shrine-Masonic Liaison Committee, I was instructed by your Imperial Potentate to write to Most Worshipful Grand Master Channon, and advise him that his letter to Noble Tomberlin had been brought to the attention of the Imperial Potentate. Pursuant to instructions from our Imperial Potentate, Grand Master Channon was informed that any areas of conflict which may exist, and possible solutions to same, should be discussed with the Imperial Shrine Liaison Committee. We stated we were willing to discuss these matters at any mutually agreeable time and suggested that perhaps a meeting could take place at the upcoming Conference of Grand Masters in Washington, D.C.

A meeting was held at the Conference of Grand Masters in Arlington, Virginia, in February. In fact, Shrine-Masonic Committee members met with Most Worshipful Channon several times during the course of the Conference. During these meetings the Grand Master indicated to us that he had called the meetings with Noble Tomberlin and the heads of the California Masonic organizations—including our Shrine Temples—to find avenues where changes needed to be made in the California Masonic Code—but also to emphasize to the California Shrine Temples that they would have to conform all their fund raising activities for our hospitals and for our Temples to the provisions of the Masonic Code of California.

Your Shrine-Masonic Liaison Committee members took the opportunity to express to the Grand Master that fund raising activities for our hospitals and for our Temples are governed by the provisions of Shrine Law. He was not willing to accept that.

A second meeting was held with the Grand Master on April 6th, 1989 in San Francisco (a meeting which lasted nearly four hours, by the way). The Grand Lodge Officers and the Chairman of the Grand Lodge Masonic Jurisprudence Committee were present. Your Shrine-Masonic Committee respectfully informed the Grand Lodge Officers that the Shrine is a separate and distinct legal fraternal corporation; that it must abide by its Articles of Incorporation and Bylaws; and that its Officers must abide by their Oath of Office to "strictly conform to the requirements of Shrine Law." Furthermore, the Grand Lodge Officers were informed that no other fraternal body has the power, authority or jurisdiction to interfere with the internal affairs of the Imperial Council or its Temples.

The Grand Lodge of California stated it was their intention to review all of the Shrine fund raising held in the State of California for Shriners Hospitals and for our Shrine Temples. Further, that all Shrine fund raising must conform to the requirements of the California Masonic Code. Then, they wanted to review all our Shrine football games, advertising, concessions, tickets, promotions and contracts and to have all of them conform to the requirements of the California Masonic Code. Then, they wanted to review all of our financial records pertaining to these events.

Your Shrine-Masonic Liaison Committee informed the Grand Lodge Officers that these are Shrine functions and, as such, are not subject to review or control by any other organization.

During the meeting the Grand Master conceded that he believed the California Masonic Code was out of date in many respects and he provided our General Counsel with a copy of the California Masonic Code and asked him for suggestions on how they might revise it regarding fund raising matters to make it a more relevant document, in line with today's world.

The meeting concluded with a statement by the Shrine Representatives that the Shrine cannot, and will not, interfere with the internal Masonic affairs of the Grand Lodge of California and we would expect the same courtesy and respect from the Grand Lodge regarding Shrine matters. Further, when our Temples and the Nobles of California engage in fund raising activities for our hospitals and our Temples, these activities are to be governed by Shrine law.

On April 26 the Grand Master of the State of California wrote to all Grand Masters in North America, and included a copy of a letter I had written on April 10 to all Shrine Temple Potentates and Records in California that outlined the discussions which took place during the April 6 meeting in San Francisco. He also enclosed a letter he prepared to all Masons of California, which he would place in the next issues of the Grand Lodge publication.

In the second paragraph of that letter he stated that "The supremacy of the Grand Lodge of California over all Masonic activities in this jurisdiction is being seriously threatened by the Imperial Council of the Nobles of the Mystic Shrine." The letter went on to refer to a proposed resolution to be considered in Toronto "disassociating the Shrine from Freemasonry."

In response to the Grand Master's letter, your Shrine-Masonic Liaison Committee wrote to the Most Worshipful Channon on May 3rd (copying all Grand Masters) and informed him that at the time his letter was sent—which was April 26—no such proposal had been introduced. Of course, all of you realize that it eventually was introduced, it would be a part of the Call. We went on to inform the Grand Master that such a proposal had been introduced twice previously, in the immediate past, and that each time it was defeated by more than a two-thirds vote of the Representatives. It was further pointed out that each member of the Shrine-Masonic Liaison Committee, as well as a great majority of the Imperial Divan oppose legislation that would disassociate the Shrine from Freemasonry.

At the same time your Shrine-Masonic Liaison Committee was writing to the Grand Master to response to his letter (May 3) the Grand Master was writing to the Potentates of All Shrine Temples in California and quoting several sections of the California Masonic Code, in particular, Section 100 of the CMC, which states that:

"The Grand Master may take action to force any prerequisite organization to cease and desist any of its business or entertainment schemes which are found to reflect on Masonry in general or violate the laws of the Grand Lodge, and may order trials of any Masons engaging in such enterprises."

The Grand Master pointed out in his letter that if anyone should "... be in doubt as to this Grand Lodge being the supreme Masonic power and authority in this jurisdiction, relative to the conduct of Shrine business or entertainment schemes, he need only look ..." at that Section of the Code.

Did he really mean what he was saying? Your committee was most concerned. Therefore, a telephone conversation was held with a member of the California Grand Lodge Masonic Jurisprudence Committee. He was asked the following question: "If the California Masonic Code is amended by the California Masons to include a provision that there shall be no

hospitals for charity in California, what do you say would happen to our Shrine Hospitals in Los Angeles and San Francisco?" His answer was that the Shrine would have to close their hospitals.

Nobles, this august body saw fit yesterday to raise itself above the inter-fighting of our Masonic family and in spite of the adversity we face in the State of California from a California Masonic Code that is totally outdated, you voted \$65 million for a new hospital in California. (Applause) Shame on my friend Stanley Channon and I truly mean he is my friend.

Nobles, no person in this room, least of all the members of your Shrine-Masonic Liaison Committee, dispute the authority of the Grand Master of California to govern Masons and Masonic events in accordance with the California Masonic Code. But we are emphatically saying that the Shrine has jurisdiction and control over its own affairs and the affairs of its hospitals.

Both organizations have dynamic and vital purposes to serve. A Mason applies and compares the moral principles and virtues of the teachings of Masonry to his own life. A Shriner dedicates his life to improving the lives of children less fortunate than himself.

The Shrine is not seeking confrontation with Masonry. The Shrine imparts the utmost respect to Masonry. All it asks is that Masonry impart equal respect to the Shrine.

I would like to read aloud a letter that I received from a Noble in California, dated May 19, 1989.

"Dear Mr. Brantley:

"Our Long Beach Scottish Rite Reporter printed your letter of April 10, 1989 addressed to Potentate of Shrine Temples.

"I speak for myself personally only but I applaud your efforts to effect some changes in the mentality of Grand Lodges. Something has to happen and hit them hard for them to realize that times have changed and that they are not adapting to the Twentieth Century.

"The Shrine has never stated that they were a Masonic organization, to my knowledge. Please review the Bylaws and Articles of Incorporation to see if they state that it is.

"Any organization should have the right to determine the prerequisites for membership without taking on another organization as a superior authority. A person may form a club which calls for only Navy veterans to be eligible for membership. But that does not subject them to Navy authority any more than any other Navy veteran.

"I sincerely believe that the Shrine is on the right track to get things moving. Masonry is a dying organization and Grand Lodges are asleep to this threat.

"Good luck in your efforts. I really would like to identify myself but I hold a Masonic Office and that would be the end of me if the contents of this letter were to be made public.

"(Signed)—Sincerely, A Noble of the Mystic Shrine."

At the Conference of Grand Masters in Arlington, Virginia on February 19, 1989, your committee recited a statement of Shrine Principles. Let me read just four of these principles for your consideration:

The Shrine believes that the result of a secret ballot on a petition for membership in a Masonic Lodge cannot be overturned by the Imperial Council. The Shrine asks that the Grand Lodges accept that the result of a secret ballot on a petition for membership in a Shrine Temple cannot be overturned by a Grand Lodge.

The Shrine is a separate and distinct legal Fraternal Corporation; it must abide by its Articles of Incorporation and Bylaws; and its Officers must abide by their Oath of Office to "strictly conform to the requirements of Shrine Law." The Shrine accepts that the various Grand Lodges all have different Masonic Codes and Bylaws that they separately adhere to.

The Shrine believes that it has no power to interfere in the internal affairs of a Grand Lodge. The Shrine asks that the Grand Lodges accept that they have no power to interfere in the internal affairs of the Imperial Council and its Temples.

The Shrine believes in the sovereignty and integrity of each of the sixty-two Grand Lodges. The Shrine asks that the sixty-two Grand Lodges accept the sovereignty and integrity of the Imperial Council and that of the Imperial Council over its Temples.

I would hope that the Grand Masters of New Jersey and California and all other Grand Masters understand that our stand in no way represents a personal affront or attack upon

them or their offices. But if the situations, as they exist in New Jersey and California today, have to be the test case for whether or not the Shrine of North America has the right to control its own destiny, the right to decide who we will accept as members of our own organization and how we will conduct our own business (namely, without outside interference) then keep in mind, that this test was not initiated by the Shrine.

I would submit to you, the Representatives of the 190 Shrine Temples of the Shrine of North America, that an arbitrary decision made by an individual without Shrine authority cannot, must not dictate how we function and more importantly decide who can and cannot belong to our Fraternity.

Your committee concludes its report by saying, once more:

1. The Shrine has not in the past, does not in the present, and will not in the future, interfere with the internal affairs of Masonry.

2. The Shrine asks that it be accorded equal respect. The Shrine, by its very Articles of Incorporation, cannot allow another organization to interfere in its internal affairs nor with the operation of its hospitals—which are the Shrine's living memorials of man's humanity to man.

Thank you.

. . . Rising applause ensued . . .

Imperial Sir, I would now move that this report be received.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: All in favor of receiving the report indicate by saying aye; opposed. The motion is unanimously carried and the report is therefore received.

Thank you very much, Lew, for that very fine report.

I will again recognize Sewell Lamdin.

NOBLE LAMDIN: Imperial Sir, Imperial Sirs and Representatives: I forgot to mention something in connection with the last report concerning the Grand Master of Arkansas and Noble James V. Ward.

The stay in relation to this member, and the Grand Master of Arkansas has given me his word on this and that is for the balance of his term, which will expire in February of 1990, he does not agree with the stay but he will honor it. So, gentlemen, I think this is the way to resolve these things and I want to tell you again that all involved, meeting together as good Masons and Shriners, will, I am sure, be able to resolve the situation during the next twelve months.

Thank you. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you, Sewell.

I will now call on the Jurisprudence and Laws Committee for the presentation of Item 12 in the Call of the Session.

NOBLE LAKE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 12 on Call of the Annual Session of 1989, located on page 24 of the Call. It is a proposal to amend subsections (e) and (g) of Section 323.8 of Article 23 of the Bylaws of the Imperial Council, an Iowa Corporation, so that they will read as follows:

ARTICLE 23

Temple Membership

Section 323.8 Retention of Membership

(e) If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in his Temple is effective when it becomes final in the prerequisite body.

(g) A Temple must honor an official written notice from a prerequisite body concerning the loss of membership in that body by a member of the Temple.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr.,
Chairman

Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Robert H. Bailey
Gerald L. Davis
James M. "Buddy" Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Tom Sanders of Amran Temple, one of the proposers for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: The Chair will recognize Illustrious Sir Tom Sanders. NOBLE THOMAS B. SANDERS, JR. [Amran Temple]: Imperial Sir, I would move for the adoption of this amendment.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: It has been moved and seconded that this proposal be adopted.

Is there discussion?

REPRESENTATIVE: Imperial Sir, I would like to indicate that last year there was added to this paragraph an item that says that the subsection is retroactive to 1980 and it does not appear in the Call. In other words, it does not refer to Item (f) in the Call.

NOBLE PETTIT: Well, Noble, let me say that has not been changed. This pertains only to the material contained in Section (e) and Section (g) as indicated in the Call.

REPRESENTATIVE: Then, Imperial Sir, that would make subsection (g) as it appears in the Call out of order, I think.

IMPERIAL POTENTATE McMULLAN: I will recognize Ted Corsones for a reply.

NOBLE CORSONES: Fellow Representatives, you will recall that the Noble who proposed the amendment proposed that it be retroactive to 1980 and, when he did that, he was referring to paragraph (e), the one you have under consideration.

The reason that it came up, if you will recall, was that the appeal from a decision of a Grand Lodge, I believe, and I believe this particular case happened in the Carolinas, involved a Noble joining the Shrine and then subsequently he lost his prerequisite membership at his Blue Lodge level and he said he wanted to be a Shriner and the only reason he lost his membership was because that a check was issued to pay for his membership with the logo of a beer company on it and the beer company was not an authorized business in that instance. In other words, you were not supposed to be involved in a business of that nature.

Therefore, he appealed and, further, when Grievances and Appeals was discussing this with you gentlemen, a Noble from the floor said, "Let us make it retroactive to 1980 to make sure we allow him to appeal to this Imperial Council Session."

IMPERIAL POTENTATE McMULLAN: Do you all understand?

If there are no questions or comments on this recommendation, we already have a motion and a second for adoption.

Is there discussion?

REPRESENTATIVE: Imperial Sir, Imperial Sirs and Representatives: I would urge to vote "no" on proposition 12.

When the Shrine accepts a man for membership in the Shrine it alone determines whether or not to accept him by virtue of the ballot box. I say to you that when a Shriner's membership in the Shrine is terminated, it should be by the same procedure—that is, by vote of the Shrine. No other organization shall determine who shall remain a Shriner. Therefore, I would urge you all to vote "no" on proposition 12.

Thank you.

. . . Cheers and applause ensued and the question was severally called for . . .

IMPERIAL POTENTATE McMULLAN: Let me ask, are there any proponents? If not, it would appear to me that we should call for the question.

NOBLE J. L. HUDSON [Sabbar Temple]: Nobles, I have heard the argument in advance that it is okay to pass proposal 12 because we still have the protection of Section 323.8 of the Bylaws of the Imperial Council. That, however, is not an accurate statement.

Section 323.8(f) allows the Imperial Potentate to determine whether he wishes to be certain that a threat of suspension or prohibition against our Order is taking place. Any Imperial Potentate may reach a different solution on that matter.

Further, an Imperial Potentate may hesitate to issue a certificate, declaring that our Order is under threat of suppression when a Grand Master attacks one Shriner rather than being against an entire Temple. The only real protection that an individual here has against the arbitrary or unwarranted action of a prerequisite body suspending his membership is to have the right to appeal to this Imperial Council.

The present language of Section 323.8 gives each and every individual Noble the protection that he needs.

It is our responsibility as Representatives to this Session to protect all our Nobles who cannot be here to speak in their own behalf.

Please vote "no" on proposal 12.

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

. . . The question was severally called for . . .

IMPERIAL POTENTATE McMULLAN: Are there any other proponents?

It would appear to me that we should call for the question.

Also, gentlemen, it has been suggested to me that we handle this matter with a printed ballot.

. . . Cries of "no, no" . . .

IMPERIAL POTENTATE McMULLAN: Well, okay, we will do it by standing first.

All those in favor of the motion please stand; now those opposed to the motion please stand. I will declare the proposal defeated here.

I will now call on Ted Corsones to present Item 13 on the Call.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 13 on Call of the Annual Session of 1989, located on page 24 of the Call. It is a proposal to amend Section 323.8(f) of Article 23 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 23 Temple Membership

Section 323.8 Retention of Membership

(f) In any state in which a prerequisite body or the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members, or one of its Temples, the Imperial Potentate, after receiving the consent of a majority of the Board of Directors at a meeting or by written communication, shall so certify. Upon the certification of the Imperial Potentate, and for so long as he certifies the threat of suppression or proscription to continue, the Order, its members, and its Temples in such jurisdiction retain all their rights, responsibilities and authority, notwithstanding any provision of the Bylaws to the contrary.

(1) During the period of certification, any Temple in such state shall be governed by the following provisions regarding candidates for membership:

(i) Petition for Membership. A Temple may accept a petition from any candidate who believes in the existence of God, is a male, has attained the age of majority, and is of good moral character. The petition for membership is presented to the Recorder of the Temple and he reads it at the next stated meeting and presents it to the Potentate. The Potentate appoints an investigating committee of three members of the Temple to review the petition, interview the candidate, and conduct an investigation of the candidate's qualifications for membership. The investigating committee shall return the petition to the Recorder within

thirty days with a report of its findings and with a recommendation as to whether the candidate should be accepted or rejected. The balloting shall then take place as provided in Section 323.5.

(2) After the certification period has been terminated by the Imperial Potentate, those members of the Temple who become Nobles without one of the prerequisites recited in Section 323.3, shall forthwith file petitions for Masonic membership and, thereafter, in a prerequisite body and, if accepted, promptly join such organizations. If such members fail to file such petitions and fail to join, if accepted, they shall be suspended from membership in the Shrine until they do so. Thereafter, they may be restored to Shrine membership by presentation of evidence of their good standing in a prerequisite organization.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Robert L. Kolaritsh, Potentate and Representative of Salaam Temple, for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: I would recognize the proposer of the amendment, Illustrious Sir Robert Kolaritsh, Potentate and Representative of Salaam Temple.

ILLUSTRIOUS SIR KOLARITSH [Potentate, Salaam Temple]: Imperial Sir, Imperial Sirs, I would move for the adoption of this proposal.

. . . The motion was duly seconded . . .

ILLUSTRIOUS SIR KOLARITSH: Imperial Sir, if permissible, at this time I would like to ask the Imperial Sir to recognize the Recorder of our Temple, G. Robert Madden.

IMPERIAL POTENTATE McMULLAN: I will recognize Recorder Robert Madden.

NOBLE ROBERT MADDEN [Salaam Temple]: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I come before you today with the members of Salaam Temple involved in one of the most emotional issues that I feel has ever confronted the Shrine. We stand before you in humility, pleading with you that you do not let the doors of Salaam Temple close.

Our Divan in Salaam Temple is made up of three Past Masters, one Right Worshipful and every one of us has served on the Grand Lodge Line.

You will not find Masons any better than us anywhere in the world.

Further, the problem that exists in the State of New Jersey did not always exist. As a Past Potentate in 1984, I had a rapport with my Grand Master that was second to none in this room.

Now, each and every one of you have gathered together here Grand Masters that you work with, that you are compatible with but that is not the luxury in the State of New Jersey. However, we hope that one day it will resume to a luxury that we can enjoy and the compatibility will return.

However, without this item and without the support we are asking from you today—attrition, the ability to get members and the court factor will certainly close us within a very short time.

The presentation that you have had today was surely one of the most unbiased and factual that I have ever seen.

Your Imperial Potentate last year appointed a committee and let me assure you they made

a stand to prove our case and when it was all over, the courts of New Jersey have yet once to say that we have done something wrong. Also, your Imperial Officers, at this point, have said that we have yet to do something wrong.

I end my plea to you with this simple statement—what you do and how you do it today will certainly determine the fate of Salaam Temple.

Please know, however, no matter how it turns out, this can always possibly come up somewhere although we pray that it never does anywhere else.

Thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Representatives All: I see a flaw in this legislation that I do not think we ought to fall into and that is in relation to item 2.

We have gotten ourselves into a situation now where the rights of one of our Temples have been taken away from it by action of the Grand Lodge. That, Nobles, is not right and, further, we are suffering because of it.

I think what we should do is to demand our rights be respected and take action to direct that and yet, in this legislation, you are asking a man to come into your Temple and then forcing him to submit to other prerequisites and unless he does that, you are going to suspend him from your Temple.

You know, two wrongs do not make a right and this is simply not the way to correct the situation that we have in front of us. However, there is legislation in this Call which, in my opinion, would correct it and would not necessarily involve a split in Masonry.

I am a good Mason, I consider myself to be a good Shriner as well. I am also an Officer in the Shrine. However, I think this would not do what you intend it to do to protect the Shrine as a great organization that has every right to demand and every right to guarantee to every one of us sitting in this room that we should not settle for anything but that. (Applause)

IMPERIAL POTENTATE McMULLAN: Are there any proponents? Are there any further proponents?

... The question was severally called for ...

NOBLE JAMES SINGLEY [Hamasa Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: Let me say that we are meeting here today under very emotional circumstances.

We have a proposal here, for example, that will offset what we have already done. We have, as a matter of fact, already passed laws to protect our newly elected Imperial Potentate so that your Shrine may continue to operate during the ensuing year.

Further, we have met here as Masons and you have already heard how a special committee has been appointed to go and talk with the Grand Masters. However, no one has told me about a committee of the Grand Masters working with our committee. No one has told me that anybody is going to clean up their House in Masonry except us and that, in turn, we have to do it because we have been told to do so.

Now, the way I look at this, I think there can be a little reason here on both sides.

I know, for example, that in my own jurisdiction, we have great rapport with the Grand Lodge but also, every member of that Grand Lodge has indicated that we have a lot of Grand Lodge laws that need changing and ought to be brought up to date but yet nobody has taken the initiative to go to the Grand Lodge involved and try to correct that issue. They all, when it is mentioned, shake their heads and say, "Well, these laws have been here for some 150 years." Also, let me add that I think that all of those who were born some 150 years ago are already dead or least I have not heard of any living. (Laughter)

Nobles, if we do not all get together and clean up our individual houses, including our Grand Lodges, we will all be in bad shape and we are not going to get any closer together.

Please let me ask you a question.

Let me ask you this question—when was the last time that a member of your family or a member of your committee inquired as to how the Masons feel about a particular matter that is before your particular community? When I was a boy, there was always that consideration but since then it has greatly diminished. You know, we hide behind locked doors and give degrees away because we cannot do anything else. We just cannot take political action on anything.

On the other hand, does it say that we cannot inform our members as to what is going on

in Masonry, especially in relation to the decline in Masonry and what it does to the rest of the Fraternity?

I think we all have to get into the mainstream. The Grand Lodges and Blue Lodges of Masonry are also going to continue to die if they do not take action to get into the mainstream and become a part of their respective communities.

... Cries of "here, here" ...

NOBLE SINGLEY: It is quite clear to me, as I am sure it is to some of you, that we are continually just battling one another.

Why do not we invite our Grand Masters to help us face this situation as Brothers and Masons and have them, for example, take some action on laws that may be 150 to 200 years old and which, under today's conditions, are stifling Masonry? Let us, in reality, get together.

Perhaps the Grand Lodges of the various states should appoint a committee to work with our Masonic Committee and other Shrine or Masonic bodies.

I say that we have to get together and take action. This is something that has to come. Every time we get into some sort of situation, we find that a Grand Lodge somewhere has some law on their books that says we cannot do this, that or the other thing.

I do not think that the Shrine has ever done something against their Masonic Brethren but there is continual complaints from the various Masters of the Grand Lodge about the Shrine doing this, that or the other thing because it does not comply with the Masonic Code in their particular state.

IMPERIAL POTENTATE McMULLAN: Thank you very much, Noble Singley. Your time is up. We appreciate your comments.

NOBLE SINGLEY: Imperial Sir, I would move that we table this matter and that our committee be instructed to—

... Cries of "no, no, no" ...

IMPERIAL POTENTATE McMULLAN: Noble Singley has made a motion to table. That is in order.

Is there a second to the motion to table?

I declare that the motion dies for lack of a second.

With that, I will recognize Past Imperial Potentate Wingerter.

IMPERIAL SIR WINGERTER [Past Imperial Potentate]: Imperial Sir, Imperial Sirs, Fellow Representatives: I have a couple of points here to make, especially after listening to what has been said by the wonderful people that are present here.

I believe that most of you know that I am a Past Imperial Potentate, been elected and served by my peers. I have continued to live in harmony with the Grand Master of New Jersey and the Grand Masters all over the world.

I met with them in Washington, D.C., discussed with them the problems we were having and really never had any problems with any Grand Master during my term as Imperial Potentate.

As a matter of fact, I gave suggestions to them and they to me. We did not sit there, for example, like I was the king and they were the puppets or, on the other hand, they were the king and I was the puppet.

We met with some twenty-five of them in Pittsburgh at one of the Mid-Atlantic Shrine Association meetings and we came to the conclusion that, sure, there are people in our group, yours and mine, that like to have power. I know, for example, when you become Grand Master and pick up that gavel and use it, you think you are almost next to the Lord.

Further, I want to tell you that I talk to the Lord regularly now. (Laughter) You know, when you get to be eighty-one years old you had better talk to him. (Laughter)

Now, with this report made by Imperial Sir Brantley, how can anyone sitting in this hall think that a mistake has been made on the part of the Shrine? How can you possibly think that?

Now, I was not at that meeting when Salaam Temple had its meeting with their membership. Further, with regard to some of the Grand Masters, I do not know how often, if at any time, you attend Shrine meetings. This is especially true when these Temples have elections. If you did come, you would certainly be welcome.

At our last meeting, those men that were there, the Divan of Salaam Temple, they really

did not create the problem but then those who did create the problem merely came up and said, "You cannot do this." Now we, in turn, could have said, "It is not any of your damn business," and it really was not.

Now, when I was accepted in my Blue Lodge, I had no difficulty. If there was a black ballot, I do not know who put it in there.

However, all we are asking as Shriners of these Grand Masters is that we be allowed to exist under our laws and regulations as long as they blatantly do not violate Grand Lodge laws.

Now, in relation to our particular situation at my Temple, let me say that none of the membership of our Temple did anything to deserve this. However, the Grand Master of New Jersey told us that we were a clandestine group and, therefore, we have no reason for existence.

How can one individual say this, especially when we do these great things in relation to our hospitals and for humanity in general? As I look at it, when we take care of these kids in our various hospitals, we are not only taking care of them medically but we are likewise preserving the laws of Masonry around the world.

Now, another factor to consider is that those of us who are my age probably will not be around here in the few years to follow and also, as our ages progress, in five years, a great many of us, I am sure, will not be around.

Now, I do not think these Grand Masters and their Lodges want to have us all die. As a matter of fact, I do not think most Grand Masters feel like that, I sincerely do not. Further, we do not feel that way about you, either.

I say that these Grand Masters have to give us a chance. I do not think they should treat us the way they do. I think this issue can be solved on a very cordial and Masonic basis if everybody were to cooperate.

Also, I know that those Shriners who started this organization many years ago in New York, they wanted this organization to survive, grow and advance.

I would suggest that the Grand Masters form a committee such as we have heard a report from. We are all certainly, I am sure, in favor of helping them.

With that, Nobles, I think I had better stop. I think you get the point I am trying to make. I appreciate your cooperation.

... Cheers and applause ensued ...

IMPERIAL POTENTATE McMULLAN: Thank you very much, Brother Wingerter.

NOBLE KELLY HOGAN [Ainad Temple]: I have one short question.

Now, a Noble, under the present circumstances, joins the prerequisite bodies. However, on the other hand, what happens to his membership in the Shrine if he is not accepted by these respective prerequisite bodies?

Do you wish to answer that, Ted?

NOBLE CORSONES: Well, Noble, it is quite clear that if the prerequisite bodies do not want them, they do not have to take them but we will give them that opportunity. That person will remain a Shriner.

... Cries of "no, no, no" ...

NOBLE CORSONES: Just a moment, Nobles. Did my words come to you incorrectly?

Well, to clarify, if a Noble is accepted in a prerequisite body and joins the Shrine and then later is suspended from that prerequisite body then he likewise is suspended from membership in the Shrine. However, he may later be restored to Shrine membership if he is restored to membership in his prerequisite bodies.

IMPERIAL POTENTATE McMULLAN: Thank you, Ted.

I will next recognize Russ Anthony.

IMPERIAL SIR RUSS ANTHONY [Past Imperial Potentate]: Imperial Sir, Imperial Sirs and My Fellow Representatives: I would be remiss if I did not say a word or two and I promise it will be just be a word or two, with regard to this particular item on the Call.

I am sure that most of you have not been Representatives long enough to know that back in 1980 we talked about the term "Shrine Mason." We also had it in 1986 and 1987.

This particular issue, as I see it, in reality, involves a "Shrine Mason." We would do nothing with this if we were to pass it except to rub salt into the wounds because, as a

matter of fact, if this individual is turned down by his Blue Lodge, he then just will not have an opportunity to become a future Shriner.

Therefore, I would urge you to vote "no" in relation to this proposal.

IMPERIAL POTENTATE McMULLAN: Is there any further discussion?

... The question was severally called for ...

IMPERIAL POTENTATE McMULLAN: Do you all understand the question? You need a two-thirds majority to pass this amendment.

Now, we will take a standing vote. All in favor of this motion so indicate by standing; now those opposed please stand. I would rule that it is defeated.

I would now like to call on Noble Cooper to present Item No. 11 in the Call.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 11 on Call of the Annual Session of 1989, located on page 23 of the Call. It is a proposal to amend Section 210.1 of Article 10 and Section 323.3 of Article 23 of the Bylaws of the Iowa Corporation by adding and deleting certain language so that such Sections, as amended, will read as follows:

ARTICLE 10 Prerequisites of the Order

Section 210.1 Prerequisites. A Noble must be a member in good standing as a Master Mason in a recognized and duly constituted Lodge of Master Masons.

ARTICLE 23 Temple Membership

Section 323.3 Prerequisite for membership.

(a) A Temple may not accept a petition from a candidate unless he is a member in good standing as:

(1) A Master Mason in a recognized and duly constituted Lodge of Master Masons.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, David H. Libby, Potentate and Representative of Kora Temple, for the appropriate motion.

IMPERIAL POTENTATE McMULLAN: I will recognize the proposer, David H. Libby.

NOBLE DAVID LIBBY [Kora Temple]: Imperial Sir, Imperial Sirs and Fellow Representatives: This is a proposal that has come from Dave Libby. It does not come from my Temple. It does not come from any Grand Master and it comes from no one else but me.

IMPERIAL POTENTATE McMULLAN: Just a moment, did you move for adoption yet?

NOBLE LIBBY: Imperial Sir, I am sorry.

I would move for the adoption of this proposal.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: The motion has been made and seconded and you may now discuss your proposal.

NOBLE LIBBY: In my first trip over here to the Imperial Meeting, I came in as High Priest and Prophet, as lot of the others of you have and, at that time, I felt like I had made quite an advance in Shrinedom. Now, as I advanced, I would also say that all of the Past Potentates of my Temple were telling me what to do and how to do it. I think some of you out there know what I am talking about. (Laughter)

I have heard from a few Past Potentates, who asked me not to submit this proposal. Now, initially, I felt a little bit lost concerning this proposal but after studying it a little bit longer, I happen to think that it does make pretty good sense to this organization.

Also, this is a proposal that will increase membership and, Fellow Representatives and Grand Masters, I have never been at this organization that I have not heard talk about doing something that will increase membership in the Blue Lodges and, further, as you know, unless we start thinking about increasing membership in our respective Blue Lodges, we are soon going to be gone.

Now, it may take awhile to accomplish that. Thus far, we have had some ten years of patience. Of course, also, in the past, we have come forth with the thought, "Well, you know, our membership will get larger next year." However, that has not happened. These people just want somebody else to worry about it.

Also, I have heard various individuals who have run for the position of Imperial Outer Guard, indicate how interested in membership they are but, on the other hand, I have never heard anything concerning a real strong, positive proposal for membership.

If we do not have membership in the Blue Lodges and if we do not have membership in the Shrine, we are not going to have membership in the Scottish or York Rites, either.

Also, I have had some very strong Scottish Rite members indicate their opposition to this. Now, I know that is their right and I apologize to them if they do not like the proposal. However, I know that this does not, in certain parts of the Fraternity, land on receptive ears and I do not even blame you for that.

You know, in the final analysis, none of these organizations appended to the Masonic Lodge will grow if the Blue Lodges first do not grow.

This proposal, fellow Nobles, will make the Blue Lodge grow.

I can also tell you this—that I am going back to my Blue Lodge with applications in my pocket and do everything I can toward getting qualified people into the Blue Lodge and subsequently into the Shrine.

Of course, I have made several attempts to try to get younger people into the Blue Lodge and, as you know, the first reaction is, "Well, I just do not have the time."

I asked my son, who is now advanced through the Blue Lodge Degrees and is now a member of the Shrine, "Tell me, what do you think about this whole situation?"

He replied, "Well, you know, Dad, I could get an awful lot more of my friends in if it was easier to do."

On the other hand, I have heard some of you say that you do not want people to come into the Blue Lodge, especially if it is made easy for them. Also, we do not want people to come into the Shrine who cannot afford it. However, I will tell you this, that the people in my Temple and in my Blue Lodge are very, very hard workers and, financially, most of them cannot afford to be doing what they are doing there. However, they are working their hearts out.

Now, Nobles, I do have a lot of other things that I would like to be able to talk to you about but if you are looking for membership in the Shrine and if you are looking for membership in the Blue Lodge, then I think you should think about passing this particular proposal. Just think it through.

With that, thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

NOBLE JOHN MOORE: Imperial Sir, Imperial Sirs and Fellow Representatives: You have heard me talk previously here today but, nevertheless, I would like to express the idea to you that each of us is an individual—we each have distinguishing features. These features enable you, in turn, to recognize who and what we are.

Now, even though I do very much agree with the statement that we do need any kind of incentive we can get for increased membership, that we do have to really think about this.

Again, I am not against the idea of membership or anything we can do to stimulate membership.

However, with regard to the matter of distinction, I would like to reiterate that the Black Fez with a red tassel is just as distinct as the Red Fez with a black tassel. Thank you very much.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

NOBLE JOHN CARRIER [Kora Temple]: I would like to speak in opposition to the resolution.

Now, I would first say that this Noble has every right to present his proposal and I would stand behind his right to being able to do it. However, I want to reiterate what he said in the beginning, that this is mainly his proposal and it did not come from instruction or agreement by the officers and members of his Temple.

As a matter of fact, the issue has never been before our Temple membership for discussion or action. I might add, however, that at a recent meeting of the Executive Committee the matter was discussed and given serious consideration and by an overwhelming majority, the Executive Committee does not support passage of this amendment.

You know, we are told that much of this resolution is for the purpose of increasing membership. However, we believe, if it passes, that it will provide only a temporary solution and that, in general, the huge quality of Shrine membership will suffer.

The Scottish and York Rites have long been a proving ground for the Shrine, providing valuable lessons to the Blue Lodge Masons in their progress toward our organization.

We believe passage of this amendment will have an adverse effect not only on the Shrine of North America but on the Scottish and York Rites and also on Blue Lodge Masonry itself. This is especially true if we do away with both the York and the Scottish Rites as a prerequisite.

Therefore, we would urge you to join with the Representatives of Kora Temple in not voting passage of this proposal.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

Is there further discussion?

... The question was severally called for . . .

IMPERIAL POTENTATE McMULLAN: The question has been called for.

All in favor of this resolution please stand; now those against the resolution. Well, let us do this by raising of hands.

All those in favor of the proposal please raise your hands; now those opposed. Thank you, I declare it defeated. Further, I will indicate it was defeated by a very large majority.

I will next call on Noble Tingle to present Item 10 in the Call.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 10 on Call of the Annual Session of 1989, located on page 23 of the Call. It is a proposal to delete Article 10—Prerequisites of the order in its entirety; amend Article 23 to delete the present Section 323.3 Prerequisite for Membership; create a new Section 323.3; delete the present Section 323.5; create a new Section 323.5; delete Section 323.8 and subsection d(1) of Section 323.11 and renumber the remaining Sections, all of Article 23, by adding and deleting certain languages to that such Section 323.3 through Section 323.11 in Article 23 will read as follows:

ARTICLE 23 Temple Membership

Section 323.3 Qualifications for Membership. A candidate for membership shall believe in the existence of God, be a male, have attained the age of majority and be of good moral character.

Section 323.4 Residence—No Change.

Section 323.5 Investigation.

(a) Each petition for membership shall be presented to the Recorder of the Temple, and he shall immediately deliver it to the Potentate.

(b) The Potentate shall appoint an Investigating Committee of three members of the

Temple to review the petition, interview the candidate, and conduct an investigation of the candidate's qualifications for membership.

(c) The Investigating Committee shall return the petition to the Recorder within thirty days with a report of its findings and with a recommendation as to whether the candidate should be accepted or rejected.

Section 323.6 Balloting—No change.

Section 323.7 Candidate; When Initiated—No change

Section 323.8 Associate Membership—No change

Section 323.9 Suspension or Termination of Membership—No change

Section 323.10 Demit—No change

Section 323.11 Suspension for Nonpayment of Dues

(a)–(c) No change

(d) One who has been suspended for nonpayment of dues may be restored in the following manner:

(1) Without vote of the Temple upon terms authorized by the Temple; and

(2) The restoration must be reported to the Temple at its next stated meeting and recorded in the minutes.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon the proposer, Olen D. Woods of Al Bahr Temple for an appropriate motion.

IMPERIAL POTENTATE McMULLAN: I will recognize the proposer of the proposal, Noble Olen D. Woods of Al Bahr Temple.

NOBLE OLEN D. WOODS [Al Bahr Temple]: Imperial Sir, I move adoption of this proposal.

... The motion was duly seconded ...

NOBLE OLEN D. WOODS: Imperial Sir, Imperial Sirs, Illustrious Sirs; Most Worshipful Grand Masters; Delegates and Nobles: This proposal which I am sponsoring here today has been before you for the last two years and so there is no need for dissertation in relation to this matter.

You again are being asked whether the Shrine of North America will live a strong, progressive life or whether it will die out.

There are two key areas that control and determine our future, at least as I see it. One is membership and we have talked about that since we have been here.

The other one is economics or additional help.

Further, these two areas are interrelated and one cannot exist long without the other.

Now, in relation to membership, I will not give you a long list of statistics about membership because you had your Membership Committee meeting yesterday and you have heard all about our loss of membership.

I know that each of you is aware in your individual Temples as to what you are losing each year but just briefly, we, in 1987, lost around 20,000 members. In 1988 we lost about 25,000 members and this year we are losing at the same or similar loss in membership.

The second area that I want to address more forcibly with you here today is that of financial help to the Shrine.

You know, for example, that our hospital budget over the past year was over \$236 million

and I know that we are doing well in our hospitals but, again, we have to look beyond today, out to ten or fifteen years from now, as to what is going to happen.

Each of us in our respective Temples have to be confronted with our transportation fund and I know, for example, that in Southern California we have a substantial number of burn cases which we fly to Galveston and that amounts to some \$10,000 a trip, which is a healthy sum, especially for our small Temple. Also, I am sure that each of you, when you review your transportation fund, find you have similar problems.

Also, each of us has a Temple budget to consider every year. In other words, how we are going to pay the lights, the rent, the heat and how we are going to get our units on the streets, etc.

Gentlemen, let me ask you, where did this money come from? Well, as you know, it, in the main, comes from the dues that we receive from our respective members. Also, it comes from paper drives, comes from endowments, wills and gifts and, also, it comes from the circuses that we hold, auctions that we run, picnics, football games and, in our case, specifically the East-West Shrine Football Game which is played in San Francisco.

I would like to talk about a couple of these areas just briefly with you.

The first of these is the East-West Shrine Football Game and the other is endowments, wills and gifts.

In California, I am happy to say, we provide over twenty-one percent of the probated wills for EWG. It is hard, I know, for you to break down the exact amount but I have here a figure of thirty percent of the entire endowments, wills and gifts coming out of California.

Now, in relation to the East-West Shrine Football Game, it has been played out of California, in San Francisco, since 1925. It is telecast to millions of people throughout the world. It is the premier advertisement of the Shrine. It is our forefront in letting the rest of the world know what Shriners are all about.

Also, as you know, we do have problems in the State of California. The Grand Master has demanded that the Shrine give him a complete report concerning the financial aspects of the East-West Shrine Game each year. This would include but not be limited to arrangements for advertising, sponsorship, souvenir sales, concessions, etc. It would also include television programs and then the other items which might be related to this event.

Gentlemen, we do not control the East-West Shrine Football Game as it exists now. The Grand Master of the State of California is attempting to control that.

Also, the Shrine Masonic Committee has met with the Grand Master and you have already been informed by Imperial Sir Brantley as to that meeting and what happened. They have met with them a number of times this year.

Also, it had been alluded to that the Potentates of California had nothing to do with this. Gentlemen, the Potentates of California, to a man, voted to request the assistance of the Shrine Masonic Liaison Committee to meet with the Grand Master of the State of California because it was our feeling that California was much better equipped to deal with our Grand Master than we here.

Now, after the holding of some of these meetings, the Grand Master wrote a letter to all the Grand Masters of North America, advising them of his displeasure of meeting with the committee and what they told him and then, not long after, Grand Master wrote to all Masons in California telling them he understood this item was on the Call today. Perhaps our Grand Master is here now but I am not sure.

Gentlemen, you have heard that this is going to do away or separate the Shrine and Masonic relationship. Well, that is not going to happen, of course, unless the Grand Master elects to make it so.

Down through the years let me say that my entire family has been associated with Masonry and, further, I will continue to be a Mason until somebody takes my rights away from me.

However, I think we have to recognize one thing. You know, I belong to a number of organizations and when I am a Mason, I act as a Mason and do Masonic work. Further, when I am a Shriner, I act as a Shriner and do Shrine work. When I am an Elk, I do Elk's work and, further, when I am a Rotarian, I do the work of Rotary International.

I think, in the final analysis, we have to recognize that we wear different hats.

Gentlemen, you are the judges as to whether the Shrine will long endure or whether it

will go down in defeat and, when that happens, we will leave our children out there to suffer with their burns and physical ailments in the future.

I urge you to adopt this item, Item 10.

Thank you.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

I would like to call on Imperial Sir Everett Evans.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Representatives: I am an opponent to this proposal. As you know, we have already sent a message to our Grand Masters today and they, in turn, know that they have some housekeeping to do. They know that they are not living in the age that we have to live in today.

Also, I believe I said a lot in relation to this the other day when I made my public relations proposal. They were as surprised as much as you were.

Yes, we have some problems.

Again, when this issue has come up, you have defeated it year after year. I think we know what we have to do and keep persisting in doing what we can to correct the situation as we see it and we are hopeful that, in the future, it will clear up some of these matters now facing us.

Again, however, I hope that you will vote against the proposition.

IMPERIAL SIR KISSELBURGH: Imperial Sir, Imperial Sirs and Fellow Representatives: Let me say that I am an opponent of this proposition.

You know, and I have said this before, especially being from California, if you take away the fruits and the nuts, you still have a lot of flakes left. (Laughter)

However, let me indicate to you that not everybody is wrong in California. Yes, we have our problems, sure we do.

Now, in relation to my particular Temple, our Potentate called a caucus of our Nobility on Saturday morning, June 17th and, to a man, the members of Al Malaikah Temple told us, the six Representatives that have come here, they are opposed to this resolution. Now, I bring that out to you because not everybody in California is against our Grand Master. He is a wonderful fellow, a nice man.

Also, I have been told that he is going to help us modify our laws in California.

I saw him last night and I again asked him, "Most Worshipful Sir, are you going to help us?" He replied, "I know what you are referring to and there are a couple of recommendations that I am going to make with regard to a couple of these issues here and we are going to attempt to move things around."

Now, I know that we have attempted to do this in the past but, on the other hand, we have not had the support that he is going to give us this year.

All of the Past Grand Masters have met, all of the elected Grand Lodge Officers have met and we have one thing that we have never been able to get in the past—we now have unanimity. Every one of these people are unanimous in saying that we must do something to modify the California Grand Lodge laws so that, in turn, all our appendant bodies can have more latitude.

That is what we are going to get when we get to the October Grand Lodge Session in California.

Again, I would urge that you defeat this resolution.

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

IMPERIAL SIR BUKEY: Imperial Sir, Imperial Sirs and Representatives: You know, I have heard Walker say the same thing on a number of different occasions but that is not the point. The point is, however, that we have a serious situation or problem.

You know, I have been a Mason for some thirty-odd years now and I have yet to receive any communication from my Lodge suggesting that I look for another plan. However, we can do business that way in the Shrine because we have a great organization that has to grow. Now, even if this passes, I will still support Masonry. It has in it a lot of things to which I subscribe.

I am looking, in the final analysis, to the survival of the Shrine as a great Fraternity and as a great Philanthropy and, of course, the Shrine Fraternity is likewise a supporter of our great Philanthropy.

I would urge you, encourage you, as a matter of fact, to vote "yes" on the resolution.

Thank you.

IMPERIAL POTENTATE McMULLAN: Thank you very much. I will now put the question.

All in favor of Item 10 please say aye; opposed. It is defeated.

Now, let me interrupt by saying that I have a total of the contributions in dollars that were previously presented. The total previously presented amounted to \$4,200,307.58. How about that. (Applause)

With that, I will next call on Walter Pettit.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: I have a withdrawal item for you.

May I please have your attention. Those of you who need to leave, please leave quietly, so that the rest of us can continue with the business of our Fraternity.

This is a withdrawal of Item 34 of the Call.

To the Representatives of the Imperial Council: I have before me a written request to withdraw Item 34 which appears on page 34 of the Call for the Annual Session.

It reads as follows:

"I am the proponent of Item No. 34 which appears on page 34 of the Call for the Annual Session of 1989.

"I have spoken with the General Counsel for the Shrine and he has spoken with Imperial Potentate-Elect George W. Powell. The Imperial Potentate, immediately after his installation, has agreed to appoint a Special Committee, of which I will be a member, to review and study the issues raised in my resolution and the many requirements that must be met in order to hold a proper and meaningful Imperial Council Session. This Special Committee will be directed to present a report, with recommendations, to you at the 1990 Imperial Council Session.

"As a result of the foregoing, I hereby request the permission of this Imperial Council to withdraw Item No. 34."

It is signed by Richard L. Irwin, Assistant Rabban, Al Koran Temple.

Imperial Sir, the request to withdraw requires the unanimous consent of the Representatives. Therefore, I recommend that you ask the Representatives whether or not they grant their unanimous consent to the withdrawal and, if they do, I move that the Jurisprudence and Laws Committee and any other committee to which this proposal has been referred be discharged from further report.

/S/ Walter S. Pettit, Chairman
Jurisprudence and Laws Committee

IMPERIAL POTENTATE McMULLAN: You have before you a request to withdraw Item 34 as indicated by Illustrious Sir Pettit. Is there a second to the motion?

. . . The motion to withdraw was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: Is there discussion?

If not, all in favor of withdrawal of Item 34 please indicate by saying aye; opposed no. It is unanimously carried.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives: There are left for your action five additional items in relation to which meetings were held just this past noon and the reports are not yet completed. These will be taken care of, however, as the first item of business tomorrow morning, at which time all five of these matters can certainly be discussed and voted upon. This can be done with full consideration and undue delay tomorrow morning.

Again, the thanks to you, Imperial Sir, and all of you present in behalf of the Jurisprudence and Laws Committee for your attention to the business of this Session. You are all to be congratulated for the attention you have given us.

. . . Business was transacted in the Colorado Corporation at this time . . .

IMPERIAL POTENTATE McMULLAN: Before I recess this meeting until nine o'clock tomorrow morning, I would like to call on the Imperial Recorder for some announcements.

. . . Brief announcements by Imperial Recorder Jack Jones ensued . . .

IMPERIAL POTENTATE McMULLAN: I would now like to call on our Imperial Chaplain to give us the Benediction.

NOBLE HARRY ALGER [Imperial Chaplain: Nobles, would you bow with me in prayer.

Our Heavenly Father, as we conclude our work on this busy day, we give You thanks for the democratic process that allows our productive work to go on in a fine manner.

May we continue with our work under Your guidance tomorrow and request Your blessings for the remainder of this day.

All of this we ask in Your Name. Amen.

... The One Hundred Fifteenth Annual Session of the A.A.O.N.M.S. recessed at four-fifteen o'clock p.m.

MORNING SESSION
FRIDAY, JULY 7, 1989
NINE O'CLOCK A.M.

The One Hundred Fifteenth Annual Session of the Imperial Council reconvened at the Royal York Hotel, Toronto, Ontario, Canada, at nine o'clock a.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE McMULLAN: Please take your seats so that we can begin our Session.

I would like to call on our Imperial Chaplain, Harry Alger, for the Invocation.

NOBLE HARRY ALGER [Imperial Chaplain]: Imperial Sirs, will you bow your heads in prayer.

Our God and our Father, as we see the grandeur of the Rockies, the denseness of our forests, the splendor of our rivers, lakes and oceans and the bountiness of our resources, Great Architect of the Universe, let us all who are members of the Nobility rededicate ourselves as wise stewards of the bounties that Thou has given us so that we may further our help and goodness through our treatment of crippled and burned children throughout this great North American continent.

Lord, we give Thee thanks for the privilege of being in a position to serve wholeheartedly our fellow man. We give Thee special thanks for the dedicated service of Imperial Sir Edward G. McMullan as his leadership changes hands today. We ask that You likewise give our newly elected Imperial Potentate, George Washington Powell, great wisdom and counsel and sound direction that he may lead us through yet another constructive and beneficial year.

In Thy Holy Name we ask this prayer. Amen.

IMPERIAL POTENTATE McMULLAN: Thank you, Imperial Sir.

Now, if there is no objection, I would like to present to you my address at this time while I have your attention.

Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests, Illustrious Sirs and Nobles: All I can say is, wow, what a year.

I have traveled to nearly every state in these great United States and every province, with the exception of one, in Canada, not to mention the Republic of Panama, the South Pacific and the Caribbean—all in just one short year. Also, I am sure that all Potentates know what I mean by just one short year.

All of this traveling reminds me of a story I heard about John Maynard Keynes, the great British economist. He did a great deal of traveling and one day, while he was on a train to yet another destination, the conductor approached him collecting tickets.

Keynes searched for his ticket in vain. He looked all over but could not find it. He was panic stricken. Finally the conductor told him not to worry, just send in the ticket when he found it. Keynes then looked up at the conductor and said, "The problem is not where my ticket is, the problem is, where am I going?" (Laughter)

As a matter of fact, that is what happened to me several times.

There were a couple of times this year that I felt just like Mr. Keynes, but even if I could not remember what city I was visiting, I knew that no matter where I landed, there would be a fellow Noble to greet me in that unfamiliar city.

I think the one thing that I have enjoyed most during my Imperial Year is discovering the real meaning of the Shrine—the true foundation from which our Fraternity was formed.

The Shrine was founded because we wanted to share friendship, fellowship, fun and

brotherhood and during my travels as your Imperial Potentate, I have certainly discovered first-hand the cornerstones of our Fraternity.

Not only have I been fortunate enough to experience the friendship, fellowship, fun and brotherhood, but I have also had the rewarding opportunity to witness the spirit and dedication behind the world's greatest philanthropy—Shriners Hospitals for Crippled and Burned Children.

That spirit and dedication was evident in the fourteen orthopaedic hospitals and three burns institutes that I visited. The staff at these hospitals continued to amaze me—they are top-notch—and the quality of care given to the children is second to none. It is no wonder that our hospitals have earned the distinction as “The World’s Greatest Philanthropy.”

In addition to visiting the hospitals, I made another eighty-five trips to Temples, Shrine Association meetings, ladies organizations, fund raising events and Board meetings.

Our last Board meeting was held in Banff, Alberta, and was the first such meeting held in Canada in our 115 years of history.

During my travels, I have made many new friends and reinforced many old friendships. I have been warmly received at every visitation and have enjoyed plenty of fellowship. All in all, I have had a wonderful time.

My sister, Kappy, accompanied me on numerous occasions, for which I am truly grateful.

The theme that I chose for my Imperial Year was “International Peace” and I have emphasized this at every opportunity throughout my tenure in office.

I began the year by saying that I did not expect to come into the Office of Imperial Potentate and achieve international peace. If that were the case, you would not have been applauding at my introduction—you would have been half kneeling. (Laughter)

However, what I do believe is that although we cannot achieve world peace, we can all do our part to help bring about world peace, because I truly believe that one person can make a difference.

John F. Kennedy said it best when he said:

“If we cannot end now our differences, at least we can make the world safe for diversity, because in the final analysis, our most basic common link is that we all inhabit the same planet. We all breathe the same air. We all cherish our children’s future and we all are mortal.”

Nobles, I believe that we, as Shriners, are setting great examples of what it takes to bring about world peace.

For example, this past Imperial Year, we have helped kids from the Soviet Union who were injured in a tragic earthquake and who were burned in a gas pipeline explosion. We helped a child from Hungary, a child from Poland and the list goes on.

As I look back at this past year and I recollect what I have shared with my fellow Nobles, it makes me proud to be a Shriner. I hope all of you here today share with me this pride.

It is a pleasure for me and my Director General, Peter Rhodes, to have had you here for this One Hundred Fifteenth Imperial Council Session in the Queen City of Toronto, Ontario, Canada. I trust you, your Nobility and families will long remember your visit to this record breaking Session.

You know, the words “Thank you” just do not seem adequate to express my appreciation and gratitude for the support, friendship and brotherhood you have given me during the past year but they are words I will leave you with because even though I lack better ones, my feelings of appreciation will not allow me to leave you with anything else.

So, may I extend some of my sincere congratulations to the incoming Imperial Potentate, George Washington Powell, and to the newly elected Imperial Outer Guard, Ralph Semb, of course, to my Imperial colleagues and to that great Director General, Peter Rhodes and also to Illustrious Sir Bob Hall and Rameses Temple.

Also, if I can, to this wonderful Temple, Rameses Temple, in particular, for their wonderful hospitality and the great efforts they made to make this One Hundred Fifteenth Imperial Council the great success it has been.

So, thank you, my friends and Brothers, for a memorable and extremely enjoyable year.

Thank you all so very, very much.

. . . Rising applause ensued . . .

IMPERIAL POTENTATE McMULLAN: I would now like to call on J. B. Hopkins for the presentation of a special resolution.

NOBLE J. B. HOPKINS: Imperial Sir, Imperial Sirs and Representatives: I have a resolution that I would like to present to you for your consideration. The resolution reads as follows:

RESOLUTION

WHEREAS, the 1989 Imperial Council Session was inspired by the report of the Imperial Shrine Masonic Liaison Committee.

WHEREAS, the report contained a comprehensive outline of the difficulties that the Shrine is encountering in a few of the Grand Lodge Jurisdictions.

WHEREAS, the report recited a few of the Shrine principles, and alluded to others, that the committee had been presenting in its meetings with Grand Lodge jurisdictions.

WHEREAS, it would be in the best interest of this Order if the report and principles were distributed to all Grand Lodges and available to all Temples and Nobles upon request.

NOW, THEREFORE, BE IT RESOLVED:

1. This Imperial Council Session of 1989 ratifies and adopted the report of the Imperial Shrine Masonic Liaison Committee and the statement of Shrine principles; and

2. That copies of this report be distributed to all Grand Lodges in the territorial jurisdiction of the Shrine of North America, and to all Temples and to any Nobles upon request.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

Respectfully submitted,

Imperial Sir, I would move the adoption of this resolution.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: You have before you the resolution with a motion for its adoption and a second.

Is there any discussion?

NOBLE DAVIS B. LEONARD [Al Malaikah Temple]: Imperial Sir, if I may be permitted to do so, I want to place an amendment to this resolution. This would be, in reality, an amendment which is an addition to this resolution.

I would be remiss if I did not express here what I have heard from many, many people. Therefore, I would move that a paragraph 3 be added as follows:

"That the Imperial Potentate retain the Shrine-Masonic Liaison Committee so that the position of the A.A.O.N.M.S. can be presented in a consistent manner in all matters discussed with the Grand Lodges of Free and Accepted Masons or Ancient Free and Accepted Masons."

I would so move.

. . . The motion was duly seconded . . .

IMPERIAL POTENTATE McMULLAN: Just a moment, I would like to consult with the legal people up here.

. . . Brief consultation with legal advisors ensued at this point . . .

IMPERIAL POTENTATE McMULLAN: I wonder if you would accept the following amendment because we cannot direct the Imperial Potentate to do anything without changing the Bylaws.

In other words, would you accept the wording "That we request the Imperial Potentate to retain—"?

NOBLE HOPKINS: That is satisfactory with me. I accept that.

IMPERIAL POTENTATE McMULLAN: Very well, we are now going to vote on the total resolution as amended.

All in favor please say aye; opposed. It is unanimously carried.

Thank you very, very much. I appreciate that.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I would now like to call on Ted Corsones for the presentation of Item No. 2 in the Call for the Annual Session.

NOBLE CORSONES: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 2 on the Call of the Annual Session of 1989, and it is located on page 20. It is a proposal to amend Section 208.6(a)(2) of Article 8 of the Bylaws of the Imperial Council, an Iowa Corporation. With the unanimous consent and concurrence of the Audit Committee, the proponent, and the unanimous consent and concurrence of the Finance and Accounts Committee, this committee recommends an amendment to the proposal by adding, after the first two words of the last sentence of the proposal, the words "shall be a certified public or chartered accountant" and by adding, after the third word of the last sentence of the proposal the words "its remaining" thereto.

The proposal, as amended, would then read as follows:

ARTICLE 8 Committees

Section 208.6 STANDING COMMITTEES AND THEIR DUTIES

(a) The standing committees of the Imperial Council and the duties of each are:

...

(2) The Finance and Audit Committee shall monitor and report to the Imperial Council concerning budgets of income and expenses for the current and the succeeding year; make recommendations to the Board of Directors with respect to an auditing firm or firms to be employed by the Board of Directors for the Imperial Council; review the annual audit plan with the Imperial Auditor and the auditing firm; and review the annual report, report of the independent auditors and interim financial information. Its Chairman shall be a certified public or chartered accountant and its remaining members shall be knowledgeable in financial and budgeting matters.

The committee reports that the proposed amendment is in proper and legal form and will not conflict with any other provision of the Articles of Incorporation or Bylaws.

I will next call on Judge Cooper for presentation on the part of the Jurisprudence and Laws Committee of Item No. 3 contained in the Call of the Annual Session.

NOBLE COOPER: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 3 on Call of the Annual Session of 1989, located on page 20 of the Call. It is a proposal to amend Section 214.4 of Article 14 of the Bylaws of the Imperial Council, an Iowa Corporation, so that it will read as follows:

ARTICLE 14 Fiscal and Legal

Section 214.4 Imperial Auditor, Auditing Firm and Audit Reports.

(a) Imperial Auditor.

(1) The Imperial Auditor shall be a Noble and a certified public or chartered accountant.

(2) As requested by the Board of Directors, he shall advise and consult with the Officers and agents of the Imperial Council concerning accounting, auditing and related matters, perform special and internal audits, render independent financial advice, and perform other appropriate duties.

(3) He shall attend all meetings and assist the Finance and Audit Committee of the Imperial Council as requested by the committee or the Board of Directors.

(4) He shall act as liaison between the auditing firm, the Finance and Audit Committee and the Board of Directors.

(b) Auditing Firm, Audits and Reports. The Board of Directors, after receiving the recommendations of the Finance and Audit Committee, shall select a firm or firms of certified public or chartered accountants to conduct designated audits.

(1) Before May 1st or other agreed upon date of each year, the auditing firm shall conduct an audit of the accounts and records of The Imperial Council.

Such annual audit shall be conducted in accordance with generally accepted auditing standards. The auditing firm's report with the accompanying financial statements shall be printed and a copy sent at least thirty days before the Annual Session, along with the Notice of the Annual Session to each representative. Other copies shall be made available at or

before the Annual Session to any individual Noble requesting the same in writing. Upon request, the details of all transactions for the audited year shall be made available to any Representative.

(2) The auditing firm shall conduct audits of such appendant and affiliated entities as authorized by the Board of Directors.

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Roderick D. Robertson, Past Potentate of Philae Temple, for the report of the Finance and Accounts Committee.

IMPERIAL POTENTATE McMULLAN: The Chair recognizes Roderick Robertson.

NOBLE ROBERTSON: To the Representatives of the Imperial Council: There has been referred to your Committee on Finance and Accounts, Item Number 3 on the Call of the Annual Session of 1989, located on pages 20 and 21 of the Call.

Your committee met at the Royal York Hotel on July 4, 1989, and considered the proposal.

It is the unanimous opinion of the committee that the proposal is in the best interest of the Order and recommends its adoption.

Imperial Sir, if there is no objection, at this time I would like to call on Sam Erickson, Vice Chairman of the Finance and Accounts Committee for the presentation of a position paper concerning this committee.

NOBLE ERICKSON: Our Bylaws require an annual audit of both the Iowa and Colorado Corporations. However, the present Bylaws, in effect, state that the auditor shall be a Noble, which implies an individual. This has not been a problem in past years because our Imperial Auditor has been both a Noble and a partner in a large accounting firm. He has now retired, and we believe that it is time to modernize our Bylaws so that an accounting firm can be selected by the Board of Directors to perform the annual audit rather than the requirement in Section 214.4: "The Auditor shall be a Noble."

This accounting firm selected would be compensated in accordance with the usual engagement agreement.

It is also felt that there continues to be a need for an internal type auditor with Bylaws standing who would, at the direction of the Board of Directors, perform special audits of and render audit and accounting advice with regard to financial problems of Shrine Temples, Shrine Hospitals, Central Office and appendant organizations. Examples of such assignments are as follows:

—Reports on financial problems in Temples.

- Reports on alleged use of charitable funds for fraternal purposes.
- Audits of hospital construction contracts, and
- Special internal audits of hospitals.

Similar to the internal auditors of many commercial organizations, he would also be available as a liaison between the Finance and Audit Committee and the outside auditing firm. He would be expected to attend all required Board and committee meetings without pay, but he would be compensated on an hourly basis for audit and investigation type assignments carried out under the direction of the Board of Directors and the Finance and Audit Committee.

NOBLE BOZEMAN: Imperial Sir and My Fellow Representatives: The Audit Committee of the Shrine this past year has given a lot of consideration to the need for this type of legislation and had three meetings this year to bring it back to you.

We appreciate the fact that the Finance and Accounts Committee agrees with the position we have taken.

I move that this resolution be adopted.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: Is there any discussion?

If not, all those in favor please say aye; opposed. It is unanimously carried.

I will next call on Noble Tingle for the presentation of the legislation concerning Item 33 in the Call of the Annual Session.

NOBLE TINGLE: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws, Item Number 33 on Call of the Annual Session of 1989, located on pages 32 and 33 of the Call. It is a resolution concerning the authorization of a Shriners investment account on terms proposed by the INB National Bank. Such resolution reads as follows:

RESOLUTION

WHEREAS, The INB National Bank, a National Banking Association ("INB") is willing to offer to members of The Ancient Arabic Order of the Nobles of the Mystic Shrine ("Shriners") and the Temples of which such Shriners are members ("Temples") a deposit account on which the rate of interest will be calculated as a function of the rate paid on ninety-one day U.S. Treasury Bills from time to time ("Account"); and

WHEREAS, it has been determined by the Representatives of the Imperial Council Session of 1989 that the Temples may be able to help provide a valuable service to their members and improve the Temple fund raising activities by adoption of such an Account, and, therefore, that approval of the Temples to enter into agreements to offer such Account to their members is likely to be in the best interests of the various Temples and their members;

NOW, THEREFORE, BE IT RESOLVED, That:

1. The Imperial Potentate, on behalf of The Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, is authorized and requested to enter into a Consent Agreement with INB containing the following essential terms:

(a) The Account will be offered through various Temples of The Ancient Arabic Order of the Nobles of the Mystic Shrine ("Temples") pursuant to separate individual contracts which will be offered by INB to such Temples. Each such Account shall be insured to the maximum amount permitted by the Federal Deposit Insurance Corporation ("FDIC").

(b) Each individual Account will qualify as a "Money Market Deposit Account" under Regulation D of the Federal Reserve Board; therefore, under current regulations, no more than three (3) checks per month will be permitted. A Ten Dollar (\$10.00) maintenance fee will be charged to each Account with respect to any month in which the balance in such Account shall fall below One Thousand Dollars (\$1,000.00).

(c) INB will accept deposits to each Account opened by a Shriner, or by a Temple using its own Temple Funds, and pay interest thereon on a daily basis, compounded and payable monthly. The interest rate will change effective as of the first day of each calendar month and will be based on the average of the four most recent week's ninety-one day Treasury Bill average auction discount, except that for all amounts on deposit in an account exceeding Ten Thousand Dollars (\$10,000.00) the interest rate will be increased by an amount up to twenty-five (25) basis points (0.25%), as determined by INB from month to month.

(d) Neither Imperial nor any Temple shall be obligated to provide marketing or advertising assistance or funds except for announcing or promoting the program through regular Temple publications using materials to be prepared by INB, all being subject to negotiation by the Temple with INB.

(e) INB shall pay to each contracting Temple a fee ("Fee") calculating at an annual rate of one quarter of one percent (0.0025) times the average monthly balance of each Account owned by such Temple or a member or widow of a member of such Temple and attributable to such Temple to the extent that such Account or Accounts shall each exceed Two Thousand Five Hundred Dollars (\$2,500.00), all without reducing the amount payable to the individual Account owner. Said Fee will be calculated and remitted to the affected Temples monthly. The formula for calculation of the Fee is: (number of days in month) $\times$ 0.0025 $\times$ total average monthly balance of those Accounts which have averaged a balance of not less than Two Thousand Five Hundred Dollars (\$2,500.00) for the month. Accounts averaging less than Two Thousand Five Hundred Dollars (\$2,500.00) in a particular month are excluded from the formula for such month.

f. INB shall provide to each Account owner a monthly statement indicating all deposit, withdrawal, and interest activity during such period on such Account. INB shall utilize the mailing services of the affected Temples, who shall not be permitted to provide INB with any mailing lists. INB agrees that, to the extent INB shall be able to develop a mailing list of Temple members, all such mailing lists shall be the exclusive property of the affected Temples, subject only to the limited uses designated herein. INB shall use any mailing lists only for the purpose contemplated herein and will not duplicate or use such mailing lists, or permit any other party to use such mailing lists, for any other purpose. All advertising and promotional materials shall be subject to the prior written approval of Imperial, the affected Temple or Temples, and INB.

(g) The initial term of the proposed Consent Agreement between Imperial and INB shall extend for two (2) years from its date of execution and shall thereafter be automatically renewed for additional terms of one (1) year each, subject to written notice of termination at least ninety (90) days prior to the expiration of the term. Contracts between Temples and INB shall terminate not later than the termination of the Imperial and INB Consent Agreement. A Temple shall continue to receive, however, any royalty payable under the terms of its Contract with INB so long as deposits remain with INB under the sponsorship of the Shrine Money Market Account.

(h) The Imperial Potentate shall have the authority to impose any additional restrictions on INB, which shall be set forth in any executed Consent Agreement.

2. Following execution of such Consent Agreement, Imperial Council shall advise each Temple of the contents of the Consent Agreement and thereafter INB and the Temples shall be permitted to enter into Contracts conforming to the above terms and containing such other more restrictive terms as may be negotiated by the various Temples with INB.

3. In addition to INB, the Imperial Potentate shall have the right to enter into substantially identical agreements with any other financially sound federally-insured financial institution if such agreements shall contain at least the foregoing terms and restrictions and if such program shall have been approved by the Representatives of the Imperial Council.

Imperial Sir, I now recommend that you call upon Illustrious Roderick D. Robertson, Past Potentate, Philae Temple, for the report of the Finance and Accounts Committee.

IMPERIAL POTENTATE McMULLAN: The Chair-will call on Roderick Robertson at this time.

NOBLE RODERICK ROBERTSON: To the Representatives of the Imperial Council: Your Committee on Finance and Accounts has had referred to it, Item Number 33 on the Call for the Annual Session. Your committee met July 2, 1989, at ten o'clock a.m. in the Royal York Hotel.

It was the feeling of your committee that the Imperial Council should not attempt to exercise jurisdiction to provide or assist with contractual arrangements between banking institutions and its Temples or with Nobles of such Temples in either the matter of investment of Temple funds or funds of individual Nobles.

It is the unanimous opinion of your committee that this resolution is not in the best interest of Shrinedom and recommends its disapproval.

Respectfully submitted,
COMMITTEE ON FINANCE & ACCOUNTS
Roderick D. Robertson, Philae,
Chairman
D. Sam Erickson, Osman
Keith G. Collins, Khartum
Palmer D. Burde, Salaam
Duane L. Terrell, Zorah

Imperial Sir, if it is in order, I would move that Item 33 be rejected.

... The motion was severally seconded ...

IMPERIAL POTENTATE McMULLAN: The motion and the second before you is for rejection.

... Cry of "point of order" ...

REPRESENTATIVE: Imperial Sir, my point of order is that I believe the motion was a negative motion, which is, I believe, in conflict with Robert's Rules of Order, is that correct?

NOBLE LAMDIN: I will have to rule the motion out of order. The motion technically is not on the floor because the proposer had never made his motion.

NOBLE ROGER MOSSER [Murat Temple]: Imperial Sir, I am the proponent of this legislation and I would move the acceptance of this proposal.

... The motion was severally seconded ...

IMPERIAL POTENTATE McMULLAN: You have a motion and a second for the adoption of this proposal.

Is there any discussion?

NOBLE MOSSER: Imperial Sir and Representatives: I wish to assure you that Murat Temple and its Divan, including myself, has never received any compensation for presenting this resolution. We have presented it on the basis that we thought it was an attempt for the Temples, on an individual basis, to decide if they wanted to enter into this kind of arrangement with this bank, which is a national bank with some \$6 billion of assets located in Indianapolis. That is the reason for bringing this matter before you.

This will provide all Shriners once your Temple has accepted to receive a good income because of the fact that the Finance Committee is not comfortable with it. I believe we should do what is in the best interest of their feelings and if something like this should be proposed in the future, I believe it should come from the Imperial Finance Committee.

Also, it would enable you to put in any amount that you desire at any time and draw three checks or drafts per month. You would likewise be receiving a good rate of return and the Temple would receive, I believe, one-quarter of a percent based on the average monthly account. That is why we put it up. It is not for any benefit to Murat Temple. However, we did it with the intention of you being able to make your own choice in the matter.

NOBLE EUGENE CAPOBIANCO [Aleppo Temple]: I am opposed to this resolution directly because of the fact that the Finance Committee is not comfortable with it. I believe we should do what is in the best interest of their feelings and if something like this should be proposed in the future, I believe it should come from the Imperial Finance Committee.

I do not think we should vote on this quickly and therefore I would suggest that we not act on it in haste.

IMPERIAL POTENTATE McMULLAN: Just a moment, you are voting, for your clarification, on the proposal as it appears in the Call. The adoption of this proposal has been moved and seconded. An affirmative vote would sustain it. A negative vote would reject it.

All in favor of the proposal please raise your hands; now those opposed. I would rule that it is defeated.

Thank you very much.

I am now going to call on one of our guests, John Acorn, Thirty-Third, Sovereign Grand Commander, Ancient Accepted Scottish Rite for Canada to say a few words to you.

Will you please do that?

ILLUSTRIOUS JOHN ACORN: Imperial Sir, Imperial Sirs and Nobles: I am very privileged to be a representative of the Scottish Rite Free Masons of Canada and be invited as your guest here.

This is my first Session and I hope it will not be my last. I have thoroughly enjoyed myself and extend a welcome to all of you and thank you all for the free hospitality shown to me and my wife.

We all have been hearing about the great benefits that you give to both crippled and burned children. I also want to acknowledge the great benefits we confer upon the older children, you and me attending these Sessions.

I am a member of the Scottish Rite, York Rite and, of course, the Shrine and also some of the concordant bodies and I know of the great benefits that we derive and the great joy that we have in meeting together as Masonic Brothers and the benefits that this Fraternity gives to all of us.

I thank you all for the privilege of being here and for being able to be a member of this great Masonic Family. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much.

I would now like to call on Walter Pettit.

NOBLE PETTIT: Imperial Sir, Imperial Sirs and Representatives of the Imperial Council: This is a proposal by the Imperial Potentate concerning a piece of emergency legislation. This is the report of the Committee on Jurisprudence and Laws concerning this legislation. It reads:

To The Representatives of the Imperial Council: Pursuant to Section 101.5 of the Imperial Bylaws of the Shrine of North America, the Imperial Potentate submits a proposed amendment for adoption at this Session.

Time did not permit the preparation of a printed copy of this proposal for all of the Representatives.

This proposal adds a subsection (f) to Section 211.5 of the Bylaws of the Imperial Council to read as follows:

“(f) The per capita tax is waived for Salaam Temple during the calendar year 1990.”

Your Committee on Jurisprudence and Laws has reviewed the proposal. It understands the emergency nature of its submission. It finds this proposal to be in proper and legal form.

This report is respectfully submitted by the Committee on Jurisprudence and Laws signed by the following members.

COMMITTEE ON JURISPRUDENCE AND LAWS

Walter S. Pettit, Jr.,
Chairman

Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Robert H. Bailey
Gerald L. Davis
James M. “Buddy” Tingle

Imperial Sir, I would request that you call upon Illustrious Roderick Robertson of the Finance and Accounts Committee for his report concerning this piece of legislation.

IMPERIAL POTENTATE McMULLAN: I will recognize Roderick Robertson.

NOBLE RODERICK ROBERTSON: Imperial Sir, Imperial Sirs and Representatives: This legislation has been referred to the Finance and Accounts Committee, this particular piece of legislation, and your Finance and Accounts Committee met some five minutes ago while standing up here at the back. I would like to say that the committee unanimously approves the adoption of this legislation.

If there are no further questions, I would like to call on Mahlon Hessey for the appropriate motion.

NOBLE MAHLON HESSEY: Imperial Sir, Imperial Sirs and Representatives: This legislation has its genesis in my idea that I believe it is psychologically very important for the members of Salaam Temple to know that we are concerned about them and to give them a message of support.

Salaam Temple had 4,223 members at the beginning of this year and lost 1,422 members through the precipitous and unwarranted action by the Grand Master of New Jersey.

This legislation would cost the Imperial Council approximately \$7,500. However, I think it is an important psychological message to send.

I would also strongly suggest to those Temples that can afford it, when they go back home, to see if they cannot express the true meaning of fraternal friendship and see if they cannot, individually acting on their own, give some financial support to Salaam Temple during this period of trial and tribulation.

I would move for the adoption of this resolution.

... The motion was severally seconded ...

... At this point, there being no further discussion, the motion to adopt the resolution was voted upon and declared to be unanimously carried ...

NOBLE PETTIT: I believe, Imperial Sir, that completes the legislation we have before us and at this time I do wish to make a concluding statement as Chairman of Jurisprudence and Laws.

I know I speak for you, the Representatives of the Imperial Council, when I extend congratulations to Imperial Sir Ed McMullan for the manner in which he conducted this One Hundred Fifteenth Imperial Session. Do you not agree?

... Cheers and rising applause ensued ...

NOBLE PETTIT: I would like to also congratulate you, the Representatives to this Imperial Session, for the businesslike and fraternal manner in which you have conducted the affairs of this great Fraternity and its hospitals.

Next I would like to thank the members of the Committee on Jurisprudence and Laws in your name for a job well done and in a fashion which I believe to be appropriate for your lawyers. It was accomplished with hard work, in an unassuming manner and with the utmost efficiency.

To Bob Cooper of Alhambra Temple and Jerry Davis of Tadmor Temple, a special thanks for your work with the Committee on Jurisdictional Lines.

To General Counsel, Ted Corsones of Cairo Temple and Bob Lake of Hejaz Temple, a similar thanks to you for your work with the Committee on Dispensations and Charters.

To Buddy Tingle, Zamora Temple; to Bob Bailey, Kerbel Temple and to our Emeritus Member, Bob Turley, will you join me in extending to them our appreciation for their dedication and response?

Thank you, thank you, thank you. (Applause)

It has been an honor and pleasure for me to serve as a member of this special committee for ten wonderful years and to serve as its Chairman for five years. It is now my pleasure to assume Emeritus status of this wonderful committee and, likewise, I sincerely appreciate the patience and respect you have shown this committee and me.

Thank you very much. (Applause)

IMPERIAL POTENTATE MCMULLAN: Thank you, Walt. You are certainly a marvelous gentleman and I can assure all of you that it has been my pleasure to work with Walt Pettit and I also want to thank him personally for the wonderful job he has done not only for the Shrine of North America but in the manner in which you conducted your own life. You are truly a Shrine Mason. Thank you very much. (Applause)

I have next the Recorder of Salaam Temple and I believe he wants to give you a message.

NOBLE G. ROBERT MADDEN [Salaam Temple]: Imperial Sir, Imperial Sirs, Illustrious

Sirs, Most Worshipful Grand Masters and Representatives of the Imperial Council and also all of those wonderful people out there: I know that Salaam Temple will be grateful for what you have done for us and that the morale will continue and that Salaam Temple will continue to act to hopefully resolve these problems of Masonry in our state—a Fraternity that we are all dedicated to and that we love.

We came here with a heavy heart, having to submit legislation that down deep we did not hope would pass. However, we submitted it. We would have gone home with a heavier heart had not what has taken place just now taken place. We thank you.

We will continue to do whatever we can to resolve our problems and we will abide by your decision in relation to the vote that took place and we pledge that hopefully next year we can come back and have our Grand Master sit with us as you have been able to sit with these Nobles out here.

Imperial Sir, thank you to your Imperial Officers for their work in this endeavor and to all the Imperial Officers. We of Salaam Temple are very grateful and thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much.

I am now going to call on Theodore Corsones, our General Counsel.

NOBLE CORSONES: Imperial Sir, I would also like to extend my appreciation to you for your dedication to the highest ideals of the Shrine in being our leader.

Now, at this time, Nobles, you have just heard a statement made by Walter Pettit. However, I am not sure that the magnitude thereof has actually had an opportunity to be received by all of you. I would like to say a few words about Walt.

Walter is a person with a kind smile, a warm heart, a dedicated leader.

I had the pleasure of having Walt serve on the Jurisprudence and Laws Committee under Bob Turley and then under me, and it was with a willing hand that I turned over the gavel of authority on that most auspicious committee to Walter.

Never once have I had to look back and wonder whether or not the man carried on with the integrity and the professionalism that is demanded of the chairman of this committee.

He has chosen to take Emeritus status at the completion of his ten years on this committee.

You know, we drank a toast to Walter the other night. We had a Jurisprudence and Laws Committee banquet and do you know what the toast was all about? It was a toast to integrity. We toasted Walter not in sadness but with a glad heart in that not once did he ever lower his high ideals and standards in relation to that committee but, instead, he elevated it to even higher standards.

And so, Representatives, I am calling Walter forward because his committee has gotten together and wishes to present to him just a small measure of what we are saying here today. We, each of us, has already said this to him personally, a memorial that we want him to have so that he will always know the high respect in which his committee holds him.

I want all of the members of his committee to gather around me here while I present this to him.

Imperial Sir, I would move that Walter Pettit be elevated to the Office of Chairman Emeritus along with our other Chairman Emeritus, Robert Turley.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: You have heard the motion and the second.

Is there discussion?

Hearing none, all in favor indicate by saying aye; opposed. It is unanimously carried. (Applause)

. . . At this point, the presentation of a plaque to Noble Walter Pettit and picture taking ensued with the Representatives again arising and applauding . . .

IMPERIAL POTENTATE McMULLAN: Thank you very much.

NOBLE PETTIT: Thank you, Imperial Sir, and thank you, Representatives, more than I can ever express. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you.

Let me say, Representatives, that we still have a few more items of business and I would next like to have the pleasure of calling on Francis G. Paul, Sovereign Grand Commander, A.A.S.R., Northern Jurisdiction.

ILLUSTRIOUS SIR FRANCIS G. PAUL: Imperial Potentate, Imperial Potentate-Elect, Imperial Sirs, Grand Masters and Nobles All: Let me tell you, first of all, how proud I am of this group in this room for the work that you did yesterday. There is not any question about it. We are Shriners and we are Masons.

I would like to take just a moment, if I can, to give a little optimism and tell you some of the things we are trying to do in Masonry to turn this membership situation around.

First of all, however, I should say as to how much I appreciate the opportunity of being here and Fred Kleinknecht, the Sovereign Grand Commander of the Southern Jurisdiction, asked me to represent him here. Unfortunately, he had to go home, his office is very busy and he lost his executive secretary. He is, of course, a great Mason and a great Shriner and we are so sorry about that because he is such a grand man.

Also, I would like to say to you, before I forget it, that the two jurisdictions are working very closely together because we are concerned about the same things you are. We represent together over a million Scottish Rite Masons in the United States and we are all good Masons and most of us are good Shriners. However, there are a few of them who are not Shriners and so—got get them because I believe you can get them.

I would like to tell you what we are trying to do to spark up Masonry in the United States in just a minute or two.

We got together, and I want to say that Lew Brantley was a member of our committee. We call it a Masonic Renewal Committee, for lack of better words, but it consists of members in the Southern Jurisdiction, Northern Jurisdiction, the York Rite and the Shrine.

We financed it to the tune of about \$85,000 in order to run this survey because we thought we ought to have a basis on which to make some decisions.

The report was given to the Grand Masters in February in Washington, D.C., and I am very proud to say that these Grand Masters, by gosh, they are okay because they are taking that work home that we did for them and, by the way, there are also a half dozen Past Grand Masters on our committee and they also took this work home and they are going to work on this and, really, things are happening in all of the states, in some places faster than in others, but I do want to say to those Grand Masters who are here and all the rest of us, time is running away from us and we cannot stand and wait around a long time because we are not getting people coming into Masonry.

There are still Scottish Rites and York Rites out there that the Shrine can get. Also, you ought to go get them. Let us work on that, they are there. I know we can get them but, first of all, we have to get them into the Masonic Fraternity.

Also, there is some good news and some bad news in relation to that report. I will give it to you quickly.

The good news is that there is something like almost two million individuals out there in the United States now—two million men who want to join a Fraternity like the Masons—they really do—at least they say they do and, also, there is maybe fifteen million to sixteen million who could consider joining a Fraternity like the Masons.

That is the good news. We have to go get them.

However, the bad news is that they do not know much about us. They feel, for example, that we are too religious, they feel that we have a lot of mumbo-jumbo within this Fraternity of ours, they just do not know enough about us. Therefore, we are working hard now and we also hope that our Grand Masters will pick up the ball and run with it because there is not any question in our mind but that there are certain things that have to be done and some of the Grand Lodges are already doing them.

We have to make the public aware of what we are doing.

The Shrine does a marvelous job—everybody knows the Shrine but very few people, on the other hand, know that Shriners are Masons. Therefore, somehow or other, we have to connect this and I was hoping that in our new membership drive led here by John VerMaas, that we will connect that a little bit better.

The second thing is that we have to educate and motivate our own people to understand what we are doing and how great it is to be a Mason and be a Shriner. We have to do that ourselves. We have too many people who do not help us any in this situation.

Our own people, they are not motivated, they are asleep. They pay their dues but they

are not with us and we have to improve this and, of course, let me add that I see that happening in our leadership at all levels.

First, of course, we have to start in relation to our Lodges—start to make them viable and get them going and all these things we can do if we go to work on it but we have to go to work soon and then, as we pull it altogether, we can help our membership develop—we can do it—I know we can do it. I am optimistic enough and everybody in this room as you go back, for heaven's sake, let us do something about it.

You know, I wish the fifty Grand Masters were here because I would like to tell them that we think the world of them but they have to go to work, too.

Thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much.

I now have the pleasure of introducing to you and calling on Joe R. Manning, Jr., Grand Master, Order of DeMolay, International.

NOBLE JOE MANNING: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Nobles All: It is my pleasure to be here and to bring to each of you the greetings of the International Supreme Council, Order of DeMolay.

Also, Imperial Sir, it is my pleasure to congratulate you on the fine year you have had as Imperial Potentate and on your wonderful organization and also the fine Imperial Session that you have conducted here.

I appreciate the hospitality that has been extended to myself and to my family while we have been here. It has been a pleasure.

I also want to extend congratulations and best wishes to the Imperial Potentate-Elect, who is also a member of our International Supreme Council of DeMolay. We appreciate his service not only to the Shrine but his service to the Supreme Council, Order of DeMolay.

I want to also, while I am standing up here, thank those of you that are out there in the audience and the Nobility of this grand Fraternity who are our advisors and sponsors of DeMolay. Thank you for your service to this organization and thank you for the opportunity that you present in making it possible for young men to receive the teachings of DeMolay which are based, of course, on the teachings of our Fraternity.

You know, during the past several days a lot has been said concerning membership.

Now, I would like to ask each of you to consider the Order of DeMolay in two lights.

The first is that the one purpose of DeMolay is to provide a wholesome opportunity for the young men to be exposed to teaching based on the principles of our Fraternity but I also submit to you that there is probably no better place within our Fraternity to expose these young men to these teachings of our Fraternity and create in them the desire to be Master Masons when they reach the age of maturity.

If you will think about it, our Fraternity was sustained for many, many years on the father-son relationship. That is, the son joined the Masonic Fraternity because his father and his grandfather were members of the Fraternity. Unfortunately, that link has broken down in our society.

The fathers of the young men that are out there today are not members of this Fraternity, on the whole, and so we have to create within the young people of this country and all of our countries the desire to join the Masonic Fraternity in every way.

I would submit that DeMolay is probably the best opportunity we have to bring young men into our Masonic Lodges, to teach them the principles of DeMolay and to instill in them the desire to be Master Masons when they reach the age of maturity.

So for those of you who are there providing that opportunity in your community, I thank you. For those of you that are here and that do not have DeMolay Chapters in your areas, I would seriously urge you to consider the implementation of DeMolay. It will certainly pay off in relation to the young men in your various communities and also to the Masonic Fraternity.

Thank you very much for this opportunity to be here. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you for that fine address, a very, very important address. It is something that we should all take into our hearts and attempt to work with. These are the roots of our beginnings.

I would now like to call on Albert A. Remington, General Grand High Priest, Royal Arch Masons International.

Albert, speak English. (Laughter)

ILLUSTRIOUS SIR REMINGTON: Imperial Sir, Imperial Sirs, Distinguished Guests and Fellow Nobles: First of all, I would say that my accent is a Rhode Island accent and not a Boston accent. (Laughter)

IMPERIAL POTENTATE McMULLAN: Well, you cannot win them all. (Laughter)

ILLUSTRIOUS SIR REMINGTON: You are also getting three for the price of one as I step up here this morning because two of my colleagues from the York Rite both have left and so I represent them as well.

Let me also say that Marvin E. Fowler, Grand Master, Grand Encampment of Knights Templar was here on this podium the other day but he is presently in Scotland to attend the meeting of the Royal Order of Scotland, their Annual Meeting, and I therefore bring to each of you the fraternal warm greetings of the Grand Encampment and also of Sir Knight Fowler, one of the most distinguished Masons that the United States has ever produced. He was very appreciative to have been here for as long as he could and I am sure he would have stayed had he been permitted to do so.

My other colleague, Companion James A. Kirkbride, General Grand Master, General Grand Council of Cryptic Masons, is at this moment on his way to the airport to move on to a meeting to be held in Salt Lake City and he left with me his warm fraternal greetings to be submitted to you from both him and the General Grand Council of Cryptic Masons. And also his appreciation for the opportunity to be here and the hospitality extended to him.

I, too, of course, bring to you my warm fraternal greetings from the General Grand Chapter of Royal Arch Masons International, the Royal Arch Masons that are scattered throughout the world and which we represent and to tell you that it has been a joy and a pleasure to work with Imperial Sir Ed and to have come to the point where I consider him to be a very close personal friend.

He has worked hard and long. I cannot tell you the number of places where we have encountered each other across the face of North America and I believe we truly have had a distinguished servant as our Imperial Potentate for the year.

I stand here to also tell you that I certainly reinforce and second the remarks of my Sovereign Grand Commander, Francis G. Paul. If we stand still and do nothing, we are falling behind.

Now, although I am not a fan of his, I would leave you with the words of John Steinbrenner of the New York Yankees, who said—"Lead, follow or get out of the way." That is what we all have to do. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you, Albert.

I now have the privilege of calling on Edward S. B. Carsons, Supreme Grand Master, Sovereign Great Priory of Canada.

ILLUSTRIOUS SIR CARSONS: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Delegates and Nobles and Friends: I have two or three things.

First of all, I extend my personal thanks and appreciation to you, Imperial Sir, for your most generous hospitality and the courtesy that has been extended to me by your Imperial Divan during this week.

A special thank you to the Nobles, to the people here assembled, probably for the legislation which you have not passed rather than that which you have.

I will tell you that as far as the Sir Knights in Canada are concerned, and I am sure throughout the world, that we work together with the Shrine. There is not any question in my mind or the mind of any Knight Templar about the fact that the Shrine is our greatest encouragement for membership.

The one thing that we had better all remember is this—that we had better show unanimity because we get enough attacks from the outside and we do not want attacks from the inside. I say to you all that this Session has shown that the Shrine is more than prepared to go forward and ahead with one common cause—that of the universal brotherhood of man.

To all of you, I say thank you so much for a great time. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you, Ed.

We are now at the point of having a report from the Time and Place Committee and I would call on the Imperial Council-Elect, George Washington Powell.

IMPERIAL SIR POWELL: Thank you, Imperial Sir.

You all are surely welcome to be with us in Chicago in 1990. This will be the week of July 1st through the 6th. Make sure you enjoy that wonderful companionship. Please come. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you.

I will now call on our Deputy Imperial Potentate, Imperial Sir Joe Padgett.

IMPERIAL SIR PADGETT: Thank you, Imperial Sir.

I would now like to call on my Director General for the year 1991.

DIRECTOR GENERAL JOHNSON: Imperial Sir, Imperial Sirs, Illustrious Sirs, Most Worshipful Grand Masters and Nobles All: I know we are all in a rush to go our separate ways and so I will make it brief.

We want to welcome you once again to San Francisco for 1991. We are grateful for the tremendous response we have received to date. The rooms are going quickly and so please have your housing people get in touch with us.

We promise you a wonderful time in San Francisco. Remember, it is San Francisco, California, in 1991.

Thank you, Imperial Sir. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much.

I will now recognize Imperial Sir and Chief Rabban-Elect, John W. Dean, III.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Worshipful Grand Masters and Representatives: I would like to call on the High Priest and Prophet of Bahia Temple to extend an invitation.

NOBLE ROBERT H. GENTRY, III [Bahia Temple]: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters, Distinguished Guests and My Fellow Nobles: I am Robert H. Gentry, III, High Priest and Prophet of Bahia Temple and I would like to inform you that on May 4th a resolution was presented to the Nobility of Bahia Temple and unanimously passed to invite Imperial Sir Jack to Orlando in 1992 and the dates for the Imperial Session in 1992 is going to be June 30th through July 3rd.

On behalf of the 5,000 members of Bahia Temple, please come to Florida. Let us have a great Imperial Session.

Thank you, Imperial Sir Jack.

IMPERIAL POTENTATE McMULLAN: Thank you very much. (Applause)

IMPERIAL SIR DEAN: Let me say, Nobles, that we will be getting information out to you. The Articles of Incorporation have been approved. The Director General's name is Merv Henning and that will be coming to every one of you High Priests and Prophets. Also, the Housing Chairman is Hugh Bailey, who is the Administrator at Bahia Temple. I could not believe they would let me have him as Housing Chairman, but they did and so it is going to be easy to contact somebody.

It is my pleasure, Imperial Sir, to move that the Imperial Council Session in 1992 be held on the dates of June 29th through July 3rd, 1992, in Orlando, Florida.

... The motion was severally seconded ...

IMPERIAL POTENTATE McMULLAN: All in favor please indicate by saying aye; opposed. It is unanimously carried.

IMPERIAL SIR DEAN: Thank you very much, gentlemen.

IMPERIAL POTENTATE McMULLAN: I will now call on the Assistant Rabban-Elect, Everett M. Evans.

IMPERIAL SIR EVANS: Imperial Sir, at this time I would like to call on Terrence McGuire, Past Potentate from Alzafar Temple, Assistant Director General, if you so approve.

NOBLE MCGUIRE [Alzafar Temple]: Imperial Sir, Imperial Sirs, Masonic Guests and Fellow Representatives: On behalf of the thirteen Texas Temples, it is our pleasure to welcome you to the Imperial Shrine Session of 1993 to be held in San Antonio, Texas, July 4th through 9th.

San Antonio is a city on the move. We have adequate hotel space in the metropolitan area to handle this convention.

We have the newest Seaworld and in its first year it set all of the attendance records in relation to all of the other Seaworlds in marine circles.

We just entered into a contract with Opryland USA to build a theme park in San Antonio and it should be well on its way and be completed by 1993.

Also, our people have just approved the funding for a dome to be built down in the Convention Center area. We do have now and will have more than adequate facilities to house this convention.

River Walk is also a thing to see. You will enjoy being there. It is the Fiesta City and all thirteen Texas Temples have unanimously invited Everett Evans to have his convention there if you so approve.

Some information has already been presented to the Oriental Guides and we will be sending out more information to you in the near future but we look forward to having all of you in attendance from July 4th through July 9th of 1993.

Thank you.

IMPERIAL SIR EVANS: Imperial Sir, Imperial Sirs and Representatives: We have looked forward for a great period of time in choosing a great place in Texas for you to come to for your Imperial Session in 1993. We believe you will enjoy San Antonio. Also, we know that all of the Texas Temples will look forward to having you there.

I would like to congratulate each Temple in the Shrine of North America for electing the finest, the smartest, most wonderful Oriental Guide I have ever seen in my life. (Laughter)

Therefore, Imperial Sir, I would so move, that we have the Imperial Council Session in San Antonio, Texas, on the dates of July 4th through 9th, 1993. I would so move.

... The motion was severally seconded ...

IMPERIAL POTENTATE McMULLAN: You have heard the motion and the second.

All in favor indicate by saying aye; opposed. It is unanimously carried.

Now, I will request a motion from the Representatives that we approve all of the times and places.

... The motion was severally made and seconded ...

IMPERIAL POTENTATE McMULLAN: All in favor please say aye; opposed. It is unanimously carried.

Now, with that, let me ask, is Peter Rhodes in the house?

Well, let me say in behalf of Peter Rhodes, my Director General, that is so busy and I imagine that he is running some other organization right now because, as you may or may not know, that fellow owns and operates about twenty-two different corporations.

For example, when the Recorder resigned about a year ago, Peter took over the Recorder's position in the Temple. When the Treasurer was unfortunately killed on a bridge in New York and washed overboard, along with another member of Rameses Temple, he also took on that job.

While I asked Peter Rhodes to take on the job of Director General, he did not jump on it because he was a very busy man. He is an entrepreneur and he is a very fine gentleman and he is very meticulous.

I gave him some time to think about it and having been a salesman all my life, I kind of got him around to the point where he wanted to do it and I was very, very fortunate indeed to get a man of his caliber and the manner in which he has produced this show.

I got not only his support but that of the Illustrious Potentate of his Temple, Robert Hall and his predecessors. Each of them were very anxious to be able to help in order to make this a success.

The Past Potentates and the Divan of Rameses Temple, are they in the room? Will they please stand.

... Applause ensued ...

IMPERIAL POTENTATE McMULLAN: Now, I also have some plaque presentations for these people.

Now, let me ask you, how many were happy with their housing? (Applause)

I would like to call you up, Bobby, because we have really enjoyed this fellow and I just want you to say a few words in behalf of Peter Rhodes because you seemed to have done much work in relation to this convention. I hope all of the people present have enjoyed the convention and I also hope that you have enjoyed Toronto. (Applause)

Now, I am going to announce who these plaques are being presented to and I will have Bob Hall see that these various individuals receive these plaques.

The first of these plaques is being presented to Neil McNeillage, Transportation Chairman.

"In grateful recognition of service and support given to the Shrine of North America as

Transportation Chairman for the 1988–1989 Imperial Council Session, Toronto, Canada, and hereby acknowledges your unselfish cooperation and special contributions and extends its sincere appreciation, gratitude and respect for the outstanding performance above and beyond the call of duty."

Thank you very much.

Now, we also have one for the next important job next to the Director General and that is the Housing Chairman. This is a plaque for Russ Nelson and it contains similar wording except that I think that is a little tougher job.

Now, then, Peter receives a much larger one and it says:

"In recognition of your outstanding performance beyond and above the call of duty, in planning, directing and coordinating the events and surrounding activities of the Session, which resulted in one of the most enjoyable and successful Imperial Council Sessions in the history of the Shrine of North America, bringing pleasure, prestige and enjoyment to the Representatives and members of the 190 Shrine Temples in attendance. It is with the deepest appreciation that this plaque is awarded and it is on behalf of the 800,000 Nobles across North America that your generous efforts are saluted."

This is presented by Edward G. McMullan, Imperial Potentate during this One Hundred Fifteenth Imperial Council Session.

Thank you, Peter Rhodes, wherever you are. (Applause)

NOBLE ROBERT HALL [Rameses Temple]: Thank you.

Imperial Sir, Imperial Sirs and Representatives: I am very humble to have the opportunity to speak in behalf of Peter Rhodes. We hold Peter very, very high in our Temple. He has worked very, very hard to make this Convention successful and certainly the Divan and Nobles of Rameses Temple, who took on the key positions of chairing the various committees worked long and hard and I just happened to be in the right place at the right time but I certainly do appreciate all the work they did and I also am very pleased to see that you have been happy with the arrangements.

We are so happy that you came to Toronto to join in these great Sessions with us and we hope we have made everything as comfortable as it could be for you.

Also, I want to say to Imperial Sir Ed again, it has been a real pleasure to work with Imperial Sir McMullan. He has been a real leader—he has been the kind of person that was always there to pat you on the back when you needed one and I also know that both Peter and he worked very, very hard to make this a successful Convention as well.

So, in behalf of all of the hard working Nobles, on behalf of Peter Rhodes, thank you very much for this opportunity and thank you for honoring us at this time. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you, Bob.

You fellows certainly have done a tremendous job on donations to the hospital. I remember, last year, when you were just under a million dollars. You got down to work again and brought that along and I forget what your last figure was, but I believe it was just over a million dollars. Now, you have gone beyond that one mile and have presented your contributions to Shriners Hospitals for Crippled Children, Montreal Unit. Your contributions for the 1988–1989 Imperial Year total in excess of \$1 million and are indicative of your tremendous support for the world's greatest philanthropy.

Your dedication and devotion to our cause are deeply appreciated and hereby recognized.

I might say that in addition to this, they gave \$25,000 to Erie and \$25,000 to Boston on top of that, besides a million dollars to the local hospital, the burn unit for the crippled childrens hospital. (Applause)

We also have plaques for the Temples of North and South Carolina for their marvelous contribution to Shriners Hospitals for Crippled Children and if the Potentate of Oasis Temple would come up and represent all of the Temples in the Carolinas, we would like to present this one plaque. We have one for each of you but we would like to have you come up and receive this plaque in lieu of all the others at one time.

Now, this particular plaque reads, and let me say that this goes to all of the Temples of the Carolinas. This one, however, reads as follows:

"Presented to Oasis Temple for your tremendous interest and your ongoing support of the world's greatest philanthropy, including contributions totalling \$2,371,988.52 during the

1988–1989 Imperial Year. The Shrine of North America and Shriners Hospitals for Crippled Children extend our sincere appreciation, gratitude and respect.”

Thank you, fellows.

... Plaque presentation and applause ensued ...

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL SIR JONES: Imperial Sir, Imperial Sirs and Representatives: I move that all of the acts and transactions of the Imperial Officers, Board of Directors and others for the Iowa Corporation for the past year at this Session be approved and ratified.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: All in favor please say aye; opposed. It is unanimously carried.

... Business was transacted in the Colorado Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I will next recognize Joe Vita for a report of the Resolutions Committee.

NOBLE JOE VITA: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and My Fellow Representatives and Nobles All: The resolution of thanks and appreciation that was going to be presented here this morning is not in proper form at the present time and is presently being typed up.

However, I would like to go ahead and make a motion that this resolution be adopted and inserted in this record of this Convention.

Also, I would like to thank all of the committeemen that served on the Resolutions Committee. Thank you very much.

... It was severally moved, seconded and unanimously carried that the resolution as above mentioned and as indicated below be adopted and made a part of the record ...

IMPERIAL SIR POWELL: Imperial Sir, while there seems to be a slight lull here, if I may be permitted to do so, I would like to address myself to the attention of our Grand Masters.

IMPERIAL POTENTATE McMULLAN: Please proceed.

IMPERIAL SIR POWELL: You know, when Frank Land founded the Order of the DeMolay, he wisely chose the Grand Lodges of this country and Canada as those who should be charged with the responsibility of taking these young men, leading them and making them a better person, a good husband, a good member of the community because it was believed that the basic principles of the DeMolay were the basic principles of the Grand Lodges. Further, he was correct.

Now, for many years, the Grand Lodges did support the DeMolay with anything and everything that they needed for success, which basically was manpower, because it was the greatest source of raw material that the Grand Lodges had ever hoped to find, namely, men to continue on into Masonry.

However, as times changed, the DeMolay organization received less and less and less support, manpower-wise, from our various Grand Lodges.

Now, they did come forth and make contributions financially to the Executive Officers of the states and that is appreciated but I can assure you that one, two, three, four or a dozen men from our Lodges supporting our Order of DeMolay will mean more than all the money in China.

So I appeal to all of you this morning, please support the greatest source of raw material that our Grand Lodges have, and that is the Order of DeMolay, and if you will do this during the ensuing year, I can assure you Grand Masters that you can go to bed at night with your head on your pillow and say that you have done an awful lot for the good of mankind.

Thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you, George.

We will now have the Installation of the Imperial Officers and I will call on Imperial Sir and Past Imperial Potentate Voris King.

IMPERIAL SIR KING: Thank you very much and let me say to all of you, Nobles, this will be very brief.

Imperial Sir George Powell has asked me to be his Installing Officer and he has asked Imperial Sir Robert Turley to serve as his Marshal.

At this time, I will ask Imperial Sir Turley to ascertain that the Officers to be installed are properly placed in their appropriate positions.

... At this time, the Officers to be installed were placed in their appropriate positions . . .

IMPERIAL SIR KING: Now, before we start, I would like to recognize our Imperial Chaplain-Designate to offer a word of prayer.

REVEREND JOHN B. PETERSON: Brothers, we are all taught that before any important undertaking, we should first invoke our blessings to Almighty God. Will you please stand.

Let us pray.

O, God, our help in ages past, our hope for years to come, our shelter from the stormy blasts and our eternal home, we stand here at a very precious time in our history. Grant, our Father, that as we look back and see the joy, the happiness, the progress that has been made, we shall also look forward and use the past to build upon for the days that are ahead. We ask this in our Master's name and of our God. Amen.

IMPERIAL SIR KING: Thank you very much.

Now, the Officers have been placed in their respective positions and I am going to ask each of you to raise your right hand, say "I" and repeat after me.

... At this point, the Imperial Potentate-Elect and other Officers, in unison, then repeated their Oath of Obligation . . .

IMPERIAL SIR KING: I now declare that each and every one of you has been duly installed into the office to which you have been elected.

At this time, I would like to ask Past Imperial Potentate Warren Weck to please come forward. He is going to present the Fez to the newly elected Imperial Potentate.

IMPERIAL SIR WECK: Imperial Sir George, it gives me a great deal of pleasure to be here and present you with your Imperial Potentate's Fez.

For those of you who may not remember, George was elected to the Imperial Divan in

Minneapolis in 1979, at the time that I was Imperial Potentate. So it indeed gives me a great deal of pleasure to present you with this Fez.

... Whereupon, Imperial Sir Powell was presented with his Imperial Potentate's Fez and applause ensued ...

IMPERIAL SIR KING: At this point I would like to recognize Illustrious Sir Donald McDiarmid, Potentate of Al Azhar Temple, who will present the Past Imperial Potentate's Jewel and Fez to a great leader, Edward G. McMullan.

ILLUSTRIOUS SIR MCDIARMID: Imperial Sir Ed, I present you with the Jewel that was worn by Past Imperial Potentate, Imperial Sir Marshall M. Porter.

... Presentation of Past Imperial Potentate's Jewel ensued ...

ILLUSTRIOUS SIR MCDIARMID: I would also present you with the Fez identifying you in your new role as a Past Imperial Potentate.

... Presentation of Past Imperial Potentate's Fez then ensued ...

IMPERIAL SIR MCMULLAN: Thank you, Don McDiarmid.

I merely want to once again say, Nobles, as to what an honor it has been to have Donald present me with my Past Imperial Potentate's Jewel and Fez but what a great honor it is to be able to wear the Jewel of Office of Past Imperial Potentate Marshall M. Porter, who was Imperial Potentate of the Shrine of North America in 1962, at which time we brought in the legislation concerning our Burns Hospitals. Justice Porter was also a member of Al Azhar Temple and a great Canadian.

Thank you very much. (Applause)

... At this point, the Imperial Officers resumed their respective places ...

IMPERIAL SIR TURLEY: I now declare the Officers duly installed in the stations to which they were elected or appointed. I declare it to the East, to the West, to the North and to the South.

Nobles, take heed and govern yourselves accordingly.

... Applause ensued ...

... At this point, Imperial Outer Guard Ralph W. Semb was presented his new Three-Star Fez by Illustrious Sir Clyde O. Hooper, Jr., Potentate, Melha Temple ... (Applause)

IMPERIAL SIR KING: And now, Nobles, I present to you your newly elected Imperial Sir, George Washington Powell.

... Rising applause ensued as Imperial Potentate George W. Powell approached the podium ...

IMPERIAL POTENTATE POWELL: Imperial Sirs and Representatives: I will not keep you very long but there are just a few things that I would like to review with you.

The first thing is that we are going to have the Shrine Seminar, which will be held at Tucson, Arizona, on March 25, 26 and 27, 1990. Of course, it is always held in conjunction with the Shrine Directors Meeting, which is the 28th, 29th and 30th.

Now, also, there has been a problem in relation to which your Imperial Council members have been attempting to deal with for the past few years and it is getting more serious every year and that concerns the matter of transportation of our patients to our hospitals. There are times when the cost is so great that these Temples just have to go out and borrow money to see to it that these kids are taken to our hospitals.

Now, we have recognized this and have taken some temporary steps to try to correct it.

I do not know, however, as I stand here today, as to what the answer is, but I do know, as I stand here today, that Imperial Sir Gene Bracewell and the Trustees and all the other members of our Joint Boards are concerned.

Gene and I have promised ourselves that this year we will appoint a committee to investigate and attempt to come up with some kind of a plan that will alleviate the problem and give relief and make it possible to extend our services insofar as transportation is concerned.

This is just a thought that I would like to leave with you this morning.

Now, it is also the policy of your incoming Imperial Potentate to announce the members of the standing committees.

... Whereupon, Imperial Potentate Powell read his appointments to the various standing committees ...

IMPERIAL POTENTATE POWELL: Aside from that, I have nothing more to add this morning

other than to say thanks to you all for the confidence you have placed in me. I know I am going to make some mistakes but, as I make them, we will learn.

Also, as we try to somehow move ahead, I would hope that as I stand before you a year from now that in relation to the things that have gone unresolved during the year, that they may be resolved in the future, whatever they may be.

I wish you all good health and God bless all of you.

. . . Rising applause ensued . . .

IMPERIAL POTENTATE POWELL: Now, while you are all standing, I would like to call on our Imperial Chaplain, Reverend Peterson, for the Benediction.

REVEREND PETERSON: Let us pray.

And now may the grace of God be with all of you until we meet again. Amen.

IMPERIAL POTENTATE POWELL: I now declare this Session closed. (Gavel)

. . . Whereupon, at eleven-ten o'clock a.m., the One Hundred Fifteenth Annual Imperial Council Session was adjourned sine die . . .

ANNUAL REPORT OF WEBBER C. HARRINGTON
IMPERIAL TREASURER, A.A.O.N.M.S.

January 1 - December 31, 1988

Imperial Potentate Edward G. McMullan, C.D., Officers and Members of the Imperial Council, A.A.O.N.M.S., in meeting assembled at Toronto, Ontario, Canada, July 1989:

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

This report is supplementary to the report of our independent auditors, KPMG Peat Marwick, which is included in this Book of Reports. I have prepared and am appending hereto for the internal use of our officers, staff and representatives a summary of the revenues, expenses and changes in unrestricted fund balance of the Imperial Council for the six years beginning January 1, 1983, the effective date of the last change in per capita tax, and ending December 31, 1988. In reviewing the attached statement, please bear in mind that the date of assessment of per capita tax was changed to January 1, effective for the year 1987, whereas in previous years the per capita tax was assessed as of December 31 of each year. This means that the fund balance has actually increased over the six year period after taking into consideration the change of such accrual date.

Nevertheless, the attached summary shows that our revenues have been relatively level for the last six years, while our expenses have increased nearly \$400,000 over the same period of time. Of even greater concern is the fact that air fares, which constitute a big part of the Imperial Council Session expense, have increased considerably recently and threaten to increase even more in the future.

I have been asked on numerous occasions by knowledgeable and concerned members of the Imperial Council why for the last several years we have budgeted sizable deficits which, except for the year 1988, have been overcome by savings, principally as the result of the fine cooperation of the representatives in arranging for super-saver air fares. The answer is that we have no way of predicting in July when a budget is adopted what the lowest unrestricted discount air fares will be on the following May 1, or how much the representatives will save by their diligent efforts to obtain lower fares. Thus far we have been very fortunate, and we are deeply grateful for the splendid cooperation of the representatives. The Deputy Imperial Potentate has indicated that he intends to appoint a committee to study the per capita situation and to report with recommendations at the next Imperial session.

In 1988 a refund of unused per capita tax of \$90,000 was received from the New Orleans Convention Corporation. In 1987 a refund of \$9,391 was received from the Los Angeles Convention Corporation. No refund and no report has as yet been received from the Las Vegas Convention Corporation.

I want to particularly call to your attention Note (8) to the financial statements which explains the financial details with respect to the notecard program. The \$238,185 earned by the Imperial Council from this program has been reflected as a restricted fund, and is not included in the summary statement of Revenues, Expenses and Changes in Unrestricted Fund Balance appended hereto.

A comparison of actual vs. budgeted amounts for each category of income and expense for the year 1988 may be found in the report of the Finance and Accounts Committee in this Book of Reports. That committee will report on both the 1988 and proposed 1989 Iowa Corporation budgets at the Imperial session.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington

ANNUAL REPORT OF JACK H. JONES
IMPERIAL RECORDER, A.A.O.N.M.S.

To: *Imperial Potentate, Officers and Members of the Imperial Council,
A.A.O.N.M.S.:*

GREETINGS:

The following detailed statements of transactions of the General Offices for the fiscal period January 1, 1988 to December 31, 1988 are submitted for your information.

The report of the Imperial Auditor, showing complete information on all receipts in the General Offices and all remittances made to the Imperial Treasurer, together with the record of payment of all bills, checks for which are prepared in the General Offices, has been submitted and your attention is directed thereto.

The 1989 Election Returns of the 190 Temples reflect that there are Representatives to the 1989 Imperial Council as follows:

	Total Number	Total Votes
At Large	13	13
Ad Vitam	19	19
Emeritus	117	95
Elected	749	749
Appointed	3	<u>3</u>
Total		879

At the end of 1988, the Temple's Annual Report showed a total of 798,734 Nobles plus 5,706 Associate Members on the active rolls of membership. Permanent Contributing Membership Certificates were held by 58,242 Nobles, which relieves them from paying the Annual Shriners Hospital Assessment.

The net loss in Shrine membership for the year 1988 was 23,891 Nobles. That figure, for the first time since the current net loss trend began in 1979, shows a decrease from the previous year. This is certainly a positive step and hopefully the turning point of our membership decline. There are two major problems confronting us—the declining number of creations and the high number of suspensions. Last year, we created only 18,445 and suspended 17,054. It is imperative that we find ways to attract new members and each Temple must develop programs to retain its present members. Without a substantial reduction in the number of suspensions, the Shrine must annually create approximately 40,000 new Nobles (more than twice the number created in 1988) in order to maintain a healthy growth posture.

The membership details reflected in the Annual Temple reports are printed as a part of this report. It should be noted that only 16 Temples reported a net gain in membership while 170 had losses and 3 had no change during the year.

Every Potentate should make membership the number one priority in his Temple. He must analyze his Temple's past programs, closely scrutinize its present operation, and develop innovative programs that will

enhance membership. If you don't have a committee already structured, use the manual developed by the Imperial Membership Committee as a guide.

Here are some thought provoking questions. Does your Temple have the best qualified Noble as Membership Committee Chairman? Does he have a realistic budget? Does your Temple have plenty of activities—social and otherwise—to keep the interest of its members? How is your Temple's image in the communities throughout your jurisdiction? Is your mosque building in good condition? Is it located in a desirable area of town and is there adequate parking? If you don't have your own mosque, is your meeting place and Temple office located in a building that projects the best image for your Temple? Do you have a good public relations program to let the public know what you are doing as Shriners for the good of your community and country?

It is very important that all Temple officers work in close harmony with all Masonic organizations to develop programs that will benefit our Masonic family. We must work hand in hand with the Scottish Rite, York Rite, and Blue Lodge officers to develop programs for positive growth, thereby perpetuating our great fraternities. Please refer to the Imperial Membership manual for recommendations.

During this Shrine year, a great deal of attention was given to the Order of DeMolay. It is a part of the philosophy of Masonry to help and encourage youth, and what better way is there to invest a part of our time and money than in prospects for future members. Besides, even those boys who don't join Masonry will become better citizens because of what they are taught in DeMolay. They need our help. Please contact the DeMolay Executive Officer of your state or province to find out how your Temple can help.

Imperial Potentate Edward G. McMullan has done a tremendous job throughout the year in promoting the best interest of our fraternity. He has been unselfish in giving of his time, talent and leadership on behalf of all Shrine Masons, and for this I commend him for an enormous job extremely well done.

We have many new Recorders in our ranks to whom I extend a warm welcome. To all Recorders and their staff, my sincere thanks for your wonderful cooperation during the past year. Keep up the good work!

The following pages contain specifics that have been compiled for your use. Please study them and compare the history of membership in your Temple with that of others. Work hard to promote the best interest of our great fraternity and insure the future of our hospitals, the World's Greatest Philanthropy.

ES SELAMU ALEIKUM

Respectfully submitted,

JACK H. JONES

Imperial Recorder

Independent Auditors' Report

and Board of Directors

THE IMPERIAL COUNCIL OF THE ANCIENT
ARABIC ORDER OF THE NOBLES OF THE
MYSTIC SHRINE FOR NORTH AMERICA:

We have audited the accompanying balance sheets of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA as of December 31, 1988 and 1987, and the related statements of revenues, expenses, and changes in fund balances and of changes in financial position for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of THE IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA at December 31, 1988 and 1987, and the results of its operations and changes in its financial position for the years then ended in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included on pages 23 and 24 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly presented in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

December 31, 1988 and 1987

(1) *Summary of Significant Accounting Policies*(a) *Organization*

The IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council) is a nonstock, non-profit corporation incorporated under the laws of the State of Iowa. The organization is exempt from U. S. Federal income tax under Section 501(c)(10) of the Internal Revenue Code.

The Imperial Council is the supreme authority of the Shrine temples of North America. The Shrine is an international fraternity of approximately 804,000 members who belong to 190 temples throughout the United States, Canada, Mexico and the Panama Canal Zone. Each temple is a separate unincorporated association with its own governing body and finances.

(b) *Dues and Fees*

The Imperial Council's principal source of revenue consists of per capita dues and fees received from its subordinate temples. Beginning in 1988, per capita dues are assessed effective January 1 of each year. Previously, dues were assessed effective December 31 of each year and were remitted by the temples to the Imperial Council during the subsequent year (see note 4). Included in the annual dues of \$3.00 per capita is \$.20 which is designated for the annual Imperial Council Session.

(c) *Marketable Securities*

Marketable securities are carried at the lower of cost (or estimated market value at date of receipt if received by gift or bequest) or market determined at the balance sheet date.

(d) *Property and Equipment*

Property and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

(e) *Fund Balance - Restricted*

Contributions received from a notecard program entered into in 1988 (see note 8) are restricted for use in a membership campaign to enhance Shrine membership recruitment and retention.

(2) *Cash and Cash Equivalents*

Included in cash and cash equivalents are U.S. Treasury obligations amounting to \$3,599,100 at December 31, 1988 and repurchase agreements of \$3,300,000 at December 31, 1987.

(3) *Property and Equipment*

Property and equipment consists of the following:

	December 31	
	1988	1987
Automobiles.....	\$ 43,930	43,930
Equipment	20,646	10,700
	<u>\$ 64,576</u>	<u>\$ 54,630</u>

Depreciation expense was \$13,106 and \$10,983 for 1988 and 1987, respectively.

(4) *Adjustment due to Change in Date of Assessment of Annual Per Capita Dues*

At the Imperial Session in June of 1987, the Imperial Council adopted the policy, beginning in 1988, of assessing per capita dues on January 1 of each year. Previously dues were assessed as of December 31 of each year and recognized as revenue in the year assessed. Consequently, no dues have been assessed in 1987. For comparability purposes, revenues have been reflected as if dues had been assessed, and the related adjustment of \$2,365,770 (before Canadian exchange differences) due to the change in the date of assessment of annual per capita dues has been reflected as an expense.

NOTES TO FINANCIAL STATEMENTS

(Continued)

(5) *Due From Imperial Council Session Corporations*

A separate corporation is formed for each of the annual Imperial Council Sessions (Sessions). Per capita tax amounts are advanced to the Convention Corporations to assist in defraying the expenses of the Sessions, including the reimbursement of travel costs of the Headquarters office staff. Any unused per capita tax advances are required to be repaid to the Imperial Council.

Refund of unused per capita tax totalling \$90,000 was received from the New Orleans Convention Corporation and is included in current year revenues. Reimbursement of costs incurred on behalf of the Session of \$23,459 was also received in 1988. The amount, if any, of any additional unused per capita tax refund to be received was not determinable at December 31, 1988.

There were no unused per capita tax refunds from the Las Vegas Convention Corporation although reimbursement of costs incurred on behalf of the session of \$23,463 included in receivables at December 31, 1987 was received in February, 1988. The amount of \$9,391 reflected as unused per capita tax refunds in 1987 represents additional amounts refunded by the Los Angeles Convention Corporation.

(6) *Transactions with Shriners Hospitals for Crippled Children*

Shriners Hospitals for Crippled Children (SHCC), a separate charitable organization(s) was established by the Imperial Council. Hospital assessments, donations and other receipts from Shrine temples are collected and remitted to SHCC by the Imperial Council. The Imperial Council bears a portion of the operating expenses of the National Headquarters building owned by SHCC. The two organizations also prorate salaries and other costs based on the estimated value received by each organization. Amounts of \$62,509 and \$223,557 were due to SHCC at December 31, 1988 and 1987, respectively.

(7) *Retirement Plans*

The employees of the Imperial Council are included under the Shriners Hospitals for Crippled Children Revised Retirement Plan. There was no contribution to the plan in 1988 or 1987 and consequently no cost was allocated to the Imperial Council.

In addition, employees are covered under either a deferred compensation plan or the Voluntary Individual Retirement Annuity Savings Plan. Voluntary contributions by employees, up to 6% of eligible compensation, are matched by the Imperial Council up to 1.5% of eligible compensation. The total expense incurred under these plans was \$8,266 in 1988 and \$5,025 in 1987.

The deferred compensation plan consists of an annuity payable of \$26,809 and \$16,509 at December 31, 1988 and 1987, respectively, to an employee of the Imperial Council. An asset equal to the liability is included in the balance sheet.

(8) *Membership Campaign*

In 1988, the Imperial Council entered into a notecard program to raise monies for a membership campaign designed to enhance Shrine membership recruitment and retention.

In this regard, the Imperial Council entered into an agreement with Famous Artists' Corp. (an unrelated organization) to administer the notecard program. The agreement provides for the Imperial Council to receive a minimum of \$1 per notecard package mailed before any payments are made to Famous Artists' Corp. for expenses or services rendered.

At December 31, 1988, the Imperial Council had earned \$238,185 related to this program of which \$124,016 had been received prior to December 31, 1988 and the balance of \$114,169 is included in receivables. Famous Artists' Corp. has billed \$684,979 for cards, services and expenses in administering the program which is to be paid out of proceeds received in excess of the \$238,185 earned by the Imperial Council.

The entire \$238,185 earned by the Imperial Council has been reflected as restricted fund balance since these revenues were solicited for expenses associated with the membership campaign, none of which had been incurred as of December 31, 1988.

SHRINE PROTOCOL

For the Use and Guidance of Illustrious

Potentates and Divan Members of

the Subordinate Temples,

Shrine Clubs and Shrine

Associations

Revised
January, 1989

This protocol publication is primarily based on customs of the United States of America. Not all customs are relevant in those countries comprising the Shrine of North America. The recommendations in this printing are designed to make all nobles comfortable with the protocol of all the countries. Variations will be necessary where national laws comprising the Shrine of North America and/or customs differ from those stipulated in this publication.

PROPER DISPLAY OF NATIONAL FLAGS

It is the desire of the Imperial Potentate that each Temple of this Order provide and display at all Shrine parades, functions, and meetings, the three national flags under which Shrine Temples chartered by the Imperial Council operate (United States, Canada, and Mexico).

It has been noted that many Temples improperly display one or more of the three national flags primarily in parades and at meetings.

All nations designate the position on the *right* as the position of honor. International usage dictates that when flags of two or more nations are displayed together, they should be flown from separate staffs of the same height and should be approximately equal in size.

In an Auditorium

At Shrine functions and meetings the three national flags should be displayed in the position of honor at the Potentate's or speaker's *right* as he faces the audience. It doesn't matter whether the flags are behind, alongside, or in front of the speaker, on raised platform or not; they should always be to his right. Another important point: The flag of the country in which they are being displayed should be on the speaker's extreme right. (Canadian law does state that when three are flown together, the Canadian flag should occupy the central position.)

At Parades

When in procession, the flag of the country in which they are being paraded should be either on the *marching right*, that is, the flag's own right, or if there are a great number of other flags, it may be in front of the center of that line. It is strongly suggested that the three national flags (United States, Canada, and Mexico) always be paraded side-by-side, in front of state, province, or other local flags, with the flag of the country in which they are being paraded having the position of honor on the *marching right*.

Other flags which Temples may wish to parade should be in a line immediately following the three national flags in the following marching order, beginning on the right: state or province flag; Shrine Temple flag; Imperial Potentate's flag; Past Imperial Potentate's flag; other flags.

One of the most common violations of international flag usage is the dipping of national flags at reviewing stands, during the playing of the national anthems and other occasions. *National flags should never be dipped to any person or thing.* However, all other flags should be dipped as a mark of honor.

In Front of Shrine Temples and Club Buildings

When the three national flags are displayed in front of a Shrine Temple or club building, they should be flown from separate staffs of the same height and the flags should be of approximately equal size. The flag of the country in which they are being displayed should be in the position of honor on the extreme right; that is, a person's own right as he faces outward of the building's front entrance.

When a nation in which the flags are displayed proclaims that its

flag should be flown at half staff, it would be improper to fly the other two flags at full staff; therefore, the flags of the other two nations should not be flown during that period.

CORRESPONDENCE TO IMPERIAL POTENTATE

The Imperial Potentate's schedule is such as to keep him away from his home and office for weeks at a time. For this reason, it is requested that *copies of all correspondence sent directly to him by Temples and Representatives be sent to the Executive Director at the General Office in Tampa, Florida.* This practice will assure an expeditious handling of all such correspondence.

Temples are reminded that complaints or correspondence from individual Nobles on Imperial Council or Temple matters must be handled in accordance with Article 38 of Imperial Council Law.

VISITATION OF IMPERIAL POTENTATE

The Imperial Potentate is the number one Noble of the International Shrine and must be accorded the protocol pattern and respect befitting his high office. Protocol dictates that careful plans and arrangements be made prior to his visitation and completed during his visitation.

The host Temple Potentate, Director General, Association President, or their official representatives should be at the airport to meet the Imperial Potentate upon his arrival. An automobile and driver must be provided who is responsible for transporting the Imperial Potentate, his party, and luggage to the hotel. The driver should be available at all times.

Honor guard, color guard, or their Uniformed Units are often used to provide pomp and ceremony for the Imperial Potentate's arrival. Their use is not mandatory, however. Motorized Shrine Units or official police may be used as motorized escorts from the airport to the hotel.

A suite of rooms should be provided for the Imperial Potentate. Normal courtesies are appreciated, and should any additional information be required, please contact the Executive Director at the International Headquarters in Tampa.

The host Temple Potentate traditionally presents the Imperial Potentate and/or his first Lady a commemorative remembrance during their visitation.

WHEN AN IMPERIAL OFFICER IS ASSIGNED BY THE IMPERIAL POTENTATE AS HIS OFFICIAL REPRESENTATIVE, THAT IMPERIAL OFFICER IS ACCORDED THE SAME PROTOCOL PATTERN APPROPRIATE FOR THE IMPERIAL POTENTATE. THESE SAME COURTESIES APPLY TO ALL VISITING IMPERIAL OFFICERS.

Should your Temple have as a member an Imperial Officer, the same courtesies should be extended when he is invited to a function as any other Imperial Officer.

The Imperial Potentate's host and his assigned aide or driver are responsible for the departure arrangements. These arrangements include transportation of the Imperial Potentate, his party, and luggage to the airport. Sufficient time should be allowed so as to assure the Imperial Potentate's arrival at the airport at least one hour prior to the departure flight time.

NOTE: Frequently the Imperial Potentate must appoint another Imperial Officer as his official representative. When this happens, that Imperial Officer is accorded the same protocol pattern appropriate for the Imperial Potentate as outlined in the following sections.

CEREMONIALS AND RECEPTIONS

Ceremonials or Receptions

The Potentate should provide suitable transportation from the hotel to the place of the meeting for all Imperial Officers (Present and Past). An aide designated by the Potentate should be available at all times.

When a Temple desires the presence of one or more Imperial Officers at a special activity of that Temple, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Temple has an Imperial Officer, they may invite him directly, without going through the Imperial Potentate.

Reception for Ladies

At receptions or other functions where only Ladies are present, the Ladies of Imperial Officers follow the same order of precedence as for Imperial Officers.

Reception Receiving Line

At receptions or functions where a Receiving Line is used, the Imperial Potentate is the last one in the order of reception, with others

stationed as indicated below. When Ladies are present, they should stand with their escorts.

Introduction and Reception of Guests

The Imperial Potentate and Imperial Officers should be made as comfortable as possible and not subjected to a long-standing wait for their turn to be received and introduced. The order of reception should be as follows:

1. Visiting Divans, Past Potentates, Potentates.
2. Visiting dignitaries and celebrities.
3. Distinguished guests (Board of Trustees, Shriners Hospitals for Crippled Children).
4. Most Worshipful Grand Masters.
5. Past Imperial Officers (in reverse order of their seniority rank).
6. Imperial Officers (presented individually in reverse order of their official station). The Nobility will stand after 3 raps of the gavel, on the presentation of the Imperial Officer of highest rank in attendance.
7. Imperial Potentate.

NOTE: Always be sure that Distinguished Guests are introduced to each other as well as to the assemblage. If at all possible, allow some time for informal discussion between Distinguished Guests.

Introduction of Imperial Potentate at receptions, banquets, ceremonials, or business meetings.

When uniformed bodies are used in receiving the Imperial Potentate, Imperial Officers and Past Imperial Officers and Potentates, the unit used to form the Honor aisle should, at the command of the Officer in charge, Salaam. (Military salute prohibited.)

The escort appointed by the Potentate to introduce the Imperial Potentate walks at the left of the Imperial Potentate, and upon reaching the point on the floor from where the introduction is to be made, should Salaam the Potentate and make such remarks as he deems proper, and conclude the following:

"Illustrious Potentate, I have the honor of presenting the Imperial Potentate of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America, Imperial Sir of Temple, (City), (State of Province)."

or

"Illustrious Potentate, I have the honor of presenting Imperial Sir of Temple, of (City), (State or Province), the Imperial Potentate of the Shrine for North America."

Potentate: "You will conduct the Imperial Potentate to the East."

The Potentate concludes his remarks of welcome to the Imperial Potentate with the following:

"Nobles, I have the honor of presenting the Imperial Potentate of the Shrine of North America, Imperial Sir

The Gavel should be presented to the Imperial Potentate, who, upon receiving same, returns Gavel to the Potentate.

The only ADDRESS should be made by the Imperial Potentate.

WHILE THE IMPERIAL POTENTATE'S ADDRESS MUST BE THE LAST SPEECH OF THE EVENT, ALL OTHER NORMAL BUSINESS OR ACTIVITIES MAY TAKE PLACE AFTER THE IMPERIAL POTENTATE'S ADDRESS. THE IMPERIAL POTENTATE'S ADDRESS SHOULD BE PLACED AT A TIME IN THE PROGRAM SO AS TO REACH THE LARGEST POSSIBLE AUDIENCE.

In the absence of the Imperial Potentate, the senior Imperial Officer invited will act in his place.

Seating at Banquet:

The Potentate should personally escort the Imperial Potentate to the Banquet table. The Imperial Potentate should be seated at the immediate right of the Potentate. When ladies are present at banquets the Imperial Potentate should be seated at the right of the Potentate; the Imperial Potentate's lady at the left of the Potentate; the Potentate's lady at the right of the Imperial Potentate; with the other Imperial Officers, Past Imperial Officers seated with their ladies alternately at the right and left of the central group. The Imperial Potentate at his discretion may invite others to sit at the table. In the event no other Imperial Officer is present, the Officers of the local Divan should be seated according to seniority. Place cards should be provided to expedite seating. Many years of experience have proven that it is wisest to design a seating chart ahead of time so that any changes can be charted easily.

At Shrine Association banquets, the Shrine Association President will take the place of the Potentate, as listed above, and the other Officers of the Shrine Association, and their ladies, will follow by rank, immediately after Imperial Officers.

At a Uniformed Unit or Shrine Club banquet or any function where protocol seating is required, follow the same procedure listed in the above paragraph, with this exception: The President and his Lady should have priority seating. The Potentate should be seated at the immediate right of the President, etc. If an Imperial Officer is present, he should be seated at the immediate right of the President and the Potentate on the left.

Seating at Ceremonials, Receptions, and Business Meetings

The Imperial Potentate should be seated at the immediate right of the Potentate; Chief Rabban at the left of the Potentate; the Assistant Rabban at the right of the Imperial Potentate; the High Priest and Prophet at the left of the Chief Rabban; and the other Officers of the Divan seated alternately at the right and left of the central group. When other Imperial Officers or Past Imperial Officers are present they should be seated beginning at the immediate left of the Potentate according to rank in the Imperial Divan, to be followed by the Past Imperial Potentates, alternately at the right and left of the central group. When all of the Officers of the Imperial Divan are present, the Imperial Officers should occupy seats in front of the Temple Divan, seated alternately at the right and left of the Potentate of the local Temple.

Seating on Reviewing Stands.

In Imperial Session parades, a Reviewing Stand should be reserved for the exclusive use of the Imperial Potentate, Imperial Officers and Past Imperial Officers and such other guests as invited by the Imperial Potentate.

The Imperial Potentate (or ranking officer) receives the Salute of all Temples. When Temples from an Imperial Officer's state or province pass in review, that Officer receives the Salute of these Temples with the Imperial Potentate.

At Association or Temple parades, the ranking Imperial Officer along with the Association President or Potentate (as appropriate) receives the salute of all Temples. Other Imperial and Association officers will follow the same procedure as above.

QUESTIONS ON SEATING

Should you have questions on seating, please call the Executive Director at the General Offices in Tampa, Florida.

CANADIAN PROTOCOL

The Queen

It must be realized that Canadians do not pledge allegiance to their flag, but rather the crown. The country is the crown. The crown stands enshrined in the Canadian constitution as the emblem of the head of state, meaning, "The Queen."

Banquets:

In Canada a toast is always given to Her Majesty, The Queen:

"Ladies and gentlemen you will rise and drink a toast to Her Gracious Majesty, The Queen."

Response: "The Queen."

And then a toast to the "Office" of the President of the United States.

Salute to the Office of the President of Mexico (when appropriate).

In Canada smoking is never permitted until after the toast to the Monarch.

Toast to the Piper:

As the Piper has piped in the head table, V.I.P., and Imperial Potentate and/or Imperial Officer[s], the Potentate or his representative, after he has requested all to be seated, will raise his glass to the Piper who will return the greeting [slang avough] by raising his glass to the Potentate. No one else is included in the toast.

PROTOCOL FOR SHRINE ASSOCIATIONS

Since the Imperial Council is the parent organization over all Temples and Shrine Associations there is only one protocol procedure that can be followed by a Shrine Association and that is the protocol procedure as adopted by the Imperial Council and will be found in the front of the Directory of the Imperial Council.

Officers of Shrine Associations will participate in protocol procedure throughout this entire protocol in the position as outlined for distinguished guests and, in accordance with Imperial Council protocol, the Officers of the Imperial Council will take precedence over the Officers of Shrine Associations at all times. At any meeting of a Shrine Association at which there is not in attendance any of the Imperial Officers, then and in that event the Officers of the Shrine Association will take their place and position as distinguished guests in accordance with Imperial Council Protocol.

When an Association desires the presence of one or more Imperial Officers at a special activity of that Association, a written request should be submitted to the Imperial Potentate, with a copy to the Executive Director, detailing as much information about the activity as possible. If the requesting Association has an Imperial Officer(s) they may invite him directly, without going through the Imperial Potentate.

In accordance with the above, Shrine Association Officers will occupy position No. 9 in Association/Temple Parades and position No. 3 in "Introduction and Reception of Guests." In Shrine Association Parades, Units of Temples will form in the order determined by that Association.

VISITATIONS TO SHRINE CLUBS OR TEMPLE UNITS

It should always be remembered that Shrine clubs and units are under the control of the Potentate of the chartering Temple. Invitations to Imperial officers, Temple officers from that Temple or any other Temple, Shrine association officers, etc., who are not members of the club or unit, must be cleared with the Potentate *in writing* before the invitation is issued.

DRESS

The Fez

The Imperial Council has adopted the fez as the exclusive type of head covering to be worn by *all* Nobles of the Mystic Shrine when appearing as such. This means any Noble *must* wear his fez at all Stated (Regular) Meetings, Ceremonials (Initiations), Shrine Parades and Caravans, special Shrine events, or any other Shrine-related activity. The fez is never worn at a Masonic Lodge meeting. As a Noble of the Mystic Shrine, you are particularly admonished never to wear your fez in any company or place in which you would decline to introduce your mother, wife, sister, or daughter. Never forget this. No other person is ever allowed to wear your fez at any time.

The fez is not a display case or bulletin board. Titles of the Imperial Chaplain, Potentates, Past Potentates, Recorders, Grand Masters and Divan members may be embroidered in small letters in gold or silver bullion, silk or rhinestone jewels *on one line* beneath the emblem on the fez. Active members of official uniformed units or official clubs of a Temple may likewise have the names of their units or clubs *on one line* beneath the emblem on the fez. Any official appointee of an Imperial Potentate or Potentate may have his title beneath the emblem as above for the term of his appointment. The fez shall be worn in its proper shape without crushing, creasing, or alteration, and one pin is allowed to hold the tassel in place on the left side. No other device, ornament, title, wording or adornment is permitted. It should be worn and adorned only as permitted by Article 13 of the Imperial Bylaws.

It is advisable to set up a procedure to order fezzes through the Recorder's Office. This allows the Temple Officers to see that proper fezzes are purchased since most Nobles are not aware of what constitutes a legal fez.

Shrine Pins

A Shrine pin should be worn on the left lapel of the suit coat, sports coat or blazer. Every Noble is requested to wear his Shrine pin anytime he wears his suit coat, sports coat, or blazer. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is always identifiable, proudly and justifiably so, to a Brother Noble, Brother Mason, or the public in general.

ACCEPTED SALUTATIONS, ETC.

The Salaam

A Noble addressing the Potentate while he is presiding in the East should *always* give the Salaam. The Potentate should give the sign of the Order in return.

The Potentate and his Divan should always Salaam when receiving the Imperial Potentate or any other Imperial Officer. The Imperial Officer does not Salaam in return but gives the sign of the Order.

The Salaam is given by the leader of a Uniformed Unit that is performing for the Potentate, and the Potentate gives the sign of the Order in return. No other Unit member Salaams.

As an Imperial Officer or Potentate proceeds through an honor guard, only the first rank on either side of the aisle Salaam in unison. The remainder of the honor guard stands at attention. The Imperial Officer and Potentate may or may not be escorted through the honor guard, depending upon the pleasure of either. The escort is always to the left of the Officer.

Salutations

Any Imperial Officer, as well as a Past Imperial Officer, is always addressed, "Imperial Sir." A Potentate or Past Potentate is always addressed as "Illustrious Sir." The prefix "Past" should not be used when addressing a Past Imperial Potentate or Past Potentate. Members of an Elective Divan of a Temple should be referred to by the title of their office, or by Noble.

A Noble, when making a salutation at a Shrine meeting with an Imperial Officer in attendance, should do so in the following manner: Imperial Sir, Illustrious Sir, Illustrious Sirs, Members of the Divan, and Nobles. If the Imperial Potentate and one or more Imperial Officers, guests, and ladies are in attendance, the Noble would make the following salutation: Imperial Sir (Imperial Potentate), Imperial Sirs, Most Worshipful Grand Master, Illustrious Sir (Potentate), Illustrious Sirs (Past Potentates), Members of the Divan, Nobles, ladies, and guests.

Salute

The Military Salute is used when reciting the Shrine Pledge of Allegiance and during the singing and playing of the National Anthem

of the United States, Canada, and Mexico. The fez is *never* removed when the Military Salute is used. *The Military Salute is used by the leader of a Uniformed Unit* when passing in review, and the reviewing officer returns the salute.

Salute to the Flag

Auditorium

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed, he should drop his right hand. *In an auditorium he should hold the salute until the Colors are posted after the pledge and/or playing of the National Anthems.*

When not wearing the Fez the right hand should be held over the heart.

In Parades

Only the color party of each temple is saluted when passing in review.

Shrine Pledge of Allegiance

"I pledge allegiance to my Flag and to the Country for which it stands; one Nation under God, Indivisible, with Liberty and Justice for all."

Each Noble is reminded that his fez is not removed and that he gives the Military Salute when reciting the Shrine Pledge of Allegiance.

National Anthems

MEXICO

"Mexicans, when the trumpet is calling.
Grasp your sword and your harness assemble,
Let the guns with their thunder appalling
Make the earth's deep foundation to tremble.
Let the guns with their thunder appalling make the
Earth's deep foundations to tremble."

O CANADA!

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise.
The true North, strong and free!
From far and wide, O Canada,
We stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

THE STAR-SPANGLED BANNER

Oh! say can you see.
 By the dawn's early light,
 What so proudly we hail
 At the twilight's last gleaming,
 Whose broad stripes and bright stars,
 Through the perilous fight,
 O'er the ramparts we watched,
 Were so gallantly streaming.
 And the rockets' red glare,
 The bombs bursting in air
 Gave proof through the night
 That our flag was still there.
 Oh! say does that Star-Spangled Banner yet wave
 O'er the land of the free
 And the home of the brave.

Prayer

During the offering of a prayer, the fez shall be removed and held in the right hand over the heart. The prayer shall be nondenominational in content.

How To Address Shrine Dignitaries

Greetings

"Es Selamu Aleikum"—This is Arabic for "Peace be on You."

Salutation

"Aleikum Es Selamu"—This is Arabic for "On You be the Peace."

MEMORIAL—BURIAL SERVICE

A Shrine Memorial or Funeral Service should be permitted under unusual circumstances, where the deceased Noble's family requests it. Neither Service should preferably be held in place of the traditional Blue Lodge or other Masonic Service or Religious Rites. It may supplement the Blue Lodge Service but, except under unusual circumstances, should not take the place thereof. Both Services are intended as a tribute to Nobles who have performed unusual and meritorious service in behalf of a subordinate Temple, and the Shrine in particular.

The following protocol is suggested:

Upon arrival at the Church or graveside where the Memorial or Funeral Service is to be held, uniformed bodies are used to form the Honor aisle (from the curb to the entrance of the building or graveside).

The order of reception should be as follows:

1. Visiting Potentates, Past Potentates and Divans.
2. Visiting Dignitaries and celebrities (other than that listed below).
 - a. Most Worshipful Grand Master
3. Past Imperial Officers
4. Imperial Officers (in reverse order of their official station).
5. Imperial Potentate.

The escort appointed by the Potentate walks at the left of the Imperial Potentate and conducts the Imperial Potentate to the pew where the Imperial Divan is seated.

Seating at Memorial or Funeral Service:

Should be the same protocol as described in the seating of the Imperial Potentate and others at Ceremonials or Receptions.

The Imperial Potentate, Imperial Officers, and Nobles should remove their Fez upon entering the church edifice, undertaking establishment, or Memorial site (as well as the graveside) and remain uncovered until they return to the street curb.

Upon retiring, the same protocol should be followed as used in the entrance.

To avoid any embarrassing conflicts with traditional Masonic Services or Religious Rites, the following simple program is offered merely as a suggestion:

The Potentate can preside if he so desires or appoint another Noble or clergyman to conduct the Service. Shrine musical organizations and soloists can be used to good effect.

The following order of Service is suggested:

1. Organ or band in processional music.
2. Prayer.
3. Scriptural reading. Suggestion: 90th Psalm.
4. Biographical sketch of deceased Noble.
5. Hymn.
6. Address by Minister, Rabbi, or guest speaker.
7. Hymn.
8. Benediction.
9. Processional.

(2) A 32° Mason (or a 14° Mason who cannot advance further due to absence of a special invitation) in a Consistory of Ancient and Accepted Scottish Rite of Freemasonry of a Supreme Council of the Northern or of the Southern Masonic Jurisdiction of such Rite in the United States or a Supreme Council in amity with and recognized by either of them.

(b) A temple may not add to or take from the qualifications for membership in temples as fixed by these bylaws. A temple may not require that a candidate must be qualified under both (1) and (2) above.

(d) Any member of the armed forces or diplomatic service of the United States, Canada or Mexico, may petition any temple within the jurisdiction of which he may at the time be stationed without reference to his actual place of residence, and thereupon, after election as provided in § 323.5 may be initiated by and become a member of the temple.

§ 323.5 **Balloting.**

(a) Subsequent to a report on a candidate's petition, the ballot is passed, and if less than 3 black balls appear, he is elected.

(b) If the ballot reveals 4 or more black balls, the candidate is

rejected. If the ballot reveals 3 black balls, another ballot is passed immediately. If 3 black balls appear a second time, the candidate is rejected.

(c) A written objection, signed by a least 3 members of the temple in good standing, presented to the Potentate or the Recorder prior to the time balloting is commenced, has the same effect as an adverse ballot.

(d) In temples where written notice of all candidates' petitions has been mailed to the members not less than one week before the date set for the balloting, any written objection provided for in subsection (c) must be received by the Potentate or the Recorder at least 48 hours before the time specified in the notice for balloting.

(e) After the balloting is completed and the candidates are declared elected and notified, no objection made thereafter with respect to the candidates may be considered unless ordered by vote of the temple.

(f) A rejected candidate may not apply again for 13 weeks.

Amend. 1988

(c) Upon election of an applicant for associate membership, the second temple shall notify the other of which the Noble is a member that he has associate membership; and thereafter he shall be considered an active member of both temples.

(d) Suspension of a Noble holding associate membership for nonpayment of dues to the second temple shall not affect his membership in the temple to which he first belonged; but his suspension for nonpayment of dues to the first temple shall ipso facto affect his suspension in the second. His suspension for any other cause or his expulsion from either temple shall ipso facto affect his suspension or expulsion, as the case may be, from the other. Immediate notice of his suspension or expulsion by either temple shall be given to the other temple and to the Imperial Recorder.

(c) If a Noble holds membership in only one of the prerequisite bodies and for any cause loses that membership he loses his membership in his temple until restored to good standing by that prerequisite body, whereupon he is restored to good standing in his temple without vote of the temple. He may not be charged with dues to the temple while deprived of membership.

(d) The acquisition of membership in the other prerequisite body subsequent to his loss of membership in his temple does not restore him to good standing in the temple, but he may be restored by ballot pursuant to § 323.5.

(e) If a Noble loses his membership in a prerequisite body for any reason other than non-payment of dues, the loss of membership in his temple is effective when it becomes final in the prerequisite body unless he shall file an appeal with the Imperial Recorder within 30 days after the loss of his membership in the prerequisite body. The Imperial Recorder shall immediately forward the appeal to the Grievances and Appeals Committee and it shall proceed, insofar as practical, as provided in § 208.9. The committee shall determine whether the loss of membership was for conduct in violation of Shrine law and make a report thereon to The Imperial Council with its decision. If the appeal is sustained by The Imperial Council then the loss of membership in the prerequisite body will not result in the Noble's loss of membership in his temple. (This subsection is retroactive to 1980.)

Amend. 1987

(f) In any state in which the Grand Lodge of Masons having jurisdiction takes action which is designed to suppress or proscribe the Order, its members, or one of its temples, the Imperial Potentate shall so certify. Upon the certification of the Imperial Potentate, and for so long as he certifies the threat of suppression or proscription to continue, the Order, its members and its temples in such jurisdiction retain all their rights, responsibilities and authority, notwithstanding any provision of the bylaws to the contrary.

(14) Report and remit as required by § 332.3, § 332.4 and § 323.5.

ARTICLE 28

Temple Jurisdiction and Waivers

§ 328.1 Sovereign. Each temple, subject to Shrine law, whether acting under dispensation or charter, is sovereign in its own territorial jurisdiction in all matters pertaining to the Order.

§ 328.2 Extent.

(a) Unless otherwise determined in Part IV of these bylaws, the territorial jurisdiction of each temple extends in all directions to $\frac{1}{2}$ the distance by direct line between itself and the nearest temple.

(b) In no case can jurisdiction extend beyond the limits of the state in which the temple is located unless there is an agreement between it and the other temples affected, or for the limited purpose authorized by § 328.6(e), or upon the vote of The Imperial Council in accordance with § 328.3(d).

Amend. 1976

(c) Temples in the same state may agree upon concurrent jurisdiction within the state or an equitable division of their territory.

(d) Unless otherwise determined every temple has exclusive jurisdiction in the city and county in which the temple is located, except that a second temple may exist in the same county in any city, not having a temple, having a population of not less than 200,000 as determined by the official statement of the state Chamber of Commerce or an equally responsible state or district authority for the current year.

(e) A signed copy of any agreement between temples affecting or fixing territorial jurisdiction must be filed with The Imperial Recorder.

§ 328.3 Change in Jurisdictional Lines.

(a) Application for the establishment or change of jurisdictional lines must be filed with the Imperial Recorder at least sixty days prior to the session of The Imperial Council at which it is to be submitted. Every such proposal shall be published with the notice of the session.

Amend. 1984

(b) The Imperial Recorder must notify the temples affected and give full information on the application so that objections to the change may be presented to The Imperial Council.

(c) If the application for the establishment or change of jurisdictional lines is refused by The Imperial Council, no further application may be made until the 3rd annual Imperial Council session thereafter.

(d) By appropriate amendment to Part IV of these bylaws, The Imperial Council may declare concurrent jurisdiction or an equi-

BYLAWS (IOWA)

table division of territory between all temples, if it appears for the best interests of the Order to do so.

Amend. 1976

§ 328.4 Initiation Waivers.

(a) A temple may not act upon a petition for initiation of any one residing within the exclusive jurisdiction of another temple, without first obtaining a waiver from that temple.

(b) A temple may waive its jurisdiction and permit another temple to initiate a candidate residing within its jurisdiction.

(1) Where the fee of the temple granting a waiver is greater than the fee of the temple requesting a waiver, the candidate must pay to the requesting temple a fee equivalent to that he would have paid to the temple granting the waiver.

(2) The requesting temple then shall remit the difference in fee to the Imperial Recorder and that amount is paid over to the Hospitals.

(c) Where 2 or more temples hold concurrent jurisdiction over territory, a waiver from each is necessary to enable a petitioner of that jurisdiction to be created a Noble of a temple in any other jurisdiction.

(d) The Potentate does not have the power to grant a waiver, but it is given only by authority and under the seal of the temple granting it.

(e) A temple may not grant a blanket waiver.

§ 328.5 Another Temple May Initiate.

(a) A temple may request, under seal, another temple to initiate an elected candidate as a favor to the requesting temple.

(b) The temple initiating the candidate must certify that fact, under seal, to the temple in which the candidate was elected.

(c) The temple which elected the candidate enters this official communication upon its record, places his name upon its membership list and he then becomes a member of that temple.

§ 328.6 Where Petitioner Must Apply.

(a) A petitioner, actually residing within a temple jurisdiction, may not petition elsewhere for initiation without a waiver from the temple.

(b) A temple retains jurisdiction over an elected petitioner until his initiation, but not longer than one year, even though he subsequently moves from its territorial jurisdiction.

(c) A candidate must present himself for initiation within one year after his election; thereafter his petition and election are void.

(d) Temples in concurrent jurisdiction must notify each other of the names and addresses of all petitioners rejected or to whom objections have been made, residing in the territory of concurrent jurisdiction.

(e) Notwithstanding any other provisions of this Article, a petitioner who resides in a city or county in which no temple is located and when no temple is located within 50 miles of petitioner's residence in petitioner's state of residence, may petition for membership in the nearest temple located in an adjoining state to his state of residence, if the location of that temple is within 25 miles of his residence; and no waiver from any temple is required. For the purposes of this subsection, mileage shall be measured in a straight line from the front door of the building in which is located the office of the temple to which the petition is presented.

Amend. 1976, 1979

(f) A temple which initiates a petitioner under § 328.6(e) shall notify the temple in the petitioner's state of residence and nearest such residence within 30 days after the initiation.

Amend. 1979

§ 328.7 **Affiliation by Demit.** The holder of a demit from a temple is governed by the following:

(a) He may affiliate with a temple within the jurisdiction of which he is and for at least 6 months has been an actual resident, and may be accepted only under the provisions of § 323.5.

(b) If he resides in concurrent jurisdiction, he cannot demit from one temple and affiliate with another temple holding the same jurisdiction without the consent of the temple granting the demit.

(c) He may affiliate with any temple if the temple, within whose jurisdiction he has been an actual resident for the preceding 6 months, grants a waiver.

(d) If for the preceding 6 months he has been a resident of the jurisdiction of the temple which issued his demit, and with which he desires to reaffiliate, he must submit his written application with the original demit attached, and may be returned to membership without a vote of the temple. The application must be accompanied by written evidence that he is in good standing in

his prerequisite body. The reaffiliation must be reported to the temple as its next stated meeting and recorded in the minutes.

ARTICLE 29

Dispensation and Charter for New Temple

§ 329.1 **Petition for Dispensation.** Dispensation for a new temple may only be granted by The Imperial Council after a petition is filed with the Imperial Recorder. The petition must be signed by Nobles who are in good standing in the Order at the time the petition is filed with the Imperial Recorder, and who reside in the proposed territory of the new temple.

Amend. 1984, 1985

§ 329.2 **Meeting Place.** The petitioners must give satisfactory evidence that they have the ability to procure a suitable place of meeting together with an agreement to procure proper furniture and paraphernalia for the use of the new temple.

Amend. 1984

§ 329.3 **Required Signatures and Effect on Other Temples.**

(a) **General.** The petition must be signed by 1,000 Nobles, and the membership of any temple in the same jurisdiction or the nearest temple in another jurisdiction must not be reduced to less than 3,000 members by the withdrawal of the petitioners for dispensation.

(b) **Exceptions.** Notwithstanding the requirements of subsection (a), dispensation may be granted:

(1) In any state in which there is no temple or in the capital city of Canada or in unoccupied territory, upon a petition signed by 300 Nobles; or

(2) In any state in which the petition is approved and supported by all other temples in the state and the Dispensations and Charters Committee, upon a petition signed by 500 Nobles.

Amend. 1987

§ 329.4 **Application, Form and Procedure.**

(a) The application for dispensation must be in the prescribed form furnished by the Imperial Recorder and must have printed therein in red ink § 329.6. However, the Imperial Recorder may not issue the prescribed form to requesting Nobles unless he

determines that there can be compliance with the requirements of § 329.3.

Amend. 1983.

(b) It must be in duplicate, one copy for the Imperial Recorder, and the other kept by the applicants for reference.

(c) The application as filed, must bear the date it was issued by the Imperial Recorder and will be void after the passage of 24 months from that date, unless specifically extended by appropriate action of The Imperial Council.

(d) Every name on the application must be the actual signature of a Noble who is one of the applicants, and when signed the name cannot be withdrawn from the application except as provided in (e) and (f).

(e) A signature may be withdrawn upon the written request of the signer and may be for no other reason than that his signature was obtained by false representations. The written request for the withdrawal showing the reasons therefor must be attached to the application for the dispensation when presented to The Imperial Council, otherwise the original signature must stand.

(f) If, after the application for a dispensation is filed with the Imperial Recorder, in accordance with (g), a signer of the application desires to withdraw his name, he must send his request in writing stating the reasons therefor directly to the Imperial Recorder who shall erase the name from the application, if the reasons are as provided in this section, and attach the authority for the erasure to the application before presenting it to The Imperial Council, and furnish the list of the withdrawing signatories to the applicants, or their representatives, proposing to organize the new temple.

(g) The application must be filed with the Imperial Recorder at least 90 days prior to the annual session of The Imperial Council, and notice of the application must be published in the official call for The Imperial Council session. Unless the application is filed and published as herein provided, it must lie over until the next annual session of The Imperial Council. Supplemental lists of names may be added to the application for dispensation providing they are filed with the Imperial Recorder at least 60 days prior to the annual session of The Imperial Council.

Amend. 1980, 1984

(h) When an application for a dispensation becomes void, no further application may be issued until the expiration of one year

thereafter. If a second or further application for a dispensation becomes void, no further application may be issued until the expiration of two years thereafter.

Amend. 1981

§ 329.5 Action By Imperial Council.

(a) Dispensation

(1) When the application for dispensation is received by the Imperial Recorder, he must notify the temples which might reasonably be affected, at least 30 days prior to the session of The Imperial Council, giving full information in regard to the application, in order that objections to the granting of the dispensation may be presented to The Imperial Council.

(2) Every report of the Committee on Dispensations and Charters which recommends the granting of a dispensation for a new temple must contain a specific recommendation as to the disposition of the assets and liabilities of the affected clubs and appendant and affiliated entities in the territorial jurisdiction of the new temple. The report must also contain a specific designation of the territorial jurisdiction of the new temple. This jurisdiction is determined on recommendations of the Committee on Dispensations and Charters and the Committee on Jurisdictional Lines, acting jointly, after affording all affected temples an opportunity to be heard on the matter at a joint meeting of the committees.

Amend. 1989

(b) Charter

(1) A charter may not be granted to any temple under dispensation until it has been under dispensation for a period of at least the time elapsing between 2 annual sessions of The Imperial Council.

Amend. 1974, 1984

(2) If the temple under dispensation has provided itself with a proper place of meeting and the necessary paraphernalia for ceremonials, and has shown a satisfactory increase in membership, then The Imperial Council, at the first annual session following the grant of the dispensation, may grant it a charter.

Amend. 1974, 1982, 1984

(c) Spokesman

The applicants for a dispensation or charter may designate one of their number as their spokesman, and he shall have the

privileges of the floor at the Imperial Council Session, but not the right to vote.

Amend. 1981

§ 329.6 Effect if Dispensation is Granted.

(a) If the dispensation is granted, the members of the temple under dispensation are liable for dues for the fractional part of the year remaining after the date of the dispensation, and the temple is liable in full to The Imperial Council for the hospital levy and fees for new members created.

(b) A Noble who signs an application for a dispensation becomes a member of the temple under dispensation on the date the dispensation is granted, and is amendable only to it thereafter for dues, hospital levy and assessments. The temple of which he was a member prior to the dispensation may retain the dues and assessments already received from him for the current year.

§ 329.7 Status of Temple under Dispensation.

(a) A temple under dispensation has a legal existence and jurisdiction, and, whether it works or not, this jurisdiction cannot be interfered with except by action of The Imperial Council.

(b) It cannot adopt bylaws until a charter is granted and it is regularly constituted.

(c) It is governed by Shrine law to the extent applicable.

(d) It has no power to elect officers, but must retain its provisional officers until its charter is granted.

(e) The provisional potentate of a temple under dispensation is not entitled to the rank of past potentate, nor is the temple entitled to representation in The Imperial Council.

(f) Any vacancy in an office of a temple under dispensation shall be filled by appointment by the Imperial Potentate from its Nobles.

(g) When a charter is granted, the members of the new temple must hold an election of officers as soon thereafter as possible, in order that the elected officers may be installed at the same time the temple is constituted.

§ 329.8 Effect if Dispensation is Refused.

(a) When a dispensation for a new temple is refused by The Imperial Council, no further application may be made until the 3rd annual session thereafter. If a second or further application for dispensation is refused, no further application may be made

until the 5th annual session thereafter. Notwithstanding the foregoing provisions of this subsection, if the application is refused despite recommendations by the Dispensations and Charters Committee and the Jurisdictional Lines Committee that it be granted, then the life of the application shall be extended and it may be again presented at the next annual session of The Imperial Council.

Amend. 1974, 1981

(b) All Nobles who signed the petition remain members of their respective temples.

§ 329.9 Effect if Charter is Granted.

A Noble who is a member of a temple under dispensation becomes a charter member of that temple when such temple receives its charter.

§ 329.10 Effect if Charter is Refused.

All Nobles who signed the petition for dispensation are thereby restored to membership in the temples in which they were members prior to the dispensation. All members created by the temple under dispensation are entitled to certificates to that effect from the Imperial Recorder. These certificates have the force of demits for the purpose of affiliation.

Amend. 1983

ARTICLE 30

Discipline by Temple

§ 330.1 Jurisdiction. A Noble is subject to discipline by the temple of which he is a member, or by the temple within whose jurisdiction he resides, for conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine Law.

§ 330.2 Fair Play and Substantial Justice. This Article is intended to provide the guidelines for the determination of whether an accused Noble should be disciplined, the extent of such discipline if appropriate and to assure fair play and substantial justice as these concepts are understood and practiced in North America. To this end the temple and its officers shall cooperate fully with the complaining Noble, the accused Noble, the grievance committee and the trial committee. All temple records concerning the

complaint or charges shall be made available to the foregoing for copying.

§ **330.3 Definitions.** In addition to the definitions set forth in § 101.3, the following terms are defined for the purposes of this Article.

(a) "Complaining Noble" is the Noble or Nobles who file a complaint with the Potentate of a temple pursuant to this Article.

(b) "Complaint" is the written, signed and dated statement of the acts or conduct of an accused Noble, which the complaining Noble asserts is a violation of Shrine law or constitutes conduct unbecoming a Noble of the Mystic Shrine.

(c) "Accused Noble" is the Noble or Nobles against whom a complaint is filed.

(d) "Grievance Committee" is a committee of five (5) impartial Nobles appointed by the Potentate and charged with the duty of thoroughly investigating a complaint.

(e) "Trial Panel" is the panel of nine (9) impartial Nobles appointed by the potentate from which the trial committee is selected.

(f) "Trial Committee" consists of the five (5) members of a trial panel who are selected to try the charges brought against the accused Noble.

(g) "Charges" is a written, signed and dated statement apprising the accused Noble of the nature and character of the offense or offenses being brought by and on behalf of the temple.

(h) "Prosecutor" is the Noble representing the temple in the trial of the accused Noble.

(i) "Impartial" is having no direct knowledge of the acts or conduct set forth in the complaint or charges; not having formed an opinion as to the merits of the complaint or charges; not being related by blood or marriage, nor being so closely associated with the complaining Noble, the accused Noble or any material witness as to be likely to affect the Noble's judgment.

(j) "Notice, notify, provide, deliver or file" means to mail, first-class, postage prepaid, a copy of the document in question to the last known address of the Noble involved or to deliver the document to the Noble in person. Unless a greater time is specifically allowed, this should be done immediately. No notice of proceedings hereunder is required to be given temple membership.

(k) "Witness" is a person, male or female, Shriner or non-Shriner, called to give testimony.

§ 330.4 Procedure. Proceedings for the discipline of any Noble by a temple are as follows:

(a) Before trial.

(1) Any Noble complaining against another Noble of conduct unbecoming a Noble of the Mystic Shrine or for violation of Shrine law, must state the nature and character thereof in writing, sign and date the complaint, and deliver it to the Potentate of the temple. The complaint must be filed within the time period provided in § 101.9(b).

(2) Immediately upon the receipt of a complaint it is the duty of the Potentate to notify the Imperial Potentate and to deliver a copy of the complaint to the accused Noble and to appoint a grievance committee of 5 impartial members of the temple, giving preference to Past Potentates, whose duty it is to thoroughly investigate the complaint. The complaining Noble and the accused Noble shall be afforded an opportunity to be heard before the grievance committee. The complaining Noble may withdraw the complaint anytime prior to the determination of the existence of probable cause by the grievance committee and, in such event, the grievance committee is discharged from further consideration of the matter and the complaint is dismissed. If the complaint is not withdrawn, the grievance committee by majority vote, must determine whether there is probable cause for believing an offense has been committed by the accused Noble, and shall report to the Potentate. The report must be made within 60 days after appointment of the committee, be in writing, and signed by those voting in the majority, and copies shall be delivered to the complaining Noble and the accused Noble. If no probable cause is found, the proceedings shall terminate, subject only to the rights of the complaining Noble to appeal as provided by § 330.4(c)(2).

(3) Immediately upon the receipt of a report from the grievance committee finding probable cause, it is the duty of the Potentate to refer the matter to the Assistant Rabban, or, if he is disqualified from acting, to an impartial Noble of the temple designated by the Potentate to serve as alternate, and it is the duty of the Assistant Rabban, or of the alternate, to cause formal written charges to be preferred in the name of the temple

against the accused Noble. The charges, in plain and concise language, must apprise the accused Noble of the offense charged; and when signed by the Assistant Rabban, or the alternate, shall be filed with the Recorder of the temple, and a copy shall be delivered to the Potentate, the complaining Noble and the accused Noble.

(4) Immediately upon the filing of the charges, it is the duty of the Potentate to appoint a trial panel of 9 impartial Nobles of the temple, and to designate a date for the trial, which shall be not less than 15 nor more than 30 days from the date of the selection of the trial panel. The Potentate may for good cause postpone the trial to a subsequent date not later than 60 days from the date of the selection of the trial panel. The names of the trial panel shall be provided to the complaining Noble, the accused Noble and the temple. Neither the complaining Noble, the accused Noble, the temple nor anyone representing them shall have any contact whatsoever with the trial panel or vice versa regarding the case.

(5) If any officer named in this section is the complaining Noble, is the accused Noble or is not impartial as the term is defined in § 330.3(i), he shall be disqualified to act. If a member of the grievance committee or the trial panel is disqualified, it is the duty of the Potentate to fill the vacancy with an impartial Noble.

(6) Unless an officer or a Noble is disqualified under the provisions of (5), or excused by the Potentate, he is required to serve. Any Noble who wilfully violates any provision of Article 30 is subject to discipline under the Article.

(7) In the event the Potentate is disqualified under (5), or for good cause disqualifies himself, the Chief Rabban acts in his stead; if both are disqualified, the Potentate shall appoint the highest ranking qualified officer to act. And, if all officers are disqualified, the Potentate shall appoint an impartial Noble to act in his stead.

(8) It is the duty of the Recorder of the temple to cause to be served upon the accused Noble a certified copy of the charges, together with a notice apprising the accused Noble of the time and place of the trial. Service shall be in person by a Noble, or by certified mail, addressed to the last known address of the accused Noble. The affidavit of the Noble making service, or

of the Recorder of the mailing is prima facie evidence of the service of the notice and charges upon the accused Noble.

(9) It is the duty of the Assistant Rabban or the alternate, in the name of the temple, to prosecute the charges, and the temple may have the assistance of counsel in the presentation of the charges, provided the counsel is a Noble. The accused Noble also shall have the right of counsel, provided the counsel is a Noble.

(10) The accused Noble may file written answer to the charges at least five days prior to the time set for the trial.

(b) Trial.

(1) Upon the date set for trial, the prosecutor may excuse 2 of the trial panel chosen by the Potentate, and the accused Noble has the right to excuse 2 of the trial panel, leaving a trial committee of 5. If the accused Noble or the Prosecutor fails or refuses to exercise his challenges, then the trial committee of 5 shall be chosen by lot. Prior to exercising their challenges, both the accused Noble and the prosecutor shall have the right to inquire of the trial panel and to challenge any Noble for cause. Cause shall consist of showing that the Noble in question is not impartial. The Potentate shall rule on all challenges. The Potentate shall immediately appoint a substitute impartial trial panel member for any Noble excused for cause.

(2) The trial committee selects one of its members as chairman. The chairman has charge of the conduct of the trial and may have an attorney who is a Noble present during the trial for the purpose of advising the trial committee concerning procedural and legal issues. Such attorney shall serve at the expense of the temple. The Chairman administers the oath to all witnesses who are Nobles upon their honor as Nobles. All witnesses who are not Nobles shall be sworn by any officer qualified to administer oaths.

(3) Both the temple and the accused Noble have the right to summon witnesses, and disobedience of a summons subjects an offending Noble to discipline under Article 30. Request for the issuance of a summons to a witness shall be made of the Recorder, who shall issue, sign and deliver the summons at least five days prior to trial.

(4) The testimony of all witnesses shall be taken by a competent stenographer, male or female, so that it may be preserved as are transcripts in a court proceeding.

(5) Either the temple or the accused Noble may take depositions of witnesses who cannot attend the trial, provided reasonable notice of the time and place of the taking thereof is given the opposite party. The accused Noble and the temple shall provide each other with copies of all known documents that are to be used at the trial at least five (5) days prior to the trial.

(6) Any Noble of the temple is permitted to attend the trial; however, notice of the trial date to temple membership is not required. The deliberations of the committee upon guilt or innocence and fixing of punishment are secret. All deliberations must be in person and in the presence of each member of the trial committee.

(7) The trial committee hears the evidence adduced on behalf of the temple and the accused Noble, and shall conduct the trial in an informal manner not being bound by the technical rules of evidence except for those relating to privileged communications. The trial committee hears the arguments of counsel, including appropriate arguments regarding punishment in the event guilt may be found, and then proceeds with its deliberations, and ascertains the guilt or innocence of the accused Noble. If the committee finds the accused Noble guilty, it shall fix the punishment, which may be either reprimand, expulsion, suspension for an indefinite period, or suspension for a definite period.

(8) A majority vote of the committee upon the question of guilt and upon the fixing of punishment shall be required. The report of the trial committee must be signed by those voting with the majority. The report is then immediately sealed to be opened by the Potentate at the next stated meeting.

(9) At the next stated meeting of the temple after the trial, the report shall be unsealed by the Potentate and read to the Temple. This reading of the report is the pronouncement of judgment. The judgment dates from the time of the pronouncement of judgment by the Potentate, and from that date is final, unless the same is reversed or modified on an appeal therefrom to The Imperial Council. Any Noble revealing the contents of the report before the pronouncement of the judgment is subject to discipline.

(c) Appeal.

(1) Either the temple or the accused Noble has the right

within 30 days to appeal to The Imperial Council from any judgment rendered.

(2) The complaining Noble has the right within 30 days to appeal to The Imperial Council from the decision of the grievance committee finding no probable cause.

(3) Notice of appeal under (1) or (2) must be filed with the Imperial Recorder within 30 days.

(4) In the event of an appeal, it is the duty of the temple to file a complete transcript of the proceedings with the Imperial Recorder at least 30 days prior to the next annual session of The Imperial Council. The Imperial Recorder thereupon shall transmit all the papers pertaining to the appeal to the chairman of the Grievances and Appeals Committee of The Imperial Council.

(5) If an appeal is taken, the party appealing must pay all the costs and expenses of the transcript of the evidence, unless in the judgment of the Potentate the party appealing is unable to pay the expenses, in which event the temple must pay.

(d) Restoration.

(1) If the member is suspended for an indefinite period, he is not permitted to petition for restoration until after the expiration of one year from the date of judgment of suspension. Any Noble suspended for an indefinite period may be restored in the following manner: He must present an application for restoration, which shall be read at a stated meeting and laid over until the next stated meeting, and notice of the application must be sent to the members. At the next stated meeting after the presentation of the application, the following question must be put: "Shall the Noble be restored?" If $\frac{2}{3}$ rds of the members present vote for his restoration, he is restored. If a less number than $\frac{2}{3}$ rds vote for restoration, he remains suspended, and is not permitted to petition again for a period of one year thereafter.

(2) If the member is expelled, he cannot be restored but may petition again the temple from which he was expelled for membership as if he had never before been a member. However, if he wishes to become a member of any other temple, he must obtain a waiver from the expelling temple before the temple having jurisdiction of his petition can vote thereon. This application for a waiver shall be acted upon at a stated meeting of

the expelling temple and it must be approved by a majority vote of the members present and voting.

§ 331.2 **Procedure.**

(a) Proposed bylaws or amendments must be presented in writing in the form of a resolution at a stated meeting.

(b) The resolution must be laid over to the next stated meeting or to a special meeting called for action thereon. The notice of the meeting must be sent to every member of the temple and must recite the text or substance of the proposed bylaws or amendments.

(c) The temple then may adopt the proposed bylaws or amendments.

(d) Upon the adoption of bylaws or amendments there must be sent to the Imperial Recorder:

(1) 3 copies thereof, together with a certificate of their adoption signed by the Potentate, attested by the Recorder, with the seal of the temple affixed;

(When applying for Imperial approval, use Certificate at page 187.)

(2) A copy of the notice given; and

(3) A copy of the temple's current bylaws.

(e) He forthwith shall send them to the Committee on Jurisprudence and Laws. If the committee approves them as they are so endorsed, one copy shall be retained by the committee and 2 copies shall be sent to the Imperial Potentate for his approval. If approved by him, they at once become effective.

(f) Upon approval, the Imperial Potentate shall forward them to the Imperial Recorder, who shall retain one copy for the records of The Imperial Council, and shall forward the other copy to the temple.

§ 331.3 **Time for Filing.** All proposed temple bylaws and amendments must be in the office of the Imperial Recorder at least 30 days before the session of The Imperial Council.

§ 331.4 Action by Imperial Council.

(a) At each session of The Imperial Council the Imperial Recorder must present a list of all new or amended bylaws which have been approved by the Committee on Jurisprudence and Laws and approved by the Imperial Potentate during the recess of The Imperial Council.

(b) The Imperial Recorder also must submit a list of any bylaws or amendments rejected by the Committee on Jurisprudence and Laws or the Imperial Potentate, giving their reasons for the rejection.

(c) Any temple dissatisfied with the decision of the Committee on Jurisprudence and Laws or the Imperial Potentate, in the matter of its bylaws or amendments thereto, has the right to appeal to The Imperial Council, and the decision of that body is final.

PREFACE

These annotations are not “Shrine law”. See § 101.3(1). They are simply references to rulings, decisions, and interpretations of the Imperial bylaws made by various Imperial Potentates in the past. As such, however, they are precedents which will probably influence future rulings, decisions, and interpretations under like or similar circumstances.

ANNOTATIONS TO BYLAWS

(Iowa)

§ 101.3

1972 Proceedings, p. 155. Obedience to Shrine law, as defined in § 101.3(1) is not optional but is required of all Shriners and of every temple.

1973 Proceedings, p. 99. According to § 206.5(a) (4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (1), General Orders which have expired are no longer Shrine law.

§ 101.4

1975 Proceedings, p. 20. By the provisions of § 101.4, Robert's Rules of Order governs parliamentary procedure at temple meetings; and the Potentate must permit a full discussion of any pending matter before putting it to a vote unless the Nobility adopts a motion calling for the previous question.

§ 101.7

1966 Proceedings, p. 208. Independent organizations are not subject to supervision or control of temple Potentate simply because they are composed wholly of Shriners.

§ 101.9

1966 Proceedings, p. 208. Individual Nobles are subject to discipline for violation of Shrine law in connection with activities not directly related to membership in the Shrine.

1987 Proceedings, p. 118. “Absent clear and persuasive evidence of breakdown of Article 30 procedure, Imperial Potentate will not interfere.

§ 203.1

1976 Proceedings, p. 177. An ad vitam and emeritus Representative who demits and affiliates with another temple becomes an ad vitam and emeritus Representative of the temple with which he affiliates.

§ 206.5

1966 Proceedings, p. 211. General Orders of an Imperial Potentate are not amendments to bylaws of Imperial Council.

1970 Proceedings, p. 96. The Imperial Potentate may suspend from office a Representative to the Imperial Council.

1973 Proceedings, p. 99. According to § 206.5(a) (4), General Orders expire at the conclusion of the Imperial Council Session next following their issuance; and, by the terms of § 101.3 (1), General Orders which have expired are no longer Shrine law.

ANNOTATIONS TO BYLAWS (IOWA)

§ 207.3

1976 Proceedings, p. 176. While the minutes of the Boards of Directors and Trustees must be produced and read to The Imperial Council upon its order, a Representative does not have the right to demand that copies of such minutes be routinely sent to him for his inspection.

§ 208.6

1971 Proceedings, p. 97. Nobles who believe the Potentate's exercise of his discretionary powers to have been arbitrary and capricious may file a grievance for consideration by the Grievances and Appeals Committee under § 208.6.

1972 Proceedings, p. 153. An appeal from a decision of the Imperial Potentate made pursuant to § 206.5(a)(13) is made to The Imperial Council and should be referred to the Grievances and Appeals Committee in accordance with § 208.6.

§ 209.1

1966 Proceedings, p. 211. Shrine Club not eligible for membership in Shrine Association.

§ 209.2

1988 Proceedings, page 237. Activities of a group unauthorized under this section, may be enjoined by the Imperial Potentate.

§ 210.1

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

§ 211.5

1965 Proceedings, p. 39, 43. Annual per capita tax not passed on to life members. Also, 1966 Proceedings, p. 208, and 1984 proceedings, p. 109.

§ 213.1

1967 Proceedings, p. 83. The use of straw fezzes is prohibited.

1978 Proceedings, p. 88. Section 213.1(e) states that the fez may be worn only at meetings and gatherings of Nobles held under the authority of some legal body of the Order; and this does not include meetings of ladies' organizations, because they are not a part of the Order.

§ 213.2

1972 Proceedings, p. 154. None but The Imperial Council itself should have exclusive rights to Shrine emblems described in § 213.2 and registration by an association of units of a trademark which includes such emblems is forbidden.

§ 322.5

1967 Proceedings, p. 83. Construction of a Mosque within the urban area of the seat of the temple, but beyond its corporate limits does not work a change in the location of the temple.

1970 Proceedings, p. 93. Removal of a temple from one municipality to another, even within the same urban area, may be effected only after compliance with this section.

1975 Proceedings, p. 19. The removal of a temple from one address to another within the corporate limits of the city named in its charter is not a change of location within the meaning of § 322.5.

1976 Proceedings, see p. 176. Approval by The Imperial Council for the change of location of a temple may be given only by The Imperial Council itself at an annual session in accord with § 322.5(f).

ANNOTATIONS TO BYLAWS (IOWA)

§ 323.2

1967 Proceedings, p. 84. A petition for membership should not be signed by those who recommend the petitioner until the petition has been completed and signed by the petitioner.

§ 323.3

1967 Proceedings, p. 83. Expulsion of a member by his Grand Lodge does not terminate Shrine membership until there has been a loss of Scottish or York Rite membership and that loss has become final.

1972 Proceedings, p. 154. Temples are neither required nor permitted under §§ 210.1 and 323.3 to look beyond membership in the prerequisite bodies for further certification of Blue Lodge membership.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.

§ 323.5

1975 Proceedings, p. 20. § 323.5 requires that petitioners for initiation be elected by ballot, which by its very nature is secret; and a voice vote on petitions for initiation is contrary to Shrine Law.

§ 323.7

1973 Proceedings, p. 97. Under § 323.7(g) an associate member may hold office in a Shrine club of a temple which otherwise disqualifies members of other temples from office in its Shrine clubs.

1975 Proceedings, p. 19. § 323.7 does not prohibit the holding of associate membership in more than one temple.

1976 Proceedings, p. 177. Under § 323.7(g) associate members have all of the rights and privileges of regular membership except that of holding elective office in the temple itself, so a Potentate may not forbid their holding office in Shrine Clubs or Units on the basis of their associate membership alone.

1976 Proceedings, see p. 177. One who holds associate membership in a temple and wishes to convert that membership to regular membership must obtain a demit from his "mother" Temple and make an application for regular membership by affiliation in the second Temple under § 328.8.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

§ 323.8

1967 Proceedings, p. 82. A suspended member is entitled to be automatically restored to membership upon demonstrating that he has been restored to good standing in the prerequisite body, but payment of dues cannot be required for any full year of suspension.

1979 Proceedings, p. 169. The Symbolic Lodge is not one of the "prerequisite bodies" as that term is used in the bylaws of The Imperial Council.

1983 Proceedings, p. 212. When a Noble is suspended from his prerequisite body the suspension therefrom must have become final and the suspended Noble's temple must receive an official written notice from the prerequisite body, before the Noble is suspended from the Shrine.

§ 323.9

1967 Proceedings, p. 83. Conviction of a crime, in the absence of temple disciplinary proceedings or termination of prerequisite memberships, does not result in a loss of Shrine membership.

1972 Proceedings, p. 154. By the provisions of § 323.9(b) membership is terminated by expulsion, and one who has expelled must apply again for membership under Article 30.

1975 Proceedings, p. 21. The issuance of a demit does not terminate one's

ANNOTATIONS TO BYLAWS (IOWA)

membership in the Order, but under § 323.9 simply suspends his rights of membership in the Temple which issues the demit; so, under § 330.1, a demitted Noble is subject to discipline by the temple in the jurisdiction of which he resides.

1978 Proceedings, p. 87. A Noble against whom a complaint has been lodged but as to whom the formal written charges described in Article 30 have not been filed, is "free from charges" within the meaning of § 323.9(b) and may resign his Temple membership.

§ 323.10

1971 Proceedings, p. 97. After adoption by the temple of an assessment pursuant to § 332.7, a demit may be granted under §323.10(a) only if the assessment is paid.

1972 Proceedings, p. 155. A Noble who requested a demit before the levy of an assessment is not required by § 323.10(a) to pay the assessment before issuance of his demit, even though issuance be delayed until after the assessment has been levied.

1973 Proceedings, p. 97. To either withhold a demit from one who qualifies under § 323.10(a) or to delay its issuance beyond a reasonable time, for any reason, is a violation of § 323.10 (b).

§ 323.10(a)

1989 Proceedings, p. 209. A Noble requesting a demit prior to investigation by the Grievance Committee, under §330.4(a)(2), is "free from charges" and his request must be honored.

§ 323.11

1978 Proceedings, p. 88. Under § 323.11(d) a Noble who has been suspended for nonpayment of dues may be restored upon terms authorized by the temple, and such terms may be expressed either by the temple Bylaws or otherwise in accordance with § 324.8.

§ 323.12

1967 Proceedings, p. 84. A life member of a temple who took a demit is entitled to be restored to life membership status upon reaffiliation.

ANNOTATIONS TO BYLAWS (IOWA)

1976 Proceedings, p. 177. All revenues derived from an assessment, the Resolution for which provided that if be used solely for the reduction of an outstanding mortgage, must be used for that purpose only; and any revenues collected by such assessment beyond those needed to retire the mortgage must be ratably refunded to the members of the temple, and may not be transferred to the general funds of the temple.

1977 Proceedings, p. 162. A Noble who joins a temple after its adoption of an assessment resolution must pay the assessment in accordance with the terms of the resolution.

1979 Proceedings, p. 169. Each assessment resolution must be interpreted in accordance with its own terms; but, inasmuch as § 332.7(a) makes no provision for the exclusion of associate members from an assessment, associate members are subject thereto in the same fashion as are regular members.

1979 Proceedings, p. 170. § 332.7 does not require that an assessment resolution lay over from one meeting until another but simply requires publication of a notice that it will be proposed at the meeting at which action is to be taken.

1979 Proceedings, p. 170. Without specific reference to life members in an assessment resolution, § 332.7(a) precludes its application to them.

1973 Proceedings, p. 97. Expenditure of funds for uniformed units must be from appropriations made in the temple budget adopted under § 334.4.

1973 Proceedings, p. 98. Inasmuch as the Uniform Chart of Accounts does not provide for "contingency" appropriations, a temple budget which does so is violative of § 334.4(a).

1974 Proceedings, p. 26. It is manifest from the provisions of §§ 327.5, 324.8 and 334.4 that so long as it complies with Shrine law, the temple itself has ultimate authority with respect to all of its financial affairs, including those of appendant or affiliated corporations.

ANNOTATIONS TO BYLAWS (IOWA)

1977 Proceedings, p. 163. By § 334.4(d) the adoption of a budget by the temple constitutes the appropriation of funds for the purposes indicated in the budget; but some officer, committee or other agent of the temple must make judgments as to specific expenditures and determine whether such expenditures are within the scope of the appropriations. That power may be delegated to a Finance Committee by the temple bylaws, and if such be done, the Potentate may not interfere with the Finance Committee in carrying out its responsibilities.

1977 Proceedings, p. 163. Neither the Potentate nor the Finance Committee may transfer funds from one budget classification to another, because the budget may be amended only by the temple at a meeting thereof in accordance with § 334.4(e).

1979 Proceedings, p. 170. All temple funds, including those of its circus, are subject to the control of the temple through either § 334.4 or § 327.5, or both.

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1980 Proceedings, p. 29. In order to amend a budget adopted pursuant to § 334.4, a temple must consider specific proposals and may not simply authorize its Potentate to "use his own judgment."

1981 Proceedings, p. 164. After the temple budget is adopted pursuant to § 334.4, funds cannot be transferred from one account to another except by amendment of the budget, which must be done by the members of the temple at a meeting thereof.

1983 Proceedings, p. 212. A Noble is entitled to inquire about the finances, records and reports of his temple and the appropriate officers thereof must respond to his inquiries at reasonable times and places.

1984 Proceedings, p. 110. The nobility, at a regularly stated meeting of the temple are authorized to amend the temple budget under § 334.4(e).

1985 Proceedings, p. 112. Under provisions of Section 334.4, contracts entered into by temple officers when appropriations are made by the temple, contracts requiring additional expenditures require temple approval and appropriation of funds therefor by amendment to the budget.

1987 Proceedings, p. 119. Temple specific project authorization and budgeting granting the Board of Trustees supervisory control, is exclusive in nature and no other committees or temple officers may interfere with the fulfillment of the Board's responsibility.

1989 Proceedings, p. 207. There shall be no expenditure of funds except as authorized by the budget.

§ 334.5

1980 Proceedings, p. 29. Under provisions of §§ 327.3, 327.4, and 327.5, temple financial officers are required to report financial transactions to the temple at its meetings; and, under §§ 334.5 and 334.6, they are required to submit the financial records to an audit, which is made available routinely to members of the temple at its annual or budget meeting.

1985 Proceedings, p. 111. The 1983 amendment made May 1, date for filing audit report with Imperial Recorder. Nevertheless, where possible, sound judgment would suggest selection of a qualified auditor who could complete the audit prior to the annual meeting of the temple.

§ 334.6

1973 Proceedings, p. 97. Any member of the temple is entitled to examine an audit of the temple's accounts, which should be made available routinely to the members of the annual or budget meeting under § 334.6; and he may likewise examine audit reports concerning the accounts of temple-affiliated corporations.

1980 Proceedings, p. 29. The audit and financial reports mentioned in § 334.6 should be made available to any member of the temple at any reasonable time and place.

1979 Proceedings, p. 170. Repeated use of a reference to "Nobles" throughout an advertisement, in the guise of an open letter from an insurance company to the members of the Temple, is a violation of § 335.2(a); and casting such advertisement in the guise of a fund raising project for Shriners Hospitals without the approval of the Boards of Directors and Trustees is a violation of § 503.6.

1966 Proceedings, p. 208. Lists for social use not prohibited. Business or advertising purposes prohibited.

1967 Proceedings, p. 83. Promotion of a Shrine circus is not such a business purpose as precludes the use of a list of a temple membership in such activity.

1967 Proceedings, p. 84. Publication of a roster of the units of a temple is not prohibited provided there is imprinted in block letters and contrasting colors a legend prohibiting its use for business purposes.

1977 Proceedings, p. 162. The use of a temple mailing list by the Building Fund Committee of a Masonic Temple Association, which owns the building in which the temple is housed, to solicit funds to remodel the building is not proscribed by § 335.6(a) because the use is not for a business purpose.

1970 Proceedings, p. 93. Control of uniformed units, including unit money and property is vested in the Potentate by this section.

1971 Proceedings, p. 95. Money raised in the name of the Order by uniformed units of a temple must be turned over to the temple to be handled in the same manner as all other temple funds.

1973 Proceedings, p. 98. By reason of § 336.1 uniformed units are under the direct control of the Potentate and by reason of § 337.3 Shrine clubs are likewise under his direct control, so Shrine clubs may not themselves organize or control uniformed units.

1973 Proceedings, p. 98. In view of § 336.1 all funds raised by uniformed units are income to the temple. That section taken together with §§ 334.4 and 327.5 requires that the expenditure of funds for or by uniformed units be consistent with the budget adopted by the temple.

1973 Proceedings, p. 98. § 336.2(d) does not prohibit the reimbursement of direct expenses of a parade or exhibition, but it forbids the recovery of expenses which would have been incurred even without such parade or exhibition.

1986 Proceedings, p. 153. Temple Potentate has absolute control over a Shrine club's existence. He may suspend all rules and/or suspend the club from activity during his term as Potentate.

§ 337.5

1972 Proceedings, p. 152. § 337.5(c) applies to an existing Shrine club in jurisdiction which becomes concurrent by the issuance of a dispensation to a new temple.

1974 Proceedings, p. 25. Pursuant to § 337.5(c) a Shrine club located in concurrent jurisdiction remains subject to the jurisdiction of the temple by the authority of which it was formed, even though it is closer to a new temple thereafter created.

1974 Proceedings, p. 25. An agreement with respect to the formation of Shrine clubs in concurrent jurisdiction must be authorized by the membership of both temples under §§ 337.5 and 324.8.

IMPERIAL COUNCIL A.A.O.N.M.S.
ACCOUNTING AND FINANCIAL REPORTING REQUIREMENTS
FOR SHRINE TEMPLES

The bylaws of The Imperial Council, A.A.O.N.M.S., an Iowa corporation, contain various requirements as to accounting and financial reporting. This addendum has been prepared to supplement the bylaws requirements. Because of their numerous and diverse activities, many questions confront temples concerning accounting requirements. The American Institute of Certified Public Accountants Industry Audit Guide "Audits of Certain Non-Profit Organizations" which incorporates Statement of Position No. 78-10 entitled "Accounting Principles and Reporting Activities for Certain Nonprofit Organizations" contains comprehensive guidelines to accounting and reporting practices for fraternal organizations.

All funds under the control of the temple, charitable or otherwise, and all activities, including circuses, and all funds and activities of the units of the temples, should be included in the temples' financial statements. When the corporation is a separate legal entity, such as a temple holding corporation, the financial statements should be presented in a combining format which shows in columnar form the separate entities and then presents a combined total.

Temple units are not permitted to maintain funds which are not under the control of their temples. In certain cases, such as where the units maintain records and do not keep them at the temple office, the auditor may not believe, from a practical standpoint, that he is in a position to audit the funds. In such cases, the temple's financial statements should be prepared without the units' funds. Appropriate disclosure that such funds exist and are excluded should be contained in the notes to the financial statements. Even though such funds may be excluded from the temple's audited financial statements, such funds must be included in the temple's annual reports to the Internal Revenue Service.

The accrual basis or modified accrual (wherein certain items would be handled in a cash basis rather than being recorded as a receivable or as a liability) of accounting is required for all temples. Financial statement formats with sample notes to financial statements and examples of supplementary financial information are attached. These are guidelines which are required to be followed by all temples. More important aspects of these guidelines are as follows:

1. The financial statements and notes should be comparative and present financial information for two years.

2. The financial statements should be presented in a combined format to reflect all of the financial activities of the temple including all fund-raising activities, charitable funds, and financial information of separately incorporated entities such as temple holding corporations.

3. Supplementary financial information should reflect all activity of individual restricted funds (including the Hospital Patient Transportation Fund) if not separately presented in the primary financial statements.

4. Supplementary financial information should include details of all fund-raising activities segregated into charitable and fraternal categories listing each fund-raising event.

5. All transactions with related parties which include payments to members of the divan, commissions to Shrine clubs and units, checks drawn to the temple from restricted funds for administrative expense reimbursements, etc. are required to be disclosed in the notes to the financial statements.

6. Audited (or reviewed in the case of temples with less than 3,000 members) financial statements must be filed with The Imperial Council by May 1.

An engagement letter is required to be signed with the temples' auditors prior to the beginning of the audit, which establishes the responsibility of the auditor and of the temples' divan as regards the audit of the financial statements of the temple. An example is included with this addendum (see Form #20). This example acknowledges, among other things, the requirement of the auditor to comply with these financial and reporting requirements. Any engagement letter entered into with an auditor must include the items identified in the example.

A representation letter should be furnished to the auditor at the completion of his

examination. An example is included with this addendum (see Form #23). The actual representation letter furnished the auditor must, at a minimum, be signed by all members of the divan and include all items identified in the example.

Included with this addendum is a uniform chart of accounts for Shrine temples. This chart is designed to assist the temples in conforming to more modern financial reporting practices. The chart may be used with some flexibility in that it is not necessary for the temple to maintain all of the detail expense accounts that are set out in the chart. The temple may also add accounts as necessary.

ACCOUNTS 100-119: CASH

A separate account should be maintained for each bank account, whether checking or savings. Checks should be of the voucher type and printed in duplicate. Receipts should be deposited intact on a daily basis.

The amount of cash necessary to meet minor needs should be determined and recorded as petty cash. The fund should be operated on an imprest basis.

ACCOUNTS 120-129: RECEIVABLES

At the beginning of the year, the total amount receivable from members for dues and hospital assessment should be computed and charged to dues receivable. Accounts payable—Imperial Council—Hospital assessment should be credited for its part in Account 210. The temple dues portion should be credited to Account # 401—Dues Revenue.

Other receivables should be recorded in Accounts 121 through 128 as appropriate. From time to time, it may be necessary to advance funds to various organizations, such as uniformed units, etc. Account 122 should be charged with the amount that has been advanced, and credited as payments are received.

ACCOUNTS 130-139: INVENTORIES

Account 130—Inventory—Fezzes should be charged with all fezzes purchased. If fezzes are given to candidates, they should be charged to Account 680 and this account credited.

Account 131—Inventory—Food and Beverage should contain items which are for resale. Such items may include food, beverages, tobacco, etc.

Account 132—Inventory—Jewels should contain the cost of jewels that are held for sale. There may, on occasion, be some Past Master's or Past Potentate's jewels. These are held in this account until disposed of.

ACCOUNTS 140-149: PREPAID EXPENSES

This group of accounts should be charged with payments for expenses and supplies for which the benefit, or use, will extend over into the next accounting period(s). Account 140 should include prepaid premiums on all types of insurance.

ACCOUNTS 150-169: PROPERTY, EQUIPMENT AND PARAPHERNALIA

Account 150—Land should include all land sites owned by the temple, including the land on which the mosque building is situated, a country club, or any other real property. Land should be carried at cost. If acquired other than by purchase, a carrying value (market appraisal, etc.) should be determined for record purposes.

Account 151 includes the cost of purchase, construction, or other carrying value of the mosque building, and the cost of any subsequent improvements.

The cost of other buildings and improvements should be carried in Account 152.

All items of furniture and equipment which have a useful life of more than one year should be charged to Account 153. If any of the furniture or equipment is disposed of, the cost of the item disposed of should be removed from the account.

Account 154—Vehicles should be charged with the original cost of vehicles purchased for use by the temple. If any vehicle is sold, the cost of the item disposed of should be removed from the account with gain or loss on disposal being charged or credited to operations.

Account 155 should be charged with the original cost of uniforms, costumes, regalia, etc. Dispositions should be credited to the account when they occur.

LIABILITIES

ACCOUNT 210: ACCOUNTS PAYABLE—IMPERIAL COUNCIL HOSPITAL ASSESSMENT

The Imperial Council will bill the temples a \$5 hospital assessment for each Noble on the membership roll as of January 1 who are not permanent contributing members of the hospital. The total amount billed is credited to this account with the contra entry to Account 120—Dues Receivable. Account 210 will be charged at the time payment is made to The Imperial Council. As new members are created and assessed the hospital levy, a charge to dues receivable and a credit to this account is recorded. If a member purchases a P.C.M., no credit is set up for the hospital levy.

ACCOUNT 211: ACCOUNTS PAYABLE—IMPERIAL COUNCIL—OTHER

The Imperial Council will bill the temples a \$3 per capita tax for each Noble on the membership roll as of January 1. The total amount billed is credited to this account with the contra entry to Account 600—Per Capital Tax expense. All other amounts due The Imperial Council are to be recorded in this account. This account is charged at the time payment is made to The Imperial Council.

ACCOUNT 237: HOSPITAL ASSESSMENTS PAID IN ADVANCE

During the year this account should be credited for all hospital assessments paid in advance. Since the hospital levy is a trust fund, amounts received must be recorded

in a separate account. The \$5 hospital assessment is not a temple liability until January 1 of the following year. Then on January 1, this account should be reversed by crediting Account 120—Receivable. Also credit this account for hospital assessments without ratable abatement received prior to January 1 from candidates who are initiated in the following year. The hospital assessment is not due The Imperial Council until new members are created.

ACCOUNT 238: OTHER DEFERRED REVENUE

(All board designated funds should be listed here with their specific purpose described)

Restricted funds—Restricted funds consist of funds whose use has been restricted by parties outside the Temple.

Restricted funds of the Temple and affiliated entities include the following:

(All restricted funds should be listed here with their specific purpose described)

Dues and assessments—Dues and hospital assessments are accrued for all members at the beginning of the fiscal year, but are reduced at the end of the year for members demitted and for members suspended for nonpayment of dues.

Inventories—Inventories are stated at the lower of cost (first-in, first-out method) or market.

Investments—Investments in stocks and bonds are carried at the lower of cost or market. Gains and losses on the sale of investments and adjustments to the provision for loss in market value of investments are charged or credited to revenue.

Property, equipment and paraphernalia—Property, equipment and paraphernalia are stated at cost. Maintenance and repairs are charged to operations as incurred. At the time items are retired or disposed of, the applicable cost and accumulated depreciation are cleared from the accounts and the difference, net of proceeds, is charged or credited to operations.

Income taxes—The Imperial Council, A.A.O.N.M.S. has obtained exemption from income taxes under Section 501(c)(10) of the Internal Revenue Code. This exemption includes all subordinate Shrine Temples. However, certain other revenues such as advertising may be subject to taxation.

2—Organization

ABC Temple is a subordinate temple of The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine for North America ("Imperial Council").

The Temple remits certain fees and charges to The Imperial Council for granting dispensations, charters, certificates and diplomas and for Shriners Hospitals for Crippled Children and other charitable purposes. Such fees and charges paid to The Imperial Council were \$ and \$ for 19 . . and 19 . . , respectively.

Various units and clubs are sponsored by the Temple. Certain of these units and clubs maintain funds outside the control of the Temple governing body.

The activities of the Temple and its affiliated entities are supported principally through dues from members, and fund raising activities. Additionally, fund raising activities, generally consisting of paper sale donations, football games, circuses and other miscellaneous activities, are also held for the benefit of Shriners Hospitals for Crippled Children. SAMPLE AUDIT ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the services to be provided in connection with our planned examination of the balance sheet of ABC Temple (the Organization) at December 31, 19 .., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended.

The purpose and scope of our examination will be to express an opinion on the financial statements. Our examination will be made in accordance with generally accepted auditing standards. Accordingly, we will selectively test the accounting records of the Organization and related data, and will perform other auditing procedures by methods and to the extent we deem appropriate.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

As part of our examination, a letter of representation will be requested from the Divan confirming (a) certain representations made orally during our examination that are not reflected in the Organization's books of account and other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as the Divan's acknowledgement of its responsibilities for the fair presentation of the financial statements, information, concerning related party transactions, plans or intentions that may affect the carrying value or classification of assets and liabilities, and similar matters.

We will advise you promptly if we discover conditions which cause us to believe that material errors or defalcations or other irregularities may exist or if we encounter other circumstances that require us to extend our work significantly. However, an examination based on selective testing is subject to the inherent risk that material errors or irregularities, if they exist, will not be detected.

At the conclusion of our examination we will submit our report with respect to the financial statements. We will separately advise you of any material weaknesses in internal accounting control that come to our attention during our examination and make any recommendations we may have for strengthening those controls. We will also make recommendations for improving operational procedures to the extent that such matters come to our attention.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19 ... We will not prepare any other tax returns unless specifically requested to do so.

If the above arrangements are acceptable to you and if the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided and return it to us.

Very truly yours,

SAMPLE REVIEW ENGAGEMENT LETTER

(Date)

ABC Temple

(Address)

Dear ABC Temple:

We are confirming our understanding of the terms and objectives of our arrangement to review the balance sheet of ABC Temple as of December 31, 19 .., and related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended. We understand that all books and records will be prepared by temple employees or volunteers.

It is also understood that the nature of our work and related report on the financial statements intended here shall be in accordance with professional standards established by the American Institute of Certified Public Accountants. These financial statements, which will include the reference "See accompanying notes to the financial statements and accountants' review report" on each page, will be accompanied by our report which is expected to be in the following form:

We have reviewed the accompanying balance sheet of ABC Temple as of December 31, 19 .., and the related statements of revenues, expenses and changes in members' equity and changes in financial position for the year then ended, in accordance with standards established by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of ABC Temple.

A review consists principally of inquiries of Organization personnel and analytical procedures applied to financial data. It is substantially less in scope than an examination in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statement taken as a whole. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

NOTE: Reviewed Financial Statements are only permitted for temples with less than 3,000 Nobles.

We understand that the financial statements are required to conform to the sample financial statements provided by The Imperial Council A.A.O.N.M.S. In this regard all entities affiliated with the temple and under its control (Shrine units, country clubs, mosques, etc.) will be included in the financial statements. We also understand that we are required to report on and separately disclose individual board designated funds, restricted funds and fund-raising activities (by those that are for fraternal purposes and those for charitable purposes).

Our report may need to be modified for circumstances such as a departure from generally accepted accounting principles. Also, material uncertainties of which we become aware would be set forth in a separate explanatory paragraph.

If for any reason, we are unable to complete our review of your financial statements, we will be unable to issue a report on such statements as a result of this engagement.

The financial statements are the representations and the responsibility of temple manage-

ment. However, if any questions should come to our attention regarding the accuracy or completeness of the statements, we will, of course, bring them to your attention promptly.

It is understood that our assignment is limited to an accounting service and, therefore, does not constitute an audit of your financial statements in accordance with generally accepted auditing standards. Further, the services involved in this engagement are not designed and cannot be relied upon to disclose errors, irregularities, or illegal acts, including fraud or defalcations, should any exist. We will inform you, however, of any matters that come to our attention which cause us to believe that such a condition exists. We request that you do not record this service as an "audit" engagement in your minutes nor describe our services as "auditing" in your books of account.

As part of our review, a letter of representation will be requested from management confirming (a) certain representations made orally during our review that are not recognized in the Organization's books of account or other records and (b) certain other representations implicit in the books and records maintained by employees of the Organization. That letter will deal with matters such as management's acknowledgment of its responsibilities for the fair presentation of the financial statements, information concerning related party transactions, plans or intentions that may affect the carrying amount or classification of assets and liabilities, and similar matters.

(Optional) As part of our engagement, we will prepare the federal tax return Form 990 (and 990-T, if required) of the Organization for the year ended 19 ... We will not prepare any other tax returns unless specifically requested to do so.

We shall be pleased to discuss this letter with you at any time. If the above terms are acceptable to you, and the services outlined are in accordance with your requirements, please sign the copy of this letter in the space provided below and return it to us.

Very truly yours,

CERTIFIED PUBLIC ACCOUNTANTS

(Address)

Gentlemen:

In connection with your examination of the balance sheet of ABC Temple as of December 31, 19 .., and the related statements of revenue, expenses and changes in members' equity and changes in financial position for the years then ended; for the purpose of expressing an opinion as to whether the financial statements present fairly the financial position, results of operations, and changes in financial position, of ABC Temple in conformity with generally accepted accounting principles, you have requested that we confirm certain representations made to you during your examinations. Accordingly, we confirm to the best of our knowledge and belief, the following representations:

1. We are responsible for the fair presentation in the financial statements of financial position, results of operations, and changes in financial position in conformity with generally accepted accounting principles (or other comprehensive basis of accounting).
2. We have made available to you all financial records and related data. Minutes of the meetings of the Divan, copies of which have been supplied to you, are complete and authentic records of proceedings at all such meetings held between January 1, 19 .. and (date of letter).
3. We understand that you have selectively tested the accounting records of the Temple and obtained other supporting evidence by methods and to the extent you deemed appropriate for the purpose of expressing an opinion on the financial statements, but that such test examination will not necessarily reveal all errors or irregularities. (The term irregularities refers to intentional distortions of financial statements or misappropriations of assets.) There have been no irregularities involving:
 - Management or employees who have significant roles in the system of internal accounting control.
 - Other employees who could have a material effect on the financial statements.
4. We have no plans or intentions that may materially affect the carrying amount or classification of assets or liabilities in the financial statements.
5. Related party transactions and related amounts receivable or payable, including sales, purchases, loans, transfers, leasing arrangements, and guarantees have been properly recorded or disclosed in the financial statements. (Related parties include, as a minimum, members of Divan and Shrine Clubs and Units.)
6. The following have been properly recorded or disclosed in the financial statements:
 - (a) Arrangements with financial institutions involving compensating balances or other arrangements involving restrictions on cash balances, and line of credit or similar arrangements.

- (b) Agreements to repurchase assets previously sold or options to purchase property or equipment.
7. There are no violations or possible violations of laws or regulations whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
 8. We are not aware of any pending or threatened litigation, claims or assessments, or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with Statement of Financial Accounting Standards No. 5 "Accounting for Contingencies," and we have not consulted a lawyer concerning litigation, claims or assessments.
 9. There are no other material liabilities or gain or loss contingencies that are required to be accrued or disclosed by Statements of Financial Accounting Standards No. 5.
 10. Federal tax returns through December 31, 19 .. have been examined by the Internal Revenue Service. Returns of years since that date are still open.
 11. The Organization has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged.
 12. There are no material transactions that have not been properly recorded in the accounting records underlying the financial statements. All material leases have been properly recorded or disclosed in the financial statements.
 13. We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
 14. No events have occurred subsequent to the balance sheet date that would require adjustment to, or disclosure in, the financial statements.
 15. We have complied with Imperial Council bylaws and General Orders, more specifically § 335.3 of the bylaws of The Imperial Council, A.A.O.N.M.S. regarding fund-raising activities. In regards to all fund-raising activities that benefited Shriners Hospitals:
 - (a) Permission was received from The Imperial Council and Shriners Hospitals to hold the fund-raising activity.
 - (b) 100% of the net proceeds from the fund-raising event were distributed to Shriners Hospitals, or with written permission up to 50% to the Hospital Transportation Fund with the balance to Shriners Hospitals.
 - (c) All related charity activity forms have been completed and submitted to The Imperial Council A.A.O.N.M.S.
 - (d) No allowable administrative expenses have been charged to the activity nor have any transfers to other funds occurred. (Other than to the Hospital Transportation Fund).
 - (e) No interest earned on charitable funds was transferred to the temple for non charitable purposes, and the payment is not deductible as charitable contributions for federal income tax purposes.

In regards to all fraternal fund-raising activities, a statement has appeared on all promotional literature that 100% of the proceeds from the activity will benefit the temple and donations are not deductible as a charitable contribution for income tax purposes.

16. We have properly forwarded to Shriners Hospitals for Crippled Children all bequests and donations for the benefit of the Hospitals. Any bequests and donations which have been received by the temple that could be possibly construed as being for charitable purposes have been communicated to General Counsel.

Very truly yours,

ABC Temple, A.A.O.N.M.S.

IMPERIAL POTENTATE McMULLAN: I will now call upon Imperial Sir Gene Bracewell, Chairman of the Board of Trustees, Shriners Hospitals for Crippled Children, to present this report.

IMPERIAL SIR BRACEWELL: Thank you very much.

Imperial Sir, Illustrious Sirs, Distinguished Guests, Fellow Representatives and Nobles All: It is once again a pleasure to address this very distinguished group and to bring you up to date on, what I believe you would refer to, as the state of affairs of the Shriners Hospitals System.

It has been an exciting year. It has been a challenging year and I also think it has been a very productive year and, more important than that, than all of that, Shriners Hospitals for Crippled and Burned Children last year treated more children than ever before in one year. I think that is fantastic. (Applause) I am sure you will agree.

As you know, programs have been expanded at Shriners Hospitals and many of our hospitals and research programs that are employed at different facilities continue to achieve worldwide recognitions and notoriety.

As I had the pleasure last year of reporting to you at New Orleans and again this year at Toronto, our building and remodeling program is moving ahead as we desire it and has been prescribed by the Representatives.

This year, under building programs moving ahead, we have had the Springfield Hospital—a new replacement facility at Springfield in the same location; a new Twin Cities Hospital in Minneapolis on the same location, also moving along; and this year we likewise have the opportunity for a ground breaking ceremony in Honolulu for a massive remodeling renovation program of your Honolulu Unit.

On June 3rd we had the ground breaking ceremony for the conclusion of a new facility to replace the existing hospital at Galveston, Texas and then, on Sunday, the 18th of June, we had a ground breaking in Cincinnati to replace that facility there.

There is tremendous progress that we are making and then, this month, on July 22, I

think it is, on a Saturday, we have a dedication of our new Greenville Hospital—a totally new hospital built out adjacent and in connection with the Greenville Childrens Hospital System—a sixty-bed orthopaedic unit which we think is fantastic.

When you get an opportunity to visit the Greenville Hospital, you are going to be so pleased and proud because Bob Lake over there and the guys from Hejaz were fantastic.

We have a facility in Greenville, South Carolina that you are not going to believe. I believe I will be there on July 22nd. I think it is a Saturday.

I would like to compliment Burt Ravellette, the Chairman of our Building and Equipment Committee, on the fantastic job he is doing and the dedication he has in working for our hospital program. He has not, of course, been doing as good a job as the former Chairman (laughter) but I appreciate what he is doing. (Laughter) However, Burt, we certainly, all of us, very much appreciate your efforts. (Applause)

You know, I once heard that wherever you see a successful business, someone once made a courageous decision.

Now, seventy-seven years ago a group of men made a very courageous decision and from that decision a successful business was born. That business is, of course, Shriners Hospitals for Crippled Children.

You know, twenty-seven years ago, in this same City of Toronto, another group of Shriners made a very courageous decision and that decision was to embark upon a program to take care of burned children and, you know, that has also been successful.

This has resulted in the establishment of three hospitals, burn hospitals—Cincinnati, Galveston and Boston—all of which have received worldwide notoriety in the treatment of children. That certainly was a courageous decision that was made at that point in time.

You know that Henry Ford was courageous when he began his car business. He founded his company back in 1903 with only \$28,000 and twelve workers and I do not think that anybody would question today as to what a success the Ford Motor Company has enjoyed.

You know, we likewise enjoy the same success.

Although Ford and Shriners Hospitals are both successful businesses, built by courage and dedication, there is a big difference between Ford and Shriners Hospitals. Ford, and most businesses today, are out for a profit but Shriners Hospitals are not looking for profits—unless you count as profits the children whose spines are straightened, the children whose burns are healed, the kids whose legs can now walk and run with the help of artificial limbs, kids that have never had that opportunity before.

Do you count that as profits? Well, I do, we do, the Shriners Hospitals System does.

You know, that is why I think our profits are in the smiles of these children when we visit our hospitals. That is, as a matter of fact, the only payment we as Shriners need—the simple little smiles of the children that we have helped.

Also, let us face it, our hospitals exist in a competitive world and we must remain competitive although we are not in this for money, we still need to run our hospitals like a business. This is exactly what we are doing and I believe that is one of the secrets of our success. As a matter of fact, that is the secret of our success because we continue to have quality medical care and are able to give attention to these children in an ever-changing medical environment.

That is why Shriners Hospitals are continuing to expand, Shriners Hospitals are continuing to grow and I think they are getting better and better every day.

For example, we now provide comprehensive care in our hospitals to take care of children with myelodysplasia. We have added neurosurgeons, urologists, speech therapists and other specialists to our hospitals in order to meet the many needs of the children that we treat.

As I said earlier, we are building and renovating many of our facilities so that we can provide to our staffs the state of the art in the way of medical and physical facilities.

Along this line, a little later this afternoon you will be hearing a very excellent presentation by Imperial Sir Bob Turley and at that time you will be presented again with your participation in the making of another courageous decision.

You know, it is true that our hospitals are run like a business. However, a business is only as successful as the people inside of it.

It is all the people who work in our hospitals that make them a success. Because we are

competitive, we ensure that we have the highest quality people providing quality care to our patients.

All of you here today should be extremely proud of the success of our hospital system. It is because of you and the decisions that you have made and will make that most certainly ensure the continued success of our hospitals.

You know, Henry R. Luce once said, and I quote, "Business is a continual dealing with the future; it is a continual calculation, an instinctive exercise in foresight."

Gentlemen and Representatives, Shriners Hospitals must continue to look ahead to the future, not only to remain successful and competitive, but also to build better tomorrows for our children.

In our research laboratories we are constantly looking for those "better tomorrows" for our children. Hopefully, someday our research will enable a paralyzed child to walk or a burned child to heal faster and better.

It is only through research that we can reach those "better tomorrows" for our children.

You know, many times the research of today is the patient care of tomorrow. That is of extreme importance. We are, after all, in the childrens' business and that is what is important.

After all, Shriners Hospitals' success is not measured in how many dollars we make. It is measured by the children we help and we continue to help and continue to meet the unmet needs of these children.

There are children in North America and around the whole North American continent that we are not reaching. We do have to find a way to help those children. The more children we are able to care for and the more children we can help lead a better life and restore to society, I am sure that likewise, more wills and gifts will come in.

We have been successful in telling the Shrine Story. We certainly have a great story to tell. Further, there is no one else in the world that has a story to tell like Shriners Hospitals for Crippled Children.

Yesterday you saw a part of our work done in connection with a young man with artificial legs. Now, as you witnessed that demonstration yesterday, I know that all of you were proud to be Shriners and know that you were a part of the result of that help.

Really, I cannot help but say that that was certainly fantastic but then, after all, that is what we are all about.

You know, I am not a millionaire, I cannot give \$10,000 to Shriners Hospitals but, you know, when I can contribute my time like all you Nobles and Representatives do, it makes me feel proud to be a Shriner because I know that I am contributing something.

You know, Nobles, it is great to be a part of the Shrine. Joe Paterno runs his Penn State Football Team like a business and what he said about running his team can apply to Shriners Hospitals. He said, "A two or three game winning streak does not add up to success, neither does one great season. It only means you are off to a good start. Real success is long term—it lasts a lifetime."

This year our Shriners Hospitals have enjoyed another successful season. However, our success is truly long term, especially in the children we treat. We know that any treatments we give a child will last a lifetime and if that child grows and lives to his or her fullest potential, only then will we be able to say, "We have achieved real success."

Nobles and Fellow Representatives, I thank you for allowing me this time and opportunity to speak to you. I also thank you so very much for letting me serve.

Thank you very much. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much, Imperial Sir Gene. You certainly do an outstanding job and we are certainly very proud of you as the Chairman of this Colorado Corporation.

Again, Gene, thank you very, very much for the good work you have been doing. (Applause)

...Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE McMULLAN: I will now call on Imperial Sir Robert Turley.

IMPERIAL SIR TURLEY: Imperial Sir, Imperial Sirs and Representatives: About a year ago, Everett Evans and I were appointed to serve as a Liaison Committee for the San Francisco Unit of Shriners Hospitals for Crippled Children. In that capacity, we have visited

the San Francisco Unit, its Board of Governors, its Administrators, its medical staff and others in the vicinity, and we have a report to make to you here this afternoon.

Some of you may not have seen the San Francisco Unit, which is on Nineteenth Avenue in San Francisco. It is a beautiful building both night and day.

[Slide]: The exterior is a sight for all who pass that way to admire—a sight of which all Shriners are very proud.

Now, on the interior of this building, however, there are some major deficiencies, such as in the lighting, ventilating and air-conditioning system, the boiler, the mechanical system, which are required to have some smoke partition barriers by code which we do not presently have. Likewise, the sprinkler system must be modified.

We have, in addition to those multiple deficiencies under the code which has been modified since that building was built, deficiencies which have been cited on several occasions by the Joint Commission on the Accreditation of Health Care Organizations.

There is a need for extensive remodeling of this unit to bring that unit up to modern day standards in terms of the delivery of health care.

There is a need, for example, to remodel the nursing unit; a need to remodel the Outpatient Department; the Orthotics and Prosthetics Departments; computer services, etc.

Now, our Building and Equipment Committee has given some concern and study to that.

Now, in their investigation, they have run into a problem which is of major importance—the permeation throughout the whole second floor, or that part of the structure especially, of asbestos—sprayed on asbestos which was used at the time of the construction of this building.

[Slide]: Now, what you see on that slide, all of that is sprayed on asbestos.

[Slide]: Even on the steps in the area in which our maintenance and engineering people are required to go in order to accomplish their work, asbestos.

So a consultant firm was called in and that firm was asked as to what we should do and they told us that the cost of removing all of the asbestos and replacement of this insulating material with other benign insulation would involve approximately \$10 million.

Now, I hasten to tell you that an asbestos abatement, especially in a hospital, is absolutely essential in the long run. However, at the present time we are advised by these experts that there is no immediate danger to either our patients or staff, aside from the engineering and maintenance people, who must go into those areas and yet, with that situation existing, we cannot correct the major building deficiencies about which I spoke, nor can we do the extensive remodeling except at a cost which is considerable.

As a temporary solution, we have undertaken, with the cooperation of the Board of Governors of the San Francisco Unit and with the experts whom we have employed, to provide a hazardous material and maintenance plan, a management plan, which we can use for the next two, three or, at the outside, four years, to keep that unit in operation in its present facility.

The only permanent solution, however, is to either close the unit or to build a new facility.

[Slide]: Before we make any decision with regard to a new facility, our first concern is to examine the needs and so a needs assessment study was done and I will not read you the whole thing. It has been presented to the Boards of Directors and Trustees and it is a big document. However, I want you to see some of the things that were found.

[Slide]: To begin with, we were talking about the whole Western region and that is the part outlined on this map, shown on the map as “Pacific and Mountain” and that is the terminology that is used by the census and I am going to show you some figures that the census people have put out.

[Slide]: Now, I have tried to blow this up as big as I can but there are some things that I want you to know about the area and the population and particularly in the Western part of the United States, where there has been and is expected to be enormous growth.

Along the top line here is a line that has to do with the United States, the whole country. The second line is the West and then down here (indicating) is California.

I want to call your attention particularly to those three lines.

The percentage of change and components of change in population during the years 1980

to 1986 are shown in this column—column 7 right here (indicating) and it is shown for the United States as 6.4 percent.

Now, it is difficult to believe but it is true that during that same period of time, the increase in the West was some nine percent and increase in California, fourteen percent. A part of this involves migration for the whole United States.

Now, let me say that the net migration was 4,244,000; in the West it was 2,603,000 and in California 1,778,000 and what that means is that migration into the United States, net migration, of that, the West has sixty-one percent and California forty-two percent. At any rate, that is a part of the reason as to why those areas are growing.

Now, we are interested in population by age group and the age groups with which we are interested are shown over here, "under five years," "five to thirteen years," and "fourteen to seventeen years."

This is the population by age group and, again, the top line is the United States, the second line is the West and the third line from the bottom is California.

The percentage of population under age seventeen years of age, those three figures put together, in 1984, which is the latest census figures that are available for this, total 26.5 percent—namely, that those three figures put together make 26.5 percent of the population in this country under eighteen years of age.

In the West, adding those three figures together, it is 27.3 percent and in California it is twenty-six percent.

So there is a large number of children in the West and in California with whom we are concerned.

[Slide]: Now, next let us look at what is projected for the future and this is the population projections again for the United States, for the West and for California.

The percentage of change from 1990 to the year 2000 is shown in column 5, right there (indicating) and you will be interested to know that the percentage of change in the United States over this decade is projected at a 7.3 percent increase and for the West it is projected at an 18.1 percent, or twice as many, and for California it is projected as 11.2 percent.

So not only today but in the future, which is our concern in this particular instance, we expect to see an increase in population of children in the West and in California.

Now, one of the best ways that the people in the health delivery system know of to assess the needs of children is through the prevalence of their activity limiting chronic conditions—that is, those things that are lasting—not an acute condition but something chronic that lasts and limits the activities of the children and here, I might add, we are talking about cases per 100 person under seventeen years of age.

[Slide]: Some of the figures that I will give you during the course of this presentation are census figures and they do not do their figures the same way we do them and so we are using the closest that we have.

This is children under seventeen years of age from 1960 to 1984—the number of children with chronic conditions that limited their activities in the United States increasing from less than two percent or fewer than two percent over into the twenty-four year period of time to greater than five percent. So there are more children now than there were twenty years ago who need the help of Shriners Hospitals for Crippled Children.

Now, I would have imagined that there would be a large number of hospital beds in the West. You might think the same thing. However, here is what the Census Bureau tells us.

This indicates vital statistics in health care, with the United States on the top line, West on the next line and California near the bottom.

Over here on the right-hand side are the number of hospital beds in 1985 and this is the rate per 100,000 population—from a 100,000 resident population as of July 1, 1985.

In the United States, at that time, there were 554 beds per 100,000 population. In the West the figure was only 420 and in California only 418. Now, I do not know whether that surprises you but it certainly surprised me.

Now, I want to talk to you a little bit about the San Francisco Unit in particular, having show you that there is and will be a need for care for children in the West, in California, in the future.

Now, let me show you what the San Francisco Unit has done in terms of its increased activities in the last few years and I think you will be as proud of this as I am.

[Slide]: These are approved applications to the San Francisco Unit from 1983 through 1988 and you will see that the number has increased from 409 in 1983 to 1,097 in 1988. That, my friends, is an increase of 168 percent.

In the last four years, from 1985 to 1988, there has been an increase of 133 percent, from 470 to 1,097.

[Slide]: Now, this is a chart of new patients for that same period of time.

From 1983 to 1988, new patients admitted have run from 441 to 1,031, an increase of some 134 percent in that period of time from 1985 to 1988, an increase of 115 percent.

The most recent figures that I have given you are those for the first five months of this year and I am going to compare those, the figures of the first five months of 1989 with the figures for the first five months of 1988, having already showed you the increase from 1983 to 1988.

My friends, in the first five months of 1989, the increase on the orthopaedic unit, and I get to the spinal cord injury unit, but on the orthopaedic unit, in admissions was three percent, active patients was fifteen percent, operations six percent, casts at 532 percent, prostheses ninety-three percent, orthotics eighteen percent, outpatient clinic visits six percent.

The waiting list on the orthopaedic side has grown to five weeks for the new patient clinic, after approval by the Board of Governors. The orthopaedic surgery waiting list is eight weeks. Hand surgery is ten months and plastic surgery is twelve months.

That unit is active and they are taking care of children in the area served by that unit.

On the spinal cord injury side, the increase this year as compared to last year—admissions are up nineteen percent, active patients is up thirteen percent, orthotics is up sixty-seven percent, outpatient clinic visits up forty-two percent—magnificent work now being done there. (Applause)

Also, there is a tribute to what is being done by the Temples in that area because they are having off-site clinics that are bringing them children—children whom we can help.

Now, Gene Bracewell mentioned a few moments ago that twenty-seven years ago in this city Shriners Hospitals went into burns.

Now, I certainly do not look old enough to have been here but I was and there may be a few others out there in like condition.

Let me ask, those of you who were here in July of 1962 and voted for the burn resolution, please stand up.

... Several Representatives arose ...

IMPERIAL SIR TURLEY: Well, you know, there are some of us old people still around.

However, let me say that since 1962 we have built three burn institutes—in Boston, Galveston and Cincinnati—which have done a superb job and also, as you know, we have no burns center to serve the children in the Western states.

[Slide]: This is a chart which shows what is known as the International Code of Diagnoses.

Every hospital, when it admits a patient, shows a number as to the diagnosis of that patient and the number for burns injuries is in that light right here (indicating). It is under the number of 948 and that series of the 948 is where the burns are judged according to the total body surface covered by the burn.

Now, that line also indicates that in 1987 there were 57,000 burns diagnosed and admitted to hospitals in the United States, according to the National Center for Health Statistics.

Of that number, 26,000 were under fifteen years of age and, further, of that number, 19,000 were in the West.

Now, if you assume the same ratio per age in the Western United States, which is a reasonable assumption, then you figure the 26,000 to 57,000, forty-six percent are under fifteen years of age and that forty-six percent, times 19,000, means that there were 8,667 burned children or between 8,500 and 9,000 burned children in the West.

[Slide]: Now, we asked our burns institutes at Galveston, Cincinnati and Boston about their admissions over a four-year period of time, 1985 through 1988, from the Western states, and the total admissions from Galveston were 170, from the Western states that are listed there, eleven went to Cincinnati and nine went to Boston in that four-year period.

The total number of all admissions during that time, that four years, was almost 9,000 or totally 2,242 patients per year admitted to all three burns institutes.

There were 190 over the four years from the Western states, which means that in relation to forty-seven to forty-eight patients a year, only two percent of the patients admitted to our present units were admitted from the Western States.

[Slide]: Now, this slide shows us the pediatric burns population in the Western states by 1990 and you can see the source of the material which we have used for this—the California Fire Marshal's statistics and the United States Department of Commerce statistical aspects in the United States.

We know, for example, what the incident rate was and that is how many children per thousand were burned and that would be approximately seven per 100,000 that were burned.

Using that, we can project at the 1990 state population, under eighteen, of 14,651,000—14.6 million children. That would mean that there would be over 1,000 burned in 1990 in the Western states and we are presently taking care of forty-seven to forty-eight of those, which is two percent.

Now, my friends, I think we can do better than that. (Applause)

Now, I initially told you that I was not going to read the whole book and I am not.

... Cheers and applause ensued ...

IMPERIAL SIR TURLEY: However, I hope I have shown you that there is a need for care for children and a need for a burns unit.

Now, I am going to ask Everett Evans and Burt Ravellette to read you the resolution which we are then subsequently going to ask you to adopt.

... Cheers and applause ensued ...

IMPERIAL SIR EVANS: Fellow Representatives, I am not going to give you any further statistics and believe me when I say that. However, let me also say to you that this is one of the most important things you are going to do today, if you do it.

I am sure you are interested in people running around the Shrine System telling the Public Relations Department that we have centers of excellence. Well, we do not have centers of excellence in every place we go but if you do what we are talking about today, this is one you are going to have.

Therefore, I submit this resolution to you:

RESOLUTION

WHEREAS, the San Francisco Unit has presented a needs assessment study, characterizing at length and documenting extensively the current and projected unmet needs of children in the area served by the San Francisco Unit for services provided by Shriners Hospitals for Crippled Children; and

WHEREAS, it appears from that study and other information that the present facility occupied by the San Francisco Unit is in substantial need of renovation or replacement because of violations of health and safety standards promulgated since its construction, as well as to better deal with changes in methods of care; and

WHEREAS, the renovation of that facility is impractical and uneconomical due to the widespread use of asbestos in its construction and the estimated costs of asbestos removal and replacement with benign insulation and floor covering; and

WHEREAS, the needs assessment study also manifests the need for a pediatric burns unit on the West Coast;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Pursuant to Sections 508.7 and 510.1(b)(1) the Board of Trustees and the Committee on Building and Equipment are hereby authorized to proceed expeditiously to replace the existing San Francisco Unit facility with a new building and appropriate equipment, fixtures and furnishings; and

2. The new facility may be designed, constructed and equipped with the capability of carrying on programs of patient care, research, and training in the field of pediatric burns, and other unmet needs, as well as continuing programs of care for orthopaedically handicapped children and those with spinal cord injuries; and

3. The size and location of the new facility, as well as the specifics of its programs, shall be left to the Board of Trustees, which is hereby authorized to negotiate such affiliation

agreements or similar relationships with other institutions in Northern California as may be advisable and proper to implement this resolution in the best possible way; and

4. There is hereby appropriated the sum of \$65,000,000 from the funds of the Colorado Corporation for implementation of this resolution, to be transferred to the Capital Reserve Fund from such sources as are designated by the Board of Director.

IMPERIAL SIR RAVELLETTE: With regard to the figure of \$65 million, let me indicate to you that this figure came from our experts who told us, for example, that we can build a combined orthopaedic and burns center for somewhere around the area of \$65 million.

That is all I have to say at this point.

Thank you.

IMPERIAL SIR TURLEY: Imperial Sir, we have submitted this resolution to the Jurisprudence and Laws Committee and I believe they are ready to report on this issue.

IMPERIAL POTENTATE McMULLAN: I will recognize Walt Pettit for the report of the Jurisprudence and Laws Committee.

NOBLE PETTIT: To the Representatives of the Imperial Council: There has been referred to your Committee on Jurisprudence and Laws the resolution of the Board of Trustees and the Buildings and Equipment Committee of the Colorado Corporation which concerns the needs of the San Francisco Unit of Shriners Hospitals for Crippled Children.

The resolution which will appear in full in the written report, will not be reread unless your request.

The committee reports that the proposed resolution is in proper and legal form and will not conflict with any provisions of the Articles of Incorporation or the Bylaws of the Colorado Corporation.

Respectfully submitted,
COMMITTEE ON JURISPRUDENCE AND
LAWS

Walter S. Pettit, Jr.,
Chairman

Robert E. Cooper
Theodore Corsones
Robert C. Lake, Jr.
Robert H. Bailey
Gerald L. Davis
James M. "Buddy" Tingle

Imperial Sir, if there are no questions or comments on this report, I recommend that you now call upon Illustrious Sir Robert E. Turley for an appropriate motion.

IMPERIAL POTENTATE McMULLAN: I will again recognize Bob Turley.

IMPERIAL SIR TURLEY: Imperial Sir, I would move for the adoption and implementation of this resolution.

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: Is there discussion?

NOBLE B. E. HENDERSON [Syria Temple]: In listening to the story about the asbestos in our hospitals, I just wonder, in relation to the balance of our hospitals, how many more do we have to go through in relation to a study being made or they be investigated, especially concerning asbestos?

IMPERIAL POTENTATE McMULLAN: I think I will call on Burt Ravellette to answer that question.

IMPERIAL SIR RAVELLETTE: Imperial Sir, Imperial Sirs and Fellow Representatives: There was a needs report done about four or five years ago in relation to identifying the hospitals that were in need of repair or replacement.

I am pleased to tell you that we have, out of those eleven that were identified, the nine that involved major renovations and construction costs and these were complete hospitals—these will be completed sometime, all of them, in late 1991.

However, there are two or three others that have been identified for needing some work as soon as we can get this program finished. For example, the Philadelphia Unit is in the

process of finding some property for building; some of the others are being repaired and, as I said, the eleven that we are presently working on will be completed sometime by late in 1991.

IMPERIAL POTENTATE McMULLAN: Are there further questions?

NOBLE RODERICK ROBERTSON [Philae Temple]: While I have no qualms with what has been mentioned concerning the needs of our hospitals, I just have one question.

If we project the operating costs that we have in connection with our Boston Hospital, Burns Unit, which is now some \$11 million, the operating costs of the Portland Unit, which is, of course, orthopaedic and would involve a figure of \$7 million and then \$1 million for research, has the committee given any consideration as to where the operating costs projected to be some \$20 million a year, would be coming from and what impact those would have on future business of the Colorado Corporation?

IMPERIAL SIR TURLEY: I suppose that is directed to me.

Now, let me first say that I do not accept the figures you indicated. However, in relation to the other question, I am glad you asked that question because it gives me an opportunity to call attention to numbers that you have in your little Green Book of Reports. Please get it out.

I want to call your attention to some figures in there. You can also get them out of your annual report that was handed to you when you arrived here. It was in every Representative's envelope.

Now, if you will look on page 6 of that little Green Book, which is also page 38 of the Red Book, I will invite your attention down to the next to the last line of figures and that is the total of fund balances involving the Colorado Corporation.

The Colorado Corporation keeps fund accounting and that is the total of our funds—the operating fund, the investment fund and the capital reserve fund.

Now there, in the next to the last column, you will see a figure of \$2,831,086,457. Then the figure in the column next to that for 1986 is \$2.6 million. If you will subtract that, you will see that the additions, net additions after all of the operating expenses we have, after construction of the hospitals and the expenses we have there, that the net increase in our fund balance in that year, last year, was \$195,745,215.

Now, I would like to ask you to turn to the next page, which is page 7 in the Green Book, page 39 in the other book and I would ask you to look over to the right-hand column there and you will see there near the bottom—somewhere from three to four lines up from the second column on the right, you will see three figures there and you can compare those three figures to the total of the figures in 1987 and what they will show you is that in 1987 we added to the fund balances \$343,280,340. I will not go into any of the others at the present time. However, it seems to me that if you add those two figures together, you get something over a half billion dollars that was added to our fund balance after operating expenses and while I believe in increasing endowments, wills and gifts so that we can do even more, we do have a responsibility, Nobles, to make the best use we can out of the resources that God has given to us to take care of these crippled children.

IMPERIAL SIR WARREN WECK: Imperial Sir, Imperial Sirs and Representatives: I know that figures can lie and we can also lie but I have been a banker in the Trust Department of a bank for some thirty-seven years and my idea on trust accounting, I guess, is that that which is present to the endowment fund is income that represents interest, dividends and rent. I think you ought to take that into consideration.

IMPERIAL POTENTATE McMULLAN: Is there further discussion?

If not, all in favor of the motion as made by Bob indicate by saying aye; opposed. The motion is carried and thank you very much, Bob, for an excellent report. I know that there was a lot of effort and work that went into that.

Now, while we are on our hospitals, let me indicate that John W. Dean has been Chairman of the Endowments, Wills and Gifts Committee for the last five years and he came out with a very innovative program concerning his committee.

I would now like to call on Jack W. Dean at this time for his report.

IMPERIAL SIR DEAN: Imperial Sir, Imperial Sirs, Most Worshipful Grand Masters and Members of the Imperial Council: This will be a very brief report because you will find a

rather more extensive report in your Book of Reports and you will find some mention of it also in the Annual Report.

However, I would like to tell you that you just took on one of the most exciting challenges that the Shrine ever faced. We now have the opportunity, with this new program that we have taken on, to go out and raise more money than we have ever raised in the past.

Last year, through your help, and the help of the Endowments, Wills and Gifts Committee, we were fortunate in raising \$163 million new dollars. We have started the Plaque Program and I think we need to continue that kind of work. Further, we can only do it with inspirations things like you just saw.

We can move forward, we can move this committee forward and it can do better things than it has ever done and I would hope to each and every one of you—and each and every one of you received a letter from me asking that you go to work on our Gold Book Society—go to work on our Philanthropic Society and go to work on everything else because, I will tell you this, when you poll the funds concerning the endowments of each individual hospital, the San Francisco Hospital is head and shoulders over everybody else and I think it is about time we got to the point where we each had enough money in our own areas in relation to which our hospitals were funded adequately so that we can exist, too.

I want to thank you for the opportunity to be of service to you and say God bless each and every one of you.

Thank you. (Applause) . . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE McMULLAN: I would now like to call on Imperial Sir Voris King for the report concerning the Investment Committee.

IMPERIAL SIR KING: Imperial Sir, Imperial Sirs, Illustrious Sirs and Representatives: I have had the privilege of serving as Chairman of the Investment Committee during this past year.

The Investment Committee has the responsibility of investing all available funds of the Colorado Corporation and determining the investment policies to be pursued with regard to all property and assets of the Colorado Corporation.

The committee is also responsible for selecting corporate institutions exercising banking, trust and management powers for the management of all funds of the Colorado Corporation.

The Investment Committee is pleased with the performance of our invested funds. We believe that we are obtaining a good overall rate of return and that our assets are sufficiently diversified to give us an acceptable level of risk.

The Books of Reports and the audit report contain information concerning the balances of our investment funds at year-end. However, we believe it would be appropriate this year to make a more detailed report concerning the results of our investment program for the past several years.

To make this presentation, I would like to call on Illustrious Sir William Latimer, Past Potentate of Syria Temple and an Emeritus Representative of the Imperial Council.

Bill is the oldest member of the Investment Committee, not in age but in years of service. He is a bank executive with one of the largest financial institutions in North America and is recognized as an authority on banking. Bill has served as a member of the Investment Committee for thirty years and has served as Committee Chairman as well as his chairing our most important subcommittee which selects the investment managers and monitors the performance of these managers.

Is Bill in the audience? If you are, I would ask that you come to the podium at this time.

ILLUSTRIOUS SIR WILLIAM LATIMER: Imperial Sir, Imperial Sirs and Representatives: Thank you for giving me a few minutes to talk about the Investment Committee. I think I can speak from experience, this being my twenty-eighth year of service.

Over this period of time, tremendous progress has been made. In 1961 there were two members of the committee, Len Stuart, the Imperial Treasurer, and Bob Smith, the General Counsel. The investments were largely U.S. Government bonds and mortgages. The mortgages were designed to produce income, about six percent, compared to the four percent rate on the bonds. About one-third of the fund was held in common stocks. Total value was \$125,000,000.

In 1962 at the Imperial Council Session held here in Toronto, the Investment Committee

was given the status of a standing committee with Bylaws setting out the criteria of membership that all "shall be knowledgeable and experienced in investments" Except for the Second Vice President and the Assistant Secretary of the Board of Directors, who serve by virtue of their positions, the members are appointed by the Chairman of the Board and must be approved by a majority vote of that Board.

Over the years a great many highly qualified men have contributed their talents to this vital task, the management of our hospital funds.

The name, Investment Committee, is, in a sense, a misnomer. The committee does not invest; it selects top qualified managers and monitors their performance. From time to time general guidelines are set, but day to day decisions are left to the managers. At one time we had over 160 managers, an awkwardly cumbersome size. Over the years we have culled out the less efficient and now have sixty-three, more than half of which are producing excellent results. Those who do not perform are dismissed.

The priorities of the committee are threefold: Safety of capital; earned income; and total return. In 1988 total return was 10.75 percent. Over the past ten years it has been 14.03 percent. This approach has produced over \$800,000,000 in appreciation, with a value on December 31, 1988 of \$2,741,297,000. Asset mix as of that date was:

Fifty-two percent common stocks

Thirty-nine percent fixed investments

Nine percent cash equivalents

It is because of the performance of our endowment funds that monies have been available for the construction of our burns institutes and the expansion and modernization of our hospitals. Income has increased from \$54,200,000 in 1979 to \$162,610,000 in 1988.

Recently the Investment Committee has been criticized for its philosophy. This is nothing new in Shrinedom. I imagine some of you Potentates and Past Potentates have had your share of it.

the suggestion has been made that our entire portfolio be invested in U.S. Government bonds. The rationale is that we would greatly enhance our income. I strongly suggest to you that this would be a very shortsighted action.

When I first became a member of the Investment Committee, we were preponderantly invested in bonds and mortgages. Imagine where we would be today if that safe approach had been continued. With inflation at five percent, prices double every fourteen years. At seven percent they double every ten years. It takes no particular intelligence to see how disastrous that would have been.

Today is no different. The strength of this country has been its businesses. Investment in the growth of our great corporations has made America strong.

I hope you agree with this view and will give your continued support to the conservative, yet forward looking policies of the Investment Committee.

Thank you very much for your close attention.

IMPERIAL SIR KING: Thank you very much, Bill, for that fine report.

With that, Imperial Sir, I would move that this report be adopted.

... The motion was duly seconded ...

IMPERIAL POTENTATE McMULLAN: You have the motion and the second to adopt this report.

Is there any discussion?

If not, all in favor please say aye; opposed. It is carried.

... The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at four-fifteen o'clock p.m. ...

MORNING SESSION
THURSDAY, JULY 6, 1989
NINE O'CLOCK A.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, convened at the Royal York Hotel, Toronto, Ontario, Canada, at nine o'clock a.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE McMULLAN: Will you please take your seats so that we can get our Session started.

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE McMULLAN: I will again recognize Roderick Robertson, Chairman, Committee on Finance and Accounts.

NOBLE ROBERTSON: To the Representatives of the Imperial Council: Your Committee on Finance and Accounts submits to you for approval the following reports with respect to income and expenditures for the Colorado Corporation:

1. Report for the year 1988
2. Adjusted budget report for the year 1989
3. Proposed budget for the year 1990

REPORT FOR THE YEAR 1988

The report for the year 1988 has been reported for you in the Book of Reports which you have already received. No inquiries have been received, your committee recommends ratification and approval of the report as shown in the Book of Reports.

Imperial Sir, I move the approval and adoption of this report for the year 1988 as submitted.

. . . The motion was duly seconded, voted upon and declared to be unanimously carried . . .

NOBLE ROBERTSON: Included within your registration package you have a breakdown of the operating expenditures showing amounts appropriated for 1989 including the adjustments made by the Joint Boards and the proposed figures in 1990.

We shall give you a summary of the total figures which will be followed by detail, by classification, of the proposed items of the year 1990. Your proposed budget will be more accurately presented for your approval at a subsequent Imperial Council Session.

The amount in the left-hand column was approved at New Orleans. The adjustments are shown with the 1989 adjusted balance, with the budgets which are proposed each year at this Session. These are preliminary figures and during the year, adjustments are needed because of changes in programs and costs for your hospitals.

The 1989 adjusted budget shows an operating excess of revenue over expenses in the amount of \$3,309,220.

The 1990 proposed budget which is in the fourth column, the last column on the right, reflects revenue of \$221,285,000, expenses of \$214,572,000 for projected operating excess of revenues over expenses of \$6,713,000.

Imperial Sir, if there are no questions, I move the ratification, approval and adoption of the adjusted budget for the year 1989 and the year 1990 proposed budget be approved as submitted.

Respectfully submitted,
COMMITTEE ON FINANCE AND
ACCOUNTS

Roderick D. Robertson,
Philae, Chairman
D. Sam Erickson, Osman,
Vice Chairman
Keith G. Collins, Khartum
Palmer D. Burde, Salaam
Duane L. Terrell, Zorah

. . . The motion was severally seconded . . .

IMPERIAL POTENTATE McMULLAN: You have before you a motion and a second for the ratification, approval and adoption of the adjusted budget for the year 1989 and the year 1990 proposed budget.

Is there any discussion?

If not, all in favor of the motion indicate by saying aye; those opposed. It is unanimously carried.

... Business was transacted in the Iowa Corporation at this time ...

IMPERIAL POTENTATE McMULLAN: I would now like to recognize our Imperial Treasurer to give the report of the Treasurer with respect to the Colorado Corporation.

IMPERIAL SIR HARRINGTON: What I have tried to do in relation to the Treasurer's report is not to repeat information which is contained in other reports, particularly the audit report and report of the Finance and Accounts Committee but I attempted to show you Representatives how different funds have been designated for operations, for the capital reserve fund and for the investment funds and I urge you to read those reports and I think you will find that they are stated in a language which I believe that you can understand and assimilate.

I have given you a six-year comparative statement here on the operations of the hospitals and I think it will be very interesting to you to see the growth in both the revenues and expenses.

Now, I do want to call your attention to one fact and that is the fact that there is a typographical error in the number in the last paragraph of the Treasurer's report. That came about because although I had requested that I be allowed to review the printer's proof before it went to press, unfortunately, they did go to press the day before and, therefore, I did not have that opportunity.

However, I would like to call your attention, in any event, to the fifth line from the bottom of the report, where you read, for example, that in the same period our investment fund balance increased from \$1,355,657,520 but the way it reads now it states \$3,364,000,000. However, it should be \$3,374,000,000. Also, it changes the percentage which follows to 75.2 percent.

If any of you happened to look at that, caught that error and had the notion that your Treasurer had made a mistake, I want to assure you that it was simply in relation to the printing that it occurred.

With that, Imperial Sir, I would move that the Treasurer's report as presented in the Book of Reports of Shriners Hospitals for Crippled Children, be accepted.

... The motion was severally seconded ...

IMPERIAL POTENTATE McMULLAN: Is there any discussion?

If not, all in favor of the acceptance of this report concerning the Colorado Corporation please indicate by saying aye; opposed no. It is carried.

Thank you very much, Webb.

We will now receive the checks and various donations for Shriners Hospitals for Crippled and Burned Children and I would ask those who are going to present checks to line up here over to my left and then come to the stage one at a time.

IMPERIAL RECORDER JONES: Imperial Sir, while they are lining up there, I would like to put into the record compilation of contributions to Shriners Hospitals as reported in the Proceedings of the Supreme Temple, Daughters of the Nile, for fiscal year May 1, 1988 to April 30, 1989.

Now, the figures indicate that the amount of funds, in total contributed to the various units of Shriners Hospitals for Crippled Children, indicated a grand total of \$1,270,973.83.

They likewise have a breakdown of contributions of the cost of garments purchased, garments made, personal gifts purchased, personal gifts donated, toys and games purchased, toys and games donated, etc., coming to a total value of \$59,290.38.

Also, volunteer hours of work donated by this great organization in the past year amounted to 29,160 hours.

REPRESENTATIVE: Imperial Sir, I have here a generous donation from this young lady of ninety years of age, who presently resides in a nursing home. This check is in the amount of \$20,000.

. . . Presentation and applause ensued . . .

IMPERIAL POTENTATE McMULLAN: Thank you very, very much.

Let me add that Jack has been going to visit this lady on a regular basis and this is not her first donation and she has been very kind to the Shrine and very pleased to make these donations on a yearly basis.

Thank you very much.

ILLUSTRIUS SIR VERNON SHAW [Potentate, Hasan Temple]: I would like to present this check to you, Imperial Sir, from our annual paper sale in the amount of \$50,000.

IMPERIAL POTENTATE McMULLAN: Thank you very, very much. (Applause)

ILLUSTRIOUS SIR ROBERT KOLARITSCH [Potentate, Salaam Temple]: Imperial Sir, I have here a check in the amount of \$65,000, given to our great Philanthropy, some \$30,000 of which has come from a Dodge Open which we have every year in New Jersey—from the Dodge Dealers of New York, New Jersey and Connecticut.

IMPERIAL POTENTATE McMULLAN: Thank you very much. (Applause)

Let me say that you saw some legislation passed yesterday that will require some additional funds and certainly we do appreciate your generosity.

ILLUSTRIOUS SIR RICHARD BARR [Potentate, Gizeh Temple]: Imperial Sir, we have for you a check to Shriners Hospitals for Crippled Children in the amount of \$100,000 and a big portion of this was raised by one of our units, the Oriental Band, which received, I believe, four first prizes. Therefore, we believe they work as well for our Philanthropy financially as they do from the participation of the Oriental Band in various events.

We also have a check here in the amount of \$118,532.58 from a widow in our area, Margaret Atkinson, for Shriners Hospitals for Crippled Children.

IMPERIAL POTENTATE McMULLAN: Thank you very much, Dick. (Applause)

ILLUSTRIOUS SIR WALLACE NUNLEY [Potentate, Kazim Temple]: I am please to present from our Temple a check in the amount of \$282,354.

IMPERIAL POTENTATE McMULLAN: Thank you very much. (Applause)

ILLUSTRIOUS SIR JACK RUSSELL [Potentate, Midian Temple]: I have here a check for you in the amount of \$51,015.89 which is representative of the amount of money that the Kansas Shrine Bowl sent to the hospitals during the past Imperial Year and was the result of the dedicated effort and talent of some 10,000 Shriners in the great State of Kansas.

I also have with me to help me make this presentation the Potentates of the other four Temples in Kansas—namely, Abdallah, Arab, Isis and Mirza.

IMPERIAL POTENTATE McMULLAN: Thank you very, very much. (Applause)

ILLUSTRIOUS SIR ZACK PARRISH [Potentate, Al Menah Temple]: On behalf of our 5,800 Nobles of Al Menah Temple, I would like to present you with this check to Shriners Hospitals in the total sum of \$332,000. (Applause)

ILLUSTRIOUS SIR NORMAN THOMPSON [Potentate, Philae Temple]: At this time it gives me much pleasure to present a check for \$5,000 from the Halifax Shrine Club and \$50,000 from Philae Temple for Shriners Hospitals for Crippled Children.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

Let me ask you, Norm, how large is your Temple?

NOBLE THOMPSON: We have 1,350 members.

IMPERIAL POTENTATE McMULLAN: You probably earned that money by having a circus, car sales, as well as all sorts of other things. I did want to mention the circus because I know the one you just had was your first circus. You put up every nickel, gave out every dime and never took any money in return from the income from that circus. We certainly are very appreciative of these small Temples. It is wonderful, thank you very much.

ILLUSTRIOUS SIR ALFRED LIGHTSEY [Potentate, Hamasa Temple]: Imperial Sir, I have a privilege here of presenting a check for \$17,000 from our Temple for our contribution to the hospitals.

IMPERIAL POTENTATE McMULLAN: Thank you very much. (Applause)

ILLUSTRIOUS SIR C. L. YEOMANS [Potentate, Omar Temple]: Imperial Sir, at this point, I would like to present you a check in the amount of \$2,371,877.52 from the Temples of the Carolinas.

... Rising applause ensued ...

IMPERIAL POTENTATE McMULLAN: Thank you, fellows, you do a great job and the Nobility certainly gave you a standing ovation and it was well deserved.

ILLUSTRIOUS SIR WALTER MOHR [Potentate, Irem Temple]: It is our pleasure to present you, Imperial Sir, will a check for \$25,000 in connection with a little bit of a golf tournament that we held.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

ILLUSTRIOUS SIR JAMES M. SIMS [Potentate, Barak Temple]: Imperial Sir, it gives me pleasure to present to you the proceeds from a circus held some months ago, which has been presented before but this check is in conjunction with some other work done through

the EWG Committee and the Potentates and Past Potentates of Barak Temple. This check is in the amount of \$28,000.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

You know, as I have traveled throughout the country during the past year, I am so very proud seeing some of these smaller Temples supporting our hospitals.

ILLUSTRIOUS SIR JOHN W. ROHAL [Aladdin Temple]: Imperial Sir, I am pleased to present this check to our hospitals for \$650,000 representing work done by our Temple, Antioch Temple, Al Koran Temple, Syria Temple, Zenobia Temple and Tadmor Temple.

IMPERIAL POTENTATE McMULLAN: Thank you very much.

You know, \$650,000, that is certainly a lot of money. Thank you very much. (Applause).

ILLUSTRIOUS SIR ROBERT HALL [Potentate, Rameses Temple]: Imperial Sir, Imperial Sirs and Representatives: It is my pleasure to advise this noble group today that the Montreal Hospital computer printout, as of May 20, 1989, shows that our Temple has already sent them this year the sum of \$650,000.

Also, I have handed to me a letter and check from a corporation here in Canada who wishes to remain anonymous, who have given me a check for \$50,000 for a new image intensifier at the Montreal Hospital only if cash in the same amount of \$50,000 is met by somebody else. I am here to advise you that the other \$50,000 will be met by Rameses Temple. (Applause)

IMPERIAL POTENTATE McMULLAN: I think you should tell them that you already gave to the Montreal Unit some \$1.5 million last year. Thank you very much.

ILLUSTRIOUS SIR PAUL STEVENS [Potentate, Islam Temple]: I would like to present to the Shrine, in behalf of the five sponsoring Temples of the East-West Football Game, a check in the amount of \$301,440.

IMPERIAL POTENTATE McMULLAN: Thank you very much. That is certainly wonderful support.

Gene, would you like to just say a few words?

IMPERIAL SIR BRACEWELL: I would only like to tell all of you that when you have that type of generosity exhibited, it is overwhelming to know the support that we have from our Temples and Nobles and the general public and, of course, when you approve programs like you did yesterday to authorize construction of a new facility in Northern California, with these type of monies that are generated, they will certainly be needed to accomplish that authorization. However, this is what it is all about and, therefore, in behalf of our Divan and our Board of Trustees, I thank each and every one of you Temples that have contributed. You are doing a great job and please keep up the good work.

IMPERIAL POTENTATE McMULLAN: We are going to let you go now for lunch and recess until one-thirty p.m.

... Whereupon, the Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation, was recessed at eleven-forty-five o'clock a.m. ...

AFTERNOON SESSION THURSDAY, JULY 6, 1989 ONE-THIRTY O'CLOCK P.M.

The Annual Meeting of Shriners Hospitals for Crippled Children, a Colorado Corporation reconvened at the Royal York Hotel, Toronto, Ontario, Canada, at one-thirty o'clock p.m., Imperial Potentate Edward G. McMullan, C.D., presiding.

IMPERIAL POTENTATE McMULLAN: Gentlemen, we will now convene and at this time I would like to call on Imperial Sir Gene Bracewell.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

For the purpose of receiving additional donations to our hospitals, I would like to recognize the President of the Association of Shrine Oriental Bands, Noble Thomas.

NOBLE THOMAS: Imperial Sir, Imperial Sirs and Fellow Nobles: I am here representing the "Ladder of Smiles" Program of the Association of Shrine Oriental Bands.

I have a donation to make, the first one raised by the general membership of our Association, in the amount of \$33,557.30.

The second item is the result of an inquiry that came to me about three years ago from a

firm in Spokane, Washington. They would like to participate in the purchase of equipment for our new Spokane Unit.

I have with me a check today made out to Shriners Hospitals for Crippled Children from the Calam Temple Oriental Band in the amount of some \$50,000. (Applause)

IMPERIAL POTENTATE McMULLAN: Thank you very much.

. . . Business was transacted in the Iowa Corporation at this time . . .

IMPERIAL POTENTATE McMULLAN: We have a treat now for you.

We are now all, I am sure, going to enjoy a talk by Dr. Duane Larson, former Chief of Staff at the Galveston Unit. He is a marvelous speaker and I think you will find him interesting to all of you.

I will recognize first, however, the Chairman of the Board of Trustees, Imperial Sir Gene Bracewell.

IMPERIAL SIR BRACEWELL: Thank you, Imperial Sir.

How many of you remember the SBI Program the "Stop Burn Injuries" Program that started some time ago? It was a great and fantastic program and you may recall that it started back under the leadership of Dr. H'Doubler, back in 1980-1981, when we had a lot of literature printed up and some films and what have you. These were, in turn, displayed at the World's Fair held at Knoxville.

Now, one of the greatest things that happened there at that time in relation to this program, something which is still underway and is going on, is that at that time we had a very prominent world renown burns physician that offered to volunteer his time to travel around North America in behalf of the Shrine. He did appear on various radio and television programs and he talked about the SBI Program and told his listeners about the best treatment for burn prevention.

The individual I refer to is Dr. Duane Larson, who, I might add, was President of the American Burns Association back in 1979. Also, he was named Physician of the Year by President Nixon in 1972.

It gives me a great deal of pleasure to present to you at this time, for a most inspiring presentation and talk, Dr. Duane Larson, and will you please give him a hand.

. . . Rising applause ensued as Dr. Duane Larson approached the podium . . .

DR. DUANE LARSON: Thank you, Imperial Sir Gene.

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles All: You know, you gave me one task that I could not complete but for that I apologize and that was a task to complete the Stop Burn Injuries. Those of you who know me also know that this was the most important aspect of burn treatment, which was to prevent them, because we certainly could not treat them as well as we would like.

The best treatment for a burn now or forever will be that of prevention.

Unfortunately, in October, a serious heart attack struck me down. Bypass surgery was done in December and the Stop Burn Injuries Program was stopped at that time. It was, however, very difficult for me to decide to remove myself from this program because of its importance and I would certainly like to continue with it.

Now, the task that you have given me this afternoon is that of going back and looking at what has taken place—what is happening now and what do I anticipate will happen to our burn program in the future?

So, with your permission, I will call on the old "time" machine and let us take a trip back in time.

Now, as the time machine begins to run and take off and we go back in time, let us swing around to about 1959 and see what was happening to the burn programs at that time.

The main burn program as that time was in the military unit located in San Antonio, Texas. As we hover over that unit, we see Dr. Larson as a young burns surgeon sitting at a desk, head in his hands, shoulders slumped, obviously dejected.

We asked the gentleman why he was so dejected and upset and the problem was that he had a six-year-old girl that was burned in a nighttime fire lying in the ward, covered with green pus, the pseudomonas organism that was so deadly in the burn patients.

As he sat there, he was thinking about "What do you tell this child's parents, when especially you know that child is not going to survive? What kind of words can you give to a parent indicating that this child is not going to go home with them?" Well, there are no

words to soften a blow like that and so the doctor is sitting there dejected and he just does not know what to do.

You think about "Well, perhaps I can go to the literature." However, there is very little literature at this time in relation to burns and, certainly, in relation to children, it practically does not exist. If you find a paper, it involves ten or fifteen burned children and that is all that there is.

As this surgeon sits there, he wonders, "Will anyone appreciate the fact that we have on our hands a silent epidemic?"

Every thirty seconds, for example, a child is burned. Seventy percent can be prevented. Ninety percent occur in the home.

So few facilities are available at this point in time that there is no place for these children to go. They are locked away in some ward, back in the ward where they smell, their parents are very upset and the doctor is frustrated because he has nothing to go by. There is not sufficient work in this area so, as a result, we know very little about the burn unit in relation to how these children are handled and protected.

The patients that were coming into the unit were poorly cared for on admission because the doctor, and it was not because the doctor did not want to give it but it was because he did not know how to give it.

Infection was running rampant. Pulmonary problems were killing these patients. A fifty percent burn had less than a fifty-fifty chance of making it and if the patient did make it, that patient went home crippled to the point that the patient looked grotesque, monstrous-like in appearance and functioned extremely poor.

I would like to add that I am not exaggerating in that condition. I am sure many of you are old enough to realize this and have seen that happen.

Indeed, gentlemen, this was the Dark Ages of burns.

Now then, let us get back into the time machine and move up a few years. Let us, for example, go to 1964—twenty-five years ago.

There are now a few burns units located in three university facilities—Galveston Burn Unit, the Cincinnati Burn Unit and the Boston Burn Unit.

These Shriner Hospitals located in a university facility was like an athlete warming up—we were beginning to flex our muscles—we are warming up to the task ahead—determining what problems we are going to have and how we were going to handle them with a few children.

Then, in April of 1966, the Shrine Institute in Galveston did open, followed shortly thereafter by the unit in Cincinnati and by the institute in Boston.

I am sure that many of us remember the opening ceremonies.

A new era was born—enthusiasm and optimism was generated throughout. However, like many new ideas and new programs that existed, essentially we were the new kid on the block.

There were the questions—"What do they want? Where are they going? What are they going to do?"

We had many problems—university affiliation, medical physician cooperation, are they going to cooperate with us, are they going to work with us to give these children care?

Moving into the institute. Recruitment of physician and research personnel the institute could very definitely be a problem if we were going to succeed.

Transportation was a problem and also funds.

However, a quitter never wins and a winner never quits and, as a result, the Shrine has always been a winner. This was shown before and we continue to show this into the future.

Now, let us take this time machine and move up a little more—into the late 1960's and look down at our three institutes and the men and women there within those walls.

These are a happy group; due to facilities that they never dreamed possible but which were now in hand to enable them to do the job and do it right.

The enthusiasm that permeated every bit of those institutes was like octane fuel to a motor and it stimulated and ran that motor like you would not believe.

Papers began to come out concerning the care of burns and burned children—books, national and international meetings were papers, new ideas and new modes of care were being presented.

Individuals from not only our country but other countries came as well to the unit for training in their burn fields. They went back not only to the United States but then went back to foreign countries and set up their burn institutes there. They, too, had others from their country then come to their units in relation to which they also developed unity.

Gentlemen, it was like a pebble—a pebble rolling down the mountain and then, as it bounced and gained momentum, it was like an avalanche.

The pebble, as it began to roll, caused a ripple that was felt over the world.

Now, let us get back to the time machine and go into the seventies.

All aspects of the burn care is now improved.

The massive burns that we dreamed of salvaging are now salvageable, due to the work of the three institutes and those that trained within them.

Things then began to look like a possibility and began to show improvement. For example, crippling was reduced dramatically.

Now, let us get back to the time machine and go over to the eighties.

Burn prevention, for example, now became a headline.

There is just no way to treat a burn successfully. There is no way that you and I can treat a burn and give them the hope and dream that they would have had if they had not been burned.

The surgical leadership changed hands. The older Chief Surgeons stepped down—the younger surgeons were taking over the institutes with new skills and their new knowledge, the momentum was increased.

Shorter hospital stays were realized. There were decreases in pulmonary complications as we learned about the problems that were there.

Knowledge of immunology was increased—all areas of burn care were improved.

Now, to the present we come. Are we still dominating the burns field?

A good example of this is the American Burn Association, where all individuals interested in burns meet once a year.

Those papers that were presented at the American Burn Association this year were dominated, and I mean dominated, in relation to the papers presented by the three Shrine Burn Institutes.

Now, let us go back to the time machine and look into the future.

What year shall we choose? Well, how about 2014—twenty-five years ahead?

What do we see?

The Shriners Burn Institutes continue to dominate, with modern facilities. They are the envy of all as they stretch across the land. However, one important difference is that these facilities are filled with love—a love for each child that enters those walls.

An increased knowledge is present, so much so that with new ideas and new information, we are now looking with a microscope in relation to what we used to see with the naked eye.

Massive burns are being salvaged—not only salvaged but being rehabilitated.

Early care and transportation is no longer a problem.

Specialized laser knives are used for excision. Closure with skin substitutes is present.

With a new knowledge in relation to immunology we now are able to control the skin rejection and be able to use skin from someone else over a prolonged period.

We now can control infection, not only by the antibiotics that are being given but more importantly by understanding resistance of the patient to the burn, we can increase his or her own resistance to these burns.

Crippling is at a minimum.

The knowledge that is gained twenty-five years from now will enrich all of medicine and will unlock the secrets of wound healing in the burn victim.

This knowledge will assist those not only with other trauma but also will improve all aspects of medicine as all aspects of medicine does have wound healing as its basis in relation to which with history and knowledge we will improve degenerative diseases and other crippling deformities.

Well, gentlemen, I have taken you through a time machine and let us return.

If you do not mind, let me spend a minute and let us stop at one of our Shriners Burn Institutes. With your permission, let us stop and go into the Treasure Room.

You ask me what the Treasure Room is. Last night or the night before last, before leaving Texas, I looked up the definition of "treasure" and it said "facility containing the most prized valuables."

Well, what are these prized valuables? These are memories and that, of course, is true in relation to the treasure in our record room.

Everybody says, "record room" and then the thinking begins to stop. However, let us think for a moment.

As we stand in our record room in the institute and look around at walls and walls of records, each one of those represents a life and death battle, hopes and dreams of each one of these children.

These hopes and dreams and their care are pressed between the pages of a chart but also they are present between the pages of our minds.

Let us take out this chart, that of Mark DeLano. He was boy of about nine years old that was burned severely in Mexico City. His legs became infected. After his accident, he was thrown into the Galveston Unit. His legs had been amputated, he was dying of sepsis, the wounds were open, the parents had no hope. Fortunately, however, he survived.

Not too long ago I received a call from Mark and he was in Houston and he told me that he had a large business, a very successful business in Mexico City. He also has a successful business in Houston. he could not be happier.

Now, let us pull out another chart, that of Belford. Now, Belford was a young boy, a young teenager who was pushing out a sailboat and, as he did so, it touched a high tension wire that shot electricity down through the sailboat and into his chest. The distressed area was removed until he was left with only an open hole in his chest. The boy was flown into the institute and fortunately he did survive although twice in one night we put a finger in his heart to stop the blood from flowing out. Therefore, he did survive.

A letter from him indicates that he is happy, he is married and has children. He has also completed his college education.

Now, let us take another chart out, that of Iris. She came out of California. She had a serious burn, a beautiful young lady.

Iris has now gone through medical school and is a full-fledged physician.

Now, we pull another chart out and this is the final chart. This is the chart of Steven.

He has such a massive burn that made his mother say, "Why did you let this boy live?" However, Steven not only lived but he likewise completed medical school and went to the Medical College of Georgia. He did his internship in Galveston, Texas, was voted the outstanding intern and he now is a surgical resident and hopefully one day will be a burn surgeon in one of our institutes.

Gentlemen, thanks for the memories. I love you all dearly and God bless you.

... Applause ensued ...

IMPERIAL POTENTATE McMULLAN: Dr. Larson, you certainly are a game player and a terrific speaker. I want to thank you in behalf of the Nobility here. We are also pleased with it being arranged so that you could be here today. Thank you so very much for this presentation.

IMPERIAL SIR BRACEWELL: Thank you very much, Dr. Larson. We thank you so much because you furnished us with some fine memories as well and, Doctor, we will be calling on you from time to time to help us again.

Let us give him another big hand. (Applause)

My fellow Nobles and Representatives, we all realize how extremely important it is that we receive and continue to receive financial support from all sources to help us operate our hospitals and as I think your Imperial Potentate noted a moment ago, we have thus far received in excess of \$4 million today.

However, Nobles, there is an organization that has been most generous to Shriners Hospitals for Crippled and Burned Children. The organization that I am referring to is the Houston Endowment Fund.

This fund has given to Shriners Hospitals and to Houston, Texas and Galveston, Texas, several millions of dollars.

Also, the lady that I think is really responsible for it is really a young lady and a very fine person. Her husband happens to be on our Board at Galveston.

She is Executive Vice President of the Houston Endowment Fund.

At this time, I would like to present to you for her appropriate remarks, Mrs. Murphy. Let us give her a warm Shriners welcome. (Applause)

MRS. J. MURPHY: Thank you very much for inviting me to this beautiful city. We have had four days of nothing but fun. It is very nice for Houston Endowment to be included in an activity where our donations have been recognized.

We all know of the excellent work that you do in relation to crippled and burned children and this is why we are so happy to support you.

We do believe sincerely that Shriners do great work and you may be assured that as we are able, our support of your activities will continue.

At this point, we do have an additional grant to give. We gave you \$1.5 million last year and this additional grant will be a check to you of a million dollars to establish a Chair in burns surgery at Galveston and this, I might add, is in honor of Dr. David Herndon whom we are all very, very proud of.

This grant will probably be made in 1989 or it could be made in 1990 as funds become available.

Thank you all so very, very much for allowing us this privilege.

... Rising applause ensued ...

MRS. MURPHY: Also, ahead for 1990 are plans to present another \$1.5 million.

... Further cheers and applause ensued ...

IMPERIAL SIR BRACEWELL: How about that, Nobles?

Let me ask you a question.

Would it be all right with all of you if I were to continue to invite her back with us next year in Chicago?

... Cries of "yes" ensued ...

ANNUAL REPORT OF WEBBER C. HARRINGTON, TREASURER
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN

January 1 - December 31, 1988

Imperial Potentate Edward G. McMullan, C.D., Board of Trustees of Shriners Hospitals for Crippled Children and Members of the Imperial Council, A.A.O.N.M.S. at the One Hundred Fifteenth Annual Imperial Council Session at Toronto, Ontario, Canada, July 1989:

Imperial Sir, Imperial Sirs, Illustrious Sirs and Nobles:

The comments in this Treasurer's Report should be considered in conjunction with a careful review of the report of our independent auditors found elsewhere in this Book of Reports, which shows the financial position, results of operations and supplementary data of Shriners Hospitals for Crippled Children for the year 1988. In this report I shall attempt to provide the members of the Colorado Corporation and other interested readers with additional information regarding the financial position of Shriners Hospitals for Crippled Children, operating trends and significant data regarding the various funds constituting our charity's capital.

As I reported to you last year, a committee has been appointed to study and report on the future financing of Shriners Hospitals for Crippled Children. The debate continues among sincere and concerned Board members and representatives regarding the future financial status of our great philanthropy.

Inasmuch as at least one quarter of the Imperial representatives are new each year, I believe that it is important to detail again the policies established by the Board of Directors with respect to the crediting of revenues to funds as follows:

Designated for operations:

- Income from investments (endowment fund)
- Annual assessments from Shriners
- Gifts and bequests for exclusive use of particular hospitals (effective January 1, 1986)
- Reimbursements from Canadian provinces
- Income from investments in capital reserve fund (effective January 1, 1987)
- Charitable fund raising activities (effective January 1, 1988)

Designated for capital reserve fund:

- Investment income on assets in capital reserve fund (through 1986)
- Realized gains from sale of assets in capital reserve fund
- Depreciation funded

Designated for investment (endowment) fund:

- Life memberships from Shriners
- Gifts and bequests (except those for the exclusive use of particular hospitals)
- Realized gains from sales of assets in investment fund
- Charitable fund raising activities (through 1987)

On March 16, 1988, in order to more correctly match revenues and expenses, the Joint Boards approved, effective January 1, 1988, the recommendation of our auditors that revenues from fund raising activities be classified as revenues designated for operations.

In addition to the changes shown above, on October 25, 1988 the Board of Directors approved the allocation to funds designated for operations, from the realized gains from sales of assets in the investment fund, an amount equal to 150% of the projected excess of expenses over revenues in the operations fund, not to exceed \$25,000,000 in any year effective January 1, 1989. Obviously, with this method of allocation there can be no deficit in the operations fund unless the realized gains from sales of assets in the investment fund are insufficient to cover the shortfall of other revenues over expenses, or if the deficit exceeds the \$25,000,000 before such allocation. It is distressing to note that, despite very liberal approval of interim budget requests, thirteen of our twenty-two hospital units exceeded their budgets for 1988, some of them by very substantial amounts.

A careful review of the designation of revenues reveals that in each of the last three years the Board of Directors has found it necessary to designate for the operations fund revenues which formerly accrued to the benefit of the investment fund or the capital reserve fund.

SHRINERS HOSPITAL

As shown in the report of our independent auditors, the net realized gains from investments for 1988 aggregated \$40,367,042, compared to \$193,432,621 in 1987. Unrealized gains on our investment portfolio at December 31, 1988 and 1987 were as follows:

	<i>Market Value</i>	<i>Carrying Value</i>	<i>Excess of Market Over Carrying Value</i>
<i>1988</i>			
Investment fund securities.....	\$2,422,441,771	\$2,285,015,058	\$ 137,426,713
Capital reserve fund securities	<u>195,190,807</u>	<u>187,472,899</u>	<u>7,717,908</u>
	<u>2,617,632,578</u>	<u>2,472,487,957</u>	<u>145,144,621</u>
<i>1987</i>			
Investment fund securities.....	2,164,760,771	2,100,680,296	64,080,475
Capital reserve fund securities (restated)	<u>211,548,789</u>	<u>209,831,606</u>	<u>1,717,183</u>
	<u>2,376,309,560</u>	<u>2,310,511,902</u>	<u>65,797,658</u>
Increase	<u>\$ 241,323,018</u>	<u>\$ 161,976,055</u>	<u>\$ 79,346,963</u>

The balance in our Capital Reserve Fund at December 31, 1988 was \$187,472,899. The unexpended appropriations against this fund for construction and major renovations committed to by the Board at December 31, 1988, as detailed in Note (4) to the Combined Financial Statements aggregated \$131,044,743. It is anticipated that the Capital Reserve Fund balance at December 31, 1988, together with additions from realized gains on securities in that fund and depreciation funded, will be adequate to complete the rebuilding of the hospital system presently contemplated.

We have found that in each of our new hospitals there has been greatly increased activities and, in many cases, expansion of services to meet the unmet needs of children. For these reasons, together with the increase in medical costs in general, the overall operating costs of our hospitals have nearly doubled in a five year period (\$181,767,000 in 1988 compared to \$94,861,000 in 1983, an increase of 91.6%). During the same period, our investment fund balance increased from \$1,355,657,520 to \$2,364,151,967, an increase of 74.4%. Inasmuch as the operating expenses of our hospitals are increasing considerably faster percentagewise than our investment fund, we have an even greater challenge to increase our revenues by building our membership and favorably impressing our members and the public that we are indeed the world's greatest philanthropy and therefore worthy of even greater support.

Respectfully submitted,

Yours in the Faith,

Webber C. Harrington, Treasurer
Shriners Hospitals for Crippled Children

Independent Auditors' Report

THE BOARD OF DIRECTORS
SHRINERS HOSPITALS FOR CRIPPLED CHILDREN:

We have audited the accompanying combined balance sheets of Shriners Hospitals for Crippled Children as of December 31, 1988 and 1987, and the related combined statements of support and revenue, expenses, and changes in fund balance and of changes in financial position for the years then ended. These combined financial statements are the responsibility of Shriners Hospitals for Crippled Children management. Our responsibility is to express an opinion on these combined financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined financial position of Shriners Hospitals for Crippled Children at December 31, 1988 and 1987, and the combined results of their operations and the changes in their financial position for the years then ended, in conformity with generally accepted accounting principles.

Our audits were made for the purpose of forming an opinion on the combined financial statements taken as a whole. The combining information included in Schedules 1 through 3 is presented for purposes of additional analysis of the combined financial statements rather than to present the financial position, results of operations, and changes in financial position of the individual organizations. The supplementary information included in Schedules 4 through 6 is presented for purposes of additional analysis and is not a required part of the combined financial statements. The combining and supplementary information has been subjected to the auditing procedures applied in the audits of the combined financial statements and, in our opinion, is fairly presented in all material respects in relation to the combined financial statements taken as a whole.

NOTES TO COMBINED FINANCIAL STATEMENTS

December 31, 1988 and 1987

(1) *Summary of Significant Accounting Policies*(a) *Combined Organizations*

The combined financial statements of Shriners Hospitals for Crippled Children (the Hospitals) include the accounts of the following organizations, all of which are exempt from federal income taxes:

Shriners Hospitals for Crippled Children, a Colorado Corporation
Shriners Hospitals for Crippled Children, a Canadian Corporation
The Shriners' Hospital for Crippled Children, a Massachusetts Corporation
Shriners Hospitals for Crippled Children, a Mexican Association
Shriners Hospitals for Crippled Children (Quebec) Inc.

All significant intercompany balances and transactions have been eliminated.

(b) *Gifts and Bequests*

Assets received by gift or bequest are recorded at estimated market value at date of receipt. The values of bequests in the process of administration are recorded as amounts are received. Income earned by estates during administration is treated as a part of the bequest.

Gifts or bequests made for the exclusive use of a particular hospital are transferred to the operating account of that hospital and are included in revenues designated for operations.

(c) *Securities*

Marketable investment securities include equity securities, principally common stocks, and bonds held for long-term investment purposes. Equity securities are stated at the lower of aggregate cost (or estimated market value at date of receipt) or market value. The cost of marketable equity securities sold is based on average cost. Other securities are carried at cost (or estimated market value at date of receipt).

(d) *Property, Plant and Equipment*

Property, plant and equipment are stated at cost, if purchased, or at estimated market value at date of receipt if acquired by gift. Depreciation is calculated on the straight-line method over the estimated useful lives of the assets.

(e) *Deferred Charges*

The Hospitals incur legal fees, taxes and other expenses in connection with obtaining gifts and bequests. These costs are deferred until receipt of the gift or bequest.

(f) *Inventories*

Inventories of supplies are stated at the lower of cost (first-in, first-out method) or market.

(g) *Retirement Plans*

The Hospitals follow the principles of "Statement of Financial Accounting Standards No. 87, Employers' Accounting for Pensions," which requires use of the "projected unit credit" actuarial method for financial reporting purposes. The Hospitals also use this method for funding purposes.

(h) *Designation of Support and Revenue*

Under policy established by the Board of Directors (the Board), generally only the income from investments, annual assessments from Shriners, gifts and bequests made for the exclusive use of a particular hospital, fund raising activities, and reimbursements from Canadian Provinces are designated for operations.

Receipts from gifts and bequests from Shriners and non-Shriners (excluding gifts and bequests made for the exclusive use of a particular hospital), life memberships from Shriners, and gains from investment sales are designated by the Hospitals for investment.

Beginning in 1988, the Board established a policy for funding of the Montreal hospital operating costs by designating for operations, gains from investment sales of the Canadian Corporation and, to the extent necessary, unrestricted gifts and bequests of the Canadian Corporation.

NOTES TO COMBINED FINANCIAL STATEMENTS

(Continued)

(i) *Foreign Currency Translation*

Foreign currency transactions and financial statements are initially translated into the currency in which the Organization conducts its business ("functional currency"). Gains and losses resulting from such translations are included in the determination of the excess of support and revenue over expenses for the period in which the exchange rate changes. The functional currency financial statements are subsequently translated into U.S. dollars using current exchange rates, and these gains and losses are accumulated in the balance sheet caption, "Cumulative foreign currency translation adjustment," a separate component of fund balance.

(j) *Reclassifications*

Certain reclassifications have been made to the 1987 combined financial statements to conform to the 1988 presentation.

(5) *Transactions with the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA*

The Shriners Hospitals for Crippled Children organizations were founded by the IMPERIAL COUNCIL OF THE ANCIENT ARABIC ORDER OF THE NOBLES OF THE MYSTIC SHRINE FOR NORTH AMERICA (Imperial Council). Hospital assessments, donations and other receipts are collected and remitted to the Hospitals by the Imperial Council.

The National Headquarters building and equipment is owned by Shriners Hospitals for Crippled Children. A portion of the building is occupied by the Imperial Council which bears a share of the operating costs and depreciation of the building and equipment. The allocation of the cost is based upon the portion of the building occupied by the Imperial Council in relation to the total occupied space in the building.

The Hospitals and the Imperial Council also share other costs based on the estimated value received by each organization.

Amounts of \$62,509 and \$223,557 were due from the Imperial Council as of December 31, 1988 and 1987, respectively.

(6) *Fund Raising Activities*

The Shriners Hospitals are financially supported through each Shriner's annual hospital assessment, income from investments, gifts and bequests from the general public and from Shriners, and certain fund raising activities conducted by Shriners. Shrine temples and Shriners raise funds for both fraternal and charitable purposes. Shrine fund raising activities generally consist of paper sale donations, football games, some circuses and other miscellaneous activities. The name "Shriners Hospitals for Crippled Children" may be used in connection with a fund raising activity by a Shrine Temple or Shriner only with the written consent of the Imperial Council and Shriners Hospitals. Revenues from fund raising activities amounted to \$8,919,793 and \$8,959,154, net of direct costs of \$3,498,350 and \$4,400,261 for 1988 and 1987, respectively. Fund raising costs for the years ended December 31, 1988 and 1987 consists of the following:

Total	<u>\$ 2,037,964</u>	<u>1,276,624</u>

(7) *Retirement Plans*

The employees of U.S. hospitals are included in the Shriners Hospitals for Crippled Children Revised Retirement Plan. The benefits are based on years of service and the employees' compensation during the highest five consecutive years of employment. The organization made no contributions to the Plan in 1988 and 1987 because it is fully funded under Internal Revenue Code Sections 404 and 412.

(9) *Estimated Malpractice Costs and Other Contingencies*

The Hospitals are self-insured for claims for malpractice from providing professional and patient care. Claims alleging malpractice have been asserted against the Hospitals and are currently in various stages of litigation. It is the opinion of management, that estimated malpractice costs accrued should be adequate to provide for potential losses resulting from pending litigation. Additional claims may be asserted against the Hospitals arising from services provided to patients through December 31, 1988. The Hospitals are unable to determine the ultimate cost of the resolution of such potential claims and, accordingly, no accrual has been made for them.

The Hospitals are also a party to various other claims and legal actions arising in the ordinary course of business. Management does not believe that the outcome of such claims and legal actions will have a material adverse effect on the financial position or results of operations of the Hospitals.

(10) *Interfund Transfers*
